

In checking our records my wife realized she had made an error in listing your address in our files. on the chance that may have caused your copy of UB Vol 21 #2 to not be delivered we enclose herewith another copy

As you know from items in the UB a lot of effort is now being devoted to finding the father of your ancestor Joseph U b 1775. He was the GF of John W. U who was the GF of Lee Royal U, your father. we hope in hope this research will be productive.

~~With~~ All Best wishes for a Great 2001!

Sincerely yours

Dear Cousin Tom,

I have been off on other projects and am just now getting back to your letter which arrived on 10 APR 1997. Thanks for the details which have now been received.

I will not send you an updated on the Madley outline for the Lee Royal U Family as there is not a lot of change from the last time I sent you one.

Dorothy has not responded to my letter of 3 APR 97 but perhaps she will. My letter to Nancy (Scott) U was retained by the Post office. I have now written her son Rodney using the address you provided and hope to hear from Rodney or Nancy. I have also written to Ulma Ruth using the address you provided. Enclosed is a list of the questions on missing items for the Lee Royal U Family. Perhaps I already have what you can get your hands on but if you do have answers to any of the questions they would be

appreciated. I am sending a copy of the master outline for the Lee Royal U Family to Rodney and to Wilma Butts.

Enclosed is a copy of the master outline for Joseph Ambrose U and his children along with a list of what is still missing. I did not send this to Rodney & Wilma Butts. Actually this list is in excellent shape but I always try for improvement. I did have Fannie May U but you can see the dates need to be resolved.

I was most pleased to have your description of how your father moved about during his lifetime. It has all been entered in his profile. We should be able to gradually figure out how the different generations moved about and this should help us locate more family records. We know your family traces back to McMinnville, Warren Co, TN where your GF Joseph Ambrose U was born. I have a feeling that the records of that location may hold information that will be very useful to me. It is interesting to me that your Aunt Margaret Isabel (Uphurch) Martin died and was buried in Warren Co, TN. Do you recall that the

was the case. We should not be surprised at her going back there to many & live. I suspect she had Yorks and other relatives in the county. It is my impression that Warren Co, TN has not been examined closely for Yorks records.

The family line proposed in your letter is not correct. Joseph U b 1775 (definitely your ancestor) is not the son of George U. George U did have a son named Joseph U but he is different from your Joseph b 1775. I can give you more proof that the two Josephs are different if you so desire.

The fact is that we still do not know the name of the father of Joseph U b 1775 (I also refer to him as Joseph U of Rutherford Co, NC) I have described the lineage of Joseph U b 1775 to his unknown father as Missing Link No 13 (ML-13). This has been treated in the U S Vol 9 No 4, Vol 10 No 2 and Vol 1 No 1. If you have these available you might have a look.

Enclosed is a copy of my 7 Page 12 Item Profile on Joseph U b 1775. Remember these entries are just raw material to work with. It is

-4-

④

possible that if we rework ML-13 all over again we can present the facts in a clearer manner. Someday we will solve the puzzle.

As I wrote earlier I had hoped that our research in Brunswick Co, VA would bring some more details to light about Joseph U b 1775 (I am speculating that he moved from Brunswick Co, VA to Rutherford Co, NC sometime before 1800). In fact I have the print report back on the Brunswick research. A quick reading does not reveal a Joseph U but I need to go back and study the report carefully. The researchers offer to continue the research to add more documents but I'll have to think more about that before making a commitment.

Tom, It's great to have your interest and I hope we can continue to cooperate and to document more fully your part of the family

☺

Sincerely yours
Phil Upchurch

Dear Cousin Tom,

Thanks for your letter with the family details which arrived 28 MAR 1997. I have now extracted everything and put the information in the proper place. I was sorry to learn of the passing of the dear cousin.

Enclosed is an updated version of the 6 Page Master outline for the family of Lee Royal U. It is changed slightly from the version I sent you earlier. I have now written to Dorothy Beatty and Nancy (Scott) U to update them and to ask for missing details. Hope they will respond.

I don't have an address for anyone in the Uelma Ruth (U) Davis family. The only items we are missing for her are for her son Steven Scott Davis:

- when in JUL 1989 and where was he married?
- what was the full maiden name of his wife and when and where was she born?
- Did we have children? If so, details?

