Dear Louise,

I enjoyed our phone conversation when I was in Houston on 20 JUL 1986. All of the details you gave me over the phone have been extended and recorded on my master outline. I had no difficulty locating your husband's Upchurch line. A sketch of my line and mine is as follows:

I will be more than grateful if you can answer any or all of these questions. It is important to have all of our family records properly recorded.

If you or your children or grandchildren have any questions I would be happy to try to answer them. I hope to hear from you soon.

Sincerely yours
