call to reinforce working arrangement with PTUA
"Chris". He will leave for NC/VA in mid-MAY and will
spend some time on family history. He has been in
touch with NC relatives and has appointments. He
was in the U.S. Army and after retirement was in
construction & is now retired. His wife is/was
a school teacher. I gave him name/address/phone no
of his 2nd cousin Ada Ruth (W) Hampton of Broadway,
NC - also mentioned Wood & [Jefferson Woodson U,
Jr.] of N.C. state. Chris & I agree the middle name
for his ancestor John U is John C. U and more
precisely John Christopher U - called "Kitt". Chris has
found Temperance Medlin in the Franklin Co, NC
records.

MR PAUL T. UPCHURCH
550 OCEAN DR. - APT 86
KEY BISCAYNE, FL 33149

Dear Chris,

It was good to talk to you on the phone this AM. We have now had the kids out to a dog show, a walk, lunch and a movie. so now I can get back to peeling off a few things in the genealogical area. Thanks for your letter of 30 JUL 1992. It has now been fully processed.

The Russell U age 56 you found on the 1870 Johnston Co, NC census is in fact HANSON U. We think him to be son of Gallum U & gr of Moser U, Head of class but need more proof.

On two enclosed sheets I have summarized the conflicts in dates that exist for Kit & his children. Hope you will study this and let's see if we can resolve some of the issues. I do think we have the 16 in order of birth as listed. The dates for Charlie A. U, William O. U and Myrtle U bear close inspection.

(22)

If we accept 25 OCT 1902 as the date for Charlie A. U. (There is no known conflict with this, then William O. U. could not have been born 29 FEB 1903 as that is a space of only four months. A birth date of 29 FEB 1905 is not feasible if we accept that Myrtle U. was b. 17 JUN 1905 (There is no known conflict with this date), as there is only a 4 months space between these two dates. If we accept the dates given for Charlie A. U. & Myrtle U. if we say William O. U. was born between them - then William O. U. was most likely born between OCT 1903 and JUN 1904.

The plot for children of Kit named Elizabeths. I think the ^{#1} Elizabeth U. b. 1880 is OK. We have a first ^{#2} Elizabeth D. U. b. 14 MAR 1896 but then ^{#3} Elizabeth U. enters the picture. The same year sister number one b. ca 1918 must be #3. Also the one mentioned in Kito will have to be #3. Also, I wonder if the one who married - - Wilson and still lives in a rest home is not #3. It could be that #1 & #2 did young. This would account for #2 not being on the 1910 census at age 14. It could also explain why a very late daughter born might be named Elizabeth [Two dau named Elizabeth already dead; Kit had two more named Elizabeth]

(2-3)

Remember Kto 2nd wife died 5 JUL 1918 at age 48 - it is thus biologically possible she had a dau named Elizabeth b ca 1918. Hope you can find some more hard evidence.

We still have a lot more to learn but the broad picture for Benjamin's U, his children & grandchildren is now becoming a lot more clear. The more we can get details from the narrower sources the better picture we will have. However, nothing substitutes for the work of a dedicated and deeply interested individual such as yourself. I appreciate your efforts very much.

I am returning copies of some of your computer printout sheets with some red marks to indicate places that need attention. I have picked up everything new in these records for my Master Outlines & Profiles.

All the Best!

Sincerely yours
Phil Upchurch

REC'D
4 AUG 1992

Dear Cousin Phil,
I received yours dtd 19 Jul 1992 on Saturday 25 Jul 1992.. It was a nice Package for Sunday enjoyment.

I have again prodded Elvira, M.C. (Tony), and I plan to call Pearl to-day which is Uncle Dubies' wife .

While in the Library on Sat, Looking through 1870, Johnson County, in search of a Blackmon, instead I found an UPCHURCH. to wit: Selma PO, Page 35

- △ +△ UPCHURCH, Russell 56 [HANSON U]
- △ UPCHURCH, Nancy 57 [NANCY WATSON]
- △ John 22 [JOHN WORTH U]
- △ Fannie 17 [FRANCES H U]

I'm not sure where this fits but with your records you may have some use. There were others but couldn't read the tape but I will do better in NC ...

Don't forget I have photos and negatives of the Lawnes Creek Church and St. Peters with some lovely shots of graves... All the headstones with dates I have.

I Started all like an endurance runner all fire up and immediately faded. Started this on Sunday and we down to Thursday and I am in receipt of yours dated 25 Jul. I think you are wrong on some occasions ..

- △ +△ Lets start with Elizabeth, We know for a fact she is not Callie..I have I think
- △ given you Elizabeth's birth certificate and she lives. I have Callies headstone
- Photo, she is dead..NOT the same two ..

- △ IN accordance with her headstone(Callie) she was born 28 Nov 1881,
- △ Elizabeth was born 1896, shows on the census of 1900 and she is 4 years
- △ old..There is however one thing that is confusing. Elizabeth disappears from
- the 1910 census and she should be about 14. Kits will was read and or
- published dated 13 Aug 1925. In this will Kits will leaves the Estate to four
- △ minor children one of which is Elizabeth, she would have nearly been 30

△ years old. ONE of my sisters says Elizabeth was born about 1918. The
 □ + □ + □ + □ property went to Joe, Dubie, Cornie and Elizabeth... More discovery is
 - needed..

△ Tempie I am sure the Grave Marker is correct b 26 Mar 1897 and died 31
 - Aug 1910..

I just spoke with Elvira, she has turned the information over to Wayne
 Morgan who will type same up and mail. She did not know anything about
 Elizabeth..

Next item is Babb... The census seems to speak for itself, The couple had
 been married 12 years, the oldest is 11 and the youngest is 4/12. There is a
 4 year gap and the husband is older but there is no indication that he had a
 previous marriage, think those names are duplication and seems to be the
 middle name.

Next on the agenda is Cornie and I think I shall send one my fine charts go to
 the second page... Jolan Garner Norris lives in the home place, I sent you a
 photo, she should be able to help but unfortunately I have never found her
 at home.. We should get some updates soon.

I think I shall have to return to Robeson County and check 1840.

More to Come.

CHRIS
 Respectively Submitted,

Dear Cousin Chris

Your letter arrived yesterday and it has been the first order of business today. Every item added in a plus.

Enclosed is a fresh copy of the Master Outline for Benjamin U, his children and grandchildren (Generations 7, 8 + 9). We are making excellent progress on this set and I want to comment on the number & order of births of the children & grandchildren. We seem to be reasonably well settled on Benjamin U & his two wives and their dates & places although some fine tuning remains to be done.

Children of Benjamin U
By wife #1 Arabella Medlin

1. James Benjamin U b AUG 1851
2. Stephen U (Paralytic) b 1853
3. John Christopher U b 1855 or 1856
4. Edgar U b 1857
5. Joseph Calvin U b MAR 1858

By wife #2 Catherine W. Johnson

8. William Franklin U b 1873
9. Mary Elizabeth U "Molly" b 1875
10. Benjamin Franklin U b JUN 1880
6. Jefferson Davis U b SEP 1861
7. Charles H. U b 1865 or 1866

(4-2)

Although there is "fine tuning" to be done on these 10 children of Benjamin U, I feel we are very close to the mark on number, order of birth, date of birth and names of 'the 10'. I have speculated that Stephens was child #2 and born in 1853 although some evidence shows he 1855. The birth dates of 1851, 1853, 1855, 1857 and 1858 seems logical and tends to provide a full slate of births for that era although you might squeeze in another birth particularly if you slip the birth date for John Christopher U up to 1856. However, there is zero evidence for such an added child. There is room for another child between Joseph Calvin U and Jefferson Davis U but again I know of no evidence for such a child. I assume the break between Jefferson Davis U and Charles H. U is because Benjamin U was away in the war.

