Hi Sandra---

Delighted you reached my website. I hope you had no trouble finding and searching the three password protected sites where I have tons of Upchurch information posted. In case it did not come to you the password is "2013upchurch#". Also, I hope you watched some of the videos.

I don't locate you in my files and would very much like to know how you fit in the Upchurch family. If you will send me a couple of names that link you back to earlier generations I will search my records and give you a report. It is very important that you know the Upchurch Clan to which you belong.

Hope to hear from you.

Hi Sandra---

I had you in my files all the time but now I am sure how you fit in. You descend from Joseph U born 1775 and from his son Ambrose U. We have spent a large amount of time and money over many years to find the father of Joseph but as yet no luck. We do not give up. We have now classed him as a head of a Clan. A great deal of our work on Joseph has been posted on my website via the Upchurch Bulletins. Could you let me know if you are able to search and find this information? This will save me a lot of time as I will not have to send this to you by other means.

I have corresponded with many in your direct line and have quite a few entries for you father and your grandfather. I wonder if this information is already in your hands. I would very much like to continue to exchange information with you to the extent that you have time and interest. It is important to keep filling in the blanks and to get things right. For example, I have used your input to settle the spelling of your fathers name as Hershel as I had several other versions. I am counting on you being right.

I invite your attention to our new organization Upchurch and Allied Families Association, Inc. See www.alliedfamilies.com. I hope you will become a 2014 member at \$20 as this will provide support and encouragement for us to keep going on Upchurch research. This will entitle you to a copy of the Upchurch Bulletin to be published this fall either as a hard copy or electronically.

I'll hope to hear from you and to proceed with collaboration.

Hi Sandra----

Thanks for responding. It would be nice if I could be in touch with your nephew Derek since he is the one with an interest in family history. He may be the Derek Paul Upchurch I have in my files as born in 1981 in California but I cannot be sure. Anything you can do to connect us will be appreciated.
Best~

⑪ RPU Note - on 13 FEB 2014 a Robert Young contacted my website. My strong guess is that he is Robert Sharman Young, III a son of SKUS by the first of her 3 marriages.

Hi Sandra---

Thank you for your \$20 in support of Allied Families and for your membership fee. I am delighted to have another participant from the Joseph Upchurch Family. We have collected a huge amount of data on Joseph and his descendants. Now in Allied Families we have the opportunity to place these records online for the long term and to share them. Early in the new year I will be contacting you and other descendants of Joseph to explore how individuals can help with giving more visibility to this family.

In the meantime I wish you and yours a very Merry Christmas~

Hi Sandra--

In our exchanges you mentioned that your nephew Derek is the family member who is doing family history research. I would very much like to contact him. It would be useful if I had his full name and the full name of his father (I have several by the name of Derek in my files) but I especially need his email address. If you can help I will be most grateful.

In inviting people to renew memberships for Allied Families for 2017 I note you joined in December 2016 so I am marking that as a payment for 2017 so I have you as currently a member in good standing. Thank you for your support. Do let me know if you have any questions about your heritage or if you have any inputs to make.

Sending All Best Wishes~

Hi Sandra----

Now is a good time for an update on Allied Families. We carry you as a member of the Joseph Upchurch family but do not show you as a member/supporter. Progress on your family has been considerable but we need your participation. I hope you will join as a 2017 member using the attached form or PayPal.

Also attached is a summary of what we have accomplished and our hopes for 2017. For more details on our route to digital see the Upchurch Bulletin for 2016 recently posted on www.upchurchstory.com--password 2013upchurch#. Also, note progress on several enrolled families at www.alliedfamilies.com password 2014allied#. We plan to enroll the Joseph Upchurch family as soon as there is enough interest. You can make a difference.

I will be in North Carolina March 29-April 2, 2017 working in the Allied Families Cary Facility starting some new projects. Would love to see you there. Let me know if you need details.

Our progress has been substantial but we need participation whether as a casual follower or as a dedicated worker and donor. I hope you will give us encouragement by joining today and being as generous as your circumstances allow.

Sending all Best Wishes~

Hi Sandra---

I just sent you an email which you can ignore. I was getting in touch with descendants of Joseph Upchurch to encourage them to join for 2017. You joined in December 2016 and I already credit you with a 2017 membership but failed to notice this as I was sending out notices to non members. Sorry about that.

We are working to add a component to our website on Missing Links and will have a very nice entry searching for the father of your ancestor Joseph Upchurch born 1775. We have this in various issues of the Upchurch Bulletin but are now gathering it to have it in one place on our website.

Best Wishes~
Phil Upchurch
