Dear Cousin Wylla,

Thank you for your letter of 2 MAR 2000,
for your order of the U^B issue for the year
2000 and for your kind remarks.

I was sorry to learn of the passing
of Karl but thank you for sending me
the details. My records have been updated
accordingly. He was so young to be taken
from us.

We are making several changes in
our arrangements and I hope by the
fall we will be postured to live a
more carefree lifestyle - and have
more time for family history.

Sincerely yours

thanks to inputs from many sources.

My big challenge for 1992 is to make
progress on and if at all possible to complete
the Uphurch book on which I am working.
We have about 100 pages out of the computer
with 200-300 more pages to go. It is tentatively
entitled "Uphurch Ancestors - Eight American Generations".
This would take us down to listing your
Grandfather James David Uphurch, I.

Wyla, it is always good to hear from
you.

All Best Wishes.

Dear Cousin Wylla,

Your letter of 13 JUN 94 arrived today while I am home on a day of vacation (catching up on genealogy - what else!) so I will process it right away. I have given HILARY IRIS LANE the XID number 34871. Let me know if I have spelled her name wrong. It is great to have the Master outline for George Selon U, Sr so complete. If you ever learn that Gustavus has a middle name - or that he has no middle name - please let me know. I have quite a bit of activity on your Grandfather's family - James David U, I. Over time we will reflect some of this in the U.B.

You mentioned England so I will let you in on one of the most exciting Uphurch developments in a long time. See the enclosed copy of a letter from

(1-2-)

Professor Rausane which arrived on the 16th.
I must have immediately to learn his
"terms". I am sure that means money
and I have no idea how much. I
hope we can afford it. Anyway, it
is exciting to think that there are
few Upchurch letters dating from the
1650 era - and "other" details on the
Upchurch family as well.

We encountered more delays on our
house but by switching subdomain
in Lake Saint Louis, MO we are finally on
a set path. We will be going to MO
three weeks from today for an inspection
at which time the dry wall should
be in. We anticipate a move in SEP
or OCT. In the meantime we have
to sell our townhouse in Tucson.
It is all very exciting. I have told
the University people (see enclosed announcement)
It's always nice to hear from you.
☺ sincerely yours

Dear Cousin Wylla,

Thanks for your renewal on the U^B
for 1994 and for your update on the family
of George Selon U, Sr. His family count of 47
individuals and is still growing. We have an
exceptionally complete record on this family
thanks to your input. There are only two
missing items, which I will mention below.

I was sorry to learn that you had
lost your husband. You had many years
together and I am sure you will miss
him. It is good to see the family moving
along with a marriage and a birth.

We, too, had a Jennifer born in our family.
Our latest grandchild, Jennifer Ann Heck,
was born in St Louis, MO on 14 OCT 1993.
We will go to see her for the first time in

(12)

about a month.

Here are the only two items missing on the George Selon U, Sr Family.

- where did Claude NMN Jones die?
- What is the middle (or full) name of GUSTAVO GARCIA. [I may have asked about this before. It is not critical - but I like to try for perfection]

The next six months will be exciting for us. We are having a home built in Lake St Louis, MO and I will retire from the University and move there about next June. We will be halfway between our farm and our two children (+ 3 grandchildren) with a 30 minute drive each way. I should have more time for family history work then.

All the best for a Great 1994!

P.S. Let me know if you want a fresh copy of the George Selon U, Sr Martyr outline - or if there is a family member to whom I should send one.

Sincerely yours

Dear Cousin Wylla,

Thanks for your order on the U B for 1993 and for the details on the family provided in your letter of 29 JAN 1993. I have just finished extending the details and placing them on the Master Outline. I was sorry to learn about the death of two family members.

Our records on George Selan U, Sr and his family seem to be a perfect set (until something changed). I show he had 6 children, 8 grandchildren and 15 great-grandchildren (so far) (include two step-grandchildren). So far I show none of the grandchildren are named.

