Dear Mrs. Kelly:

This is just a note to say "thank you" for a wonderful visit on September 5, 1977. Sallaine and I appreciate the time you spent with us and we thoroughly enjoyed our trip through the countryside. Your ability to recall relationships is truly amazing and extremely useful to those of us interested in Upchurch genealogy.

Sometime in a few months I hope to come back to North Carolina again and to have the pleasure of another visit with you. In the meantime best wishes for a nice fall.

Sincerely yours,

R. P. Upchurch

Dear Cousin Billy,

I enjoyed our brief phone conversation
on 18 DEC 1982 and really appreciate the
details you gave me about Stella Upchurch.

Enclosed herewith are a few flyers
on the Upchurch Bulletin in case some of
your visitors would like to ~~do~~ place an
order.

I have hit on a good solution to getting
you the Bulletin. Under separate cover I am
sending you the 1981 and 1982 issue of the
Bulletin. You can offer these for sale at \$10.00
per year (Volume) in case anyone wants to buy
them. In the meantime you can have them
to study or to show to people. If you never
sell them you can just consider them a gift
from me to you. If you sell them I'll send
you another set.

All the Best for the Holidays

Dear Cousin Dilly,

This is to formally acknowledge receipt of your letter of 12 JUL 1983 and the \$20.00 check you sent in payment for the Upchurch Bulletin. This is much appreciated and I hope you will enjoy them.

See Upchurch and I enjoyed our brief visit with you on 18 JUL 1983. Later in the day I had a good visit with Margaret and Hunter in Durham. My short visit to NC never allows enough time.

I am very excited about the fact that we now know Nathan Upchurch I scared Green Seul itself. on a future trip I do hope you can ride around the Green Seul area and tell me the family history for the various houses.

All the best.

Sincerely yours
Phil Upchurch

Dear Mrs Kelly

I was delighted to have the information in your recent letter prepared by Ella (Hunter) Upchurch. This really helps to fill out my records on the Nathan Upchurch family. Ella's husband, Heber Glenn Upchurch, and I are 4th cousins both of us being descendants of Nathan Upchurch, the brother of your Moses U.

In her notes Ella nobly notes that she has 25 grandchildren and 23 greatgrandchildren. It would be of great help to me if she could prepare a list of her grandchildren and greatgrandchildren. ~~She~~ Could you ask her to do this and would you send it to me in the attached envelope.

Take care of yourself and best wishes for your 86th birthday next month

Sincerely yours
Phil Upchurch

Dear Dillie

I am still working hard on Upchurch history and making a great deal of progress thanks to a lot of help from a lot of people. On my next trip to NC I hope to come by for another enjoyable visit with you. You have been of so much help to me and others.

Recently Belle West sent me the enclosed information on Christopher S. Powell. I can't understand who Ella H. Upchurch was and who her children were. Can you shed any light on them.

I would be most appreciative if you could make a note or two on the enclosure and return it to me.

Have a good Spring!

Dear Billy,

I'm working over the tombstones
in the Greenfield Baptist Church cemetery
I have come across two for which I
cannot identify the parents. They are:

DAVID E. UPCHURCH

b. 25 AUG 1931 d 4 DEC 1971

→ could be a "C" or a "T" ???

WILLIAM C. UPCHURCH

b. 4 NOV 1921 d 4 NOV 1944

(KILLED IN ACTION)

If you could help with these I would
be most grateful.

We enjoyed greatly the visit from
your daughter Mildred over the Christmas
holidays. She and her husband are a fine
couple.

All the best.

Sincerely yours
Bob Upchurch