Given that Benjamin U married Catherine W. Johnson in 1870 it is a little unusual that their first child was not born until 1873. However, if we assume married in late 1870 and a birth in early 1873 the interval between marriage & birth could be 13 or 14 months which is reasonable. There would be room for another child between #9 & #10 but we have no evidence for such a child.

(4-3)

All things considered I am reasonably well satisfied with this list of 10 children. Perhaps we will garner another list or two of information along the way that will convince us we are right or provide evidence to change the list. One thing to keep in mind is that some of the spacings between births that are greater than 18-24 months could be accounted for by miscarriages, still born children or children that died at an early age and never made it into the records.

Your comments on the above will be appreciated. I am rather pleased at what has been accomplished - most of which is due to your efforts.

Now for the Grandchildren of Benjamin U. ---

1. James Benjamin U had 7 children - but looker good to me
2. Stephen U - no children as far as we know
3. John Christopher U - 4 children by 1st wife
12 children by 2nd wife

For the first 9 I think this includes Callie b. 1857 & Elizabeth b. 1850 + Jim & Mary Bell

As of 1990 I figure Kit & A.E. Reaver had five children in spite of what the 1900 census reports. Still - I could be wrong. The issue is Elizabeth D. U b. 1896 vs Tempie E. U b. 1897.

4-4.

4. Edgar U - No children as far as is known
5. Joseph Calvin U - 6 Children - They seemed to come early in ~~the~~ marriage; Jeanette was only 30 when she had her 6th & last child. This sometimes happens - or could it be we have simply not picked up children born to Calvin & Jeanette after 27 DEC 1899?
6. Jefferson Davis U - 13 children - although I am not sure if evidence exists for a child born 1899 - if not there would be 12 children. The sequence seems pretty much correct although we need more details on John Davis U to make sure he exists and to fit him into an order of births. [Jefferson Woodrow U, Jr said there were 13 children]
7. Charles H. U - 9 children - we have a birth date on all except Benjamin J. U.
8. William Franklin U, I - 6 children. Perhaps this number could be greater. Need more details on Mildred U - when born - actual parents
9. Mary Elizabeth U "Melly" - 7 children - could there be more? Note that I have a list of 7 from 1910 census and a list of 3 from elsewhere [Carlie, Mae, Pearl]. Do these three represent added children [I think not] or

(45)

which of the 3 match up with which of the 7??

So far the above shows 64 grandchildren of Benjamin U. I will welcome any further refinements to this list which you or your contacts can provide. Of course we are always interested in improving the names, dates & places. Also we will keep working to complete the details for the families of these 64 grandchildren.

With regard to Buchner U & Silas U on the 1840 NC census, I think you will find them on the RANDOLPH CO, NC census in 1840 rather than on the Robeson Co, NC census.

Brother of your father U ← I. Richard U, III - Head of class
 1st cousin of your Calvin U ← A. Buchner U } They later moved to OH - before Civil War.
 1. Silas U }
 ↳ 2nd cousin of your Benjamin U b 1830

Keep up the good work.

☺ Sincerely yours
Phil Yelch

Stephan Upchurch appears in the census of 1870 at age 15 which makes his birth ca 1855, yet in the 1960 census the nearest to his is Kit born 1855, then Calvin 1857.. Then he disappears.. In 1890 Edgar appears and what happened to either is unknown. In the 1900 census, Annie Elizabeth says she has had 4 children and 4 are alive. They are Grover C., Elizabeth, William, and an Unknown Eddie b 1898 .. IN the 1880 census Edgar is listed at 23 he is listed as a son and the wife of Benjamin is Catherine and is listed at 37 years ..If there is such a person he has to be the son of Arabella. I shall look further. It is indeed a mystery...Sorry I couldn't more of assistance.

Dear Cousin Chris,

Enjoyed our phone conversation today.

Your letter which arrived 7, 15 & 16 JUL have now been fully processed and the details you provided help a lot. I'll not pose more questions on this round since you are working all the time to get more facts. I'll keep entering details as you send them in and periodically I'll send you a fresh copy of the master outline. Please let me know anytime you need anything special.

I don't believe I have sent you a copy of the 11" x 17" sheet with the first 5-6 generations of U's so a copy is enclosed. Your line and mine are marked in yellow. You asked about the details for St Peter's Church. They are covered on page 20 of the West book. A copy of this page is enclosed. I have marked in red on the page and also

on the 11" x 17" sheet the people involved.

Also provided in a copy of the U listings for the Guier Creek cemetery. I have identified all 36 entries except for # 5 [Betty Lou U].

Perhaps we can get in a couple more exchanges before you make your September trip to NC. It is nice to be making such good progress on the Benjamin U line of the Jubal U/Calvin U Subdan. I know you are frustrated with relatives who are slow to respond. Sometimes one technique works and sometimes another, sometimes nothing works. In any case we have lots of sources of information. It is great to have the official records you collect.

I'll begin to pay more attention to Parkinson's news. Hope they find better medications for it as time passes.

All Best Wishes

Sincerely yours
Phil Upchurch

REC'D
 7 JUL 1992

☐ Dear Cousin Phil,

3

- Thank you for your most recent dated 28 Jun 1992. I returned to Key
 - Biscayne, Yesterday afternoon. Spent the day in Savannah, departed for
 - home about 4 am and drove all day, worked all night, Still haven't got all
 - the information in the computer. My field notes are terrible, it would
 - appear that I shall have to get an interpreter. My excuse is the kin people
 - haven't organized the information. Therefor the information as I present it
 - will have to be taken as hearsay and therefor taken lightly. However the
 ☐+☐ three documents are from Elvira Upchurch(Wilburn), Doris Ruth Morgan
 ☐ and Jeanette Denning. All these people I once knew, 50 years ago.

☐+△+△ Elvira is the daughter of Sim and her mother is a DEW(NOTE I TOOK AND
 ☐+☐ R OUT), Uncle Charlie married a DEW, the two ladies were sisters. The
 ☐ information from Elvira although plentiful was teribly confusing. I could
 - have been having a moment of downtime and not really comprehended
 - regardless, I shall ask her to verify. I spoke with her this morning and she
 - will have some more names and dates from another sister. IN the
 - meantime hold her sheet in abeyance until verified.

☐ Doris Ruth Morgan furnished us with her dates and I will finish those, and I
 - think they are accurate.

+☐ Jeanette Denning, the daughter of Malcolm, she has a masters and
 - graduated Magna Cum and I think we can accept her information as factual..

