Dear Cousin Johnnie Pearl,

Thank you for your letter which arrived on 29 JAN 1996 with all the family details. Everything has now been extracted and placed on the Master outline and on the narrow profiles. A copy of the updated Master outline for the Virgil A. Upchurch Family is enclosed. Also provided is a list of what is still missing. I will be grateful for any answers you have or can get.

The plans for our Texas trip are now complete. Enclosed are three copies of the flyer. You will note that I will give an Upchurch lecture in Austin on SATURDAY 13 APR 1996. We would be pleased to have you attend if you are interested and available.

Until I returned to your letter to process this letter to you I had not realized that you are right on the path of our trip. I have already arranged to have lunch with one cooperater in Georgetown at 1:00 PM on FRIDAY 12 APR 1996. (I could move this to an earlier time if need be). If you are available I would love to visit with you on 12 APR 1996. My wife and I will be driving down from Temple in the morning of 12 APRIL. We could either see you in late morning on the 12th or in early afternoon. We could meet at the La Quinta Inn where I will be stopping at noon time. Just let us know if you are available and we will work out a suitable time. I do have to leave Georgetown Friday afternoon in time to get to Austin and check out the facilities where we will give the

3
lectures the next morning at 10:00 AM. (3)
They close at 5:00 PM on Friday so I need
to get there about 4:00 PM.

I will be spending 3-4 days checking
out the 8 counties just south of the
Dallas-Ft Worth Area. Included in the
8 is Falls County where your family
lived. It looks like we will be quite
busy.

The Texas Trip is shaping up to be
a great experience. We are looking forward
to it and very much hope that we
can meet you.

P.S. - Note
endorsed change

sheet.

You are indeed connected to the Upchurch family of Grimes County, TX. Your ancestor Moses U (the GF of Virgil A. U) was born in GA in 1816 but moved his young family to Grimes Co, TX around 1851-1855. Your GGF James Monroe U married in 1856 in Grimes Co, TX and your GF Virgil A. U was born there in 1856. I know a lot about your ancestors in their early days in TX and before but you no doubt know a lot more than I do about more recent times.

I hope you can help me document the family of Virgil A. U much more fully. Enclosed is a set of questions on some missing details. I will be most grateful for any details you have or can get. Naturally, we will not be able to get everything. However, it is surprising how much we can get if a lot of different people pitch in.

I was amused at the return "smiley" you sent [☺]. You are very creative as this is the first time out of hundreds (probably thousands) of letters I have written that anyone has come

back with such a cute remark. I write a great many letters and am always sad 😞 when I do not get a response.

I don't want to burden you with family details but if you have any questions at all please let me know. I'll do my best to answer.

I tentatively plan a family history trip to TX 4-17 APR 1996 and hope to give a couple of lectures on the Upchurch Family. I'll keep you informed of my schedule just in case there is a chance for us to meet.

Many thanks for your assistance with the Upchurch Family History Project.

Sincerely yours
Phil Upchurch

Dear Mrs Honnell,

Recently I have had several exchanges of letters regarding Upchurch family history with Lois Upchurch, the wife of your nephew Lawrence Owen Upchurch, Jr. She gave me your address.

As you will see from the enclosed information I am keenly interested in the entire extended Upchurch Family. I continue to publish the Upchurch Bulletin and have now identified and published on our 38,000 members of our extended family.

I am anxious to link your part of the family to the main body of the family. With just a little bit more information I believe I can link your part all the way back to Michael Upchurch, I

who was born in 1620 in England and who came to America in 1638. You and I are both descended from the Michael Uplund, I as are all other Uplunds in America.

I have traced several batches of Uplunds to Texas and have them pretty well organized.

Enclosed is a brief list of questions. If you can provide answers to any of these, it would be a great help to me and to others who are interested in their ancestors. I'll be glad to send you a description of what I figure out. Your help will be greatly appreciated.

With All Best Wishes for a Merry Christmas and a Blessed New Year

Sincerely yours
Phil Uplund
