John Archibald U b 6 JAN 1851 (White Co, TN)  
and Mary Abigail Hutson. The birth  
certificate of their son, Lawrence Edward U,  
shows his mother as — Upton but with  
them having a son with the middle  
name of Hutson [Paul Hutson U] and with  
other family information at hand it  
appears that her name was Hutson and  
not Upton. Their children were:

1. Lawrence Edward U
2. Oscar A. U b 2 FEB 1874 d 15 SEP 1875
3. Joseph Arthur U b 2 { JAN ? } 1876 and  
d 3 AUG 1895.
3. Estella U b 4 SEP 1878 d 5 SEP 1878

There was a Joseph H. U living in Hamilton Co, IL at  
the same time as John Archibald U lived there. This  
Joseph ~~was~~ was also b in White Co, TN (11 APR 1847).  
It is likely Joseph & John were brothers. Joseph  
was son of Enoch S. & Louisa Shuster. ~~Each~~  
Enoch & Wilson U were the only Upchurch  
heads of households in ~~that~~ White Co, TN in 1850.  
This leads me to believe that John Archibald U  
is a son of Enoch U.

Finally, I found the 1860 census of TN that reads:

I. Enoch S. U

A. John Archibald U ↑

B. Joseph H. U

C. Amanda C. U

D. Martha S. U.

For the 1870 census of Hamilton Co, IL we find

I. Enoch U & wife Louisa ~~Shuster~~ Shuster

A. John A. U ↑

In the home in 1870 also was Catherine Shuster, the sister of Louisa Shuster.

Also read somewhere that the <sup>babies</sup> that died at birth or soon after were buried at Boxelder Cemetery. I don't believe they are buried there. We have a large family plot and I have never seen any marker for them. They have recently finished plotting and recording all the graves by rows. I check that next time I'm there. This last fall my sister in law and I went through the Upchurch lot. I ended up cleaning a growth off several tombstones.

I haven't found out where Sarah M McGregor <sup>Upchurch</sup>-Brynn was buried, neither the husband nor children.

⑥ From Notes of RPU Call 14 JUL 1998 to Juanita Ernestine U

Sarah Margaret McGehee being the widow of John Tillman Riley U who lived in Cheatham Co, AL in 1851 moved to Red River Co, TX in the 1850's probably in association with her brother. She kept her sons, Bunell Turner U & John Bartlett U in AL but went back for them in due course. At that time Red River Co, TX was very large and eventually gave rise to all or parts of 38 present day counties.

Juanita says her GF John Bartlett U, Sr was reputed to be a wheel/dealer a character, a workaholic and that he had to have his whiskey every day. He owned 3,000 acres of land and left each of his children a tract. Some of the land was in Sulfur Bottoms. He built a nice 2-story house for his bride and had walnut furniture shipped in. He sent his children, boys & girls, away for an education. The boys all went to College. He died at age 60. His doctor encouraged him to eat less but he said he had grown up being hungry and promised himself he would never go hungry when he grew up.

⑦ From It 30 MAR 1999 Juanita Ernestine U & RPA Pg 5, 6  
 This excerpt concerns John Bartlett U, Sr & his wife nee  
Julia Rebecca Hardison and is from a 5-page  
 document Juanita prepared about her Upland Heritage.

John B. was a large, strong and determined man. He used his business savvy and brut strength to build a large, successful farm. They had renters and hired help. Their main source of income came from gathering up hogs in Sulphur Bottoms for sale. This work went on year round, regardless of rain, sleet, snow or heat.

In the early days the settlers had to travel to Jefferson, a port town in east Texas to purchase some needed supplies such as seeds, salt, sugar, furniture and blacksmith supplies. Some supplies came in 55 gallon wooden stave barrels. It was said that John B. would load and unload these by himself.

John B. married Julia Rebecca Hardison 2 Feb 1877. Julia was born in Miss. 4 Feb 1860 to Benjamin Hardison and his second wife Mary Cathrine Rebecca Alexander. Mary Catherine R. Alexander Hardison was born 22 June 1836 and died 12 Feb 1864. Benjamin Hardison moved his family to Texas in 1870 and settled in Sulphur Bottoms on what became known as Hardison; Knoll.

John and Julia had nine children and raised six. They sent all the children to school, boarding them out with families in Bogota, Detroit, and Clarks ville TX.

Julia died a tragic death. She was outside at the washpot with a fire around it when her clothing caught fire. She screamed and ran. By the time she was caught and the flames extinguished, she was severely burned. She died 20 Apr 1898.

John B. bought land by paying off back taxes. Some land was deeded to him by the state. He co-signed notes for people, often paying off the notes. The acreage owned by Sarah M. and John B. combined with Julia's inheritance probably was over three thousand acres. Someone stole a deed from John B. and the property by claimed by another large landowner. They went to court and the other landowner won the land.

John was a hard worker and taught his children to work. He took care of his family and hired help, whether ill or in other troubles. When Riley came down with typhoid fever, John brought him home. He told Mary she would have to care for Riley during the day and he would care for Riley at night after he worked all day.

Once a week John killed hogs to feed the family and all the workers. They grew their food, ground their corn, and made their syrup, rendered lard, and made lye soap.