- NOTES

☐ I have transposed the dates on Benjamins 2nd wife, The names are
 - confusing. I do have the death certificate which should satisfy you on the
 ☐ spelling. We have her listed as Betsy Ann Reaves and possibly should be
 ☐ listed as ANNIE ELIZABETH REAVES b 11 Jun 1872 d 5 Jul 1918, her
 - tombstone conflicts b is given as 9 May 1870. I shall stay with what I

Kitz

- have, as(death certificate) this was given by her husband and he couldn't
- remember his name, so conceivably he was terrible on dates.
-
- ☐ This leave dates on his first wife in limbo, back to the census.. It is my
- ☐ guess that Kit married about 2 years before the birth of my father and he
- was born as you know 9 Sept 1892, their marriage should be about 1890..
- ☐ The 1910 record shows she was married 18 years, Grover was 14 , she
- would have married in 1892, this would verify her birth in 1872.. She was
- ☐+☐ 20 when she married She came from Wake county her father was Wm
- ☐ Reaves, her mother was Mary Griffin. It will be interesting so see if I can
- pick them up in Wake Census of about 1890...
-
- ☐ Viola Blackmon, marriage license applied for on 2 Jun 1917.. the big
- surprise is that she lied. The marriage application, not done by applicant,
- states she was 19, the birth certificate of my oldest sister gives her age as
- 17, when the oldest was born.
-
- You must remember that our clan has a sense of humor and a lot of what I
- write is tongue in cheek, your enthusiasm is understood.
-
- I will send you a mixed bag of death certificates and list that I picked up on
- my most recent. Photo return on whatever enjoy.
-
- I have read-re-read your Bio I am not sure that I understand it but I will
- try again but I love it.
-
- ☐ I spoke with Michael and I think he will give me the addresses and there is
- ☐ another man in Garner who is suppose to be doing research. Elvira is
- getting his name for our effort.
-
- Should you know anyone who is willing to part with their Upchurch book,
- let me know as I am willing to buy.
-
- Tight Lines and good fishing..
-
- Respectively Submitted,
- ☐ Chris Upchurch

Dear Phil,

Just a short note to let you know that I have not taken the summer off.

I have recently written Mike Upchurch, pursuing addresses, written to Elvira(Sims daughter) asking for assistance in linkage, written to Norcut Ray and MC (Tony), my sisters is also calling Cornies Children and I might say without success.. So don't give up on me.

Reference to the Church in New Kent County Virginia, do you have any record of the Upchurchs who were Christened there?

Ref. the 1910 census. Note John Upchurch, the number of children, the number the spouse gave birth to and the children living. I read the figure as Nine given birth to and eight living. If this is a given then the question would follow who is the missing child . Certainly Elizabeth is missing but we know for a fact that she lives. Gives one time to think..Ed..

Regards,

Chris ☺

Dear Phil,
The slight case of dementia at times can overwhelm one.

You ask some time ago about Mary Elizabeth and I failed to respond to the inquiry and in all candor I was a little concerned about responding until I checked the graveyard and census. As usual I went on to something with preferred priority and overlooked the question.

NOW I am ready.. Enclosed you will find the group as you would expect.

<input type="checkbox"/>	BABB, WILLIAM	M	51	12
<input type="checkbox"/>	MARY ELIZABETH	F	35	12

<input type="checkbox"/>	Lessie	F	11	ca 1899
<input type="checkbox"/>	Martha M	F	9	CA 1901
<input type="checkbox"/>	William C.	M	7	CA 1903
<input type="checkbox"/>	Mary P.	F.	5	CA 1905
<input type="checkbox"/>	Ester R.	F	4	CA 1906
<input type="checkbox"/>	Rhoda	F	2	CA 1908
<input type="checkbox"/>	James F.	M	4/12	CA 1910

Please note that the dates of birth as I carry it are nearly correct, the error is in reading the census . I became interested in this group while in the graveyard in Lillington and then the connection finally hit. Mollie died in 1948 and it will be easy enough to verify with a death certificate. this I will do when I return to NC

Dear Cousin Chris

Your letter of 15 MAR 92 is at hand. I am writing
in haste as I face several deadlines at the office
and at home. However, I wanted you to know
promptly that I have a keen interest in the
family line you have presented. In fact, I have
drawn a conclusion on this line and presented
the rationale in the Upchurch Bulletin. I had
long ago noted the Benjamin U on the 1850
census in NC and for a long time pondered
how this line would fit into the overall
Upchurch picture. The evidence I have is
circumstantial but, in my mind, reasonably
convincing. I will be anxious over time
to compare notes with you and to have
your analysis of the soundness of what I
have proposed.

Details on the Upchurch Bulletin are

(10-2-)

enclosed. Will be happy to have you as a subscriber if you are interested. Back issues are available if desired. If you so desire, I'll be glad to let you know which volumes (years) bear specifically upon Benjamin U. It is not necessary for you to subscribe to the U B for me to collaborate, but it would help

Enclosed is a copy of "The Michael Enterprise Family History System"

over time I would like to exchange details with you about the descendants of your Benjamin U. As a start could you tell me how you are linked back to him?

Humbly.

Sincerely yours
Phil Upchurch

Dear cousin Chris,

The details of your letter of 23 MAR 92 have now been processed and I thank you for them. Details related to your Upchurch Heritage according to my proposals are covered in Volumes 3 (1982) and 4 (1983) of the Upchurch Bulletin. These two volumes are being sent to you under separate covers. The cost is \$12.00/volume or a total of \$24.00. Here is your line and mine:

Richard U, I

James U, I
↓
Richard U, II

11-2

So, if my hypothesis is correct, your father and I are 4th cousins; you and my children are 5th cousins; while you and I are 4th cousins once removed.

Enclosed is a copy of my five page 17 items Biog. on Calvin U. My hypothesis is that he is the son of Jubal U and that Calvin U is the father of the three Upchurch males on the 1850 census of Cumberland Co, NC [in that section later in 1855 to become Harnett Co, NC]. I would appreciate you going over the enclosed material and the U B volumes and giving me your ideas about these proposed relationships. I feel quite sure the proposal is correct but the more evidence we can add the better - even if it is circumstantial.

Richard U, II arrived in the present-day Franklin Co, NC area known as Moccasin Creek ^{in 1755}. (I have a U B with a diagram). There he raised a large family. A great deal of the various issues of the U B concern Richard U, II and his descendants. Debts on his son Jubal U and on Jubal's descendants have been slow to unfold. We need more

attention to the Jubal U class.

I enclose herewith a copy of the 9 page master outline for the Jubal U/Calvin U subclass which goes through the grandchildren of Calvin U. I will welcome any inputs relating to this outline. The numbers on the left hand side of the page indicate that I have details on later generations.

Here are questions on this outline growing out of the details provided with your letter of 23 MAR 1992.

A. Re James B. U (XFD-14651) - All in order. Seems to be the J. B. U age 9 on 1860 census & the James R. U age 18 on the 1870 census.

B. Re John C. U (XFD-14720) - seems to be the J. C. U age 6 on 1860 census and the John U age 17 on 1870 census. I figure he married 1st ca 1878 and had 3 children (14721, 14722, 14723) before his wife was lost. Then he must have had 2nd about 1890 Annie W. (E) — and had several children the first of whom was your father Erwin C. U. I show, tentatively, 8 children by this 2nd wife. Can you confirm. Two of them were named William F. U. Is this correct?

