Dear Cousin Helen,

For ease of mailing I am sending this letter and attachments in a packet to Cleo. I am sure it will find its way to you.

Thanks for your letter of 10 AUG 1994 and the details. Due to the complications of moving I have just received this information. Your input makes a significant contribution. I have revised the master outline for the meta Eleanor (U) Beard Family and the updated version is provided herewith for your use along with a list of questions on what is missing. I am sure you and Cleo can put your heads together and come up with some of the answers. I'll appreciate anything you have or can get. Actually the master outline is in pretty good shape and I understand we will probably never have all of the answers. It's my job to keep asking.

I can appreciate your comment about it being hot in Arizona. I tend to ignore

The weather (as long as I am not exposed to extremes or an extended) but the hot weather better. She much prefer the four seasons which is part of the reason we now live in Missouri.

Florida is on our list to visit but it is not clear when we can come. We will do TN & NC the last two weeks in MAY and TX the first two weeks in NOV. We have talked about a winter trip to FL to be there in good weather. That means DEC 95 or JAN, FEB, MAR 1996. We have no definite plans and need to keep sorting out our new life in order to lay out a more complete schedule. We will certainly look forward to seeing you, Gil and Cleo when we come.

Helen, if there are any questions you have on your Upchurch heritage please let me know. I have a strong impression of your great grandparents John & Eldora U. My parents were married in their home (Valentines Day 1920) and they are all buried in Inwood Cemetery in Wake Co, NC.

Sincerely yours
Phil Upchurch

Dear Cousin Helen,

We had been in Northern Arizona for an Alumni Retreat (part of my University business) from 14-17 JUL 94 and when we returned we found the recording of the telephone message that you had been in Tucson and had tried to reach us. I am very sorry we missed you and Gil. Ordinarily we are in town on the weekends.

Today I called Cleo to get your address and she tells me you are still in AZ but will be leaving to return to FL today. She also indicates you had a nice visit with Annie Laurie which is good to hear. I have not been in touch with her for a year or so but had tried to contact her by phone on 14 JUL and 17 JUL hoping to drop by on our way back from Northern Arizona. However, I only got a recording. Since we will be moving to Missouri this fall, I was hoping to see her before we move. Perhaps it will

yet be possible to see her before we move.

After we move we will be busy doing lots of things in our so-called "retirement". However, I still hope to have more time to travel as regards family history and will try to lay out a five-year travel plan - FL would certainly be on the list.

The Upchurch Family History project continues to make excellent progress. Details come in from all sorts of sources and in all sorts of ways. I stay busy processing all the information. Pro herewith is a sheet showing what is missing in your immediate family. I'll be grateful for any details you have or can get.

The next time our paths nearly cross let's hope we have better luck and can actually get to meet. Hope you and Gert enjoyed your visit to Arizona. After 19 years here there are still parts of it we have not seen.

Sincerely yours
Phil Upchurch

Dear Cousin Phillip:

Thank you so much for
the use of the book -

We enjoyed it very much
As I copied most of it for
Cleo -

She's not feeling too well -
but enjoys her genealogy very
much -

Cleo wants you to know there
has been a death as a birth
in the family and she will
write + tell you about that.

I'm returning in June
from Salt Co. School Board
driving a bus 13 years is enough.

Have a good summer -
If you + your family are in
FL - please look us up.

Dear Cousin Helen,

As usual I am a little behind in my genealogical paperwork. Over the past week-end I did catch up some and once again went over your letters of 7 JAN 88 and 1 MAY 88 to make sure everything is taken care of.

I hope the book was of some value and that your applications will be successful. Membership in DAR & CD will be a source of pride to you and Leo and I will also be proud for you. You will have paved the way for others. If there is other information you think I can provide please let me know.

You mentioned the land. We are up to four farms and 580 acres now. This is a source of great pride also and we hope to acquire more if the Bank will agree. Having farm land means I will never retire as there will always be work to do. However, I hope to retire from the University in about

five years more or less

By now you will have been asked
about a month. I know it must be
a great feeling to have control of your
own time. Please share some of it
with us on the genealogy side.

I am continuing to plan for
an upchurch lecture in Atlanta but
don't have a date yet. Perhaps you
and Cleo could drive up for the
occasion if you can find enough
reason to come in that direction.
Everyone needs to go to Atlanta now
and then.

I do feel good to be caught up on
my correspondence with you and Cleo
but I hope one or both of you will
put me behind again by writing soon.
Sincerely, I hope to be more prompt in
the future.

