Hi Janet---

Thanks for the input for George Pearce and family. In keeping with our normal procedure only brief mention would be made to this as we enroll the family of Nathan Pearce 1725-1796. However, our plans for the future visualizes a separate place on our website where some detail would be given on the heritage of enrolled Patriarchs/Matriarchs. We will put this on the back burner for now. When the time comes your input on George will be ideal for entry. I will preserve it for future use.