(11-4)

- B. Re John C. U (XID-14720) - continued
Was Elizabeth D. U age 4 on 1900 census the
same as Tempie E. U age 12 on the 1910
census?
- C. Re Edgar U (XID-14728). I see him clearly
on 1880 census as age 23 (hence b ca 1857)
Is this person the same as L.C. U age 4
on the 1860 census? Where is Edgar U
on the 1870 census? Could he be the
same as Stephens U age 15 on the 1870
census? Note that I show Edgar U
as "Kitt".
- D. Re Joseph Calvin U (XID-14733). Can I
assume that he is J. U age 1 on the
1860 census and Joseph U age 13 on
the 1870 census?
- E. Re Jefferson Davis U (XID-14785). I assume
this is Jefferson U age 9 on 1870 census and
Jeff U age 18 on 1880 census.
- F. Re Charles H. U (XID-14814) I assume he
is the "Charlie" on 1870 census with
Tempest Medlin (she would have been his
Grandmother). Charles would have been about
age 5 at the time and "between wives".
On 1880 census Charles age 14 is back in
the name of his father with a new
1/2 sister age 5 - Mellie [Mary Elizabeth U] ←
- G. Re Mary Elizabeth U (XID-14866)

(11-5)

A. Benjamin Franklin U (XID-14871) b. 28 JUN 1880

I. William Franklin U, I (XID-14872) b. 1873

→ I am confused about these two children of Benjamin U. Could it be there was only one?

The Frank S. U shown on 1900 census as b. 1880 accounts for one of them. Can you sort this out?

Enclosed is a list of questions on your direct line. I will appreciate any answer you have or can get.

You are my only actual correspondent for the Jubal Upchurch class. I do hope we can continue to exchange information and to upgrade our records on this class.

Sincerely yours
Phil Upchurch

Dear Cousin Chris,

Thanks for your letter of 2 APR 92 and for the photos. The originals of the photos are returned herewith. Copies have been made for my files. Your comments on my "message" are most appreciated.

Enclosed herewith are copies of the profiles for your GF John U (XID-14720) and for his brother Edgar U (XID-14728). You will note that somehow I identified Kitt U as Edgar U. In looking over these two profiles again there seems to be no tangible evidence that Kitt = Edgar. To the contrary - one notes in entry ⑤ for Edgar U that Kitt U had a son Sim U. I presume this Sim U = Simeon Addison U who was known to have been a son of John U (XID-14720) hence by deduction Kitt U = John U - not Edgar U. This adds to your knowledge of family history that XID-14720 was known as "Kitt". If this is true (as I am convinced it is) then the entries

on the Master Outline under Edgar U are incorrect in that the William U & sin U listed as sons of Edgar U are, instead, sons of his brother John U.

Now to the "C" or "K" in the name of your GF John U. Note from his profile enclosed that he appears on the 1860, 1880 & 1900 census records with a middle initial of "C" [In 1860 could be "A"] but in 1910 he appears as "K". For a theory let me propose the reverse of what you have suggested. I propose that your GF was originally named John C. U [C = Calvin??] but that he soon came to be known as "Kitt". In due course the "Kitt" stuck and he came to be known as John K. U rather than John C. U - which would account for his tombstone. You are closer to all this than I am so I leave it to you to sort out the prospects. I'll be glad to learn about your analysis and your conclusions. We have much to do to upgrade the Master Outline for the Jubal U clan and I look forward to working with you in this regard.

Sincerely yours
Phil Upchurch

Dear Cousin Chris.

Your letter of recent date arrived 9 APR 1992 and I have just finished processing it. I am hoping you and I can have one or two more exchanges by mail before you go north. When do you depart? Could you give me your phone number so we can talk if necessary before you leave.

Enclosed are fresh copies of the six page outline for Benjamin U, his children & grandchildren. You can see we have made a lot of progress but much more remains to be done. For Benjamin U we still have important issues to resolve about his children. For example, did he have 4, 5 or 6 children by his first wife. I think we are well settled on ⁴ James B. U, John C. (K) U, and Joseph Calvin U, ^{and Jefferson Davis U} There remains an issue for Edgar U (ca 1857). The 1860 census shows a spot for such a child but uses L.C. U (or L.A.U). we need to sort this out. Maybe this child died young.

(13-2)

Then there is the issue of Charles H. U "Charlie"
an "in between child". b APR 1865 or 22 AUG 1867. Do
we know enough about the union of Benjamin U
to know if Charles H. U would have been by wife
#1 or wife #2. If Charles H. U was b APR 1865
seem that he was maybe not the son of Benjamin
U as he was away in the war (unless he came
back for a visit in the fall of 1864 ??). If he was
b 22 AUG 1867 then Benjamin had time to get back
home and father this child. Another reason I
raise the question about the father of Charles H. U
is the situation on the 1870 census. We find the
Benjamin U Household as follows: (Harnett Co, NC)

- 1 Benj U 38 M [BENJAMIN U]
- 2 James R. U 18 [JAMES B. U]
- 3 John U M [JOHN CLK] U
- 4 Stephen U 15
- 5 Joseph U 13 [JOSEPH CALVIN U]
- 6 Jefferson U 9 [JEFFERSON DAVIS U]
- 7 Tempest Medlin
- 8 Charlie Medlin

Note several things - Arabella (Medlin) U is not present -
presumably having died before the census. Some (5) of
Benjamin U ages 18-9 are listed [see #4 Stephen U the
aforementioned Earle U or L.C. (L.A.) U - ??]. Tempest
Medlin [Temperance Medlin] is presumably the mother-in-
-law of Benjamin U. Then note a Charlie Medlin listed

(133)

at the end, out of order and after trumpet medlin
and with the same Charlie Medlin. Can we assume
this to be the person we later came to call
Charles H. U? Note that on the 1880 census
we find Charles U age 14 son in the home of
Benjamin U. I don't think any of this gives
us an automatic answer to the issue of
the children of Benjamin U but it will
provide a starting place for thinking. A death
certificate for Charles H. U could prove very
helpful. It may be available in the Warrick
Co Courthouse

I also hope we can firm up the list
of the children of John (K). U. I now show
Elizabeth U b 1880 and Callie U b 28 NOV 1881. Are these
the same or different. Also, do we have firm
evidence for the existence of a child Eddie C. U
b AUG 1898? The more we can do to get complete
names the easier our job will be. I am still
confused by having two sons named Williams.

So let me hear from you soon!

Sincerely yours

Phil Yoder

Dear Cousin Chris,

I enjoyed our phone conversation yesterday and am looking forward to our continued cooperation. Since then I have spent some more time on your letters of 12 & 18 APR 92 and have all of the details recorded on the Master outline and in the various Biopiles. We are making excellent progress and your Trip north in MAY should bring key added details.

Re John C. U age 21 on the 1910 Harnett Co, NC census, I can report that he is John Cleveland U, son of Jefferson David U & gr of Benjamin U.

I decided to launch a formal "Map Project" for Harnett Co, NC. This is my second venture the first being Wayne Co, KY. The arrangement is that I divide a county into four parts and then blow up the parts using 11" x 17" sheets ^{each of} for the four parts. I keep a Master Blank with

no notations and a Master locator set on which I will make entries. Extra sets are sent to cooperators and they are invited to make notes as to locations of key cemeteries, homesteads, etc and to return same to me. I will enter their input on my Master locator sets. Later I can send out copies of the Master blank and/or the Master locator to cooperators as seems appropriate.

