Thanks Jay. This site was absolutely amazing . Found the information of the individuals I was looking for, but seemed to come up on a dead in. Thanks for this email as there may have been some new discoveries.

My Great Great Grandmother was Elizabeth Betsey Upchurch born around 1825 who married Haywood Lawrence born around 1826 in Wake County, North Carolina 20 December 2, 1844. From what I have been able to find, here father was Gilbert Upchurch, born 1792 and mother was Elizabeth Upchurch as noted on their March 20, 1819 Marriage Index in Wake County, North Carolina.

I have not been able to find any burial information on either my Great Great Grandmother (Elizabeth Betsey Upchurch) or my Great Great Great Grandmother (Elizabeth Upchurch ???).

To complicate things, my Great Great Grandmother (Elizabeth Betsy Upchurch) married Haywood Lawrence had a daughter Adelaide(Great Grandmother) born around 1850 who married Calvin Gunter in January 12, 1870. They had a daughter Eva (Evie) Ann Gunter (my Grandmother) born on September 26, 1873. Adelaide (my Great Grandmother) dies either giving child birth or shortly thereafter and have found not record of her burial.

To sum it up, I know where Haywood Lawrence, Calvin Gunter, Eva (Evie) Ann Gunter and Gilbert Upchurch are buried, BUT I have no record of my Great, Great Great, AND Great Great Great Grandmothers burial date of site.

I would welcome and appreciate any help.

Thanks,

Hi Gayle

As a way to further introduce you to Allied Families, I thought I should fill you in on the background of Upchurch and Allied Families.

Phil Upchurch has been compiling Upchurch family history for over 40 years. His work covers 10s of 1000s of individuals who are descended from Michael Upchurch, who came to Virginia as an indentured servant in the 1600s.

Phil's work on the Upchurch family is currently held in some 50+ file cabinets here in St. Louis.

At Allied Families, we are endeavoring to preserve and provide access to Phil's work. North Carolina State University has agreed to house many of his records, while the goal of our websites is to provide resources for, and to collaborate with, fellow family researchers.

To that end we are always appreciative of volunteers and donations to help in our cause.

I am attaching a Biofile of Gilbert Upchurch (b 1792). A Biofile is an outline of Phil's research notes/sources over a particular person. If you go to alliedfamilies.com (password 2014allied#) and look under the resources tab, you will find some examples of transcribed Biofiles.

If you would be interested in helping us in some way, let me know. If that is not possible, please accept this Biofile for use in your research.

Sincerely

Jay Buck

Hi Gayle---

Jay Buck and I have looked deeper into our Upchurch records and have some new information for you. Your ancestor Elizabeth Upchurch who married Haywood Lawrence in 1844 was in fact the daughter of Moses Upchurch, Head of one of our 22 Clans. This Clan is one on which we have a great deal of information.

If you wish to become a Cooperator of our Upchurch and Allied Families Association this would provide a basis for some of your data to be added to our system. Also, it would provide a basis for you to learn more about your Upchurch heritage. We hope you will want to participate. A form for this purpose is attached.

It was most encouraging that you found our website interesting. We look forward to the prospect of cooperation with you.

Best Wishes~

Phil Upchurch, Manager, Allied Families

CG 70 - BIO FILE
OF NICOLE ARCHER

Thanks so much for the reply. I was in Europe for 3 weeks and just now getting back into working on my Ancestry.

While I was there Nicole Archer made a lot of progress in trying to locate the same Elizabeth Upchurch; the mother of both our ancestors.

I had originally thought that her father was Gilbert Upchurch, born 1792 and mother was Elizabeth Upchurch as noted on their March 20, 1819 Marriage Index in Wake County, North Carolina. But based on further research their daughter was not the Elizabeth we were looking for.

Then Nicole discovered from information you had provided on www.upchurchstory.com and www.alliedfamilies.com that it was more likely that Elizabeth was the daughter of Ruffin. Everything about "that" Elizabeth got us thinking we were on the right path. However upon receiving correspondence from you on October 24, 2017, that we need to be sure "our" Elizabeth was not the daughter of Ruffin's brother, Murray. We had been going down that path, thinking we had it narrowed down to Ruffin or his brother Murray, then I received this email saying that "our" Elizabeth was the daughter of Moses.

I remembered certain things that made that made me think that was not a possibility and has taken me a while to go back through all my notes.

Under Descendants of Moses Upchurch from Allied Families it shows that Moses had 11 children. I have not found that he had a daughter named Elizabeth. However Ruffin and Murray did. Under Generation 2 it shows Murray and Nancy Baucom Scott did have a daughter named Elizabeth born 17/01/1823 in Chatham Co. and married Haywood Lawrence. Under Murray Upchurch's Biofile, page 6, it shows Elizabeth was born on 17/1/1823 and married Pat Lawrence (from Murray Upchurch Family Bible).

