Wilson County, North Carolina, Federal Census of 1900, abstracted by Joan L. Howell and Janice C. Sharpe, compiled by Joan L. Howell (Lucama, NC: *Generations Past*, 2000). Soft cover, iii + 548 pages, index, 8½" x 11", \$35.00 (add \$2.50 shipping and handling; NC residents add \$2.10 (6%) sales tax). Order from: **Joan L. Howell, Generations Past, 8374-A Newsome Mill Road, Lucama, NC 27851. Phone: 919-284-2978. E-mail: hootyowls@bbnp.com.**

The 1900 Federal Census of Wilson County covers the following townships: Black Creek, Cross Roads, Gardners, Old Fields, Saratoga, Spring Hill, Stantonsburg, Taylors, and Toisnot. It is a "down-the-road" census, which can give the researcher additional information about the composition of neighborhoods. There may be a relative or two that lived nearby. The population schedules in the townships were recorded by different census takers. As a result, inconsistencies exist, particularly in spelling of names. It is noted that there were new occupations listed, which were not in a previous census, including electrician (*sic*), plumber, and undertaker. A full-name index is printed on colored paper for easy use.

The 1890 Census is largely non-existent, making the 1900 Census very important. There was little accurate population information from 1880 until 1900. Mrs. Sharpe and Mrs. Howell are to be congratulated for abstracting and compiling this very valuable work.

• **The 1902 - 1908 Voter Registration Lists: Wilson County North Carolina 1991, 83 pages Price: \$20**
Beginning in 1902, voters had to prove literacy, OR the name of an ancestor who voted prior to 1867. Each registrant stated his name, age, and, where it applied, the ancestor's name and place of registration. These lists predate vital statistics in North Carolina.