Your set of **maps** for the four sections of Harnett Co, NC **are enclosed**. It should be clear from the sections but my definitions are:

- SW - west of 210 & south of Cape Fear River
- NW - west of 210 & North of Cape Fear River
- NE - East of 210 & North of 27
- SE - East of 210 & south of 27

If you will use these on your trip and mark them up & return to me I will be grateful. Have a great trip. Sincerely yours
Phil W. Church

Dear Cousin Chris

I have spent about three days poring over the details in your letters which arrived 30 MAY & 2 JUN and have so many questions I ask I don't know where to start. The materials you and Mike U have provided make a tremendous improvement in the Benjamin U line of the Jubal U / Calvin U subclass.

I have written Mike U [Michael Ray U] a long letter of appreciation along with a list of questions on Jefferson Davis U and more particularly on John Cleveland U & his descendants. I have offered to send him a copy of the 61 page Jubal U / Calvin U Subclass Master Outline. A copy of that updated outline is provided herewith for your use.

A detailed list of questions on the Crowe Cleveland U, Sr family is provided herewith. I know you don't have answers to all of these questions but any answers you

have or can get will be appreciated.

Back to the Master Outline, whenever conflicting dates have appeared I have listed both dates. We need to resolve these differences over time. Some conflicts are error in copying but others reflect different firm dates from different sources. Let's proceed stepwise to resolve as many of these conflicts as possible

Would you take a look at the Master Outline and offer any input for additions or corrections you see fit. I am especially interested to sort out the children of John Christopher U "Kit". At present I show four children by his first wife and twelve by his second wife. I assume Simon Addison U was the last child of wife #1 and that your father Grover Cleveland U, Sr was the first child by wife #2. Do you agree? Can we get an approximate birth date on your Uncle Dubie so we can place his order of birth among the 16?

Did Corrie P. (U) (Mathew) Norris have just one child and that child was adopted by Charlie A. U? Do we know the name of the child and any other details?

- Did Charlie A. U have any children of his own?
- Did Katie C. (U) Spence have any children?
- Did Elizabeth D (U) Wilson have any children?

(163)

Do we know if the three (?) daughters of
Kit by his first wife had any children [Elizabeth,
Calle, Mary Bell]?

Was the second wife of Kit Betsy Ann REEVES
or REAVES?

I found in my files an obituary for you,
Uncle Joseph Hubert U, a copy of which is
enclosed. Note that the place his
birth about 1911 possibly making him the
youngest of the 16 unless your Uncle
Duhie happens to be younger.

I do hope Mike U will send you
the address of relatives and that you
can contact them. Could you share these
addresses with me? I have some addresses
I could share with you. I am always
interested in having collaborators write to
their relatives for details as my time is
limited. However, I can, will I do write
to anyone where it seems I could be
of assistance.

So let me hear from you soon. Hope
Doris, Lucia, etc send in details.

From an excited cousin!

Sincerely yours
Phil Dillundy

Dear Cousin Chris,

I was finally able to return to the Jubal U
Clan and spent all of yesterday processing your
letters which arrived 15 & 22 JUN. All the details
are now locked into place on the Master Outline
and in the respective Biopiles. I am tremendously
pleased that we are making such good progress
on the Clan. For the last 20 years there has
not been a lot of activity on this Clan. Your
participation has made a big difference. I have
not worried too much about conflicts in dates
knowing that you and I would get back in
due course to decide, where possible, the best
dates to use. In the meantime all conflicting
dates are being shown on the Master Outline
to alert us to the need for discussion.

As regards the RICK U family on the 1880
Harnett Co, NC (Beaverdam Township) I figure that
this is the James B. U (XID-14651) family - He is

(17-2)

a son of Benjamin U, gr of Calvin U + gr of Julia U, I.
The extraction I have shows all the same family
members, dates, etc but instead of "RICK"
it shows "JAS". Maybe the censor was hard
to read.

I'm sending this letter now I am assuming
you will get it just as you return from
your NC trip. Hope you got a lot of good
information.

Would you take another look at the records
as related to the children of your Gf Kit by
his first wife. I still think there is a chance
for four children. Mary Bell U + Simon Addison
U seem to be locked into place as two of the
children. The 1880 census definitely shows an
Elizabeth U as a daughter in the home. Wife #1
had the middle name Elizabeth and could logically
named a dau Elizabeth. Since we do not find
this dau Elizabeth later I assume she died young.
You have clearly documented that there was a
daughter Elizabeth by wife #2. This too has some
logic in that wife #2 was named Betty
(= Elizabeth) and perhaps wanted a dau to have
her name. A question could be - Is the dau
Elizabeth by wife #1 the same as the dau Callie

(17-3)

by wife #1. I don't think so as Callie was
b. 28 NOV 1881 - too late to have been on the 1880
census. Any thoughts you have on 3 vs 4 dau
by wife #1 will be appreciated.

With regard to the photos - I always appreciate
copies of photos and prefer prints to negatives.
These copies either go into the biopiles of the
individuals involved or are entered into
my special Photo File system where they
are given a number and then cross-referenced
to Biopiler. All of this will eventually be
placed in the American Ancestor Foundation
which I hope we can create in the next
few years to accommodate upchurch & related
family research.

Chris, I don't know how much you want
to pursue the linkage to your ancestor, Jubal
U, I but just in case it will be of interest
I am **sending herewith** copies of the **Biopiler**
of **Jubal U, I**, **Jubal U, II** and **Jubal U, III**.
(See pg 5 of Jubal U, III for the relationship of I, II,
III). Jubal U, III was the grandnephew of I.

Jubal U, II (& his siblings) are a real puzzle.
I have written about the Carpenter/Upchurch

(17-4)

burial in the U.S.. I find it fascinating that the name James U has surfaced in your Uncle "Jim" [James Addison U]. Jubal U, II could have been a son of Jubal U, I or his nephew.

We are making excellent progress on searching for the land of Richard U, II & his children & grandchildren in the Mowrie Creek Area of Franklin Co, NC. using the time of a professional researcher. Already he has located the land owned by Richard U, III (brother of your Jubal U, I) at the time of his death in 1817. I hope we will find land owned by Jubal U, I. I have learned that Jubal U, I had a mill in the area.

Chris, I am sorry my level of interest did not register quite as high on the enthusiasm scale as you thought it might. Ordinarily most energetically I do reflect a lot of enthusiasm - in some cases maybe too much. It could be that the great volume of Upchurch genealogy I deal with causes me to use a somewhat more professional, press on for the details approach. Another factor could be the presence of my total array of activities. Between my work at the University (where I have a fairly steep job), work

175-

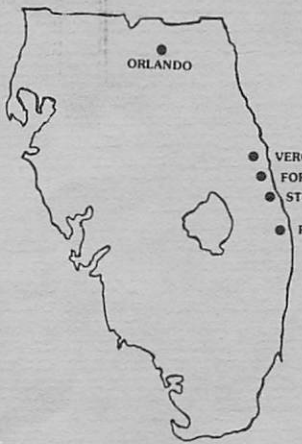

on Fine Acre Farms (In Missouri) and Upchurch
Genealogy I spend about 70 hours per week.
I am sure there are times when the end
of the day output has a somewhat reduced
quality. In any case, I hope you will agree
that the efforts we have all jointly expended
on generating the documentation for Upchurch
family history over the last 15 years have
been significant and productive. We have lots
of history published in the U B including
documentation on 30,000 family members.
In the process, we have raised and spent
on the order of 50,000 to make this happen.
We have had several hundred people such as
yourself who have made significant inputs.
A part of my job is to figure out how to
encourage others to participate more fully in
our family history project. From your experience
you know that some are interested and
some not. It is most rewarding to encounter
someone such as yourself who is so excited
about getting their part of the family organized.
Your willingness to put out the extra effort
on travel, etc make all the difference.
Hope to hear from you again soon!