John B. and Julia built a large, two-story house and furnished it with walnut furniture. They had a very large parlor for entertaining. John liked to play the fiddle. He liked his daily "drink" and kept a supply on hand. In his later years, he wore an old slough hat and rode a mule rather than a horse. He said the mule was much easier to ride.

John B. had a heart attack. He was instructed by the doctor to change his diet, reduce the amount and stop eating pork. He told the doctor that as a child he had to go to bed hungry most every night and that he promised himself if he ever could afford food he would never go hungry again. Needless to say, he died of a heart attack on 10 Sept 1910. He is buried at Boxelder Cemetery.

Juanita is a granddaughter of JB U, Sr, she writes:

There is more than one version about when JTR Upchurch's sons came to TX. or how. My father B.R. Upchurch told us that they came to TX with Sarah M, their mother, when John Bartlett was 12 yrs. old. They traveled by covered wagon. Aunt Mary told that Sarah M. left the boys in Ala. with a woman, then a few years later went back for them.

Burrell Turner died on 5-Mar-1865 in Titus Co. TX at a little town of Mt. Pleasant. He was buried there. The Inn keeper where Burrell stopped, sent a message about his brother's death. J.B. went to Mt. Pleasant and gave the Innkeeper Burrell's horse for services rendered, including the burial costs. He kept the saddle and bridle. There are a couple of versions about why Burrell was there in Mt. Pleasant. One was that his mother had sent him somewhere to buy a mule. Uncle Henry told me that Burrell had come home to visit and was on his way back to south TX. He said that Burrell was sick with a real bad cold and that Sarah M. begged him not to leave, but wait until he was better. He refused to delay his departure.

We hold a family reunion for the ~~XXXXXXXXXX~~ John B. Upchurch and Sarah M. McGregor families the third Sat. in July. Any kinsmen are welcome.

⑪ From Ltr 30 MAR 1999 Juanita Ernestine U to RPA - Pg 5

The Philom concerns Burrell Turner U & her brother John Bartlett U, Sr taken from a 5 Page Narrative by Juanita about her Upchurch heritage

Sarah's oldest son, Burrell Turner died 5 Mar 1865. There are three different versions about his death. One, they were clearing land in Sulphur Bottoms and Burrell decided to jump into a slough of water to cool off and died. Another one was that he was sent to buy a mule. He became ill and died in Mt. Pleasant, and was buried there. Henry T. Upchurch gave a more detailed and a different account. Burrell had moved south and returned for a visit. The morning he left, he had a severe cold and Sarah M. begged him to stay until he was feeling better. He refused and made it to Mt. Pleasant, Titus county, Texas where he checked into an Inn. He died a couple of days later. The Inn keeper buried him, then sent word to John B. about Burrell's death. John B. went to Mt. Pleasant. John gave Burrell's horse to the Innkeeper to pay for services and burial of Burrell. John B. kept the saddle and bridle.

Dear Bob:

Enclosed is a shot of a map on portion of Red River  
County showing a couple of Surveys in the name of J. B.  
Upchurch. I also noted at least one tract showing a Jno.  
B. Upchurch as owning a tract. The ownership was posted  
in the 1950's so some of the group must be around now or  
at least probably then.

Thanks for the credit of interest and the statements.

→ Roy, am enclosing copy of R.R. County land ownership map  
received today from my cousin in Mt. Pleasant. He was  
correct; there are two J. B. Upchurch Surveys in the County.  
The bold type is the name of the Survey (circled) and the  
smaller type the name of the owner (Xed). Looks like some  
J. B. owned or owns about 1500 acres in one spot. I believe  
this is the only case I have ever seen where land is still  
in the hands of decedents of the original patentee.

I also talked with the head knocker in the Grimes County  
Welfare Office. He is quite interested in history, and he  
told me that he could easily find out if James Upchurch was  
in fact a Civil War Veteran. This assumes that he enlisted  
from Grimes County. He is to let me know about this. He  
suggests that an inquiry directed to the Archives in Austin  
would point you toward whatever records are available in  
regard to any widow's pension Elizabeth may have received.

○ From Ltr 30 MAR 1999 Juanita Ernestine U & RPA - Pg 7

This segment concerns fear of the children of John Bartlett U, Sr and is from a 5-Page document prepared by Juanita about her Upchurch Heritage

Benjamin Riley's living siblings were:

Sarah Reed born 22 Aug. 1882. She married James R. Law. They had two sons. They lived in Portales, New Mexico. Sarah died at Boxelder 30 Apr 1929 following a long illness. She is buried in Boxelder Cemetery.

Mary Alexander was born 13 May 1886. She married James David Humphries 13 Aug 1905. They had two sons. James David Humphries died Mary married Lewis Hardiman. They did not have any children, however, they took Edna Phelps when she was a few days old and raised her. Lewis Hardiman died a mysterious death. Mary used a horse and buggy for transportation. She had two homes to burn. After the last one burned, she lived with Henry T.

John Bartlett Jr. was born 2 Dec 1888. He graduated from UTAustin Engineering school. He never married. He lived most of his life in Wichita Falls and worked in the oil industry. Texas Governor Alred appointed him to serve on a committee during Alred's years in office. He lived in Austin for the duration. John died on the dance floor from a heart attack on 6 Feb 1969 and is buried in Boxelder Cemetery. He died doing what he liked to do, dance.

