Would it be possible for you to send me a copy of this missing copy? If so, please it to me and advise cost and I will send you my check to cover cost and postage.

Your help in this matter will be appreciated.

Dear Cousin OK,

Many thanks for your renewal on the UB for 2001 and for your letter of 25 NOV 2000 with the download from the Internet. I have just spent about an hour comparing the details in the download with my records. It is a mixed bag.. I have learned to set aside the details in such downloads up to about 1800 as the downloads often have this mixed up and it seems impossible to stop the circulation of this misinformation. The stuff that deals with the period 1800 → Present is often quite interesting and proved to be so in this case. I have much of the detail provided but there is definitely new, useful information for me in this download. Also, I have more complete details for some sections

than is the case for the download. Also there are some conflicts that need to be resolved.

After some thought I have decided to write cousin Billie Jean Barnett (nee Billie J. Tabor) about these records. She has been helpful in the past and the folks in this download are quite close to her. I have offered to share, exchange, etc.

Thank you again for the download.

I trust you will take a close look at Page 61 of the current issue of the UG and let me know if you have any comments pro or con. There are your folks.

All the best for a Blessed Christmas.

Sincerely yours

Phil Upchurch

Dear Cousin OK,

Many thanks for your letter of 19 JUL 00 and for the copy of the 1869 Kearney U letter. This is a valuable historic document not only for the Upchurch Family but also for the history of the civil war period.

I have taken several steps in processing the letter. First I reduced the page by 5% so as to get it on 8½" X 11" sheets (now it will be easy to send copies to others), next I made a transcription in my own hand (copy enclosed) to make sure I understood each word and to provide a "working copy", next I made an extract (copy enclosed). Then I placed a copy of the extract in my Brapfile system for each name mentioned. Several of these individuals already had Brapfile sheets in the system from previous extracts of this sort. Along the way I compared all

all of the names mentioned with comparable entries found in the history book for Wake Co, NC (Wake - capital county of NC by Elizabeth Reid Murray). Most of the names in Kearney's letter were found in the History Book as there individuals were quite active in the county in one way or another. Everything seems to fit together nicely.

I have made a note to report on the essence of this letter in a future issue of the UB. I don't know if I would have space to reprint the entire letter - but if I did would you have any objections.

Do you know if a copy of this letter resides in any of the historical depositories in NC - such as the State Archives or the Wake County Family Center? It would certainly be in order to make sure a copy is in one of these places.

I take it you now have the original of this letter. Can you tell me where the original resided in the early years of

its existence. I assume it was part of the Cross Roads Church file for a period of time somehow it must have gotten from those files to your family. This information would provide an interesting additional aspect of this important letter.

This letter gives me an opportunity to update you on our move - and new address - see enclosed sheets.

The prospects now look good for us to make a trip back to Raleigh this fall to do some updating & history work. We'll keep our fingers crossed

With All Best Wishes!

Sincerely yours

Phil Upchurch

Mr. Robert Phillip Upchurch

Good Morning, Phil:

Sorry for the delay since my letter to you of December 31st. 1999, I have just gotten the copy of the "Kearney Letter" from my son on the West Coast. A copy of this letter is attached.

This letter was written to the members of The Cross Roads Church by Kearney Upchurch, advising that he would not return to the church. He goes into details as to his reasons for his decision.

The letter gives dates (July 4th. 1869), church members names and political affairs.

Hope this letter from Kearney Upchurch, in his own hand, will be of interest to you.

