On 7 DEC 1941 or shortly thereafter his work at the Navy Yard kept him busy constantly and away from home. Mary was scheduled to be evacuated but declined at the last moment. Wright had a spot on his chest which was looked at by doctors and called a "fatty tumor". They declined to operate until it was too late and he died an early and probably unnecessary death. He was raised a Catholic but had been excommunicated. Still he insisted on and got the last rites of the church. He died of uremic poisoning. Wright & Mary were md 9 DEC 1933 (Honolulu, HI) at the Cathedral of our Lady of Peace. He was raised as a Catholic. He went to a Catholic school. Dear Cousin Boddy,

Thanks so much for your letter and all the details which arrived 25 FEB 1995. All the information has now been extracted and is recorded on the Master outline and in the various Biopiles. Your help in improving the records on our family is greatly appreciated.

I have done some re-copying on the Master Outline for the Wright Ernest U family so a current copy is enclosed. Also provided is a list of what is still missing on this family. Any information you have or can get will be appreciated. This may be getting beyond your area of interest and if so don't worry about the matter. If I had an address for Barbara Mabry and/or Lewis Bladsacher, I would be glad to write to them. You should feel free to write to them.

Enclosed is a copy of my 13 page 25 items Biopile on your Greatgrandfather John William U, Sr

(1-2)

I don't recall meeting him but I probably saw him when I was too young to remember. He died when I was seven years old. Let me know if you have any questions about this Biofile.

May I inquire about how your mother is doing. It was a real pleasure to meet with her in the 1980's. She was quite attractive then and would have been a spectacular beauty in her younger years. She was very kind in sending me the newspaper from Honolulu that described the 50th anniversary of Pearl Harbor.

Buddy, it would be great to meet you and your family. If you travel this way or if I get to southern California let's keep this prospect in mind.

With deep appreciation for your contributions to our shared family heritage.

Sincerely yours
Phil Upchurch

Dear Cousin Buddy,

Thank you for your letter and all the family details which arrived on 14 APR 1994. I have finished adding these details to the master outline and to the Biopics of the individuals involved. We continue to make excellent progress.

Enclosed is a copy of the four page Master outline for the Wright Ernest U Family along with two pages of questions on missing details for this Family. I don't know if you have any of the answers or will be able to get any of the details. Don't let this be a burden to you. If you want to pursue this I am glad to have your help. Maybe you know of others you or I should contact.

Also provided is a copy of the seven page Master outline for The William Clinton U, I line in the Nathan U, I / Buster U subline. This covers William Clinton U, I, his children and his

grandchildren. He had 12 children and 43 grandchildren. One of his grandchildren was your GF Wright Elbert U (XID-4747). The numbers on the left hand side indicate continuation sections covering descendants of the grandchildren. Let me know if you need copies of any of these continuation sections (one is enclosed No 63 A).

As far as I know all the children + grandchildren of William Clinton U, I + their spouses are deceased with one exception. The exception is Annie Laurie (Nickson) Upchurch (XID-4734). She was the 2nd wife of your Great Uncle John William U, Jr. She lives in Phoenix and I visited in her home about five years ago.

I have learned a great deal about William Clinton U, I and his descendants and continue to correspond with a number of them (such as yourself) and to meet them from time-to-time. I can continue to share portions of this knowledge with you over time if you are interested.

It will be a pleasure to hear from you at anytime.

Dear Cousin Phillip,

I received the order of the Upchurch bulletin about a week before your latest letter. Thank you for sending the audio tape and accompanying material. I enjoy listening to the tape and following the maps while you are explaining the the maps to the Atlanta audience.

□+□+□ I received a letter from Cleo today along with a packet of information on the William Upchurch family. I'll send Cleo a letter thanking her for having you send the audio tape to me and the packet of information.

□+□+□ Enclosed is the information on the Wright Ernest Upchurch family you requested. I called my mother the other day, keeping her informed on the Upchurch family tree and believe me she's excited about it.

□ Cousin Phil, my family and I appreciate all you have done with the Upchurch family Bulletin, because without the bulletin my family tree stopped with my dad. Thanks again.

Dear Cousin Buddy,

I am delighted to have your letter of recent date and to learn of your renewed interest in the Upchurch Bulletin and in your Upchurch heritage. Details on the U B are enclosed. We have a supply of back copies both bound and unbound. Individual issues are \$4.⁰⁰ each.

I enjoyed meeting your mother in July 1984 when I was on a business trip in Hawaii. We corresponded for a time. I last heard from her about two years ago. How is she. Still well I hope.

Since I cover the entire extended Upchurch Family there is not much time to spend on my own clan - the Nathan Upchurch, I clan. However, when an opportunity occurs I like to take advantage of it. You and I both belong to the Nathan U, I clan so we have a lot of interest in common.

8-2

You belong to the Nathan U, I / Burtis U subclass whereas I belong to the Nathan U, I / Gilbert U subclass. However, due to a number of circumstances, the mutual interests you and I have or could have are even closer. Over time I'll be glad to share some of the details with you. As an example, my parents were married on 14 FEB 1920 in the home of your Great Grandfather John William U, Sr. I know a great deal about your great Uncle & Aunts and knew some of them personally. A cousin has spent considerable effort to understand the circumstances of the death of your grandfather Wright Elliot U on 30 MAY 1912 in New Orleans, LA. I could go on & on.

In any case, I hope to hear from you soon and to have the opportunity of exchanging information with you.

Are any of your children married yet? If so could you give details.

sincerely yours

Phil Melnick

Dear Cousin Buddy,

Thank you for your letter and the order for the UB. The issues went out to you shortly after your letter arrived on 9 MAR. I trust they have arrived safely and that you are going over them. I wanted to wait to write until I called Cleo Gill in FL because she has had special interest in your line. I reached her on 13 MAR and she said she also had recently received a letter from you. She was anxious for you to have a transcription of the 1989 Uplunch Lecture I gave in Atlanta, GA. We made both video & audio recordings. We have no more copies of the video but I happen to have a copy of the audio tape which is provided here ~~with~~ along with machine copies of the usual. I hope you can make sense

out of it all. These items are being sent to you courtesy of Cleo Gill.

Thanks for the update on your family. Enclosed are details that are still missing. I will appreciate any answer you have or can get. As soon as I have whatever you can supply I'll send you an updated copy of the master outline for the Wright Ernest Upchurch Family.

Provided herewith is a copy of my 11" x 17" chart showing the first six generations of Upchurches in America. Your line has been highlighted. My greatgrandfather was Colbert Upchurch, a brother of your ancestor Buster Upchurch.

You will probably have some questions on your line. I'll be happy to try to answer any questions you generate.

Sincerely yours
Phil Upchurch
