Coroner's Jury Says Sanderford Was Killed By Lonnie Edwards Aided By Ollie Walden, Negroes.

Evidence submitted at the coroner's inquest Sunday is held as conclusive by the coroner's jury that O. Arthur Sanderford, former chief of police of Apex, was killed Saturday night by Lonnie Edwards and that Ollie Walden aided and abetted in the killing. Walden is held without bail in Wake county jail in Raleigh. At midnight Edwards was still at large, his whereabouts unknown. Sam Marcom, Jr., Hattie McCain, Junius Merritt and another negroe are held as witnesses. Both Edwards and Walden are given bad characters by the county officers. Maynard is still living, but in a serious condition.

Coroner Separk's inquest at Apex lasted nearly all of Sunday and the jury's verdict was that "Sanderford came to his death from a gun shot wound inflicted by Lonnie Edwards and Ollie Walden aided and abetted in the killing." The jury was composed of Messrs. J. W. Whittington, L. J. Sears, L. S. Olive, S. R. Bell, W. P. Betts and L. A. Upchurch.

The wound which caused Sanderford's death was inflicted by a shotgun. He was shot at close range and the entire load of shot entered the right breast just below the collar bone. He was also shot in the left forearm with a revolver, evidence being that this wound was inflicted by Ollie Walden. The testimony is that Walden also shot Emory Maynard, it being held that the bullets were intended for Carl Upchurch, a young man who with Sanderford. Upchurch escaped injury by running from the house when the shooting began.

It is said that a large amount of liquor had been sold every Saturday night during a regular weekly dance at the McCain woman's home and according to the evidence Sanderford in company with Upchurch went to the house to get evidence against the supposed liquor sellers. The dance was in full swing at the time of their visit and about 25 negro men and women were in attendance. When it became known that the two white men were at the house, trouble started. Witnesses say that Ollie Walden told the McCain woman "he could stand her color, but could not stand any white people near the place, and that he would clean them out." With this statement hardly out of his mouth the evidence is that he seized Sanderford's own pistol, extinguished the light and commenced firing. Three of the bullets struck the Maynard negro in the back and shoulder and one struck Sanderford in the forearm. While Walden was still firing Lonnie Edwards, who was standing outside the door, is charged with having fired upon Sanderford with a shot gun. According to evidence Upchurch "highballed" and left Sanderford at the mercy of the negroes when the light was extinguished. Sanderford's pistol holster was still buckled to his waist when found on the floor of the house.

Lonnie Edwards, the negro wanted for the murder, is a notorious character and is now wanted by the Apex authorities for cutting his wife's throat about two years ago. He has been scouting and it was not known that he was in the section. He was traced to Holly Springs and Lillington yesterday, but succeeded in getting away from the latter place. Information was received in Apex last night that he was headed back towards Apex and it is thought he will be captured today.

The body of Sanderford was brought to Raleigh yesterday morning and interred in Oakwood cemetery, the services at the grave being conducted by Rev. A. V. Joyner, pastor of Pullen Memorial church. He leaves a wife and four children.

① From St 25 SEP 1996 from Ann Hamay to RPU

Oh yes, we learned that the author "Carl Upchurch" was to be on KSD radio last week talking about his book. Turned on all the radios we have so not to miss him. We learned that he is a black "born again" Christian minister who was jailed many times & a convicted felon. The name of the book published by Bantam is Convicted in the Work. We got a chuckle out of the situation

By FRAZIER MOORE

The Associated Press

NBC's Saturday morning schedule is dead! Long live "Discovery for Kids on NBC"—a new program block from Discovery Networks that NBC is launching next Saturday (Oct. 5).

The slate of six series airs from 9 a.m. to noon, and includes:

■ "Prehistoric Planet" (9 a.m.), where toon dinosaurs provide a glimpse into how their ancestors roamed for food, protected their young, soared through prehistoric skies and more.

■ "Croc Files" (9:30 a.m.) finds Crocodile Hunter Steve Irwin and wife Terry in the high-adventure company of snakes, Komodo dragons, kangaroos and, of course, crocodiles.