Sincerely,

O. K. Upchurch

To the members of Cross Roads Church

I have been notified through your committee H. O. Pace to attend your next Conference Meeting on Saturday before the Fourth Lords day in July 1867 to give reasons for non-attendance at your regular meetings. I prefer doing so to my believing that by so doing it will give less offence and debate in your church. I am aware that there are other brethren placed in a similar condition as myself. But my considerations in regard to them are these, that if they can surmount the stumbling block or difficulties and remain remain in full fellowship with these brethren — it would be best for them to do so. I felt that I had rather vacate my seat than to spread confusion in the church — It is contrary to my creed to make Religion a political test or visa-versa. When the Israelites were in their strength and glory, one did not rejoice over the downfall of another, but the welfare of the whole commonwealth was the desire of all — and yeaven in their captivity, and their return to Jerusalum, we find them all united. Nor were they allowed to change their form of Government, they always and under all circumstances (ten) conded for their old manner of worship and to their original laws, except those who were led astray into Idolatry and these few in time received their reward. Their temporal and Spiritual government were so similar to each other that a violation of one was a violation of both. I conceive the Israelites to be an emblematic light to the church in this our day.

But inasmuch as I am called upon to give my reasons of vacating my seat, and non-fellowship, of course for a part of the brethren of Cross Roads, it is my duty to do so. When the war ended those brethren rejoiced over the emancipation of Slavery

and thanked their God that the negroes were free, that then they {these brethren} were as well off as any one else, all of which, in my humble opinion showed forth a wrong Spirit. — Unchristian like, (one) ungenerous and without charity. They rejoiced over the downfall of thousands of their brethren who had lost their property recognized in the Slave who had not received the least remunerative reward for them and who had their Stock of all kinds driven off before their eyes and the contents of their Smoke houses and barns taken from them — and they left as poor off in this world as any other brother. — Was such rejoicings the rejoicing of a pure heart, void of offence toward God and man. —

Brethren I fear that these rejoicing brethren envied the Slave owner more than they sympathized with the Slave in his bondage. Nor did their prejudices stop here. When the election came on to send Delegates to the convention did they vote for such men as Presley Mangum and Bennett T. Blake? No, it would not do to vote for them — they had owned Slaves and if sent to the convention they might advocate Slavery again — But who did they vote for? James H. Harris & Co. This are the men they will never advocate slavery. — Nor did their prejudices stop here. The election came on to elect members to the Legislature, and who did they vote for here — Did they vote for Daniel G. Fowl and Moses A. Bledsoe? No — But for James H. Harris & Co. This are the men, they will make laws which will oppress one brother and favor another And here they had an opportunity for rebuilding our State Government without Slavery for the abolition of this institution was the result of the war, a forced and final Settlement by arms. Here they had an opportunity to vote for men who were identified in every respect to the interest of the State and people. Men who sought the good of the people more than they did money and self

aggrandizement? It would not do to send Hood & Blake to the Legislature men noted for intelligence and worth Statesmanship and integrity men whose qualifications and experience entitled them to the direction of our State Government. But men of ignorance and [redacted] disinterested were but suited to fill those times of peril and prostration. These men did not only advocate negro equality, but gave him the assendency by making him eligible to seats in our Legislature Halls where once sat such men as Badger, Gaston, Manly and others for did their prejudices stop here. When the South was struggling for existence, and anxious to send a Southern man to congress to intercede for us and represent our wants and to try to lessen the [redacted] taxation created by Congress under Radical rule, did this brethren come forward shoulder to shoulder to assist in sending a man native born, and a man of merit to congress? No. but they voted for Dowese, a northern man by birth, who had as much compassion for the South as the wolf has for the lamb, who sought to fleece the people of their money, and keep them low in want, and miserable under his rule. S. H. Rogers a man of merit and veracity and a citizen of the County of Wake could not be trusted to Congress. They also allowed their prejudices to lead them so far that they voted for Timothy Lee another northern man to fill the office of Sheriff of the county of Wake and who had never been in the county until he came with Sherman's Army, and that too it is said as a bummer.

Now brethren I have no christian fellowship for any man or set of men who have pursued the course above stated. I think brethren that acknowledgements are due from these brethren, and nothing short of them will satisfy me.