Henry Tillman Upchurch was born 17 Aug 1895. He served in WWI where he received lung damage to mustard gas used by the Germans. He married Florence Greenwood. The marriage last only a few days. She requested he sign the farm over to her. He refused. She went home. He was forced to sell the farm to settle the marriage. Henry then moved in with Mary. Riley let him use one of his teams, and some acreage to farm. Henry joined the CC Camps in the thirties. Later, he went to work for Mobil Oil Corp. as a surveyor. When he retired, he moved back to Boxelder and bought a farm near the old homestead. There are a couple of stories about Henry's education. One version is that he graduated in 1916 from Columbia U Engineering school. Henry told this writer that he attended UT at Austin Engineering school for one and a half year and had to drop out due to substances. Other family members had commented that he attended UTA but did not graduate. Inquiries to UTA and Columbia came back with no record of attending the college. Columbia added that there has never been an Upchurch to attend their school. Henry died 11 Jan 1985. He is buried in Boxelder Cemetery.

C. John Benjamin U - Personal History

Occupations included a saw mill business, owned a filling station & store in West TX which he sold and bought a station and store in East TX. Got nicknamed "Doc" because peoples chickens started dying and no one could figure it out. They told him and he took em and gave them coal oil and they got better - he wound up with a yard full of chickens and had to sell them.

In 1929 he became a preacher. Old stories are told of how vandals tied and beat him up at one of his tent revivals. They tied him to a tree and left

- ② C-continued  
for three days and when they came back he was gone.  
A squirrel had chewed the ropes loose  
and he was bound and tied and weighted with  
rocks and was thrown in the river to drown.  
He hit the water and the ropes came untied.  
A little Indian boy pulled him out but left him  
tied. After 3 days a squirrel came and chewed  
the ropes loose.

At least one of my father's siblings would not be buried at Pluto. Dad remembered details of their move to Texas. Since he was born 19 July 1874, that would pretty well place the move after Sarah Elender's death in 1877. Mayra Isabel and Bedford Farrias could be at Pluto. Ed Gooding says the cemetery is abandoned and in deplorable condition.

The family referred to above is:

I. Richard U, III - Head of clan

A. Calum U, I

1. Richard U, IV

a. Kenyon Brannon U, I (Several of his children live Pluto, Ellis Co, TX)

i. John Brannon U, I b 19 JUL 1874

ii. Sarah Elender U b 13 APR 1872 ( )

iii. Bedford Farrias U b 8 DEC 1877 ( )  
d 31 MAY 1880

iv. Mayra Isabel U b 18 MAR 1870 ( )  
d 8 JAN 1887

Comment: Garland Rudolph U, Sr originally reported that Sarah was buried at Pluto, TX but now has 2nd thoughts. This is based on the

fact that his father having been born in 1874 remembered the move to TX from TN & thus must have been 4 or more years old at the time of the move which would have placed the move at 1878 or beyond at which time Sarah would have already been dead (18 JUL 1877) & buried - R & H

○ Item in Ltr 19 MAY 1996 Garland Rudolph U, Sr Ed RAH  
Grandfather = Kenyon Brannon U, I ; the "crippled mother"  
is nee Martha Susan Hamby ; wife of KBU, I  
"my father" is John Brannon U, I, son of KBU, I & MSH  
Garland R. U, Sr, Bea & Fern are children of JBU, I

Bea and Fern's memories describe well the family's early struggle for survival. However, I remember hearing as a child that Grandfather Upchurch had been quite prosperous. My father as a teenager had his own horse and buggy! (I perhaps have told you this story before.) My grandfather, the story went, instead of making a will, gave an attorney friend(?) complete power of attorney. When Grandfather was struck and killed by a train in 1893, the attorney took the entire estate, including the settlement from the railroad, to cover "expenses." This left my father then 18 years old, as the sole support of his crippled mother.

Comments in Ed Gooding's letter of 7 December 1995 to you about Kenyon Brannon Upchurch struck me right between the eyes. "According to the probate record he left a very nice estate....the probate does not mention a wife or children. It is possible the attorneys would up with most of the estate for their fees." I wrote Ed for additional information, and he willingly obliged. The family story obviously was true. He has provided me with the name of attorney "friend" and the names of the FOUR other attorneys he named as "appraisers." The estate may have been split five ways.