You will have read in the U B about our discovery of the exact location of the lands held by Richard U, III in Franklin Co, NC at the time of his death in 1817. He was your direct ancestor (your GGGGF). There is a good chance I will go back there

this spring and will get a chance to see
the land. I am anxious to buy 1-10
acres of that land but I don't know
if that is practical. It may be too
expensive. I have in mind that such a
1-10 acre tract could eventually be a
Franklin Co, NC park named for the
Upchurch. Well anyway one can dream.

Well, I really appreciate you keeping
me up to date on your part of the
family and hope you will continue
to do so. We have made fantastic
progress in documenting James David

so many helpers.

Thank you for your renewal on the 26 B
for 1992 and for your note of 27 JAN 92 about
Claire Alivia McGuire. I have assigned her
XFD-29295 and she has her own Profile Sheet.
You and Lois have done a magnificent job
of keeping our records up-to-date on the
family of George Selan U, Sr. The only missing
data for the entire family is the full name
for Gustavo Garcia and to settle his marriage
date (to Linda Jo) as 16 FEB 1978 or 16 DEC 1978. If
we have any way to clear up these two points,
it would be nice - but it is not critical.

The details for your Grandfather and his
children and their spouses are also in good
shape. The missing details are summarized
on two sheets. Any of these details that
you have or can get will be appreciated.
It is always good to hear from you!

Dear Cousin Wylla,

Thanks for your letter of 29 NOV 1990 and for your renewal on the U to for 1991. All of the details you provided have now been entered in the appropriate biopics and on the Master outline.

A copy of the Master outline for George Nelson U, Sr is provided herewith. You can see we are getting close to completion. Please let me know if there are corrections or additions. Here are the only questions I have:

- 1) For the eldest daughter - I now have her name as HELON BYRRA U. If this is not correct please let me know. (At first I thought this name unique but found this other a few other with a similar name but spelled "HELLO" with two L's).
- 2) I'd be glad to assign XFD numbers to Alberta and Kim if you think it appropriate. Sometimes I assign XFD's to step-children and sometimes I don't. I assume they kept their Adam name.

(12)

- 3) you report Roberto Facion Sarmiento as born in Berkeley, CA. I am confused. Does this refer to the father or the son. I show both as born in Rochester, NY and middle names of FACION for father and ANDRES for the son. ???
- 4) What is the full name for GUSTAVO GARCIA?
- 5) were Linda & Eve named 16 FEB 1978 or 16 DEC 1978?

If we had the above resolved we would have a perfect set of details on the George Nelson II, Jr Family in which I count 43 individuals at present.

Maybe, if you have or can establish contact with any of your 1st or 2nd cousins who are descendants of James David II, I (with whom I have not corresponded), I would be happy to get in touch with them to see if we can improve the Market Outline for James Butler II, I. We have made amazing progress but there is always more to do.

Word has just reached me that your Uncle James Lawrence Neal dwd 16 NOV 1990. I think he was the last of the generation that followed James David II, I. I had a note or two from him.

All the best for 1991!

My children (3)

So your father and I are 4th cousins, you and my children are 5th cousins while you and I are 4th cousins once removed.

(1-2)

The details you provided are most useful. I have extracted them and recorded them on the Master outline and in the various Briefs. Thank you for the help. There are still a few details to gather on your father's family and I have listed them on two enclosed sheets. Any of these you have or can get will be most appreciated. ~~Also~~ I may have some questions on your Aunt/Uncle and your cousin. However, over the last couple of years I have been extremely fortunate in making good progress on the family of your GGF James David & I and, in fact on the families of his brothers and sisters as well.

One time I will be happy to supply you with additional detail on your direct line. There is no charge for what I can find time to do but contributions to the Uplands Research Fund are always appreciated.

I do hope you will enjoy the Uplands Bulletin and that you will want the back issues. Order forms are enclosed in case you or someone else can use them.

It is great to have your interest and that of your son. I hope we will hear from you again soon!

Sincerely yours
Phil Uplund
