Dear Phil:

Thank you for your letter of 2 Jan...sorry to take so long in answering. I have been hiding under a rock these last weeks, and not feeling much like talking to anyone! I apologize for the tardiness of this letter.

△ *some information from MGE*

Oddly enough, I received a letter today from Ray and Kathy Cobb of Griffin, GA. It seems that Kathy's mother was an UPCHURCH. Kathy has gotten back to 1782 in Franklin County NC with her research. As far as I can tell from the computer print out she sent me, Eaton UPCHURCH was her first UPCHURCH relative (or the one she could find back in 1782). I will list below, the UPCHURCHes that she names:

- Annabell Knight

I have looked in my list of UPCHURCHes and do not see any of these names mentioned. I will, of course, send her to you so that she can send you her information and you two can compare notes.

You are correct in saying that William Franklin is UNCLE to Joseph Martin, sorry for the error. As for Mary Jane being the same person as Mary Jane (WOODS/YORK), the 1900 Census says that Ruben and Mary Jane had been married for 21 years - which would be correct, as their 22 anniversary was later that same year - November, to be precise. So, I think that this also proves that we are talking about 1 Mary Jane and not 2. Because of the knee-thingy, I haven't pursued the U.B. being placed at any of the local libraries. I promise to get on this just as soon as I am physically able. :)

Thank you for the John ROGERS genealogy pages. I am wondering if this Aaron ROGERS mentioned on the last page, might not be my Aaron. I am sending to NC for copies of a will that mention an Aaron. However, the parental name is Thomas, not Joseph. I got this information from the LDS, so it may not be correct. I will have to get the copy and read it and hope that it mentions a wife to Aaron. I might see about getting a copy of the will of Joseph ROGERS and see if anything matches...you never know, do you? Coincidentally, these ROGERS moved to GA with the son named Drury - so they may be kin to Kathy Cobb...perhaps? Nothing is ever certain until we have proof, is it? <G>

Yes, the given names of Ruben's parents do appear to be wrong. This is probably an honest mistake of the family enumerator. I have been told by others, that information given on a death certificate is often suspect, as the people are in a harried state and do not always get the names correct. Because of the information found in the census, I believe Ruben's parents to be named Aaron and Nancy Ann...that is, until I find information to the contrary! <G>

Well, I can't contribute much more to this conversation, so I shall close now and go and take a pain pill. The knee is beginning to swell up along the bottom edge and it's very painful to stand on. I shall, of course, forward the Michael Enterprises address to Ray and Kathy Cobb in GA. Let me know if she writes to you. I understand from Elsie CRAIN SAVELL, the lady that sent Kathy to me, that Kathy is having some problems getting information together on her family. I wonder where the connection is...do you know?

Take care, Cousin Phil...<G>

Best regards for a happy and wonderful new year!

04 November 1993

Dear Cousin Phil:

Hello there! Yes, I had a wonderful time and truly enjoyed our chat while you were here in our fair city! It is, indeed, always good to meet the face at the other side of the name.

I have taken steps to become a certified genealogist - I mailed a request to BYU checking into their genealogy program...figured I might as well go to the source to get where I want to go! I have never really considered myself to be a detail oriented person, but I am finding that I rather enjoy ferreting out the little details that make a name on paper into a living, breathing, human being.

With regard to the UPCHURCH family bulletins, I will check into Sutro Library and see what they have for the family. I recall seeing a few - very few - UPCHURCH items. With regards to your "stipulations" about cataloguing them, etc., I know that they will do precisely this and enjoy receiving them, as well. Sutro is a state run facility, and as you may know, the state is rapidly going broke, so any gifts would definitely be appreciated. As for binding them, I have seen where they have taken older issues of other research materials and either put them together in loose-leaf notebooks, or into safe portfolios. This is how I located some of my BAILEY information. The ITAWAMBA SETTLER magazines had been put into a case and were remarkably well cared for. I am donating all of my Arizona Genealogy newsletters to Sutro - after I read them, and if there is nothing in them that is pertinent to me. I plan on doing the same thing with my ITAWAMBA SETTLER's. But, let me talk with Mr. Glover and see what his opinion on this might be. Mr. Glover is the chief, or co-chief, librarian at Sutro. There is another rather nice library within a library. The Santa Clara County library system has a lovely facility on Homestead in Santa Clara that happens to have a separate room devoted to genealogy. I have been there a few times, and plan on going back again soon. While I am there, I will talk with the librarians and also check to see what they have regarding UPCHURCHs.