In Murray's will dated 6/04/1870 (died 19/03/1872) it references Elizabeth's children and not her, as I assume she died prior to 1870. However the Elizabeth that was married to Haywood Lawrence was alive on 17/01/1885 when she applied for Haywood Pension from the Civil War. Additionally Elizabeth's son James was married in 1891 and it was recorded that his mother was deceased, therefore she died between 1885 and 1891. Therefore we do not think that the daughter of Murray is "our" Elizabeth.

CONTINUED

GAYLE WESLEY HARRIS PEY

(7) 30 NOV 2017 - CONTINUED

Upon further investigation, Nathan Upchurch I (Nathan Upchurch I and his Family UAFA Enrolled Family AFEF No. 1) had a son named Gilbert Upchurch who showed his 1st marriage to an Elizabeth Upchurch and had one daughter name Mariah Elizabeth Upchurch (this was the same Gilbert I originally thought was the father of "my" Elizabeth) but as previously stated, have ruled out.

So, all this leads me back to the thought that "our" Elizabeth is the daughter of Ruffin.

Any assistance is appreciate to help us get to the bottom of our true ancestry.

Thanks,

Gayle

Hi Gayle---

Your email of November 30, 2017 is very helpful. Sorry my email of November 15, 2017 sent you on a false trail.. In my rush I reported that your Elizabeth was the daughter of Moses Upchurch. In fact I intended to say she was the daughter of Ruffin Upchurch and thus a granddaughter of Moses. It seems that this is what you have concluded so we are in agreement.

My records show your Elizabeth did marry a William Lawrence. I have only a partial sketch of heir descendants. I hope you and Nicole can help fill in more details.

I have a huge collection of Biofiles for Lawrence family members who lived in north central North Carolina. There were a number of Lawrence-Upchurch marriages. I hope w can work together to assemble, Organize, share ans post these records. The Lawrence Family could become an Associate Family of our Association an be enrolled on our website. This will take participation by Lawrence descendants,

At this stage it would be helpful for us o have the full names for you and Nicole and to know just how you trace back to Eli8zabeth. Please share if you can.

We have several Volunteers working to transcribe my records on the Moses Upchurch Clan to an Allied families Family Tree on Ancestry.com. If you or Nicole are available to help with this in any way I will be happy to provide more details.

Hope to hear from yo8u~

Hi Gayle----

Thanks for the sketch of how you trace back to Elizabeth which is very helpful. I hope Nicole will proved the same information for her line.

I carry the husband of Elizabeth as William Haywood Lawrence. Does that agree with your records? I would like to have a sketch of his ancestors to compare with the many Lawrence entries I have in my files if you have such information.

You asked the format I would prefer. If you can generate a Descendancy Chart that would be very helpful. The more detail the better. A high priority would be to have a complete list of the children of Elizabeth and Haywood and their spouses. Details on dates and places would be helpful.

Once we get the Biofiles of Haywood and Elizabeth and their children updated we will need help in transcribing them to put them on line. Would you and/or Nicole be up to this transcribing? See our website for over 100 Biofiles already posted. We would also love to have you and Nicole as Allied Families members . A 2018 Membership form is attached

Phil,

Thanks for your reply to my email. Nicole and myself are like you, in that we really want to get the most accurate information, etc on our ancestors. We both just spoke by phone (I currently live in NC and Nicole lives in Utah) and we would very much like to help in any way we can.

I live in Statesville, but my oldest daughter lives in Apex, NC just a few miles from where I have calculated many of the Upchurch's lived and were buried in the 1800's.

You mentioned it would help if you had our full name and how we traced back to Elizabeth and Haywood Lawrence. Can you let us know exactly what format you would want this in and how detailed?

Just to get it started from me:

Phil,

I got a brief email this morning from Nicole who was reading your email at the same time I was. She is traveling today but will be getting with you soon to provide her information. Both of us have our family tree on Ancestry; will that be the best way for you to see what info we have on our tree? My tree is set up under my account name Gayle Harris. If you need me to give you access I will be glad to do that.

I will fill out the Membership form and be mailing to you.

Looking forward to digging in deeper.

Hi Gayle---

Thanks for offering us access to your family tree on Ancestry.com. By copy of this email I am asking our Web Master, Jay Buck, to work with you to get in my hands a version that will be useful. Jay is more in tune with doing this than I am. He is in the office today and may be in touch today or if not when he is in next on Monday.