■ "Operation Junkyard" (10 a.m.) pits two teams of four kids against each other in a race to transform trash into a functional machine...in just six hours!

■ "Endurance" (10:30 a.m.) places 20 kids on a remote island where they compete in contests of skill, speed, strength and smarts (while trying to survive without TV or a nearby shopping mall).

■ "Scout's Safari" (11 a.m.) follows 13-year-old Scout as she moves from New York to South Africa's safari country to live with her mother on an animal preserve. What will life be like in this different kind of untamed environment?

■ "Strange Days at Blake Holsey High" (1:30 p.m.) takes place at what seems like a normal prep school. But when weird things start happening, five science club students set out to find out why.

Other shows to look out for:

■ A repeat offender by his teenage years, Carl Upchurch doesn't seem to have much of a future other than more jail. Then a compassionate prison teacher with a book of Shakespeare's sonnets inspires him to turn his life around. The original Showtime film "Conviction" tells the true story of Upchurch, who after embracing education, emerges as a crusader for peace among warring gangs in Philadelphia. Omar Epps stars with Dana Delany as the teacher. It premieres Sunday at 7 p.m.

Birth: Sep. 20, 1915
Death: Feb. 19, 1948

Carl Donald Upchurch, aka DD Upchurch was the 5th child of John Porter Upchurch and Pansy Viola 'Dell' Upchurch. I do not know if DD ever married, but it appears he did not. Unfortunately DD never saw his 33rd birthday. I'm sure he was sorely missed by many. Six of his siblings predeceased him, as did his father.

Carl Henry U was md before at age 21 or 22 to a Jewel Smith of Greensboro, NC and was divorced a few years later. I don't know much about that m^y. I met him later in CA in 1946. Carl & I lived in CA during our m^y so I don't know much about the Upchurch family. We did visit NC many times and I loved that part of the country and the Upchurch family & friends & relatives.

This call verified certain details recorded
in ⑧. Ouida had planned to go play cards with
an elderly group but felt exhausted & lay down.
He, nevertheless, had a spirited conversation.
First I asked about the operations on Carl
Michael U. He went in on 19 OCT 94 and had
his first operation on his head on 20 OCT 94.
This was followed by a main operation on
the SAT after Thanksgiving. There was also
a third operation. It seems to have been a
great success and the seizures have not
reappeared. He has some pain in the head because
nerve endings in muscle were destroyed.
He has medications which will be gradually
decreased over the next year. Michael is very
upbeat. He still lives with Ouida.

Dear Cousin Michael,

Thank you for your note which arrived
13 FEB 2002 and for your generous check of \$200.⁰⁰.
As we pool our efforts and resources our
work on documenting our Upland heritage
is made to go faster. We have listed you
as a subscriber for the Upland Bulletin for
2002 and the first of two issues for 2002
should go in the mail in a few weeks.
Your contribution will also support a
memorial to Ouida which will be placed
in the upcoming issue of the UB.

Enclosed are copies of the flyers I sent out last November to all subscribers of the UB. You need not take any actions on these sheets. They are for your information.

It is good to hear that you are
~~getting~~ along well. I know you miss Linda.

I will certainly appreciate anything you can do to help improve our upchurch family history records. I can send you copies of Master Outlines that might help to assist you. Along this line I enclose herewith the 2-Page Master Outline for the Rufus U line in the Moses U/Rufus U Subdan. This covers Rufus, his children and grandchildren. The descendants (if any) if known of the grandchildren are covered in continuation sections as shown on the left hand side of the page. I can send copies of these continuation sections if you so desire. On the 2-Page Master Outline you will note the entry for your Grandfather Carl Emil U. There is always more to do to improve, upgrade, correct, add to these Master Outlines. Please let me know if you have any questions. You can see what kind of data I collected.