Regarding Great-Grandma ROGERS... I am beginning to suspect that Mary Jane YORK and Mary Jane ROGERS are actually the same person. I have been talking with Lois York Hamilton and Wally Garchow, both are YORK researchers. Lois used to write a YORK newsletter from Idaho...Anyway in the 1860 Census, Pleasant Andrew YORK and his wife are enumerated in different, but near, households. Included in Pleasant's direct household are Martha (18), Infant (6/12 and unnamed) and 2 other children. Lois espoused the theory

[WOODS - RDU]

that Infant 6/12 is actually the child of Martha, because unlike the other children, she is not enumerated in order of age, but directly under Martha's name - lending itself to the thought that she was, perhaps, illegitimate. In the 1870 Polk County Census, Benton Township, dated June, 1870...we have John T. WOODS, (28), Martha C. (28), Mary J. (10) and Dartha (sic) (03). Moving forward to the 1880 Census, we move to Washington Township, Boone County, dated 11 June 1880.. We have John WOODS (39), Martha (39), Dolla (sic) (12), Nancy (9), Priscilla (7), Easter T. (05), Rosa E. (03) and lastly, Joseph B. (11/12). We also have in Sulphur Springs Township, Boone County, we have Ruben C. (25), Mary J. (19) and Fanny (8/12) with Mary Barbara YORK enumerated, incorrectly, with the COOPER family. Sooooooo, I think all of this leads me to believe that Mary Jane YORK and Mary Jane WOODS are one and the same person. Now proving this will be much more difficult, and I hope not impossible!

I am going to put the Safford information on a separate sheet so that you may refer to it more easily.

Thank you for your help in this search.

Best regards,

*Louise*

COPIED ARTICLE FOR GRAHAM CO, AZ FILE & FOR BIOFILES OF  
REUBEN CAPERS ROGERS & MARY JANE YORK (WOODS) (3)  
FANNIE LUELLEA ROGERS & WILLIAM BOOKER BAILEY  
BAILEY/ROGERS SHORT HISTORY

△+△ The William Booker BAILEY and Ruben Capers ROGERS families arrived  
- in Safford, Graham County, AZ around the turn of the century. Both  
- families had been in Sweetwater, Nolan County, TX prior to their  
- arrival in Arizona.

△+△ Fannie Luella ROGERS met and married William Booker BAILEY in  
□ Sweetwater, Nolan County, in 1896. On 03 Jan 1897, Mary Leona  
△+△ ROGERS was born to Mary Jane and Ruben ROGERS. The first child of  
△+△ Fannie and William was born on 05 Dec 1898 and he was given the  
□ name of William Lafayette BAILEY.

- It is believed, by birth dates, that these two families then moved  
- to the Safford/Solomon(ville)/San Jose area of Graham County. The  
△+△ last child of Mary Jane and Ruben ROGERS was born on 29 Jul 1900  
□ and was given the name of Franklin William ROGERS. Meantime,  
□ Frank's (as I believe he was later called) first cousin, Martin  
△+△ Joseph BAILEY had been born to Fannie and William the month before  
- on 23 Jun 1900.

- The 1900 Census shows that the BAILEY's and the ROGERS' lived next  
- door to one another. The ROGERS' were in household 245 and the  
- BAILEY's 246.

△ It is known that William Booker BAILEY died in 1907. I do not have  
- a precise date of death, nor do I have a location of the burial.  
△ In the 1910 Census, Fannie Luella ROGERS BAILEY is shown as the  
- Head of Household and as a washerwoman. It is also known that  
□+△ William Booker's brother, Samuel H. BAILEY was married to Fannie's  
□ sister, Florence Virginia ROGERS. Where this marriage took place,  
- or was dissolved is unknown. It was dissolved because after the  
△+△+□ death of William, Fannie married Samuel (certificate of marriage is  
□ in my possession, and at the Graham County Court House). Sam and  
△+△+□ Fannie had a daughter, Alice Leora, born on 7 Sep 1908. Sadly, Sam  
△ flew the coup leaving Fannie to rear her children alone -- or with  
△ the support of her parents. In any case, Fannie was left to fend  
- for herself and her children by the death of one husband, and the  
- desertion of another.

□+△ According to my Aunt Cora (BAILEY), Great-Grandma Fannie took in a  
- couple of Spanish/Mexican children named Bustamentos (spelling is  
- not correct). The family was fluent in Spanish. Also, according  
+△ to Aunt Cora, my Grandmother, Rena Luella BAILEY, was given to  
- running off and staying lost for a spell, without telling anyone  
△+△ where she went or whom she was with. Apparently during one of  
△+△ these escapades, she met my Grandfather, James NAVARRETTE and they  
- married. Where they married, is a mystery, and one I would like to  
- uncover. Where they divorced is another mystery, but I suspect  
△ that they may have -- or Grandpa may have -- divorced in Tucson.  
+△ My step-Grandmother, Luisa Valdez NAVARRETTE, says that James and  
△+△+△ Rena were never married. However, James and Rena had four children  
△+△+□+□ together: Cora June, George James, Benjamin Martin and Rose Mary.