Looks like we will have a very productive collaboration. It is exciting to open up a new SubClan in the Moses Upchurch Clan headed by your ancestor Elizabeth Upchurch Lawrence.

I was looking at the email thread that has been bouncing around for the past two weeks and am confused as to what is my next step. Did I need to access your family tree in order to upload it to our family tree software? If so, please use my email as the contact info for that purpose. Is there anything else that I should be doing?

Hi Gayle---

Going back to December I have been returning to your heritage as time permitted. Some recent health issues in my household have slowed me down some.

I have greatly enhanced my Lawrence records and now hope you and Nicole and I and are on the same page.

Our search has been complicated by the fact that Moses Upchurch had sons Ruffin and Murray both of whom had daughters named Elizabeth and that both married a Lawrence.

I have now satisfied myself that Murray's daughter Elizabeth married "Pat" Lawrence (William Roscoe Lawrence) and I have traced their descendants to LA. This is not your Elizabeth.

Your Elizabeth was the D/O Ruffin Upchurch and she married William Haywood Lawrence who was killed in the Civil War. We find her on the 1860 census in Chatham County, NC . (Where is your ancestor Ann Eliza Lawrence age 11?).Also present is Sallie Upchurch age 30 whom I posit is the sister of your Elizabeth. I have determined that Murray did not have a daughter Sallie(Sarah) but that Ruffin did. Also in the 1860 household is Alvin Obine (Alvin Olive) whom I have determined to be the first cousin of John Olive who was the father of your ancestor Eva Jane Olive W/O Henry Thomas Lawrence.

In 1870 I find yo Elizabeth in the Mimms household in Chatham County, NC. ,relationship not learned.

In the coming week I will ask Jay to scan and send to you and Nicole a copy of my extract sheet on the above. I will welcome any questions or further inputs.

We need some more exchanges to figure out how we can work to together going forward. Did I understand you have a son involved. Would love to have him in the loop. Please advise.

We have more to do to get you part of the Upchurch family organized.

Best Wishes~

Phil Upchurch, Manager, Allied Families.

Looking forward to getting all that info from Jay and putting our heads together and proceed. Nicole can answer your question on Ann Eliza, I remember us talking about her, maybe staying with someone else, etc. Neither one of us have been 100% sure that Haywood's first name was William but have not been able to find any previous info on him or his relatives prior to the marriage to Elizabeth.

As far as my son is concerned, he pretty well got it started and ask me to pick up where on my ancestors. His name is Wesley and sure he would offer any assistance he could, though he has not done that much on my father's side.

Phil,

It seems that much of your research lines up with mine. I have been working on Ann Eliza for a while and she eludes me many times in her life. Is 11 too young to be hired out as a housekeeper? She is a housekeeper to Asley T. Holt later in life -- living with him in 1880 along with what I believe to be two of her eventual 4 illegitimate children. I also have been unable to find her in the 1900 Census (and of course that darn 1890 census!).

I have a Book of Remembrance in my possession from my great grandfather (son in law of Henry Thomas Lawrence) that lists has Haywood Lawrence married to Elizabeth Upchurch and Hoywood's father being named William Haywood Lawrence. But Gayle is right, we haven't been able to find anything on his family besides the marriage record and this book I have.

I have also been wondering about the Mimms. It seems that the husband of Elizabeth Mimms served in the same Civil War Company as Haywood Lawrence, Company G 48th Regiment. But I guess this only proves that they were neighbors at the time of the formation of the company. Turns out I am related to the Mimms, but through my grandmother's father, rather than her mother. They may have some sort of family relationship, that I haven't seen yet

Hi Nicole (and Gayle)---

As of yesterday and today I think I have a good grasp of how your heritage fits into the Upchurch Family. The excellent Descendancy Chart that Gayle provided on December 24 finally became available to me yesterday. My computer would not print the attachment but yesterday Jay came to rescue. I have now made an extract of about 20% of the Chart and have made copies to be placed in my Biofile system. There are still many hints that need to be followed --such as the Mimms family. What is clear to me and is now well represented in our Biofile system is that your heritage fits generation after generation neatly with the families we have been tracking for years in the Wake/Chatham area. You have helped blaze a trail to amplify the Moses Upchurch/Ruffin Upchurch SubClan as regards Ruffin's daughter Elizabeth. Much more needs to be done to get all of this into our online system.

Allied Families is now deeply engaged in migrating our manually kept records to a digital format. Much of 2018 will be devoted to this and we hope you can help. Jay will work with you on that.

If you have not already done so I suggest you go to our first website and watch Video No. 32 on you ancestor Moses Upchurch and related videos as well.

If you can stick with us as helpers we should gradually be able to give you a better and better look at our huge data base

It is exciting to have you on board~