Sincerely yours
Phil Upchurch

Re: Upchurch Clan

Dear Dr. Upchurch:

Please find enclosed a personal check for \$20.00.

As requested in September 1981, we were desirous of 1980 and 1981 bulletins.

Please forward one set of the bulletins to Mrs. C. ~~Homer~~ Holmes, Morgan Street, Benson, North Carolina and the other set of the 1981 bulletins to the above-captioned address.

We have requested my sister, Mrs. Holmes, to complete the family relation chart and return it to this writer. Upon receipt we will return same.

We can trace our family back to a great-great-grandfather by the name of Benjamin and we found his grave in North Carolina. The gravesite is located in ~~Harley~~ County near a small town named Buies Creek. Records were burned and consolidated with other counties some time in the 1800s. Therefore, documentation of our family tree has been difficult.

Gentlemen,

We can trace the above referred to civil war veteran back to his unit date of capture, internment, release and then forward til his death. Unfortunately we can not seem to determine his parentage. We have Checked records in Harnett County, Cumberland and Johnson without success. Research reveals his after marriage identity. The census of 1850 shows that g Grandfather Benjamin Upchurch was living in a Medlin household and reported as a laborer. In the 1860 census shows he married a Medlin. The path of this family is fairly well documented forward, our objective is to determine his parents.

To this end we have researched national archives in civil war records and find nothin. We did the same in the state of North Carolina, results were the same. Our only resource apparently is your thoughts keeping in mind church sources are unavailable as Neils church has burned twice.

Obviously your input and advice would be greatly appreciated.

Have you ever considered opening up a computer data bank under Upchurch clan.

Dear Mr. Phillips,
I thank you for your immediate response.

Further I am attaching documentation of the above to referred to g Grandfather. My father was Grover Upchurch, his father was John Upchurch and we think he was also known as Kit Upchurch. Obviously this is well documented. Further we have been able to obtain some records in Lillington, North Carolina as to the transfer of certain property from Benj. Upchurch but so far no wills.

We have been unable to determine how he arrived in North Carolina, we note with interest that he is counted in the 1850 census living in the Medling household.

Many years ago we were subscribers to the bulletin but at that time you were documenting other lines none that was entirely applicable. We would be more than delighted to pay for the volumes that refer to g Grandfather Benjamin. Please let us know what the cost is and I would be delighted to forward immediately a check for that amount.

IN May we are making a trip to Virginia and into Surrey county and I hope to the Creek area you mentioned in 81.

Thanks again for your promptness.

Dear Phil,

This will acknowledge receipt of yours as referred to above. Your check herewith enclosed.

I received the books yesterday, April Fools day, stayed up most of the night searching for details and today 2 Apr 92 received your letter. The technical information is enthusiastically appreciated but the warmth of your message is also well received.

I went to the local library to check some details this morning and when I returned home about noontime you outline was in the box, thank you again.

Most of your questions I will answer in due course some I can't.

I have not gone into the 1870 census in Franklin county the most I have done has been in Johnson and Harnett, therefor I am not familiar with James B. Upchurch in the 1870. If you refer to John K. Upchurch the father of Grover and my Grandfather. He was called Kit and some have unknowingly inserted a C. instead of a K. . His tombstone verifies this as he is buried at Mt. Pleasant Methodist Church, Buies Creek, N.C.. I will enclose a photo of his tombstone, of course I would like to have it returned. His church and place of rest is a stones through from his old home. A photo of that will be also enclosed.

In accordance with the census of 26 June 1900 Frank Upchurch is clearly listed as a son of Benjamin and Catherine, he is at that time 20 years old. Can not with a great deal of candor answer the question about Charlie, in the census of 1870. My copy has faded to the extent that I can not read it with any authenticity. I have suggested to one of my sisters that it certainly a viable solution that Charlie was staying with tempest as a helper or protector if you will.

I did get copies of Franklin County 1800 census, although there is little that you can tell. Merely to accept the fact indeed in less than three pages there April 2, 1992 4:21 PM >C. Upchurch-550 Ocean Dr. Apt 8 G., Key Biscayne, Fla. 33149

where along the way my ggrandfather Benjamin had an initial A. Conceivably it was in one of his military pay receipts. In my view it adds another significant point.

I will answer the remainder of the questions shortly as the copy of the tree (family) is on a hard disk and I have been unable to access same for a few days.

My Uncle's son on my mom's side, i.e., Bruce Blackmon attended N.C. State and Majored in Agriculture and then into Pre-Med. During this time my mom lived on Person St., near Peace girls school and course memorable would have been Krispy Kreme Do Nut shop. I was in attendance at East Carolina until 1949 and off to the army.

Dear Phil,

I have been able to access the hard disk and the enclosed may answer some of your question. I have this day directed a form to my sisters and they will aid and assist in arriving at some dates. To wit I have an abominable memory and will defer to them. Unfortunately I don't recall most dates but I am sure they will.

Previously I mentioned I will go to Williamsburg in May and then down to Harnett county. Give me , if you will, some guidance or direction as where and what may be of some assistance. This is all so foreign that I really don't know where or what to look for. I have looked in Cumberland county as to land conveyance and found none. We looked in Harnett county and found land transfers but did not have the opportunity for wills. Maybe this is where we should start.

Again I would like to take this opportunity to thank you for all you efforts. You have added new direction an vigor to this old soldiers retired and boring life.

Dear Cousin Phil,

This will acknowledge receipt of yours dated 8 April 92, and photos arrived in good shape.

I spoke with my sister who resides in Benson, N.C., she assures me that Grandfather Kit, was a K. not a C.. She also thought maybe indeed the people had inverted in a mysterious manner the Chris, Kristopher. She has adamant thoughts in my view they are wrong and the more likely is the repeated census.

In an attempt to correct the matter she will make an appointment with a man by the name of Preston Butts who married a Upchurch girl, I think from the Edgar Branch. This I will do in the middle of May when in route to Virginia.

We also have an Uncle by the name of Dubie, who resides in Fayetteville, near Fort Bragg, who is the brother of my father. We shall speak with him but I think it will be of little significance. My uncle Dubie went into the army when 17 years old and really divorced himself from the family, therefor knows very little. The ringer is that he is the father of the Frank you mentioned who is a minister and was employed by Campbell College as a fund raiser but left there about two years ago. I have questioned him via phone about three years ago, to no avail.