△ The last, Rose Mary, died 9 days after her birth and is buried in  
 - Bowie, Arizona at the Desert Rest Cemetery. I do not know what the  
 - legal aspect of common law marriages was in Arizona in the 1920's,  
 △ +△ but I suspect that they were truly married. Grandpa was a Catholic,  
 △ Grandma was not, so maybe they were married by a JP somewhere. I  
 □ know that my father, George James, was born in Dos Cavasas  
 - (spelling is approximate). Perhaps they were married down there,  
 - or in one of the other nearby small mining towns. Then again,  
 - perhaps they were married by a circuit court judge and the record  
 △ +△ of that could be anywhere! Grandpa NAVARRETTE married Luisa Valdez  
 △ in the Catholic Church after the desertion by Rena of the family.  
 △ This is a long and involved story, but apparently Grandma was able  
 □ to find love a second time, because she married a Julio MONTANO in  
 - Albuquerque and had 4 more children (3 boys and a girl).  
 □ Interestingly enough, Julio looks remarkably like my own  
 - Grandfather!

□ +△ So, there you have it. I believe that Aunt Cora said that William  
 △ Booker died in San Jose, so he may be buried there - somewhere.  
 △ +△ +△ Fannie Luella ROGERS BAILEY, Mary Jane YORK ROGERS and Ruben Capers  
 - ROGERS are all buried in Phoenix, Arizona. In summary, here are  
 - the items for which I am looking:

- △ 1. Death certificate or obituary of William Booker BAILEY
  - △ +△ 2. Marriage certificate of Rena Luella BAILEY and James NAVARRETTE
- Not too much, but more than I can locate on my own.

However, if you happen to get better copies for distribution I would welcome copies. Don't go to extra effort on my behalf. I really appreciate the fact that you shared these with me.

Since retiring in December 1994 and moving back to Missouri we have been active in managing our farms, interacting with our family and many other things. Family history work has continued to be a strong active interest. I have been trying to focus on certain aspects of family history that are of special interest to me. However, work on the entire Upchurch family continues to claim my attention. The family is now quite large. I am now in my 26<sup>th</sup> year of publishing the Upchurch Bulletin.

With All Best wishes

REC'D  
20 JAN 2006

Dear Phillip,

Well here there! It has been a very, very long time since I've written to you – as I have only been fiddling with my genealogy stuff. I have a distant cousin who is interested in the ROGERS-UPCHURCH Family, which is what prompts me to write to you today.

I found a letter I wrote to you a very long time ago – in fact, so long ago you were still in Arizona! In that letter, I noted that I sent you photos of Mary Jane YORK ROGERS, her husband Rueben Capers ROGERS and some of the BAILEY family members. The upshot was that Ruben and the BAILEY children were descendents of Nancy UPCHURCH and I thought you might like copies of the photos for your collection.

As it happens, I am unable to locate my copies of these photos and I am desperate to locate them again – to send to James, as well as have for myself. Do you by any chance have the copies I sent you still? If so, could you scan them and send them to me? This is about the only way I can think of finding these photos again.

As I recall from my letter (which is, of course, at home) I noted that Mary Jane was wearing a black dress, and Ruben had suspenders on his trousers. I don't recall anything more of the photos, save that I may have identified the BAILEY children as William Lafayette BAILEY, Cora BAILEY, and I forget the rest of the family names at the moment. Would you do me the great favor of hunting about for these copies and, if possible, sending me via eMail scanned copies for my files? Thank you!

Other than this, how is your research coming along? I hope that all is well and that you are not running into as many brick walls as I have managed to hit! Sheesh, you'd think some of these people just appeared out of no where full grown and married with children! Oh well, it will all come together some day!

Take care and I look forward to hearing from you...

Dear Cousin Louise,

Thanks for your letter of 4 NOV 1993 and for your nice Christmas card which arrived on 15 DEC 1993. I was sorry to learn of your fall and trust that by now you are mending well.

I have spent a couple of hours extracting the details provided in your letter of 4 NOV and appreciate all the input - and especially the Bailey/Rogers Short History. A copy of this has been placed in my Graham Co, AZ file and I hope at some point to discuss this with colleagues here in Arizona. One small point. The Short History (in TP 3) refers to Martin Joseph Bailey as being the 1st cousin of Franklers William Rogers. I believe Martin is a nephew of Frank. At least that is the way I have my records organized. Let me know if I am wrong.

For now I am leaning Mary Jane York  
and Mary Jane Wood as the same person.  
I hope more proof will be discovered  
by one of us.

Thanks for looking into Libraries  
that might have the U B. I'll wait  
for more details from you

I have recently been working on the  
book "John Rogers Genealogy" on which  
copies of front cover, pages i & ii & pages 26/27  
& 32/33 are enclosed. I don't know if this  
is related to your Rogers line or not. The  
author dealt primarily with his line which  
is shown on pg ii. There was mention of  
a Reuben Rogers on pages 26/27 & 32/33 only  
so I have copied them for you. This Reuben  
is much earlier than your Reuben Capers/Rogers.

I'm reviewing the Reuben Capers Rogers file  
I note the death certificate for him which  
you sent to me. This shows his father  
as Allen Rogers b MD and Sarah U b MD.  
This is inconsistent with the way I have  
my records which is that Reuben Capers

Rogers is the son of Aaron N. Rogers b. NC and  
Nancy Ann H. b. NC. Have we dealt adequately  
with this inconsistency. The easy solution  
is to assume that Frank W. Rogers who  
provided the information was ill informed.

