Hi Shirley---

Delighted to hear from you. You belong to the Harmon U Clan and to the Subclan headed by his son Allen. I have spent years collecting and publishing about this family. I have your ancestor Henry M. A. Upchurch in my Master Outline Notebook which I keep manually. With the receipt of your email I have looked around and find there are some details I can use to upgrade his family. I'll wait until I hear from you again before I do that. The reason is I would like to know how you trace back to Henry. I show he had six children born between 1883 and 1899. I assume you trace back to one of these. Perhaps you will be kind enough to clue me in.

I am now in year 31 publishing the Upchurch Bulletin. Details on your line are in various issues. For new cooperators I offer for \$40 to go through all 100 issues and to pick out eight issues I think would most interest them. You can let me know if this interests you. The subscription for 2010 is \$10 and there will be one issue to be produced this fall.

Looking forward to hearing from you.

Henry and Elizabeth had 12 children

Iva Eve 10 Dec 1884

Adam Hobart (Ad) 22 Feb 1885

David Riley 7 Jan 1887

Myrtle May 9 May 1890

John Wesley 12 March 1893

Hattie Corinna 6 Aug 1898

Abner W (Ab) 1 Sept 1901

Henry A 1903

Sarrah Jane 23 Sept 1905

3 Children listed as born but not living. All the children I have listed are not among these 3 missing children. Henry A 1903-1938 didn't marry all others did.

Henry died on John Wesley's 12 Birthday. > PAB FOR 3001 - RFD

I received the Upchurch book. Very nice. I wish it had covered more of Benjamin. But I am ok with that. I just have a few more children of his to fill my blank places.

Hi Shirley---

I have just finished processing details you supplied in your email of Mar 7, for which thanks. I used what you sent plus more I got from the Internet and my own records to upgrade my Master Outline for the Benjamin Upchurch Line in the Harmon U/Allen U Subclan. While much improved there are questions and more that needs to be added. I'll be glad to mail you a copy if you will provide me your mailing address and if you are interested in working together to improve the records on this Line.

I am interested to know how you fit into this Line. Also, the names of Debbie Petzak and Laurel who has an aunt Fran show up but I cannot figure out how they fit in. Perhaps you could enlighten me.

This Benjamin Line is just one of a hundred or so that I work on from time to time. My work on any given Line is usually driven by Cooperators who have an interest and are willing to work jointly.

With All Best Wishes.

Phil Upchurch

Hello

I found the information on Henry from my grand mother in law's death certificate. Iva Eve Upchurch Stow Cooley, 10 Dec 1884 -25 April 1963 given by her daughter Perna Elizabeth Cooley Andrews my mother in law.

I have been filling in information on all of Henry's children and grandchildren.

I am interested in what the M A stands for on his name given on his marriage license to Elizabeth Lofland in Arkansas.

I ordered the Cox book this morning as a gift for my husband. Would the publications give any more than the book? I have a nice postcard pictures of Iva Eve, oldest daughter and Sarrah Jane, youngest daughter and their families.

Sarrah being born the year he died. Henry's death being on the 12 birthday of his son John Wesley (12 March 1893) as told to me. making his death 12 March 1905. Birth date not confirmed by me. I just have the ages on marriage license and census to figure from.

Thank you for answering.

Hi Shirley---

I have sealed a packet for you and have it ready to go in the mail. After I sealed it I found your email of 27 FEB mixed in with some other papers. I have now processed it and thank you for it.

Will be interested in your response to my package. As usual there are quite a few conflicts in dates. You never know what to believe as dates on census records vary from decade to decade and details on death certificates and on monuments depend on the sometimes faulty inputs from relatives. You can decide how much effort we should devote to settling on dates. I do like to get people listed in their birth order. All of my sources are in my Biofiles.

Best!

One addition Census record They are living close to her mother Elizabeth Lofland  
Census date 16 June 1880. Married 30 Oct 1879

Note birth place Miss. I don't see any children being born Miss.(Census error)

On Elizabeth middle name I strongly feel Tisdale is her middle name. No proof There is also a J floating around a middle initial.

I will start in on this.

John Daniels does not show up again in Elizabeth's life. This was nothing more than living arrangement. I am still trying to see if he isn't family of some sort. She never remarried.

1920 Ab Upchurch Buffalo Valley Latimer Co Ok (Abner W ) Lizzie and Sarrah. This is where Iva lived.

Adam went by Ad. Abner went by Ab.

The nicknames are a killer in this family.

