Thursday to mark 125th anniv. of signing of occupation treaty

Thursday, April 26, marks the 125th anniversary of the signing of a peace treaty at Bennett Place near Durham, ending the Union Army's occupation of the Apex area.

A peace treaty signed by a representative of the Army of Gen. William T. Sherman and Confederate Gen. Joseph Johnson was signed April 26, 1865.

About 30,000 Union troops had occupied Jones Crossroads, which became Apex, and surrounding areas of Holly Springs, Avent Ferry and New Hill on April 18. The troops comprised the middle wing of a three-winged occupational force moving from Raleigh.

The troops remained in the area until April 28, when they began heading back north.

Bennett to close drug store at end of this month

Apex is losing another downtown business which will be closing at the end of this year.

Charles Bennett Jr., owner and operator of Bennett's Pharmacy downtown said last week he will close the drug store December 31.

Bennett has operated the pharmacy since October, 1977. His father, Charles Bennett, Sr. announced several weeks ago that he will close his long-time downtown clothing store, Bennett's Clothing and Shoes at the end of this year, also.

The younger Bennett said it was only coincidental that the father-son businesses had announced their closings at nearly the same time.

Bennett will begin work January 2 with the Kerr Drugs chain, somewhere in the Cary area.

Bennett did not elaborate on

his reasons for closing the business, to which he has devoted much of his time and energy to, since it opened. He did say that Kerr had made him an attractive offer he couldn't refuse.

Financial and health problems also probably are contributing factors to Bennett's decision to close the corner drug store.

Bennett, who is a member of the Apex Town Board of Commissioners, said he hopes his new job will not conflict with his town board duties. "I hope we can work that out," he said.

Bennett said he is in the process now of selling off the stock in the front section of the pharmacy. "The pharmaceutical drugs we will either return to the distributors or sell to other drug stores," said Bennett.