Thanks for your continued interest.  
All the best for a Great 1994:

Sincerely yours

Dear Cousin Louise,

It was a real pleasure to meet with you in San Francisco on 21 OCT 1993, and always finds a direct personal contact more satisfying than mere correspondence. I was delighted to learn of the keen interest you have in searching for details related to your family heritage and I hope we can continue to work together on the hundreds of records of your family. It is of much interest that a portion of your family history is in Arizona and particularly in the Uley area where I happen to have some contacts.

One aspect of our conversations was of special interest - I refer to the matter of libraries in CA that have a special

interest in family history, I am anxious to have full sets of the Upschurk Bulletin placed in key genealogical libraries around the country. In some states - such as NC, GA, VA, TN it is relatively easy to sort this matter out. This is because there are so many Upschurk family members who have lived in these states. In CA the matter is different in that, relatively speaking, not so many of our family members have lived in CA. Still the situation is misleading because many family members do not now carry the name Upschurk - you being a good example. In any case I would appreciate it if you would give me your concept of whether or not there are one or more libraries in CA where the Upschurk Bulletin should be deposited. It would be nice if they could pay for the bulletins or at least lend it. However, there are not the critical issues. A main point is would they

shelve and inventory the issues. Another key point is whether or not the library is a place where people generally come to look for family history records. I seem to recall that you had strong positive feelings about a library in San Francisco, but I'll let you speak to that matter.

My notes show that you might be willing to write a synopsis of your family history in AZ that I might use to explore some possibilities for further information here. I am not sure how much I can do but it would be nice to have a write-up that I could use if and when the opportunity is presented.

With All Best Wishes.

Dear Cousin Phil:

Hi there. Just a quick note to let you know I received the Upchurch information. I am presuming that we are accepting that Nancy Ann & Aaron Rogers are the parents of my Gg grandfather Ruben C. Rogers? As for the spelling of his name, I took it from the death certificate, and my Aunt Cora also spells it the same way, I believe. Well, take care and I'll get back to you ASAP on your questions. It may take a while, so have patience. BTW, do you have a computer print-out of the information you sent? Just wondering. I would love to meet you this fall. Please do try to schedule me in, okay? How do we get absolute proof of grandpa Rogers' parents? That will be hard! Take care,

Best wishes,  
Louise

Did you mention an Upchurch newsletter? My

Dear Cousin Louise

Thanks for your letter of July 6, 1993 and for all the details. I have spent several hours incorporating the new material you provided and all the details are now properly depicted and cross-referenced. I think we are safe in listing your Ruben Capers Rogan as the son of Nancy Ann (Wyburnd) Rogers but absolute proof would be nice. Can you cite enough evidence to show whether we use REUBEN, RUBEN or RUEBEN. I have all three in my system.

Provided herewith is a copy of the 11 Page Master outline for The Harmon W. Howell W. Subdan through the 9th generations plus confirmation sections 13 and 14. This now embraces all the new data you have provided which makes a lot of improvement.

I also provide a list of questions about

-2-

Missing details on the family of Rena Luella Bailey.  
Any of these details you have or can get  
will be appreciated.

If you have any organized details on  
the descendants of the siblings of Fannie Luella  
Rogers & Florence Virginia Rogers, a copy would  
be very much appreciated. I show 8 such  
siblings which makes 10 children for Ruben.

Can you sort out the John Donald Spitalshki  
[AKA John Donald Sights] situation for me?  
Should his children be listed as Spitalshki or  
Sights?

Please let me know if there are preferable  
ways I could help you.

☺ sincerely yours  
Phil Upchurch

P.S. [ROBERT PHILIP UPCHURCH]  
I have to be

in San Francisco  
for a short business  
meeting this fall. Most of my time  
will be tightly scheduled but if  
you are interested and available  
perhaps we could meet along  
the way somewhere.

☐ Dear Cousin Phil!!

- Hi there, received your letter and information today. Thank you so very much! I, too, look forward to "a continued exchange"...Always happy to locate new family members, no matter how distant!!!

☐+☐+☐ I, too, am puzzled by the Mary J. WOODS reference. My Ruben C. married Mary Jane YORK in Searcy County, AR. Their first daughter, my Great-Grandmother, was Fannie Luella ROGERS (b: 24 Nov 1879, Searcy)...I originally had her, and her 2 sisters born in Boone County, but have since found out differently, and simply haven't changed the PAF reports, yet! <G>

- Anyway, there appear to be a number of coincidences that point to these 2 Ruben C.'s to be the same person. I have not included the siblings of this Ruben C., in my PAF reports, yet, because I want to be absolutely certain before I input them...99.9/10% sure is almost, but not quite, certain enough! Here are a few of the coincidences that I noted simply in (glancing) reviewing your information:

- You have the family in Searcy, AR...3 of Ruben's daughters  
☐ were born there in: 1879, 1881 and 1883. Aunt Cora, who is still alive, says that we have ROGERS family still in AR, but she doesn't remember who they are...or which side of the family, ROGERS or YORK -- perhaps both.