There was also a Uncle Bill, the brother of my father, who was a barber in Lillington, N.C., for many years. During his first marriage there was one child, male and his name was Bill. My Uncle Bills' first wife was admitted to a Mental institution and their son was raised by my Uncle Floyd. He lived on a farm in eyes view from my grandfathers house and the graveyard where my family is buried. My Uncle Floyd and Uncle Charlie stayed in the same area all their lives, near the church previously mentioned. Moved away was Grover, Bill, Jo and Dubie, that I am aware of. → [JOE A]

During the conversation with my sister this morning she remarked that and Upchurch in Raleigh died and she will send the obituary as it list of group of relations. I shall forward same as soon as I have it.

Chris

□ Dear Cousin Phil,

- Received yours dated 12 APR 92.

- I am not sure that we will ever completely satisfy the curiosity of the
- difference in names but I will suggest what I have. I would however
- recommend that you put the bio/sketch on hold until my return in the last
- week in May.

- I have a sketch that was given to me a number of years ago in Harnett
□ County from whom I think is one of Jefferson gg grandchildren, name I do
- not remember. Authenticity I can not attest to. Please note this typewritten
□ document does not list Edgar, why, I have no idea.

□ + □ My first knowledge of the Charlie is living with Tempest in census of
□ + □ 1870 age 4. He makes another appearance in 1880 living with Benj. and
□ + □ Catherine he now is age 14. Edgar is 23 in 1880 and does not appear in
□ + □ 1870, there is however a Joseph who is 13, note in 1880 Stephan is gone and
- was listed in 1870 as 15. To the number of children I think you can
- conceivably take your choice. I would accept the census of 1870 and it list 6
□ + □ children, the oldest is James age 19 and the youngest is Charlie age 4. I am
- missing 1890 census and I will follow up on that.

□ + □ + □ Please return to the document previously referred to and note that
□ Charlie is listed, Edgar is not and Kit is second oldest, that dates of birth
□ match tombstone photo but do not match age in 1870 census, Jefferson is a
good match, Calvin is a fair match with Joseph, which also makes it unlikely
△ that John Kit is a Calvin. There is a land document, 1913 circa, conveying
- property to a son and he is listed as a C.

△ Priority is to discover the death of Charlie, we have him deceased in 1932,
- we should be able to find a death certificate but should pick up on census
- for 1900, 1910, and etc. Will do.

△ Point of interest, census 1910,, my grandfather is still listed n house 192,
△ in house 194/196 there is a John C. listed and married at age 21 to a 19
- year old female and the name I can not read and they have one off spring.
△ can not fathom where this John C. came from.

→ [JOHN CHRISTOPHER U]

→ [JOHN CLEVELAND U]

The 1900 census Neils Creek Township, shows Elizabeth being born what appears to March 1896 and she was 4 years old her last birthday. Callie was born 28 Nov 1881 but her mother was Annie Elizabeth Gregory, same father different mother.

We had previously discussed that it appeared that Charlie age 4, in the 1870 census was staying with Tempest Medlin, his grandmother, as a favor

to his father as he Charlie had lost his mother. I have his birth as 1867 which fairly well tracks the 1870 census. Was he the son of Arabella and Benj. I think so. Benjamin signed his loyalty oath in 1865 and he must have returned home.

The census of 1900 carries a son for John Upchurch and Annie a Eddie C., listed as a white male born 6 Aug 1898 and he was age one on his last birthday. The 1910 census does not list Eddie, it does add another William to the growing number of Williams, one is 14 one is 7.. Elizabeth is gone. She is age 14 but not at home. I do know for certain that my grandfather Kit, leased his children for labor to the neighbors. It apparently was an accepted practice..You must remember that from Benjamin down the line, there is not a rocket scientist among them, all farmers and no one could write or sign his name up to my dad who was allowed about 2 years of school. The remainder of his brothers were similar. In any the documents I have yet to find a signature.

Hoping these notes will help,

Dear Phil,

Thank you for the maps, I'm not sure exactly how I will use them but surely there must be some purpose. I probably want go any place other than the Court house and maybe a couple of graveyards. I will however let you in on a little advanced information I have and will share with you only a portion.

In the past few days, I nearly have my Uncle, William Floyd, fairly well nailed down. three daughters one son. + Dubie Houston Upchurch and wife Pearl with one son Frank. The ggGranddaughter of Joseph Calvin. The ggGranddaughter of Jefferson Davis. So you see I am not sitting idly by and I will have some information when I return.

This is certainly exciting.

Dear Cousin Phil,

Returned home Sunday and I think I have collected my wits about me, enough to make some sense of the notes taken.

I went North, of course everything is North when in Florida, stopping in Benson NC for a few days. While visiting with my Sister in Benson I was able to visit a number of graveyards and verify dates that we had. Hence some changes have been made. I also made photos of all grave markers I could find, we shall have those to verify dates we have.

I had a long interview with Hazel Mitchell, she is a decedent of the Jefferson Davis group. Dates come from her and verified where possible by grave marker. In most cases with this group I didn't visit their graveyard as my time and energy gave out. This will be number one on my list for later in the summer. Hazel, also gave me a number of names who will hopefully fill in the issues and this lad is named Mike and I have had a long conversation with his wife. This source has gathered all issues names and addresses unfortunately no dates.

I had one source with the Joseph Calvin group and the source was not absolutely cooperative but I will try her brother. I have names but no dates etc..

A great source of discontent is the James B. group and I am not sure what I will do about this. I will make some adjustment but majority of time will be used on the ones previously mentioned .

I did very little on Charlie H. group but I do have his death certificate as you suggested and in my view it proves how astute this writer is even under the weight of a beastly decease. Note that his dates are a little off. I do think this document supplies us the maiden name of his mother, Catherine Ball, also his wife's name Joanna. It has a further dividend as it says the individual reporting his demise is Mayton, which you already have, I did

- find a marker in Angier with this name but I only found one date of 1900.
- △ assumption, he wasn't in there as yet. Conclusion, different Mayton but
- beside him was Gertrude b 26 Apr 1905 d 23 Nov 1945.

- + □ Kits, group most dates are accurate. the question as to Elizabeth, she is alive
- + □ in Dunn, she is a daughter of Kit. I have a will that leaves property to her,
- + □ + □ Cornie, Dube and Joe. Verification of Bill, ie William F. from Mt. Olive, I
- spoke to his daughter and the dates are from her as to the second marriage.
- All issues from this uncle are then verified. Open and working is Floyd and
- the daughter Doris Morgan is the process of getting issues and dates.
- + □ + □ Addison Simeon issues will come from his daughter Elvira. Uncle Sim died at
- age 46 with cancer of the stomach. His death certificate will blow you away.
- It does not say who his wife was but does mention his father and mother
- and with some acute sense of mathematics we could calculate his birth from
- figures given in this certificate. Note with keen interest the paragraph 17
- the informant, it is my case and assumption Mrs. Leland Stewart is Rosa of
- + □ Jefferson Davis group who married Leland Stewart.

- Edgar Upchurch, who is in the census but I can not find a grave nor can I
- find anyone who ever heard of him. there should be an answer but I'm not
- sure what it is just now.

- So what am I sending, not as versatile as you but will attempt to catalogue.