- 1 Could we with ink the ocean fill, and were the sky a parchment made,  
And every stalk on earth a quill, and every man a scribe by trade;  
To write the love of God above t, would drain the ocean dry, nor could the  
scroll contain the whole, tho stretched from sky to sky; Oh, love of God how  
rich how pure, how marvoulous and strong It shall forever more endure, through  
saints and Angles songs;
- 10 Date June 1st 1980; 7 p.m. I do declare that to the best of my memory the ~~in~~  
dates and places are accurate; In the late fall of 1901 we started from near  
Grandview Texas in a covered wagon, to Lawton Okla. I remember along the  
trail, camping and making coffee on the camp fire. How good that coffee did  
smell. Tho I didn't get any of it, I was too small to drink coffee. We hit ~~on~~  
some hard places along the way. There were three wagons. John and Josie Upchu  
rch, Jim and Lula Cooper and Richard and Mittie Turner. All from Hill and  
Ellis co. Tex. The other wagons got as far as Red River and turned back.  
They settled near Winters Tex. We met a blizzerd up the trail one night. The  
wind was so high it was about to blow the wagon over. Papa had to get up in  
the night and hitch the team up and turn the wagon around to keep it from  
blowing over. I don't remember the date we arrived at Lawton. Every one was  
living in tents. Indians and whites alike. They were waiting to make a run  
20 for the 101 ranch up there some where. I don't know how that turned out. I  
only remember the wood stove that we had to cook on and the old Indian Squaw  
that come into our tent one evening, with her little Papoose on her back,  
We were eating and Papa told me to give the papoose a peice of bread. I com  
up behind her and offered him a piece of bread and scared him and he started  
crying so, she waddled off with him on her back., she was singing a lulaby;  
distance was ~~xxxxxxx~~ decent to them. They would walk off 20 or 30 feet and  
spread them old big striped skirts around them and use the bath room. My  
Dady's mother was with. She was Martha Susan Hamby Upchurch. She had one of  
her legs took off just above her knee so she used a straight back, cane  
30 bottem chair ~~and~~ to get around in. She had pieced a lot of pretty quilts,  
a big Indian Chief come down one evening on a big pretty black horse, Papa  
wasn't at home, so he kept jabbering something and patting his horse behind  
him and Grandma thought he wanted her to get up behind him and ride off but,  
we found out that he was wanting to buy a pretty quilt top to use for a  
saddle blanket. One evening we were eating our late dinner and Grandma turne  
around and said "lets get on the bed, I feel like something is going to  
37 happen, so about that time something stumbled over the ropes to the tent.

- 1 Mama went to the door and a mad dog was there. all she had to keep him off us with was that cain bottem chair. She started screaming and some men come and killed him. I can still see that little black dog today. He bit one man and Mama said he was as white as cotton. He was scared so bad. But I don't know what happened to him. I don't remember how we got to the train station but, Mama Grandma and me come back to Texas on the train. We had buried a little brother, Ulyss, and an infant baby while we were there. Ulyss was two years old when he died. The boys at the station drug Grandma across the platform so many times they wore about two inches off the back legs of her littl
- 10 cain bottom chair. Papa didn't come back with us. I don't remember how we got there but, Mama and me stayed with some friends, the Willie Furgerson's. They had two girls, one about my age and one about two years older then me. It was near Christmas time in 1902 I believe, I know they had some candy beans to decorate the Christmas cake. Us girls would slip into the old safe and eat them. We got caught up with and they moved them. Us three girls slept in the kitchen on the floor and covered with the dirty clothes. The one that got to the dirty clothes box first got the best cover. Them old big mother in hubbard' dresses made some good covers. Of course me being the least one I ha to sleep between the other two girls, so I had it mede. I can't remember where
- 20 Granny Upchurch was at that time, but I suppose at Uncle will and Aunt Margre Upchurch's. they lived near Itasca. The thing I remember most about it is the move accross the mud hole. The mud in that Itasca valley was so bad that some one would have to walk beside the wagon keep the mud punched off the wheels with a stick to keep going. We come to one mud hole and got bogged down, so they had to unhitch the mules and un load the wagon, and uncupple the front wheels from the back and set the wagon bed off and pull the front wheels out, and then slide the wagon bed over with the cook stove in it, then Grandma and her chair. Dark over took us and me and Mama had to ride an old mule, but Mama would't ride unless Papa would walk and lead the mule. Mama rode sideways
- 30 We moved to a little two room log house just inside the Ellis co. line. Near the Lim Leary homestead. About three miles from the John Turner School. That is where Fern was born in 1903. I remember Grandma scrubbing up some rusty knives and forks with a sand brick. they had wooden handles. There was some walnut trees in the yard. Us kids would crack and eat them old black walnuts. I remember Clyde Gardener saying, with that little screeky voice of his, " I sure do like these things" We were coming home from Uncle Dave Upchurch's & Bill and fan was the mules names that they were driving. Me and Marvin was ~~was~~ watching the wheels roll and Marvin would say "roll bill, roll fan". Uncle Willie Upchurch come to see us and spent the night and, I was so afraid I
- 40 would have to sleep with that old man that I wouldn't go to bed. finally I said " let me sleep with Papa and Mama can sleep with Uncle Willie" A Mrs McCassel lived on what we called the cat ranch. So Molly Christerfer, a cousin of Papa's, and her girls was visiting us one day and Mama send me to
- 44 Mrs McCassel's to borrow some meal for dinner. I wouldn't go unless the older