☐+☐+☐+☐+☐ Mattie, Evalee and Matthew are used by Ruben & Mary Jane.

☐+☐ Ruben and Mary Jane's 9th child is born in Sweetwater, Nolan County, TX. Their eldest daughter, Fannie Luella, marries (1897 or so) and has her first child in Sweetwater (William Lafayette b: 5 Dec 1898). She married a William Booker BAILEY. I suspicion that their 2nd daughter (Florence Virginia) also married there to William's younger brother, Samuel.

☐+☐ Aunt Cora keeps mentioning a "Grandfather Aaron"...not certain which side, but seems to be ROGERS.

☐+☐+☐ Mary Jane had an elder sister named Martha YORK who married a John WOODS. After the Civil War, Mary Barbara YORK took her children and moved to Arkansas. There she lived with Ruben C. ROGERS and Mary J. and their daughter Fannie -- all according to the 1880 Searcy County Census (copies available, but not enclosed). Some of the YORK family moved on to New Mexico. These YORKs would be William H. and Tennessee Williams YORK.

DISPOSITION  
OF  
ENCLOSURES

1. Ruben Copers Rogers Death Certificate to his Biogfile
2. Mary Jane York Death Certificate to her Biogfile.
3. Fannie Luella Rogers Death Certificate to her Biogfile
4. Rena Luella Bailey Death Certificate to her Biogfile

(2)

As you can see by the enclosed Family Group Sheets, Ruben and Mary Jane bounced around the southwestern United States. Fannie and William went from Sweetwater directly to Safford, Graham County, AZ and stayed there until their last death (as in William's case) or until they moved to Phoenix. I have included photos of my Grandmother, Rena Luella BAILEY; Great-Grandmother, Fannie Luella ROGERS; and my Great-Grandmother and Grandfather, Mary Jane YORK and Ruben C. ROGERS. I have also included photocopies their respective death certificates....

Now to identify the photos: (maiden names used) PHOTO FILE 93-2

- 1) Lady in black is Mary Jane YORK -- back of Fannie Luella ROGERS.
- 2) Christopher Francis NORGAAR -- Louise NAVARRETTE (9 Feb 1992)
- 3) Rena Luella BAILEY (my Grandmother)
- 4) From Right to left: (taken in 1935)

**Front Row:**

- William Lafayette BAILEY
- Ruben C. ROGERS (with walking stick and suspenders)
- Mary Jane YORK
- Kenneth J. SPITULSKI\*
- Donald John SPITULSKI
- Alice Louise\*\* McCue -- or Louise Alice

**Back Row:**

- Fannie Luella ROGERS
- Cora June BAILEY (mother of SPITULSKI boys)
- Eula Mae BAILEY (mother of Alice Louise McCue)

\* Kenneth's father was not SPITULSKI. As an adult, he changed his name to Kenneth Joseph SIGHTS

\*\* Oddly enough, my "legal" name is also Alice Louise, although I NEVER use the name Alice. There was no fore knowledge in naming me. I was named for my Grandmother - Alice Morn and my step-Grandmother, Luisa...just one of those crazy coincidences!

I have included a couple of other interesting tidbits that I have run across in my searches. Hope they are of some interest to you - and some value! <G>

One odd thing, there is an original marriage license in Nolan County waiting for the grabbing! It's between H.B. BAILEY and G.L. ROGERS -- marriage was to have taken place on or about 29 March 1886...too early for my BAILEY/ROGERS marriages!

Take care, hope to hear from you soon!

*Louise*

Death Certificate - State File #130; Registered No.184; 1938

I am uncertain as to whether Aaron and Nancy are his parents, or if the death certificate names are correct. The certificate states: Allen ROGERS and Sarah UPCHURCH, but I am unable to find these names in the proper area for the proper time period. I do find Aaron and Nancy with a number of other children. I have not put these children into the system, yet, because I am not absolutely certain that they are of the same family. These children are: Susan R., Sarah A., Jacob, Abraham A., Ruben C., Matthew W., and John. The age of Ruben is correct, and Ruben did name a son Matthew...but I'm not absolutely certain - YET!

 1880 Census Searcy County, AR with wife and first child.  
 1860 Census - Stanly County, NC

Death Certificate - State File #130; Registered No.184; 1938

I am uncertain as to whether Aaron and Nancy are his parents, or if the death certificate names are correct. The certificate states: Allen ROGERS and Sarah UPCHURCH, but I am unable to find these names in the proper area for the proper time period. I do find Aaron and Nancy with a number of other children. I have not put these children into the system, yet, because I am not absolutely certain that they are of the same family. These children are: Susan R., Sarah A., Jacob, Abraham A., Ruben C., Matthew W., and John. The age of Ruben is correct, and Ruben did name a son Matthew...but I'm not absolutely certain - YET! There is also an Anna PALMER ROGERS who has a son Ruben C. who is the right age...no husband was shown...1860 census...