If you know the answer or can get the answer to any of these questions, I would appreciate them. If there is someone I should write, please let me know.

For your immediate family the only items missing are:

- What is the full maiden name of Pamela Seal?
- When in JUN 1975 did Karen Dejon U marry?

Could you tell me the name of the cemetery in which Lee Royal U was buried in Gould, OK?

In recent days I have audited an outfit in Tucson, AZ to spend up to \$200.00 to search the old records of Brunswick Co, VA for all Upchurch information. It is hard to tell what this might add to what we already know about the Upchurch family members who passed through the County in the 1700's. One possibility is that we might uncover something about your ancestor Joseph U b 1775. I hope so.

My address for Dorothy and Nancy are several years old. If the Post office returns them (the letters) to me I'll get in touch with you

about a better address.

We may make a little more progress documenting the Lee Royal Upchurch Family but I suspect we should soon shift our efforts to the other children of Joseph Ambrose U and their descendants.

Before we get away from the Lee Royal U Family it would be nice to get more information on Lee himself. Enclosed is a copy of my 3 Page 11 Item Biofile on him. Do you have anything we can add to this record. Perhaps you could write a paragraph on how he made his living, where he lived and anything special you recall or know about him. My records tend to be a little sketchy.

With appreciation for your continued interest in our shared family history.

Sincerely yours

Phil Upchurch

we are indebted to many people who have helped to get the master outline this far. you and your siblings have been quite helpful.

Enclosed are 6 sets of questions each on a different aspect of your fathers family. It is not essential to get all of this but any of these questions you can answer will advance us that much more. Feel free to send these questions and copies of the outlines on to others if you so desire. Let me know if you need more copies of the outlines. If you prefer that I write certain family members, I'll be glad to do so.

It is my hope that in working backward we can gradually get to understand the Joseph U Group better and eventually learn her fathers name. We get closer all the time

with deep appreciation for your continued interest in our shared family heritage.

Dear Cousin Tom,

In keeping with your request received on 16 APR 1992 a copy of the 6 generation Upchurch chart is provided herewith. Your presumed line has been highlighted from Michael U, I down through David U (XID-2064). Our current best guess is that your ancestor Joseph U b ca 1776 is the son of this David U. However, more evidence is needed. This added evidence will probably be circumstantial which is what we often have to go on in the 1650-1850 era. We can be sure that your ancestors born before 1800 are somewhere on this chart. I am becoming more and more knowledgeable about this chart and can increasingly rule a candidate out or in for a given family because of the total amount of information available. My own ancestor on this chart is Gilbert U (XID-82). Do let me have details or changes or new information on your part of the family

Sincerely,
Phil Upchurch

Dear Cousin Tom,

This is just a note so we can stay in touch. The past week I took off from work to catch up on genealogy. This allowed me to process the letter which Spal Irene (Moore) McCullough wrote to Dorothy Nell U and which you sent on to me. It arrived 12 APR 89. In addition Irene responded to my letter with one dated 20 MAR 89 and it contained a list on her mother's descendants. Her mother was Algoda Elizabeth U, dau of Joseph Ambrose U.

Our outline on John W U & his children including his son Joseph Ambrose U is coming along quite nicely. Still there are segments that need a lot of attention.

Let me hear from you and give me your ideas on how we should proceed. Should I list questions for you?

All the Best.

Sincerely yours
Phil Uperch

Dear Cousin Tom,

Thanks for your nice letter of 23 FEB 81. I have just finished extracting all the details. They fit in very nicely.

We will have the U. B. Vol 10 No 1 in the mail on Monday. You will note that the Joseph D outline started in U. B. Vol 9 + 4 in mid century and ~~to~~ Vol 10 No 1 as I had planned. It should be in Vol 10 No 2. I am out of space.

Thanks for writing to your sisters and your brother. I look forward to hearing from them.

I would like to learn more about Dad + parents (Hervey) Upchurch. I do not know them. I saw the 1910 census for Upchurch in all of TX and there are several families in Lamar Co, TX that I do not know connected. Would love to do so. What I need is the full name of Dad Upchurch and the name of his father and grandfathers if possible. Can you get this? I'll bet the father or the grandfathers is on the 1910 Lamar Co, TX census.

Let me ask some questions about the children of Joseph Ambrose Upshurds. Perhaps you can help or point the way.