girl, Anna Lee went. well it come up a little shower and a clap of thunder & lightening, and Anna Lee said "I know why you wanted me to come along, so if it begin ti lightening you could get under my coat tail; I don't remember much about our next move, only that we moved to what we later called the Carnihan place, where Odell was born. I remember the Dr. being there, and we had a big old dog and he come up with an egg in his mouth, to eat and the Dr said " let him alone and give me the egg" so he put a shot of speecccac in it and the dog ate it and it wasn't long until he begin to vomint., and vomited several times and he never eat another egg. You could lay one in front of him and he would turn his head and tuck his tail and walk off. We stayed there until the first of Jan. which was moving day back in them days. A family named Clinton moved in on us. there was six of them and we only had x two rooms. I don't remember where we all slept, but me and the two girls slept in the kitchen and covered with dirty clothes. It come a big snow and some boys come by on horses. one of them had cut his foot on some barbwire and was bleeding real bad, they come by to get some sut to put on it. I can still see that sut and blood on the snow, to this day. We moved from there to Files Valley where Dads cousin, John Hamby lived. On the way over there we went by Uncle Jim Upchurch's house on the Hooks Lease. I can still see all them red houses. Papa left the wagon and us down on the road and went up to the house to talk to Uncle Jim, so here come Ena Mae Gray and Widdie Upchurch running down the hill and Grandma wouldn't let them come on down to the wagon she said " go on back honey, you might scare the horses! So I didn't get to talk to Ena Mae and Widdie; We went on to John Hamby's and stayed all night with them; The next day they put us up a tent and put our beds and stove in it but, that night it come a snow storm and blowed the tent down on us so, we had to stay a few more days with them. Then Uncle Coll and Aunt Ida Martin moved in the tent with us and Uncle Coll and Papa trapped some wild hogs. Then is when I saw my first opossum. Papa and Uncle Coll had been hunting and

and when they come home I was sleeping with Grandma ans Mama woke me up and s said "do you want to see a possoum" I raised up and Papa had it by the tail holding it up and it almost scared me to death; I was afraid, it would get me; I had seen a pole cat at the place where Odell was born, in 1905; Me and Mama was going to the well after water one evening and she said " come here and I'll show you a polecat" and that scared me too. I went running and screaming to her but of course she assured me it wouldn't hurt me but I can still see him. Papa and Uncle Coll went to Kansas to work in the grain harve and left us there by ourselves, with Aunt Ida and Estell there with us. While we were there two neighbor ladies come by in a buggy going to Files Valley to to the orphants home. One of the ladies was a Mrs Mulkey. But Mama let me go with them. Uncle Coll didn't stay in Kansas long. He come back to Aunt Ida & Estell. He got a wagon and moved us to Grand Pa Clements. near It come a shower of rain and we had a wagon sheet over our heads. I'd stick my head out from under the wagon sheet and the rain felt so good falling on m face but Mama was afraid it would make me sick and she would make me put my head back under the sheet. Linety is where Harvey and me started to school.

1 One day after dinner Harvey told the teacher he was sick and wanted to go home, he said " I didn't know that egg was rotten until after I'd eat it. Grandpa was putting down a deep well and windmill on his farm. They had worke and got the casing all in it and the wern't working one day so me and Harvey took a stick of stove wood and dropped it down in the pipe and we heard it hi the water ker-plunk; so we went back and got some more. we would throw the wood over the rail fence then go around to the gate and go in and carry the wood on to the well and throw it in. We worked all day filling the well up. Looks like the folks would of known we were up to something. The next day th  
10 men had to take big fish hooks and fish that wood out of the well. How we escaped a tearing up from Grandpa is still a mystery to me; Here is where Uncle Coll and Uncle Jim Clements went hunting and Uncle Jim wanted Coll to stay all night so they sent Harvey, Uncle Hodge and Aunt Emma after Aunt Ida and Estell, they were driving old salem to the buggy and After dark we were out in the yard and Uncle Jim said" my God, Coll, I hear them kids hollering. They got the lantern and went to see about them. They had to come down a hill and the belly band on the harnes broke and let the shaves fly up and hit the old horse and he run away with the buggy. he had to turn a corner to come up to the house,so the buggy turned over and strowed them all up and  
20 down the fence. They carried Aunt Emma up close to the house but they put her so it wouldn't scare Grandma so bad. he was just reeling and talking out of her head. They had the Dr out there with her but she was never very well afte that.This is where Laura was born, on Feb. 23 1907;about 4 am the house lit n up and of course I got up and went into the room where the Dr and a neighbor woman, Mrs Summerhill was there with Mother. Mrs Summerhill said"we don't need any of your medicine, young lady" She was a fat kind lady but, I never did like that old lady after that; even tho she did give us peach perserves and pickled peaches and milk all the time. Back them days when a families cow went dry others would divide thier milk with them until thier cow come fresh  
30 again. After school every day me and Harvey would have to go to Mrs Summerhil after milk. She had told Grandma that she had a churn full of sweet pickled peaches that had turned to sugar and she would give her some of them,but Grandma wouldn't send for any. We went by the field where Uncle Bona and Hodge was burning corn stalks so they told us to get one bucket of milk and one of peaches. So we told Mrs Summerhill that Grandma wanted one bucket of peach pickles and one of milk. then we went back by the field and we all set down and eat all we wanted.