LOUISE NAVARRETTE NORGAAR  
2507-45th AVENUE  
SAN FRANCISCO, CA 94116-1644

Dear cousin Louise

I was delighted to receive your letter of 26 JUN 93 and to have the chance to visit with you by phone on 30 JUN 93. It seems we have agreed on the circumstantial evidence that places your ancestor Ruben Capers Rogers in the Upchurch Family. I look forward to a continued exchange with you so that we can fully share what we each have.

Provided herewith is a copy of my crude chart of the first six generations of Upchurches in America. I have highlighted your line down to Howell U and mine down to Gilbert U (my Great-grandfather). Next I provide a copy of the 4 page section of my Master Outline for Nancy Ann U, her children and grandchildren. This is being shown without change based on your input. Note "Ruben C. Rogers b 1853 (Stanley Co, NC) md 29 SEP 1878 Mary J. Woods - no issue". Also

provided in a copy of my Biopic on Reuben C. Rogers. As I incorporate the details you provide there will be some changes in this information. I am anxious to get an ~~idea~~ that exchange details on the Upchurch Bulletin which I have published since 1980 are enclosed.

I think we should satisfy ourselves to the maximum extent possible that your ancestor Reuben Capers Rogers is one and the same as the individual I have identified as "XIA-12800 Reuben C. Rogers b 1853 (Stanley Co, NC)".

The latest address I have for Charles Edgar Crow is from 1987 and is 6503 PEORIA ST., LUBBOCK, TX 79413-5128. I had an intensive exchange with him from 1981-1987 and he suddenly stopped communicating. He married Lora Mae Foy who was the dau of Lora China Rogers who was a 1st cousin of your Reuben C. Rogers.

I'll hope to hear from you soon and look forward to our exchange.

Sincerely yours  
Phil Upchurch

RE: UPCHURCH

Dear Mr. Upchurch:

My name is Louise and I am doing the family genealogy. I have, however, run into a bit of a brick wall. According to my GGGrandfather's death certificate, his parents were Allen ROGERS and Sarah UPCHURCH...and they were suppose to be from MD. This is the problem! I can find NO Allen and Sarah ROGERS in Stanly County, NC a scant 6 years after Ruben's birth on 15 Nov 1854 in Alving-Mail-City, Stanly County, NC. What I do find in the 1850 Census is a Sarah UPCHURCH still living with her family in Stanly County:

| NAME              | AGE | BORN |
|-------------------|-----|------|
| UPCHURCH, William | 43  | NC   |
| Eliza             | 46  | NC   |
| Sarah             | 21  | NC   |
| Nathan            | 19  | NC   |
| Allen             | 16  | NC   |
| Eliza             | 14  | NC   |
| William           | 11  | NC   |
| George            | 06  | NC   |

While I admit that Allen and Sarah may have moved to another place, location, state by 1860, I did find an Aaron ROGERS and a Nancy with a number of children (actually, I find them in 1850 and 1860):

1850 --Central District #1, Stanly County

|               |    |           |    |
|---------------|----|-----------|----|
| ROGERS, Aaron | 24 | Farmer    | NC |
| Ann           | 29 | Housewife | NC |
| Susanna       |    |           |    |
| Sarah         | 04 |           |    |
| Jacob         | 02 |           |    |

1860 --Albemarle area

I love the way they change the names and spellings! Anyway, are you able to shed any light what's-so-ever on my UPCHURCH? If you wish, I could send you a copy of Ruben's death certificate. Also, he died in Phoenix and is buried at Forest Lawn.

Oddly enough, the 1880 Census for Searcy County, Arkansas, says that he, his mother and his father were all born in NC. He had moved to Arkansas by late 1878/79 (maybe much earlier, I haven't been able to locate him/them yet) and married Mary Jane YORK and had a daughter, Fannie Luella ROGERS.

In a book called: Rutherford County North Carolina - Wills Abstracts 1779-1910 there is mentioned an Elias UPCHURCH, 22 July 1844, Summer 1844. Wife Ann, All my Children, minors. EXEC. wife, John Tomerlaen. Wit. J.M. Webb, Moses Logan. E-133... Sarah could have been one of the minor children...

So, as you can see, I am rather bereft of evidence that Allen ROGERS and Sarah UPCHURCH are actually Ruben Capers ROGERS' parents!

Anything you might be able to do to clear this up, would be most welcome! Thank you for your time and efforts. And, in case you are wondering, I found your name and address through GENIE and their "U" category. Once again, thank you!

Sincerely,

Louise Navarrette Norgaar

Hi Phil! It's been a very long time since we've spoken. In fact, so long ago that at that time, you didn't even have a computer yet! ☺ We lost contact when you moved from Arizona, and now I've moved out of San Francisco and am living in rural California, 65 miles west of Redding, Shasta County, Ca. We are living in Trinity County now, and we have both retired -- need something to do, so I am going to start investigating some of the other surnames in my family -- been concentrating on the BAILEYs a great deal.

