From Yates Mill Associates ...

Dear Robert P.

If you're a member of Yates Mill Associates, we hope you've marked your calendar for our annual meeting. **Wednesday, May 1**, is our yearly get-together to elect board members and celebrate our recent successes.

We have a special treat this year: Ernest Dollar, the new executive director of the City of Raleigh Museum, will join us to talk about how COR Museum and Yates Mill Associates can work together to promote and celebrate our region's historic treasures.

We're very excited about some of the great people who would like to join our board of directors, and look forward to introducing them to you. And we'll salute the folks who have given so much of their own time and energy over the years to protect Yates Mill.

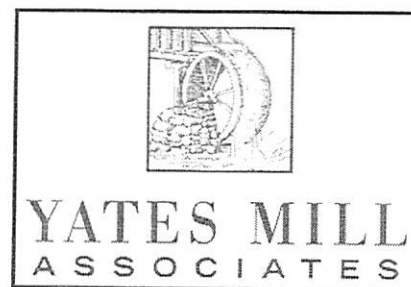

Invitations with full details were recently mailed to all our current members. If you didn't get one or you've lost it, drop us a line at info@yatesmill.org to get the meeting's time and location.

If you're not a member of Yates Mill Associates, we hope you'll consider making a gift to support our work and coming out for next year's annual meeting. We'd love to have you.

See you at Yates Mill!

Margaret Lillard
President

PS- If you haven't bought tickets yet for the April 27 Chickin Pickin', they're still available through this weekend! Email us at info@yatesmill.org or stop by Historic Yates Mill County Park during corn-grinding weekend this Saturday and Sunday.
