"I remember my GF U (OK U Sr) with great fondness and love, even though I was just a small child when he died. My mother and I lived with my U Grandparents during part of the time my Father was in the Navy during WWII. Each morning he would take me "to work" with him (the post office, cleaners, etc) and bring me back home in about 15-30 minutes. Each night when he came home, he would reach into his pocket and pull out some money and ask me if I wanted "folding money or silver". For a long time, I chose the silver as I liked to see it building up in my piggy bank. My Daddy tipped me off one day that if I took the "folding money" I really was getting a great deal more. I'll never forget my Grandfather laughing when he realized I had caught on. He laughingly told me I was truly "a smart little girl" of course, I never told him Daddy had tipped me off"

MAJOR O. K. UPCHURCH, III

Dear Major Upchurch,

your father is a long time subscriber of the Upchurch Bulletin. Recently he and I have been corresponding intensely to complete the master outline as it pertains to the descendants of our Kearney U, Sr. There are only a few missing details as shown on the attached sheet. I have shared this sheet also with your father and your sister Virginia. If there are any of the missing details you could provide I would be most appreciative.

My main reason in writing to you concerns the Upchurch Bible and the letters written by Kearney U in the 1850's. Your father told me about these and suggested that I write to you. I would very much like to have a xerox copy of the letters and of any entries written in the bible about family members. If a xerox copy is impractical then a hand-written or typed copy would be useful. Such items of these

(4-3)

often provide insights into family history that are available nowhere else. I am hopeful that the Bible records will shed light on the family of Allen Perry U, your GGF. If the details go back beyond that it would really be great. If you can supply these two items I will certainly be willing to share copies with other interested members of the family. Depending on the nature of the items I may want to publish them in the Upland Bulletin.

Information on the UB is enclosed.

If you have an interest in Upland's family history I would be happy to correspond further with you and to send a sketch of your line and mine showing how we are related. I was born and raised in Wake Co, NC and have visited the Cross Roads District of Wake County where Kearney U had her plantation.

It would be a pleasure to hear from you.

Sincerely yours
Phil Upland