Just to remind you <sup>Howell</sup> my UPCHURCH ancestress was Nancy UPCHURCH, daughter of Harmon, I believe. She married Aaron N. ROGERS in Stanly County, NC, then they moved to Arkansas where he died (not sure when). Their son, Ruben Capers ROGERS, married Mary Jane YORK in Searcy County and the rest is, as they say, history. I can bring the family down to me, but definitely need to expand outward.

Take care and I hope you are in fine fettle, and I look forward to hearing from you again! Hugs, Louise

Hi Cousin Louise----

So glad you found me. Yes, I recall the glass of wine we had together in San Francisco so many years ago. I have you in my records firmly as a member of the Harmon U./Howell U. SubClan. Nancy was the daughter of Howell.

I hope you were able to negotiate the 4,000 pages of Upchurch information I have posted on [www.upchurchstory.com](http://www.upchurchstory.com) and to view some of the videos as well. I got into computers about 2005 and my website followed in 2007. Since, in 2013, we created Allied Families. Our website is [www.alliedfamilies.com](http://www.alliedfamilies.com) which I invite you to visit. There we are doing family history in a more powerful way. Note the process of family "enrollment" which is one key to our unique approach. We hope to enroll the Harmon Upchurch family if there is enough interest I invite you to join us in this effort and a membership form is attached.

I have just returned from a 16-day family history trip to NC from my home in MO. A lot of water has gone over the dam since we met. You can follow our tracks by way of the UB issues posted.

It will be a pleasure to see what our mutual interests are and to collaborate if you are interested. Looking forward to hearing from you.

I am doing my family genealogy, and my 3rd great-grandmother, Nancy UPCHURCH, was born in NC and married there to Aaron N. ROGERS. Her father was Harmon UPCHURCH. This is by way of introduction. Are you, or any member of your family, doing the UPCHURCH family genealogy? I would be interested in speaking with them.

Thanks for your time.

Dear Cousin Phil:

Hi there!! How are you these days? I'll wager that you thought I had forgotten all about you, didn't you? Actually, I have been lazy and simply not gotten around to having the wills photocopied. My daughter was working downtown, so she did all of my banking and mailed all of my letters! Now that she isn't currently working downtown, I have to do all of this for myself! Sheesh..:)

Anyway, here are the two wills that I promised you: Thomas ROGERS, date 1856 and Howell UPCHURCH, dated 1846. Howell mentions Nancy Ann by name within the will, then in a codicil, dated 24 February 1844, he renames her but calls her Nancy ROGERS. So, this means that Nancy and Aaron married sometime between 23 Nov 1843 (date of original will) and 24 February 1844. Howell also mentions a number of his other children in the will.

Thomas ROGERS' will mentions a son named Aaron, but I do not know if this is "our" Aaron ROGERS or another one. His siblings are also listed within the will, but I don't recognize any of their names - as Aaron did not (apparently) name any of his children for his siblings or parents. I find that Thomas ROGERS' will is very difficult to read. It must have been the last will that the scribe wrote that day and he was very tired, or his ink was of a very poor quality. In any case, if you can manage to "translate" these wills into modern day language, I would be forever grateful. Howell's is none to easy to read either. The ROGERS children had some pretty interesting names: Richard, Rushing, Russel, Shepperd. Aaron, Calvin, James M., Jason, Comedove (is what it "looks" like), Thomas P.

I wonder who Robinson ROGERS was, and what did he do to deserve only \$1 as a bequest? The will states that Thomas had paid a number of debts on previous occasions.. ummmm...

Also, the daughters are named as whom the married! This is helpful, too bad he didn't do the same for his sons! Anyway, Roda married an Arthur SIKES, and Winny married Isaac ELIOTT.

Now, onto the UPCHURCH will -- I do see where one might think that he had named a daughter Lariah, but I think

2

the L is actually an S. If you look to the bottom of the first page, he does not mention a Lariah..but does mention: Cely, Nancy, Martha, Sarah and my son, Wm. Riley - no Lariah... So, I am of the opinion that there was no Lariah, just a Sarah who got special mention and a separate bequest - the same as is true for Nancy after her marriage to Aaron ROGERS.

Hope this helps you!

Take care --

*Louise*

Dear Cousin Louise,

Your note of 12 OCT 1995 reached me today in Mission by way of Argentina. I am writing promptly to let you have my current address which is as above. Also provided is a copy of our "freedom document"

When we arrived in MO on 3 DEC 1994 for good I proceeded to take on more things. I am now fine tuning my schedule of activities. I am spending more and more time on family history and a great deal is falling into place. However, I never seem to quite catch up. I suppose this will never happen. It seems to be the nature of family history work.

I am pleased to be back in touch with you and will look forward to learning about the new Upchurch Research

2-

you have proved. This is always <sup>(2)</sup> an  
exciting development.

one of the things on my agenda  
is to get a new computer and to  
put it to use on family history.  
This takes time and money in the  
short run but should make for  
greater efficiency in the long run.