We just

We just had to dig them out with our hands and eat them but they sure was good. Then some time in May or June Papa sent for us to come to Mulhall  
40 Okla. Mama took us to town and bought some new hats for me and Fern. The lady that sold them to us and fitted them on us got Fern one with little pink flowers on it and mine had to be blue and I didn't like that. I wanted the pink but with my red hair I had to take the blue. We had to change trains at Ft Worth and they would drag Granny along in that little cain bottom chair. The colored folks rode in the back coach until they got to the line of Okla  
46 and then they would come and get in the front of the train, because of that

1 Jim Crow law. Papa met us at Mulhall with a wagon and took us to the Estie Sult place. We lived in a one room red barn that had a loft. there was stairs going up to the loft and Mama kept our drinking water setting on the stairs, and Fern would climb up the steps and say "you want a fresh drink of water, you want a fresh drink of water " We made a crop there and Papa taught me how to pick cotton. We had our Christmas there and Santa brought us a big red wagon. We would load all our toys in and it and, an old man come by and said " where are you moving to, Mexico?" Our Dad and three other men went to Albuguereque New Mexico and filed on some land. Each one on a corner of a section so they would all be neighbors. Mr and Mrs Sult had bad luck. They moved out there and along in May or June Mrs Sult died when her baby was born. They said she died from heart failure. The Dr said that moving from Okla. to the higher climate was hard on the heart,. This was some time before Lucille was born so my parents decided not to move out there so Papa went out there and relinquished his claim. The Christmas we spent there was the last doll Santa ever brought me. It was a big doll, as long as our little red wagon. But with so many to pull it around it didn't last long; I didn't care for dolls any way, I wanted a stick horse, straw hat or base ball bat. I don't remember the move from there to the Dyke place. I can remember us kids had to spend the night with the Dykes; we lived in a little two room house on the banks of Otter creek . there was a bluff 20 or 30 feet high right across the road from the house. on June 13 there came up a cloud and almost blowed our house off the blocks right toward the creek. Mama got us kids under the two beds we had in there. Her and the little ones got under one bed and me, Fern and Odell got under the other one. Mama was praying as loud as she could and us kids were laughing because she was praying. Papa stayed on the bed with cripple Granny as she couldn't get under a bed. She said that she put a pillow over her crippled leg so if the bricks from the chimney fell it wouldn't hit her leg and some one ask her how about her head. It lacked about two inches blowing the house off the blocks. The next day Papa and Mr. Dykes cut down some trees and propped each corner of the house. I had to help Papa chop cotton and I'd look at the house and see Fern and Odell playing and I'd cry because I had to work and they could play. but I didn't let Papa see me cry. This is where I scared Fern in the big box and made her swallow her gum. and she cried. We probably didn't get chewing gum twice a year. There was a colored boy that helped chop cotton and him and Papa would sit outside every night while Mama cleaned up the kitchen so they could make his bed on the floor in there. He would sit and rock Laura, He would sing a song " I've a letter from my Mother, something grand, it was written by my brother, in that land it was written o're the sea, and was forward back to me, I'm as happy as can be in this land; We never heard from him after he left; Our next move was to the Crowther place where Lucille was born, in 1909. I don't remember how we got there except that we went in a wagon close to Marshall. Dad had 19 acres of cotton and a team of horses. one was an old yellow, buck skin horse and he was kind of mean. one day Fern and Odell was keeping the chicken away from their feed while Papa was eating dinner and Fern stooped under the old buckskin horse's belly and he threw his head back and bit her almost right in the eye.

1 Us kids would chop cotton while Papa plowed; Fern and Odell would play in the  
 thicket of plum bushes that grew on the fence row until Papa would come up  
 over the hill then they would run out and go to work. I kept telling them they  
 would get caught but, they wouldn't listen to me. sure enough Papa caught them  
 and tore them up. We had a pretty little collie pup and when Papa would feed  
 the horses he would help keep the chickens away from thier feed. One day  
 Papa was putting the harness on them to go to work and the old horse pawed the  
 pup and killed it; We had a bunch of little kittens under the house and one  
 night we heard them crying and Papa got out with the lantern and the old tom  
 10 cat had <sup>(killed them)</sup> and cut another ones throat. they brought them in the house  
 and Mama put a rag with turpentine on it around the throat of the one that was  
 hurt. I can still smell that turpentine. The next day we buried the little  
 dead one. Me Fern and Odell and Laura took it down in the trees to bury it.  
 on the way down we prayed for the little kitten to go to heaven and the old  
 tom cat to go to hell. Me and Fern cried and Odell said "I would cry if I  
 could but I can't; I started to school and had to go about a mile to the  
 little school house, all the kids were germans but about five, so they wouldn't  
 play with me. Mrs Rutherford, a widow lady, lived right accross the road from  
 the school house and I would stay with her in bad weather. One night she roll  
 20 my hair up in long curls and when she got it done( poor old thing) I begin to  
 take it down. She would say, don't take it down, but I went right ahead and  
 took it down; Mama was sick once ande we had some clothes in a tub soaking  
 and crippled Granny was down on the iloor on the poarch washing and we said  
 " who told you to wash" and she said God did; (Fern) One sunday the land  
 lady, Mrs Crowther was there and for some reason Papa had old buck hitched to  
 the buggy and tied to the wagon wheel. So they told us three older kids to  
 go up into the orchard and get some peachers for Mrs Crowther. Odell was about  
 five years old and he run and jumped up in the buggy while Beatrice was un-  
 tying the horse. He got the lines and said "I'm going to make old buck go as  
 30 fast as he can " the old horse started off and run the wheel of the buggy up  
 over the hub of the wagon wheel and turned the buggy over. I can just see him  
 as the buggy went over he looked like he got taller and taller. So when I  
 realized what was taking place Beatrice was running around in a circle and me  
 right behind her, both of us screaming as loud as we could. It didn't hurt  
 any one or any thing but, I don't think we got to go after the peaches.  
 Uncle Jim and Aunt Gladys Clements moved up there before Christmas that year  
 and Uncle Jim played santa for us kids. He had a tow sack with some fruit  
 in his sack and! ~~Bea~~ I wont ever forget how santa looked and that was the  
 greatest feeling I can ever remember. ~~Bea~~; that is when Aunt Gladys told  
 40 me there was no santa clause. that is when we didn't have any thing to eat  
 but boiled rabbit and dumplings, and I think some oposseum. boiled rabbit is  
 terrible, as I remem. er. It was not too long before Francis Clements was  
 born and it was real cold. Aunt Gladys was out pulling boles and Uncle Jim  
 said don't you know you'll freeze to death, and she said "I just as soon  
 freeze to death as to starve;" Uncle Jim and Aunt Gladys moved back to Tex.  
 and we moved to the Ralph Hudspeth place, where Johnnie Irvan was born on  
 Aug. 23 1911; There was an orhhard there and Mama would put peaches out on  
 48 top of the back poarch to dry and us kids would slip out of the upstairs