For the present I still carry the H. M. U as Henry N. U. The original of this census record was inspected and the middle initial does look like a real "M". The original also shows a poorly written "SISABELL" but with a little imagination it could be read as "ELIZABETH".

Hello

Don had done the My Heritage test. And is doing Ancestry t be sent off.  
His match on Heritage Mary Adeline Upchurch married William Stephen Lee Home person Kevin Elliott Leon by Jennie Leon. 1st cousin 4x  
I don't know how to connect him to any one on Heritage, or to the Upchurch's. Advise I like Ancestry better.

Henry H M A Upchurch married Elizabeth T Lofland her father David Lofland 1799-1850 married Elizabeth Tisdale their son Dorman Sabet Lofland married Margarette Ann Garner my 4th cousin 4x Dorman is Dons 3rd great uncle. What are the odds that a married couple would share family?

We will be glad to share Dons results if instructed how to do so.

Dear Shirley,

In my relatively new position at Allied Families – Chesterfield Office, Phil Upchurch and Jay Buck have asked me to proceed with renewal memberships for 2018. You can access a 2018 membership form by clicking [here](#). If you contributed in December 2017 or January of 2018, your 2018 membership is already marked as paid.

If you have not already renewed your membership, we would like to welcome you back and ask that you be as generous as is comfortable for you. We have many worthwhile projects underway that need support.

If you are not yet a member, we would encourage you to join our growing group of supporters. We just need to know which Upchurch clan is yours or the Allied or Associate non-Upchurch family to which you belong.

Whether you are a longstanding member or a new member we encourage you to volunteer to take on at least a small project to help document your part of the family for our records and website. Just let me know of your willingness to volunteer and I will work with our Webmaster, Jay Buck, to get you a sample assignment.

Hi

I am the wife of Don Andrews.

We have had a medical condition arise that seems to have a connection to the Upchurch Family. Several members now have been diagnosed as having hemochromatosis. They all have a connection to the Upchurch DNA

It might be something your members should have check next time seeing their doctor. A ferritin Test and a test as a gene carrier should be conducted.

Don is a carrier and has passed this disease to my children and they have had severe problems entering middle age. Two of Dons cousins granddaughters of Ivy Eve Upchurch Stowe Cooley. has been diagnosed now as carriers. One having the disease with high iron levels of 1465 normal is under 400.

Please inform your Upchurch DNA members.

Thanks

Hi Shirley (And daughter Debbie)---

Thank you for the information on the medical issues in your family which have an Upchurch DNA component. I am sorry your family is impacted by this malady and hope you are coping as well a possible.

I am referring this information to our Group in our Upchurch and Allied Families Association that is handling DNA issues. It will be their responsibility to figure out how to handle DNA issues such as you reveal.

We continue to make progress on the Harmon Upchurch Family to which your husband and therefore you and your children belong. Your ongoing interest and support are appreciated.

Sending all Best Wishes~

Phil Upchurch, Founder, Allied Families.

XFD 4422 - 9 pages 20 items - enclosed. I cleaned them up a little to send to you but it needs careful study. For 40 years I have been stuffing material into many thousands of people and they sit waiting for someone to make sense out of the contents - there is a limit to how many I can get to in a week, a month or a year. They will all go to the Ypsilanti collection at N. C. State University in due course. If you are so inclined I would be happy to interact with you on this topic and would hope we could add more to it.

Perhaps you are aware that Benjamin U. XFD-4422 had an Uncle Benjamin U. I figure he went to GA and I have had some interaction with this family.

I am aware of the issue of needing to treat records for living people carefully. None of my stuff has been put on the internet by me. We can go into more detail on this subject if you so desire.

With Appreciation

Phil Ypsilanti

You will note that I collect full names (full maiden names of females), dates of births/marriage/deaths and places of births/marriage/deaths/burial. For places I include town/county/state and the names of cemeteries. As you know, it is hard to get all these details but a family history is improved by having all we can get.

There are some differences in our records and we can work on these if you so desire.

I appreciate your efforts to improve the Benjamin Uphurch line and look forward to working with you to learn more

Notes for HENRY M A UPCHURCH:

1880 Census Upper Lafave Yell Ark

138/141 Upchurch H M age 25 Elizabeth 20

140/143 is mother Ann Lofland Brother David, Mattie, Mary.

H M A Upchurch 27 to Elizabeth T Lofland 17, 30 1879 Oct by D S Lofland MG Book C page 51 Yell Ark.

Gail Upchurch said, "Henry died on John Wesley's 12 birthday. That would be 12 March 1805.

The age for Henry is used from marriage date as it is more likely correct as census records could have been given by some one other than those recorded.
