Dear Cousin,

This is to acknowledge and thank you for the packet of details on Upchurch family history which you sent last fall. It arrived on 23 OCT 94 but I have just now found time to review it. I am sorry for the delay which was caused by our move from Virginia to Missouri. The enclosed "freedom" document will explain some of our wanderings. We are now well settled in our new home.

Thank you for the address of the four descendants of See Era (Upchurch) Turner. I have written to all four of them with a special list of questions and have included a stamped self addressed return envelope. Let's hope we hear from all of them - or at least one. I also sent them a copy of the Master outline for the See Era II family. Keep your fingers crossed!

Provided herewith is a fresh copy of the Master outline for the family of John Abner II, including Conservation Sessions 92, 93 and 94. You can see we continue to make excellent progress thanks largely to your effort and what you have been able to get others to tell us. It is a long slow process.

Enclosed is a current list of what is missing on this family. I have excluded some of the missing items on the Lee Era II Family since we hope our letters to the four individuals will bring results. The list still seems long but we are now in the final stages of documenting this family. Some of the details may never be available but you never know when some way of getting an answer will show up. On many of these questions you have already tried. I'll understand if most of the questions remain unanswered but I wanted you to have the full list in case you know some of them and have a way of getting others. I'll appreciate anything you can supply. No rush.

1-3-

Because of your very significant contributions
to Upchurch family history a gift of the 1995
issues of the Upchurch Bulletin will be presented
to you. These are mailed in MAR, JUN, SEP
and NOV. Each one will be like me writing
you a letter.

Now that I am retired we plan to
spend two weeks each spring and two weeks
each fall traveling for family history purposes.
These trips will be in the last half of MAY
and the first half of NOVEMBER to fit in
with farming operations we are involved in.
This May we will do NC and TN. Next
November we will do TX. Sooner or later
we will get to Georgia and Henry County
again.

With deep appreciation for your continued
interest and participation.

Sincerely yours
Phil Upchurch

In Memory of

MR. ROBERT EMERSON JOYNER, SR.

The TwentyThird Psalm

The Lord is my Shepherd: I shall not want;
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for his name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evils
for thou art with me: thy rod and
thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies:
Thou anointest my head with oil;
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life: and I will
dwell in the house of the Lord for ever.

Dear Cousin,

Your letter with all the information arrived several days ago and I have spent quite a few hours extracting all the details and placing them in Biopiles and on the Master outline. The information you provided was extremely helpful and I appreciate it deeply.

I have written to Jamie Upchurch McGarity as you suggested and hope to hear from her.

Enclosed is a copy of the 9 page Master outline for the James Monroe II, II line in the Richard II, III/Clayton II, II Subline. This covers James Monroe II, II, his children & grandchildren. For some of these grandchildren I have descendants as shown by the numbers on the left hand side of the page [For example - your father's descendants are in continuations Section 94A]. Please let me know if you want copies of any of these continuation sections.

(8-2-)

I am greatly impressed with the progress we have made on documenting the Richard & III / Clalver II, I Saldan and hope we can continue. Clalver II, I was your GGGF. I have published his photos in a copy of the Upland Bulletin.

Enclosed are some questions on the family of Monroe Johnson Upland, St. along with a copy of continuation section 94A. You can see we have almost a perfect set of details. I will appreciate any of these answers you have or can get. We may not get everything but I like to try for perfection.

Thank you very much for your help in documenting the Upland Family. I will be happy to answer any questions you may have.

Sincerely yours
Phil Upland

This packet of information received on 14 JAN 1994 by RPA from M/M Monroe J. II, Jr. There was no letter but they provided excellent input based on my letter of 24 DEC 1993 to them. Additionally, they provided pages 32-40 from an unidentified book which are very useful. The book must concern the McGarity Family as the sections provided contain details on Sarah Elizabeth McGarity who wed 1852 James Monroe II.