With All Best Wishes.

☺ Sincerely yours

Dear Cousin Phil!

Hi there! How are things with you? I guess I should explain my absences from your life. Many things have happened during this past Aug93-Aug94. My mother-in-law died at the end of last August and I spent the month of September cleaning out her apartment and getting the services organized and all that sort of thing. I spent the entire month of September cleaning that apartment - or rather, clearing out the place. I still have much of her stuff in the basement. Then in October, I came down with the flu, or something or other. November went well until the last day - then I fell face first into the cement and broke my left kneecap and had to have stitches over my left eye. Nothing like doing things right. <grin>. All of this brings us up to and through March 1994. At the end of March, my grandfather Freeman died. He was 91, but I was hoping he'd make it until 100! (I think you know about some of this, but if not, now you do.)

I have enclosed copy of the California Genealogical Society's Computer Interest Group Newsletter for your review. I am the new editor. Can you beat that? I can't believe my luck to be able to do this sort of thing. Hope you like the issue. Please let me know what you think of it. On a sadder note, I sent a short story that I wrote to Woman's World, and they returned it to me. Sigh, my first rejection slip! <grin> I shall be sending it out again, though, as I refuse to accept defeat that easily!

One of the reasons I am writing is to let you know about another UPCHURCH researcher. Her name is Kathy Cobb and her address/phone is: 331 Main Street, Griffin, GA 30223 (404) 228-7195. I have somehow misplaced that large flow chart you sent me, so I am unable to trace down her UPCHURCH relatives. I have included her Family Group Sheets for your review. Are these entirely new family members, or are you aware of them? I am also enclosing some blank Family Group Sheets for your use. If you would please complete them and return them to me, I will enter them into my computer and return original, computerized sheets for your use when sending out to other UPCHURCH family researchers.

Now, in response to your lovely letter of 2 Jan 1994, I apologize for the delay. Sometimes I do get behind, but you can understand why - in this case, anyway.

Have you been able to get to Graham Co. recently? You are right in that Martin Joseph BAILEY would have been Franklin William ROGERS' nephew. I guess I got carried away! <G> I, too, am hopeful that more evidence comes about proving Mary Jane YORK and Mary Jane WOODS, but I'm not certain what would evolve, unless one of her sisters' children's children has information. I have no idea where any of them may be.

Sutro Library's current budget does not contain enough in it to order the UPCHURCH BULLETIN. At the moment, our finances are a bit strapped, too, or I would order it for myself, and send it along to them after I had read it. I will explain a wee bit later why the finances are so strapped.

Ruben Capers ROGERS' father was, indeed, Aaron and his mother was Nancy UPCHURCH. Sarah was Ruben's aunt, Nancy's sister. I have sent a letter to the Pioneer Museum in Sweetwater and asked them if they couldn't possibly send me a copy of the photo they have of my Great-Great-Great Grandmother. I haven't heard a thing from them - sniff. If they happen to send me a copy of her photo, I will send one to you, too. Nice to have photos of the family hanging around the house, isn't it?

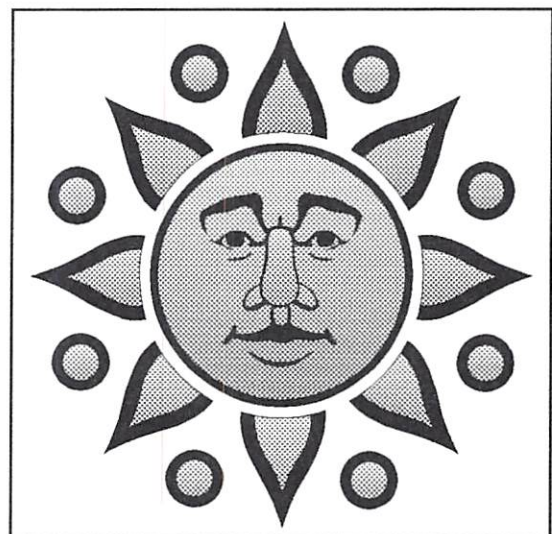

Now, as to why our finances are strapped; Christopher is the only one working at the moment and we have a "house guest." John is an AIDS patient and contributes very little to his existence here. He's been with us since May, and I don't expect him to be leaving anytime soon. On top of all of this, my daughter, Alicia, is going to have a baby in January or February of 1995 [shades of Martha YORK! <G>] So, we have to begin preparing for this event, too. Ah well, we will be grandparents next year! Could be worse, I suppose.

I forgot to mention that I have upgraded to a 486/33 with CD-ROM. I also upgraded to WP6.0a and I have a really neat desktop publishing software, too. The DTP is Publish IT! by Timeworks. It's what I did the newsletter on. Just thought I'd let you know.

I guess that's about it for now, Phil. Do take care and I hope to hear from you again, soon!

Best wishes,

*Louise*