Sincerely yours
Phil Upchurch

Dear Phillip

Happy New Year! Good to hear from you - I thought you had forgotten your cousin in Fla -

I was going to write to you anyway for information, if you had it.

I've answered all the questions that I know - just wish that I knew all the dates - it really never entered my mind until I became interested in family history - it's amazing how much you don't know until you write it down and look at it - enough of that!

Also am I need info:

- 1- Connecting James I to and Richard II for Colonial Dames - I wrote to the C.D. chapter of Michael W. and received no answer -
- 2 Document or info on British in War 1812
Archives says records are lost

Please keep copies for Cleo from
the Upchurch book - we did not
know there was a book - where do
we buy one -

Cleo says you are buying
property - maybe to retire -
Good luck - this will be my last
year as a bus driver for Park City -
13 yrs is long enough.

Thanking you in advance -
Have a good year.

If you have time please send info -
we'd like to join this year before
June -

Delia B. Miller

Dear Cousin Helen,

I have just finished extracting your letter of 5/10/87 and one from Cleo dated 23/06/87 & 3/00/87. It is amazing how time flies as one cycle from one project to another. The material you sent help to improve the Master Outline considerably. A sheet is enclosed showing what is missing for the family of Anne Eleanor Board. Use your own judgement as how much time to spend on these. Any help will be appreciated.

It is really good to have you and Cleo helping trails to join the various Societies. I have not done this but feel that it is very important for someone in our family to be doing this. We each contribute in our own way.

Your contribution to the Uplands Rewards Fund and your words of encouragement are much appreciated. Good hunting in 1988!

Dear Cousin Helen,

I think I am up-to-date on correspondence with you or best I can tell from reexamining the files. However, if I am delinquent let me know what information is needed. I sent a letter to Cleo dated 3 MAY 87 and assume she will share that with you. The press of other duties had kept me from fully processing her letter until recently but all is now up-to-date.

Cleo mentioned that you might go to New Orleans this summer. If you had time to check the newspaper files for OCT-NOV-DEC 1911 or JAN 1912 I am sure you would find something on Wright E. Upchurch and on how he died. At first the story was that he was murdered but later it was that he was killed in an accident at work.

Congratulations on your DAR membership!

Sincerely yours

Phil Upchurch

Dear Cousin Helen,

There is no response to your letter of recent date which arrived 29 Nov 86. I am delighted that Cleo enjoys our Uphurch history project and that you want to provide her with some more materials. I have scanned Vol 4 of the U B and cannot find the passage to which you refer. I do remember writing something about some English Mills & Seeds from the 1600's but I suspect they would not enlighten Cleo that much.

In any case I have elected to send a copy of my biofiles for each of Cleo's ancestors back to Michael & I. Nathan & I a biofile has been excluded as I sent that to her earlier. Perhaps you can "dress up" these items for a present. There is no charge. Sometimes, if you feel like it, you could make a contribution to the Uphurch Research Fund, but that is not essential.

Sincerely yours,
Phil Uphurch

Dear Philip:

Clio was so excited to hear from you - it's like a whole new world has opened up for her.

She will write in a few days - She's waiting for death certificate for John + Eldora Upchurch.

She has many questions for you -

I am Helen, Clio's niece (Annie Beard's eldest daughter) and we are going to N.C.

this ² summer to visit the cemeteries and home sites of "lost ones" in Raleigh + Kernsville.

It's very hard for her to write as I do most of it for her -

Looking forward to the U. Books!

Sincerely,

Helen Miller

Dear Phillip,

What a wonderful joy
your Upchurch Bulletin's have
been to Aunt Cleo Hill. Such
wonderful information about
past generations

She in turn has enjoyed
sharing with you what part
of family history she had with
you.

Because she lives alone and
doesn't go out much this has
been a wonderful asset for
her.

In your Vol 4 on 2
forgot to write the page down

2
You mentioned that you had information on papers that you would share with a serious Upchurch researcher.

I would love to have this for Cleo's Christmas, I'm wondering would you send this to me for her - I'd be more than glad to pay for this.

Have a good holiday and that's so much for all your help - hope you received a letter A. Cleo wrote awhile back

Sincerely,
Helen Miller

Dear Phillip:

Time sure flies in
Lake Wales - please excuse
the delay in thanking
you for the extra LP material
you sent to Cleo -

She was so pleased and
such a nice surprise too -
Then for an extra hour
she picked up on the part
where you had visited the
Calouise Jones Headquarters -
We're wondering if we could
write for information to see
if we qualify for the society.

Hope your holiday was
great - We are all kind of
busy with researching

Sincerely

Helen Miller