I believe I have a forgiveing Spirit, and feel disposed
to do right. If I no myself. I have no feelings of
ambition to gratify, nor are these lines the prompting
of such a Spirit. But they are the honest convictions
of my heart. I have always desired to see peace and
harmony exist in our churches, and it would be
a source of extreme gratification to me, if our
Christian fellowship existed as in days past and gone.

Yours &c.

Good Morning, Cousin Phil:

Thank you for your letter of December 24th. 1999 including information on "Kearney Upchurch".

I am sending a copy of your notes and letter to my son, O. K. Upchurch III (Buddy) in Irvine CA. By a copy of this letter, I am requesting he send you a copy of the "Kearney Upchurch Letter" dated 1855 which outlined his reason for not returning to his church due to the slavery issures. Buddy (OKUIII) Upchurch Has the "Upchurch Family Bible" and all papers that I had regarding the "Upchurch Family"

Kearney Upchurch, I think, is my G/Grandfather. He was born in 1808 in North Carolina and was alive in 1855 at 47 years old. I do not know the date of his death.

Dear Cousin O.K,

I am most pleased to have your letter of 16 DEC 1999 and to learn of your interest in the focus we plan to place on Richard U, II and his descendants. It is kind of you to offer to help. Lets exchange a couple of letters and see if there are some particular ways we can work together on this.

We have a large amount of information already accumulated some of which has been published in the UB and some not.

The Overall Master Outline is clear. Richard U, II was probably born in Brunswick Co, VA, married & started his family there. Then in 1755 he moved his family to what is today the Moncain Creek Area of Southern Franklin Co, NC. There his 11 children grew to adulthood. Of these children you are descended

from Richard H, III and I am descended from Nathan H, I. Nathan H, I (My GGGF) maried there & started his family but left about 1802 and moved to the western part of Wake Co, NC Your ancestor Richard H, III lived & died in the area in 1817. A map of his land holdings at his death has been published in the UB. Richard H, III had 8 children of whom your ancestor is one - namely James H, VII. It seems that James H, VII bought some or all of the shares of land his and his siblings inherited from their father. In due course James H, III passed some or all of this land along to his son Kearney H, your ancestor and for whom you are named. Sometime about 1830 Kearney H moved to the Crossroads District of Wake Co, NC. I have always wondered why he moved. I suspect it is because his wife people lived in the Crossroads District. Perhaps you know. In any case Kearney H seemed to hold on to his Franklin Co, NC land for many years after he moved

The given name "KEARNEY" appears in the family of Richard U, II several times. This causes one to suspect that there was an Upchurch-Kearney marriage in the 1700's but I have no evidence of that. There were Kearney Families in the Moccasin Creek Area in the 1700's. I've got a few details on that I can send if you are interested.

Enclosed is a copy of my 14 Page 37 Item Profile on Kearney U. This is raw material and I keep adding to it without stopping to refine or interpret. Some of the Items duplicate others. Still, a lot of the story of Kearney U becomes clear from this Profile. Perhaps you would read over this and let me know if you have questions or anything to add. Could you let me have a copy of the letter you have that Kearney wrote?

I am looking forward to getting my teeth into this Richard U, II Project and will be grateful for participation by you & others.

All Best Wishes for a Blessed Holiday!

Sincerely Yours,
Phil Upchurch

Hello Cousin Phil:

Thank you for your letter of December 10, 1999.

I am very interested in your new venture, regarding the history of Richard Upchurch II. Please keep me informed and advise if I can be of help in any way.

As I am sure you know my name is Oris Kearney Upchurch Jr.,so you can see my interest in the name "Kearney"

Please keep me advised to any new information on this line of the "Upchurches"

Sincerely,

Dear Cousin O.K,

Thanks for your renewal on the UB for the year 2000 and for your order for the back issues for 1999. The back issues have been sent under separate cover. Let me know if you have questions.

