⑩ RPU Proposal Regarding Williford U as of 22 SEP 1996

Williford U was the son of James U, VII and the grandson of Richard U, III (Head of Clan)

There is a slot in the James U, VII Household on the 1800 Census for Franklin Co, NC for a son b 1790-1800
This son = Williford U b about 1797

There is a slot in the James U, VII Household on the 1810 Census for Franklin Co, NC for a son b 1794-1800.
This son = Williford U b about 1797

Williford U mtd 1820 (Franklin Co, NC) Frances Gay, daughter of Thomas Gay. On 16 NOV 1829 Frances (Gay) Upchurch married Blake Baker. It is presumed that Williford U died before this marriage and left his wife a widow.

On 15 NOV 1829 James U, VII sells to Frances Upchurch 200 acres of land for \$100 in Wake Co, NC and states that he inherited this land from the late Williford U as his sole lawful legatee

In order to explain why Williford Upchurch had only his father as a legatee we might assume that Williford and Frances divorced or something happened to cause Frances to have no call on the land of her late husband. We are also inclined to presume that Williford & Frances had no living children at the time he died or they would presumably be heirs at law. It would seem Williford U died intestate.

Dear Cousin Phil:

I really did receive your letter regarding Fannie GAY Wootton's speculation that Frances UPCHURCH was actually the daughter of a GAY/widow of an UPCHURCH rather than the daughter of Jubal UPCHURCH. You will recall that you asked my opinion of this. Mrs. Wootton's claim probably has merit. Although it is not prima facie evidence for the relationship, it is basically founded on two primary sources:

(1) the Franklin County Marriage bond of Williford UPCHURCH to Frances GAY (19 December 1820).

(2) the Franklin County will of Thomas GAY (written 2 February 1837), which names his daughter Frances BAKER, ~~and~~

However, Mrs. Wootton asserts that the Frances GAY of the marriage bond was the daughter of Thomas and Agnes GAY. What evidence does she have for this, i.e. that the Frances GAY of the 1820 marriage is indeed the same person as the Frances BAKER daughter/heir of Thomas GAY in 1837? She also states that the Frances GAY of the 1820 marriage bond "would have made her about 15 years old when she got married." Although 15 years is a reasonable marriageable age for a girl, I know of no evidence that this particular Frances [GAY][UPCHURCH][BAKER] was born around 1805. I estimated that Blake BAKER's wife Frances was born about 1800, but this was based on census records of age ranges of white females in the household. Neither of these gaps, however, detract from the importance and significance of two primary sources.

On the other hand, my speculation that Frances UPCHURCH was the daughter of Jubal UPCHURCH is just as shaky, if not less so. I am enclosing a copy of my 1989 letter to you, rather than repeat my arguments at the time. My argument, however, is at a disadvantage - it is not based on any primary source documents, only assumptions and unusual similarities (which may themselves have value here). On this basis, Mrs. Wootton's claims should probably have precedence. I would not make an out of hand dismissal of either.

You added some important information with the 1829 James UPCHURCH deed to Frances UPCHURCH. To me, the location of this property (in Wake County on the south side of Moccasin Creek) is most intriguing. I have detailed information on the disposition of Blake BAKER's property in this area but no information as to how he acquired some of it in the first place. I know that he acquired 418 acres in an equity deed in 1856, but he had about 355 acres more for which there are no Wake County land records indicating that he ever acquired such property. I have been speculating that he acquired the property in 1829 as a dowry of his first wife, Frances UPCHURCH, though it now seems that she already owned the property at the time of her marriage to Blake BAKER. This is further evidence for Frances UPCHURCH nee GAY rather than nee UPCHURCH. All of Blake BAKER's real estate, by the way, was in Wake County, on the south side of Moccasin Creek.

I. John Bunn d 1804 (Wake Co, NC)

A. Jesse Bunn - had issue by wife #1 but apparently none by
 wife #2 LEVINIA WALKER

- △ 2. JESSE² BUNN (JOHN BURN¹ (BUNN)) was born Abt. 1760, and died 1816 in Wake Co., NC⁴. He married (1) UNKNOWN. was born ⁵. He married (2) LEVINIA WALKER 06 Nov 1813 in Wake Co., NC, USA⁶. She was born ⁷, and died 1825 in Wake Co., NC.

Notes for JESSE BUNN:

Jesse Bunn served in the Revolutionary War (p. 1023, Vol. 16, State Records of North Carolina). He enlisted in 1782 for a period of 18 months and was a Private in Raiford's Co. 19th Regt. of NC Continental Lines (Abraham Shepard, Col.) He was discharged from service in 1783. Jesse owned in excess of 1000 acres of land in Wake and Franklin counties of North Carolina. Most of his property lay along the Moccasin Creek that divided those counties.