1 window and eat them. there was the prettiest yard there that you ever saw; there was roses of all kinds, and lilac bushes and rows of flags, there was old wagon wheels with beds of flags growing between the spokes. and big walnut trees out toward the creek from the house. We would get out there and play for hours alone or with the neighbor kids. (~~FERN~~) when we would finish our dinner a lot of times I would go off out under the trees and stay until I thought Beatrice had the dishes washed and then come to the house. one day she come out and said "Ruby is here" (a neighbor girl about <sup>my</sup> her age)

10 so I went to the house and she was just fooling me so I would have to help her with the dishes. I remember the colored family that lived below us on the creek. they had a girl about my age named Olie. one day when her Mother was up at our house helping Mama and the kids were with her, Ollie had some candy down in the bosom of her dress and gave all of us kids some to eat. We never thought of them as being colored. Up there you called them Mr and Mrs just like the white folks. (~~end Ferns quote~~) along the fall Papa and Uncle Coll and his Dady had been picking cotton and drinking all day, so that night Papa passed out on the floor. Mama was in bed sick and Granny was down on the floor working with him and crying and praying and she told me to get some hot water and put his feet in it. I got a pan of real hot water and started to him and stumbled on something and spilled it on him and he really come out of it. That and Granny's prayers got him going again. (~~Fern~~) That fall me and Beatrice and Odell was picking cotton and Beatrice told us if we would get on our knees and pray for something God would send it to us; so we got on our knees and prayed for a ring, then we got up and looked every where for it but didn't find it. many years passed before God answered that prayer. (~~end quote~~) Johnny Irvin was such a pretty baby. he had real black eyes & real fair complexion and was always the picture of health. Bur along in Feb. he took a cold and hadn't been well for two or three days. that night at the supper table Mama held him on her lap while we ate and he laughed at us & through the night some time Papa woke me and Fern up and told us to go up to Mrs Rodgers that lived about one half mile from us and tell her to come down there that the baby was sick. so we took the lantern and started out & the snow was so deep in the road we had to go accross the pasture to get there. there were cows in the pasture but we didn't think of being afraid. about half way the lantern went out, I think run out of oil. when we got to the house Mrs Rodgers had the tooth ace that night and was sleeping on the hall so she heard us coming. When we knocked she said "Who's there and we told her the Upchurch children, so she let us in and we told her why we were there so she called another neighbor, a widow lady that had several children 40 and one boy that was about grown, Earnest; He come on down to the house and they all dicided to have him go get the Dr. but, the Dr said he couldn't come till daylight. Said he couldn't see how to drive because the roads were so bad and that he had rode a horse til he couldn't get on one. There had been a lot of sickness all winter. For him to go back and tell them to give the baby a  $\frac{1}{4}$  gr. of morphine and if he was still alive at day light he would come 40 but he died about 4 o'clock. They buried him that day. I don't remember if