1) For Alzada "Allie" Elizabeth U

- a) when in 1966 did she die and where did she die?
- b) when in 1912 did she marry and where?
- c) when in 1939 (approx) did she marry and where?
- d) what is the full name of Walter Moore, when & where born, when & where died & where buried?
- e) what is the full name of Jay (later), when & where born, when & where died & where buried?
- f) what are the details on children, grandchildren, etc? (I only have the name of Irene (Moore) McCallough that you sent).

2) For Jesse Allen U - (I'll ship him for now as his son Jesse Charles U + Nelson Grant U are helping to pull these details together)

3) For Margaret Isabel U

- a) when in 1967 died and where died?
- b) when in 1917 ~~married~~ married and where married?
- c) Full name of Camer Martin, when in 1895 born and where born? Is he still living? (He was in 1982)
- d) Did she have any children? If so, details?

4) For Fannie U

- a) what was her full name?
- b) what was her exact birth date? (Approx 1905)
- c) when did she die (about 1905) and where did?
- d) where was she buried?

5) For Chester Leonard U

- a) when in NOV 1974 did he die and where did?
- b) when in 1920 married and when in AR married?
- c) when in 1893 was Lena Feena Hogan born, where born, when in 1978 died and where did?
- d) Did he have just four children?

e) For Chester Freeman U

- i) when & where born?
- ii) when married?
- iii) Does he have just one child & one grandchild?

f) For Joe Farris U

- i) when & where born?
- ii) when married?
- iii) Does he have just five children? (Is there any way we can contact Nancy U.? She is the one of the few said to have entered in family history?)

g) For Mary Ethel June U

- i) when & where born?
- ii) when in APR 1986 died & where did & where buried?
- iii) when married?
- iv) Does she have just five children?

h) For Betty June U

- i) Is her middle name JUNE or JEAN?
- ii) when & where born?
- iii) when in 1954 married?
- iv) Does she have just three children?

i) For Lee Royal U - Ship for now

j) For James Preston U

- a) Is he still living?
- b) when in OCT 1925 married and where married?
- c) where did Vera Anne Ellis die and where is she buried?

I will appreciate any help you can give on the above. Perhaps you knew some of those Under 9 Agents over the past several years or would like to renew acquaintance with some of them. I'll be glad to write if you can provide names and addresses. I do hope we can keep up our momentum looking forward to the day when we can identify the parents of Joseph U. b. 1975.

It is good to have your interest. Please let me know if you have any questions.

Sincerely yours

Dear Cousin Tom,

Thank you for the details on your family and for the order for the U² for 1989. I have just finished extracting the details you provided and have entered them on the Joseph U Master outline. We are certainly making good progress on the descendants of Joseph U and in due course I hope we can link him back to Michael U, I, the original immigrant.

I have listed on three enclosed sheets all the details that are missing on the family of Lee Royal U. I hope that you have or can get answers to some of these questions. Perhaps you can call, write or visit some of your relatives about these items. If you desire I will also be happy to write anyone you suggest if you will provide names and addresses. Anything you can send will be greatly appreciated.

Dear Tom,

Thanker for your letter of Jan. 27, 1939.
I am certainly pleased that you ran across
the Upchurch Bulletin and even more so
that you have an interest in your Upchurch
heritage. Details on ordering the Bulletin
are enclosed.

It is true that I plan to publish the
rest of the Joseph Upchurch Master outline
for generations 6-9. I have assumed that
Joseph U was generation 6. We still have
our work cut out for us to link Joseph
U (b 1775) to the main body of the Upchurch
family but we hope we can do it.
The more of us there are who are interested
the better the chance we will succeed.

In the meantime I want to get the
details as completed as possible for the
more recent generations. Could you
help with the following:

1) For yourself

a) Did / Do you have just four children?

2) For Terry Michael U

a) when and where did he marry?

b) when and where was Pamela Seals Moore born?

c) Does he have just one child?

d) what is the full maiden name of Marissa U and when and where was she born?

e) when and where did Marissa marry?

f) what is the full name of Marissa's husband and when & where was he born?

g) Does Marissa have any children?

3) For Thomas Mark U

b) what is the full maiden name of Tammie Pitter and when & where was he born?

c) Did he have just two children?

d) when and where was Tanner Mark U born?