Children of JESSE BUNN and UNKNOWN are:

- △△ i. ALFRED WALKER³ BUNN, m. REBECKAH MEDLIN, 28 Feb 1826, Wake Co., NC, USA⁸.

Notes for ALFRED WALKER BUNN:

After the death of his mother Alfred received 220 acres of land (p. 69, Record Book 7, Wake Co., NC) in Wake Co., NC, that his father had left to his mother at his death. That property was located where Spring Branch joined Moccasin Creek in Wake County. In addition, Alfred received 31 more acres in that same area that was his share of what his brother Jesse Walker Bunn would have received from his mother had he been living at the time of the division.

3. △ ii. DELILAH BUNN, d. 22 Sep 1868, Green Co., AL.
 4. △ iii. ELIZABETH BUNN, b. Abt. 1795; d. Marshall Co., MS.
 5. △ iv. GREEN WALKER BUNN, b. 1788, Wake Co., NC; d. Oct 1851, Franklin Co., NC.
 △ v. JESSE WALKER BUNN, b. Abt. 1799, Wake Co., NC⁹; d. Bet. 1818 - 1825.

Notes for JESSE WALKER BUNN:

Jesse Walker Bunn served in the War of 1812. His military records indicate that he was only 15 years old when he was enlisted into the 43rd US Infantry in North Carolina by Lieut. Combs for a period of 5 years on April 18, 1814. The records further indicate that he had blue eyes, light hair, and a fair complexion and that he was born in Wake County, NC. While on duty, Jesse was at Camp Federal Point, Camp Greenfield and was confined at Fort Hampton for desertion. Last entry indicates that he was "learning music." This documentation can be found at the Olivia Raney Library, Raleigh, NC on microfilm #233 titled US Army Register of Enlistments 1798-May 17, 1815, Vol. 3, page 93.

△ Jesse Walker Bunn acquired land in Wake County, NC, from John Hopkins on 13 Jan 1818. However he did not live long enough to received land from his father who had left 850 acres (p. 384, Record Book 12, Wake Co., NC) to his wife Levinia that was to be divided among his children at her death. Apparently Jesse Walker Bunn died prior to 1826 since in the division of that land in 1826 after the death of Levinia (p. 69, Record Book 7, Wake Co., NC) his share was divided among his surviving siblings.

- △ vi. GILLY BUNN, b. Abt. 1800, NC¹⁰.

Notes for GILLY BUNN:

- △ Williford Upchurch was to appear before the Justices of Franklin County, NC, Court of Pleas and Quarters Session to be held in Wake County, NC, in November of 1820 to answer a charge of Bastardy, committed on the body of Gilly Bunn. The 1850 census for Franklin Co., NC, indicates that Polly Bunn, 14, was living in the household with Gilly. The 1870 census for Franklin Co., NC, indicates that Ann Medlin was living in the household with Gilly Bunn at the time of survey.

The Note below deals with the John Bunn Section of Vol 1. A careful look at the 75 pages of this section reveals only two UPCHURCH NOTATIONS - one on page 2 where Williford U (s/o James U, II and Gs/o Richard U, III) fathers a child by Gilly Bunn Gs/o John Bunn and on page 60 where the will of Jesse Bunn s/o John Bunn in 1816 shows ^ΔAlice U, s/o over the late Jesse ^ΔSO

More study is likely to reveal more Upchurch connections for the John Bunn Family - probably from descendants of female Upchurches - AP4 12 MAR 2010

A Note to Readers

The father of John Bunn is unknown. There is documentation available in courthouse records in the counties of Northampton and Wake, North Carolina that tend to indicate that John's father might have been ^ΔWilliam Burn/Bunn who resided in Northampton County. William had six sons and one daughter. The names of his sons were William, James, Jacob, Owen, David, and John. The name of his daughter is unknown. She married Isaac Vick.

Land records in Northampton County pertaining to William's son, John, ended abruptly in 1778. That was the same year that the John Bunn, residing in Wake County, entered a land grant for three hundred acres of land in that county. Apparently John did not receive that grant for documentation showing that the grant had been issued could not be found in the North Carolina Archives in Raleigh. However, John initiated another request for a grant that was entered on May 27, 1779. He received that grant on September 30, 1785. Could it be that the John residing in Wake County was the same as the one residing in Northampton County? The land received by John in the grant is located in southeastern Wake County, on the eastern side of SR 2308 between the community of Hopkins and Moccasin Creek.

