Hi Paul,
I have now obtained Dorothie for our archives and enjoyed reading it. The Donald Paul Unchurch is the same as the one I interacted with prior to 2000. He sent me a toy airplane made out of a tin can. You can go to our website and look at his Biofile online. All of our exchanges are there.

I do hope you will have some time to spare to work with us on the Harmon
Unchurch Family to which you belong. So let me know if you can help. Best Wishes, Phil Upchurch, Founder, Allied Families