We made two trips to NC in 2001 for family history research. The first one in April 2001 was interrupted when we learned in the middle of the trip that the water hose on our washing machine had broken and flooded our home in Chesterfield, MO for 5 days. We quickly returned to MO and found a big mess - some \$75,000 in damage. That is now all behind us and fortunately all was covered by insurance.

Our December 2001 Trip to NC for 3 weeks was a great success. We met many people and collected much data. It took me about a month to process it but that is all completed now.

It is great to hear from you and I look forward to us working together.

Sincerely yours
 Phil Upchurch

Dear Cousin Michael,

I was very saddened to learn of the passing of your dear Aunt Donda from your phone call of 31 JAN 2001. Thank you for sending me the obituary documents which arrived on 10 FEB 2001. I know you were very close to Donda and will miss her very much. She was a very special person and I was highly privileged to have visited with her several times. She and I shared a strong interest in family history and we exchanged letters frequently. She was always willing to locate and provide details for our Upchurch Family History Project. I hope you will take up where she left off.

Donda was special in many ways.

She played a trail for female in the Navy.
I was especially impressed by her superior
intelligence and recall discussing this very
personal item with her. She was not one
to brag but when I asked her if she was
aware of her high intelligence as a child, she
said "yes". what a joy it would have been
to have known her better.

We have now arranged our lives to
have more free time. Among other activities
I plan to spend several two-week trips
doing family history work on the Upchurch
in North Carolina. The first of these trips
comes this April. On one of the trips I
hope to drive down to Jonesboro and
pay my respects to Donda at her final
resting place. May she rest in peace.

Michael, I hope to hear from you
again soon and will welcome your
participation in our Upchurch heritage.
May it in whatever may you see fit.

Sincerely yours
Bob Upchurch

added a finished coat of fine, pure, white plaster trowled smooth on top. Bentfield had plaster walls, as smooth, one account said, as a lady's skin. Plaster was not painted until the middle of the nineteenth century, but sometimes was whitewashed.

Older houses, as a way of preventing drafts as well as being decorative, installed wainscotting. This is wood panelling up to a chair rail about waist high around the room. In the early, pre-1800 houses, wainscotting is prevalent. Sometimes it was painted with beautiful old colors made of earth elements and buttermilk for pigmentation: rusty red, ochre, soft mossy green, grey, and a rich black. Often these painted portions were ornamented with designs in another color. Marbling was imitated by stroking on another color with a feather. Wood graining was imitated in browns and blacks, and stencil patterns were painted on the wood. A few stencils remain extant. There is a portion of a stencilled pattern on plaster to be seen at Oak Shades on Route 639, and recently stenciling was discovered in the Clerk's office, which though a much later building was built in the 1850's style. Examples can also be found at the Mason House, in some of the existing Bentfield mantles and at Charlie's Hope. The richness of color of the old paints can be seen in Northview, in the Mason House and especially in Roslin on Route 643, owned by Mr. Carl Upchurch, which has colors such as cherry and mauve in trompe l'oeil designs. The woodwork in the Kennon House, of the 1830 era, has never been painted but has been polished lovingly through the years.

Some of the older houses of the early 1800's have black painted woodwork. Mantles, window frames, baseboards, doors and stair rails were all painted black. The legend that this was in token of George Washington's death is probably spurious; it simply was a fad of the time. Oak Shades, Woodstock on Route 1 and Millville had black woodwork at one time.

Millville is one of the few houses with outside trim and fretwork, with its drilled cable and dentil moulding. This and the remarkable inside woodwork, now almost completely destroyed by negligence and vandalism, were constructed by Freeman Rivers, grandfather of Jarrett D. Rivers. Mr. Rivers still has the original collection of tools owned by his grandfather, a free black. The undertaker for Millville was Burwell Bassett Wilkes, who also built Charlie's Hope and Cooling Brook.

Bentfield was also a house with interesting woodwork as is Ash Grove on Route 655, owned by Mr. Lindsay Harris in Meredithville. Bentfield had deep-set windows with Adams style carved panels framing them, and dentil work around the wainscotting. Ash Grove has very distinctive twelve over