- △ A- Charlie H. death Certificate. (PE3) - PLACED IN HIS BIOFILE
- △ B- Simeon death certificate (PE4) - PLACED IN HIS BIOFILE
- C- Testimony of the insurrection group
- D- Locus Delke Plantation.
- E- Three Pages of notes, Upchurch in Virginia. } PLACED IN BIOFILE OF MICHAEL W, J
- F- Descendants Joseph Calvin..more to come from Malcolms daughter. [ATTACHED]
- G- Dec. of Kit, Frank(2), Cornie and one other needs more work. [ATTACHED]
- H- Jefferson Davis Dec. all dates by Hazel Mitchell, [ATTACHED]
- I- Field notes consistent, inconsistencies
- NOT in Packet, Photos, inventory of MU Estate by Frances.

- I hope there is enough usable information to stimulate one in the Jubal
- group and I am sure that by the end of the year we will finish. Should there
- not be intervention of a greater power.

Dear Mike,

Thank you for your immediate response. I will along with this letter include some things I have collected. Others that I have not collected but refer you to Robert Phillip Upchurch, Michael Enterprises of Tucson, Ariz. It was indeed Phillip who suggest that we can assume the linkage that I will enclose. I think his basis for this thought is well grounded but in the meantime with little left to, I am pursuing his line in an attempt to prove those facts.

I will share this material with Phillip and I do know that he will be as appreciative as this writer but I do know that if you have any addresses I would appreciate those also. The purpose is that we need dates to verify birth, marriage and death. In fact for the past few days in NC that s all I did was walk through graveyards making copious notes and photographing.

What will I send is as follows.,

A- Descendants chart, not totally up to date.

B- Death certificate of your ggg Grandfather. Note report made by Mrs. Leland Stewart, this is Rosa..

C- Six pages from Upchurch bulletin, detailing Phillips theory of linkage.

D- Four pages , application of Benjamin, pursuing a disability claim. Notice this is signed by Dr. JF Mc Kay, who was a MD from Angier and is mentioned in a history of Harnett. One of his off spring is still practicing in the VA hospital at Fayetteville. He is suppose to have a log or ledger that would be beneficial to see.

E- There is also in Raleigh a copy of the 36th Regiment, written by Col William Lamb from Cumberland County, he designed the fortification of Fort Fisher. This design is suppose to be in use at West Point. Benjamin was a member of this unit, captured and imprisoned at Maryland until he signed the Oath of allegiance.

F- Pay records for Benjamin.

I hope this offers some motivation to continue your research. More important I like what you started on the computer program. It looks better

29-2

than the one I am using. There is a great one out for the IBM, which I don't have but you can do all kinds of charts.

I will be back in Carolina in Aug. to work in Benson and then over to Buies Creek to verify dates. Thanks again and I shall forward other things that may be of interest...

Ref: Yours dated 7 Jun 1992

□ Dear Phil,

- Herewith acknowledge receipt of the above. I am somewhat disappointed that an expression of enthusiasm wasn't more evident. I was in my view thought that I fortunately hit a reservoir of information.

- I will in this letter attempt to answer some of your question, the remainder will be held in abeyance until I return to Benson, NC. While in Benson I will make another attempt to find some more answers to fill some of the voids.

▷ **DATES.**

- Those that have changed were changed as a result of viewing tombstones and footstones. Previously I mentioned that I took photos of those for verification and I can furnish you the photos or the negatives. I also have photos of the Lawns Creek Church, Saint Peters Church and other areas and you are welcome to prints or the negatives.

▷ **Grandfather Kit**

- In my view and in accordance with my records with no documentation to back it. The number one wife had one son and two daughters. The son was
△ + □ + □ Simeon, a/k/a, as Sim. Two daughters Mary Bell and Callie. You carry
△ Elizabeth as the third girl but she was the daughter of the Second wife. In
△ fact when Kit made his preparation for his death he left the home place to
△ his minor children and Elizabeth was one of the minor children.

□ + □ + □ I agree Sim was the last of Wife number one, and my father was the first
- birth of second wife and a good critical view of the census of 1910 will
△ verify this. The 1900 verifies that my fathers birth 9 Sep 1892, The 1910
- census carries him as 16 which is questionable. → [GROVER CLEVELAND U, SR]

□ I will enclose a new print out on Uncle Dubie and his grandchildren and note
- it isn't finished but I will get the remainder of the dates.

☐ Unfortunately I haven't been able to contact Aunt Cornies children but I
☐ continue to try as with Uncle Joes' children living in Raleigh, I am aware
- where they reside.

△ Katie Spence as far as I know left home and no one heard from her..Whether
- or not there were children would be speculation. On one occasion I was told
- she shot her husband for abuse and recently I was told that this was another
- person. This I shall follow up on.

☐ I am not sure about Elizabeth, patience should be he corner stone and it is
☐ hard in Miami, to follow up on information. My sister is pursuing some leads
- for me or us.

- The remainder of the questions I will pursue the last week in June when I
- work with my two sisters in NC.

- Our big difference is that I am enthused with a little information and maybe
- intimidated when it comes to personal questions. Further my interest is
- more restricted and would like to link the ancestors. Once I have the dates
- to the line we are now working I will direct energy to that pursuit.

☐ It is apparent that I have little knowledge of my kin. The reason for this is
☐ That I left home quite early and never returned. Prior to my departure my
△ + △ father was an outsider as he left the farm quite young and Kit cut him out of
- the estate or anything else. So we have had little contact in 40 or 50 years.

△ My uncle Dubie was a member of the US Army and now retired...

- Should have ideas as to Harnett County court house, please call.

- Respectively Submitted,

☐ Chris

☐ Chris Upchurch = NOTE: I HAVE ADDED NAMES (M)
- AND SOME DATES? Living for
- CAROLINA ABOUT 21 JUNE. MORE DATES,
- NAMES FOR J. GALVIN ETC.

Ref. Addresses

Dear Mike,

Attached hereto is an update on the tree as I forge ahead. Very little new but verifications of dates through the graveyard.

Just as a reminder that Phil Upchurch or I need some addresses, if we may. The purpose of those are to add the dates of birth, marriage and death. This of course gives further ID to the person in question.

I'll be back in NC the last week of June to go through the graveyard at Buies Creek.

Hope you enjoy the chart, it automatically leaves some names out and in this case the Sims Children etc.

Respectively Submitted,

Paul T. Upchurch
a/k/a Chris Upchurch

Dear Sir:

The reunion Committee of the 16th Infantry Regiment has been trying to locate one of its officers. He is Paul T. Upchurch and he was a Lt. stationed in Berlin, Germany 1948 thru 1951. Co. K, 3rd Bn., 16th Inf. Regt. 1st Div. He would be around 70 years old today and we believe that his home state was North Carolina.

We had our first reunion, Sept 1996, in Omaha. We are scheduled to have one in Kansas City, 1997. Paul T. was a popular officer and many of our "K" Co., 4th Platoon people would like to see him in attendance .

As you well know and as I have found out the Upchurches are pre-revolution Americans and there are alot them listed in the computer phone directory. We have phoned at least 25 Upchurches and finally ended up with a Mrs Emma Louise Priest. She informed that that if you don't know where Paul T. is then there is little chance of our locating him.

Please send any information in the SASS. If Paul T. is "not" known to you, then forward that info, as well.

I can, also, be reached by phone - see above.

Respectfully,

Neal Umstot