While I am reducing the frequency of publishing the UB, I do not plan to spend less time on family history. Rather I hope to focus on Richard Upchurch, II (your ancestor and mine) who came to Franklin Co, NC about 1755 and there raised a family of 11 children. This means I will be making several trips to NC. I hope to make two trips per year to Raleigh, NC and to spend about two weeks on each trip. At some

point along the way I hope to visit the cross Roads community in Wake Co, NC where your ancestor Kearney H lived. I think I have enough information to locate the actual farm that he owned. I don't know if any of this is still in the family or not. Perhaps you know.

This is an exciting venture for me to be able to pour on my own part of the Upchurch Family for a while. There is much more to be dug out of the records for our family in central NC for the 1800's & 1900's — a two hundred year period.

Enclosed is a JAN 2000 status report I plan to send to any who express an interest in the months ahead. Also enclosed are a couple of extra order blanks in case you encounter anyone who is interested.

Sincerely Yours,
Phil Upchurch

Dear OK,

Back several weeks ago we sent you a second notice on the renewal for the UB for 1991. In the meantime your letter of 15MAR 91 with your check for renewal arrived so 1991 is all locked into place. However, this morning our mailing of the 2nd renewal notice was returned by the PO as undeliverable. It turns out that we had inadvertently entered your box no as #420283 rather than 420383 in our computer for label generation purposes. The wrong P.O. Box no was used for mailing all the 1990 issues of the UB, the 1st & 2nd renewal notices for 1991 and the JAN 1991 issue of the UB. I know you got the JAN 1991 issue as your letter of 15MAR so indicated. But did you get all the 1990 issues? If not I'll replace them. Our mailing list is now correct. Sorry for the error!

Sincerely yours, Phil Yarbrough [ROBERT PHILIP UPCHURCH]

Dear Lowrin OK,

Thanks for your note of 15 MAR 1991 and for your check renewing your subscription to the UB for 1991. We owe a little late in sending out reminders.

Congratulations to you and Miriam on celebrating your 50th wedding Anniversary. This is a significant milestone. Sallanie and I have seven years to go to get there.

It is always nice to hear from you. I do hope you will send me a note on any changes in the family - births, deaths, marriages - dates & places. We have to work to get the missing data on older generations and to make sure we don't miss the current changes.

Enjoy Spring. It must be nice in GA.

Sincerely yours
Phil Upchurch

Dear Cousin OK

Thank you for the renewal on the 1989 Updunds Bulletin and for the contribution to the Updunds Records Fund in a memorial to your father, Oris Kearney Updunds, Jr. It is nice of you to remember his memory and support our Updunds Family Project. We are just now working on Volume 9 Issue 4 of the U B and should be able to include the memorial for your father in it.

I have not heard from Ginny recently but hope she will keep up her interest in the Updunds Family. I am sure you will see her soon enough.

Sincerely yours

Dear cousin O.K.

Thank you for sending me the newspaper article about the Mormon Family History Center in Salt Lake City. I am always grateful for clippings such as this as I know many eyes alert for material in more apt areas than if my eyes are the only ones looking.

Yes, I have been to the Mormon facilities in Salt Lake three or four times. It is a fantastic research and I need to spend more time there. We have a cousin Ray White who lives there and he occasionally does some fine research for me. I also use some Updike Research Funds to hire some work done there. They do subscribe to the U.S.

I continue to be excited about the fine progress we are making on your line.

Sincerely yours,

Dear Cousin OK,

Yesterday I received your excellent letter of 31 MAY and also an excellent one of the same date from your daughter Ginny. She wrote a beautiful page on her GT OKRA and on her GM Ruby. In fact I got up at 4:30 AM and started processing both letter and have now completed this. The outline for O K II Sr is now in excellent shape. The few details missing are shown on an enclosed sheet. I am sending this to Ginny and to you soon and hope that among you we can collect a few more of the missing details. I am especially hopeful that you can will send me a xerox copy of the bible entries and the Kearney II letter.

The Upchurch line you sent in returned herewith. I have added a few items in red. To go at this a little differently I am sending you a copy of my 6 page Biofile on Kearney II which you may keep. If in studying this Biofile you have any questions or if you have clarifications or corrections, please let me know.