there was a preacher but they sang some songs, they sang How Firm Foundation & What a Friend We Have in Jesus. So I never hear that song I don't think of that day. ( what I remember most is putting the little casket in the ground and putting the dirt in on top of it ~~then~~ ) And along in March I think it was, Papa was grubbing up stumps for some body and when he come home for dinner that day Mama begged him to not go back to work that evening so he didn't go and along in the afternoon some time it started raining and come one cloud right after another all evening and night. I don't think Papa or Mama went to bed all night. He would take the lantern and go look at the creek every 10 once in awhile all night. We lived in ~~the~~ below the bend of Otter creek and there was a low place on the other side of the house and when the creek broke over its banks above us it would come down on the other side of the house away from the creek and we were surrounded with water. before daylight the next morning they got all of us kids up and Mama cooked hot cakes for breakfast and fed us. by the time it come daylight they had us out to get accross the slue before it got too deep; our landlord, Mr Hudspeth, lived accross the creek from us and he phoned the Morris' to come see about us & by the time we got to our side ~~of the water~~ the grown boy was on the other side. He just waded right in and helped Papa carry Odell, Laura, Trig and 20 Lucille accross. then went back and got Grandma and her wheel chair. Mama, Fern and me held to each other and waded accross. the water was almost to our waist and by the time they got Grandma and her chair accross the water was so swift they could hardly stand up in it. I can remember Papa and Earnest sticking ~~me~~ some sticks at the edge of the water and counting how fast the water w was rising, and them saying that in a few minuites after we got out that a hows could not swim accross. We went up to Mrs Morres' and she cooked us some more breakfast. She said she knew we didn't eat so early. seem like every <sup>time</sup> it rained it would storm up there. One night there was coming a cloud but Papa and Mama dicided to not go to the celler, and the next morning the top of the celler had 30 fell in and buried all of our canned stuff; And another time I remember was an afternoon and Papa was working away from the house quite a distance and it was coming up a cloud so he had to run to get to the house before it started to storm. Mama was sick then too so he told all of us kids to get on the bed with her and Grandma and he held a back from an old velvet couch up over the window and would peep out every little bit and before long he took it down and later he told us that there was a cyclone (tornado) headed right toward us but it turned and went with the creek. The time of the high water here was my only experance with a flood. the water only got under one corner of the house. it was a mile or more wide tho. It got up to the Morris barn. a lot of it was 40 back water from Otter creek and the cimmonron river. The colered family lived a mile down the stream from us. He said that his little dog kept barking and whining and finally his wife said " Charley, get up and let that dog in " and when he put his feet out on the floor water was almost up to thier bed. He got some pants and put them on but he got them hind part in front so he didn't take time to change but just grabbed another pair & put them on over them. so he 46 got his wife and three kids out and took them to his landlords place and, went

back to open his chicken house and let the cow and calf out so they could get to higher ground. He couldn't get to his pig pen so the pig just swim around and around in the pen and the next day when they got to it to let it out it was so drunk it couldn't stand up; We had to chop stove wood at .75 a rick to pay for Johnnie Irven's little casket. it cost \$9.00. We were up there a little over five years and I,m sure Mama and Grandma and probably Papa was homesick to come back to Texas. Mama had a sister to die while we were up there and she left three little girls. So on Aug. 23rd, one year from the day Johnnie was born we left Okla. Ernest Morris, the neighbor boy, took us to Mulhall to get a train. The other two boys, Earl and Nelt rode about a mile with us and then had to walk back home. (Fern; Ernest was the big boy that got out on the buggy and let us ride to school one morning when ~~Beatrice~~ told me to play like ~~XX~~ was crippled and ~~XX~~ really put on a good performance;" (end quote)

I can just see Earl walking down the road with his head down, time don't change a lot of things. I can also remember the white lights in Okla. City and in Ft. Worth Tex. where we caught the train to that white rock pile of Blum Tx. Grandpa Clements met us with the wagon at Blum and a about 10 o'clock on Aug 24th. We had a long hot ride to Grandpa's place about 10 or 12 miles. When we got there Grandma had her big long table full of food for us; she was very busy getting ready for the old hardshell association that was coming up in about two weeks; Dad got a place and we moved on to the Bug Barron place; We had a deep well there and the water was so rusty we could hardly drink it. We picked some cotton there but didn't stay there too long; Uncle Frank Burdgeo lived close & on Oct. 31, my birthday, ~~sxx~~ they come by in a buggy going to Uncle Burl's and Mama let me go with them. there come a killing frost that night. One of Aunt Effie's babies was about a week old, and she had a woman staying with her & she went home that night and when we started to leave Aunt Effie said " if I

Dear Cousin,

Thank you very much for your recent letter enclosing details on your family. I was waiting for it when we returned on 5 JUN 1995 after a 15 day family history trip through TN and NC. I appreciate your input very much and have entered all the details on the Master outline and in the various Biofiles. The records on the Burton Upchurch line in the Abel Upchurch, Sr/ Bartley Upchurch Subplan are improving all the time.

If anyone has questions on their Upchurch heritage, I hope you will refer them to me. If you ever have questions or wish to make additional input, please let me know.

With All Best Wishes. ☺ Sincerely yours

Dear Cousin John,

As you will see from the enclosed materials I am keenly interested in the entire extended Upchurch family. I have long corresponded with your sister Eleanor and she and Red visited me when we lived in Arizona several years ago. Eleanor runs Red a great deal as I am sure you know. Clara Thompson and I are also regular pen pals. Sometime ago she wrote about your visit to her and she later sent me your address - hence this letter.

Enclosed is a copy of the master outline for the family of James Taylor U, Sr. I try to get this up to date and keep it up to date. Enclosed is a list of what is missing on your part of the family. I would appreciate any answers you have or can get. Any other input would be appreciated.

Please let me know if you have any questions on your Upchurch heritage. I'll be giving an Upchurch Lecture in Zebulon, NC on 28 MAY 1995. This is the community where your ancestor Abel U, Sr. was born, raised, married & had his first children.