Land records in Northampton County for another of William's son, ^ΔDavid, ceased shortly after that of his brother John. David sold two hundred acres of land in Northampton County in 1781. That same year the name David Bunn appears on the Tax List for Wake County with acreage tax shown to be two hundred acres. Could this be the David from Northampton County and the brother of John Bunn? ^ΔOdam Bunn, son of the Northampton County David Bunn, also left that county around 1790, and his name appears on the Wake County Tax List for the year 1792. Did Odam follow his father to Wake County?

Although documentation to prove that John and David living in Wake were the same as the John and David residing in Northampton has not been found, one could very well come to that conclusion after carefully reviewing all of the information available in those counties. If it can be proven that John Bunn residing in Wake County was the son of William in Northampton County, then John would be a direct descendant of the ^ΔOwen Bunn/Burn/Burne mentioned in the Introduction who resided in Isle of Wight County, Virginia.

In the March 1779 Minutes, Wake County Court of Pleas and Quarters, John Burn/Bunn covey land to his son ^ΔJesse Burn/Bunn. Land records pertaining to that transaction could not be found. However, at the division of Jesse's land at his death, some of the land shown on the division map, when plotted onto a topographical map, overlays the two hundred and seventy acrea land grant that John received. So, it appears that the land received by John in the grant was that mentioned in the minutes that was conveyed to Jesse.

DETAILS RE CO "I"

UPCHURCH, J. H., Sergeant

Enlisted in Virginia at age 24, 13 August 1862, for the war. Mustered in as Private. Wounded at Sharpsburg, Maryland, 17 September 1862. Promoted to Corporal on 1 February 1863. Wounded in the breast at Gettysburg, Pennsylvania, 1-2 July 1863. Captured at Rappahannock Station, Virginia, 7 November 1863, but escaped. Promoted to Sergeant in November-December 1863. Wounded in the arm at Cedar Creek, Virginia, 19 October 1864. Died at Charlottesville, Virginia, 13 November 1864, of wounds.

UPCHURCH, Williford, Private

Enlisted in Wake County at age 20, 28 May 1861, for the war. Present or accounted for until reported missing in action at Cedar Creek, Virginia, 19 October 1864. No further records.

UPCHURCH, Winship, Private

Born in Chatham County and was by occupation a farmer prior to enlisting in Wake County at age 17, 28 May 1861, for the war. Present or accounted for until captured at Rappahannock Station, Virginia, 7 November 1863. Confined at Point Lookout, Maryland, where he took the Oath of Allegiance and joined the U.S. Army on 17 February 1864. Assigned to Company E, 1st Regiment U.S. Volunteer Infantry.

UPCHURCH, Winslow, Private

Enlisted in Chatham County on 24 October 1864, for the war. Present or accounted for through December 1864.

The company, known as "Cedar Forks Rifles," was from Wake and Chatham Counties and enlisted in Wake County on 28 May 1861. It went into the camp of instruction near Company Shops (Burlington), Alamance County, 1 June 1861, and was assigned to this regiment [Sixth Regiment] as Company I. After joining the regiment, the company functioned as a part of the regiment, and its history for the war period is recorded as a part of the regimental history.

The information contained in the following roster of the company was compiled principally from company muster rolls for 20 June 1861, through February 1864, and 15 September through December 1864. No company muster rolls were found for the period prior to 20 June 1861; for March through 14 September 1864; or for the period after December 1864. In addition to the company muster rolls, Roll of Honor records, receipt rolls, hospital records, prisoner of war records, and other primary records, supplemented by state pension applications, United Daughters of the Confederacy records, and postwar rosters and histories, all provided useful information.

No. 3622.—Claim of Williford Upchurch, of Raleigh, Wake County, State of North Carolina.

40 gallons molasses	\$30 00
60 pounds pepper	30 00
50 pounds spices	25 00
40 pounds ginger	16 00
240 pounds rice	36 00
10 buckets	7 50
10 tubs	10 00
5 bushels meal	5 00
40 pounds candles	10 00
400 pounds salt	30 00
Total	249 50

Remarks.—This claimant says he was pressed into the home-guard, and in that way served the confederacy for five days; that he was ordered to Camp Holmes near Raleigh to guard prisoners one night as a common soldier. He had three brothers who volunteered and entered the confederate service, but he contributed nothing to their support in the army. He held the office of Lieutenant in the North Carolina militia during the war, which he says kept him out of the confederate service. Although he declares his sympathies were always with the Union cause, we think he is not entitled to remuneration for the property taken from him for the use of the Union army. There is nothing shown by the testimony in the case that would prevent him from establishing loyalty to the confederacy. The claim must be rejected.