29-2

As promised I am sending you herewith a copy of the two pages from my master outline that deal with Allen Perry II, Sr and his children. You will note a number of missing details on this outline. Anything you can supply will be appreciated. The number on the left hand side of the page indicates that I have additional continuation sheets (3A → 8A) dealing with later generations. I will also send these to you if you desire. These continuation sheets would deal with your 1st cousins, your children 2nd cousins, & your grandchildren 3rd cousins. I hope you can help fill in some of the missing details on these continuation sheets.

It is really great to have your assistance in building this documentation for our family heritage. It is a challenging but satisfying task.

Sincerely yours
Phil Upchurch

Dear OK.

I was really stimulated by our phone conversation on MAY 22 and have just now finished extracting and recording the details (my nose is kept to the grindstone earning a living at the University during the week). In the meantime I have also had a very nice letter from your dau Virginia and have kindly responded to it.

Now that I look back at my records I see that I have had a fair amount of contact with a few descendants of Allen Perry II and that has helped to "fill in the gaps". However, much remains to be added. In due course I'll be glad to send you a copy of my Master outline on Allen Perry II and his descendants if you so desire. Also I would be happy to send you a sketch of your line and mine to show how we are related if you desire.

If you could arrange to get it I would dearly love to have a xerox copy of the letter passed down from Kearney H and a xerox copy of what is written in the Upchurch Bible which you once had. If xerox copier cannot be had a written copy would be next best. These are exciting parts of our Upchurch family heritage.

Here are some specific questions you may be able to help with:

1) For our Kearney H, Sr
   a) when in 1876 was he born?
   b) when in 1943 did he die?
   c) when in 1911 did he marry?
   d) when in 1887 was Ruby NMN Foster born & where was she born?
   e) Did he have just one child?

2) For Yourself
   a) when in 1916 were you born?
   b) when in 1941 did you marry?
   c) where did you marry?
   d) when in 1917 was Miriam Virginia Chandler born and where was she born?
   e) Do you have just three children?

3) For our Kearney H, III
   a) when and where was he born?
   b) when and where did he marry?
   c) what is her super full maiden name and when and where was she born?
   d) when and where was our Kearney H, IV born?

4) For Susan Jane ll

a) when and where was she born?

b) when and where was she married (3 times)

c) what is the full name of —— Nicherson and when and where born?

d) what is the full name of —— Dann and when and where born?

e) what does the "L" in L. William Johnson stand for and when and where was he born?

f) what is the full name of Deborah Contreas and when & where born?

g) what is the full name of Allen Dann and when & where born?

h) what is the full name of Christopher Dann and when & where born?

I suspect you will not have all of the above but anything you can supply will be helpful. I am assuming Virginia will supply details on her family.

My contact with you and Virginia makes me even more anxious to have the Upchurch feature in Atlanta. It is just a matter of time before I figure out how to do it.

Hope to hear from you soon!

Let me know if you have any questions.

Sincerely yours,
Phil Upchurch

Dear Mr Upchurch,

Many thanks for sending me the Family Chart which arrived 14 NOV 80. I have extended all the names and established profiles for each person. As you will have figured from UB. your line goes back to - Allen Perry U Sr → Kearney U → James U → Richard U III (XJD-63, Head of Dan 4). We still have to locate the home place for Richard U III, for his son James U and for his grandson Kearney U. I have been corresponding with your 1st cousin Walter McGowan U Jr and hope he will help to locate some of the spots.

Could you help me on the details associated with your Upchurch Aunts & Uncles, etc? Please refer to pg 19, 21 & 22 of UB Vol 1 Issue 1. Perhaps you have corrections, additions, etc. I need birth date & place, death date & place, marriage date & place, place of burial. Do you have any children?

If you have any specific questions about the Upchurch family please let me know.

Sincerely yours Phil Upchurch