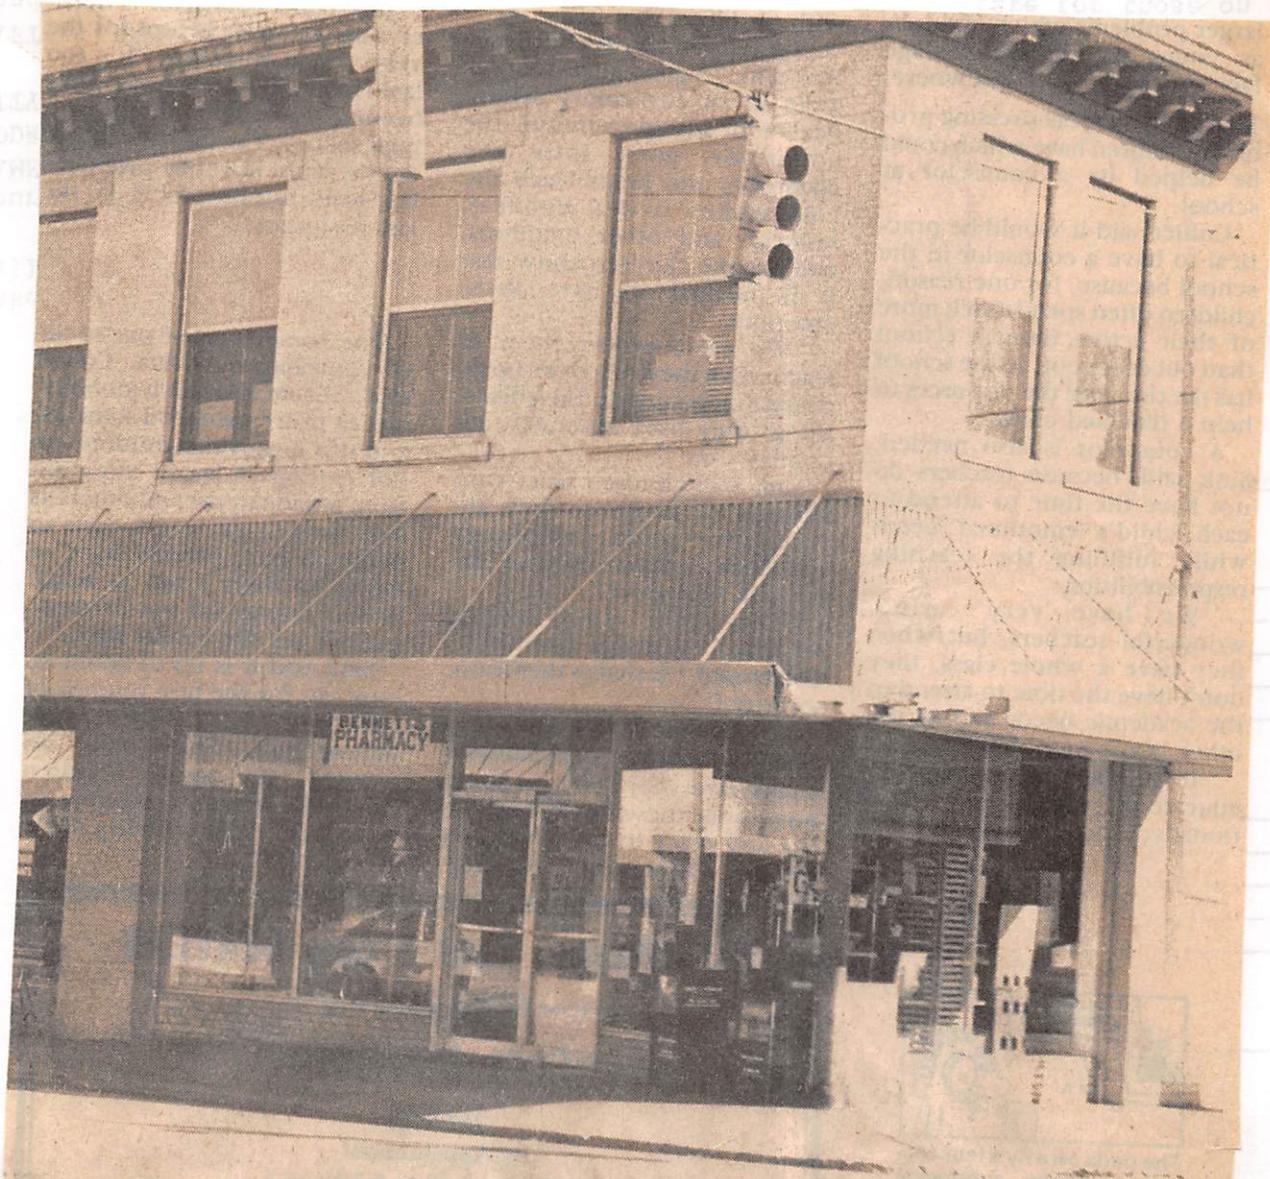

The building where Bennett's Pharmacy is located is owned by

Jennings Booth of Apex. Bennett said he probably will extend his lease at the building a few months to have storage space, and that then the building space will be vacant.

Bennett, 46, worked as a pharmacist in Cary prior to opening the business here in town. The drug store has been a downtown business district landmark since the early 1900's, when A.V. Baucom first operated his Apex Pharmacy there.

Over the years the drugstore ownership changed hands, and was moved down N. Salem Street for a time. Under the ownership of Mrs. Margaret Perry the pharmacy moved back to the corner in the mid 1950's.

Except for a stint as a furniture store, and a few years vacant the corner where Bennett's Pharmacy is now has been the site of a drug store since Apex's earliest days.

Charlie Bennett, Jr., announced last week he will close his drug store at the end of this month.

Woohoooo... guess what I found!!!!

While searching and looking for information on Michael Upchurch, I, I've run across something pretty interesting. We still need to do more investigating to prove it all, so I thought I'd enlist your keen observation powers!

In the endorsement of Ferrar for the first letter written by Michael in 1650, it is noted that he *lives neere Cussell Creek nor far from Warrisqueke by Mother Bennett's plantation* [Isle of Wight County]. That particular location has not been identified as far as I can tell reading all the *Upchurch Bulletins*. I think though I may have found where he was talking about.

There was a widow Alice Bennett whose plantation was known as Warrascoyack. In April 1644, she bought 150 acres of land between Castle Creek and Cypress Swamp. Another reference is made to her in 1644 as Robert Lawrence buys land located on the *eastermost side of Lawnes creek adjoining the land of widow Bennett*.

Alice, as best I can determine, was the widow of Robert Bennett, son of Edward Bennett. Edward, of London, obtained a patent from the Virginia Company to establish Bennett's Plantation in 1622. There's a plethora of data on these folks!

I pulled a bunch of info on these folks trying to determine if I was on the right track. There are several references of a Castle Creek that appears to meet or merge with Quarter Spring. Both those names are listed in numerous descriptions of land transactions. It looks like this would have been in the northeastern part of Isle of Wight County, near Hog Island in Surry County. Reference is also made to it being near the town of Smithville, Virginia.

Doesn't this sound plausible? I do feel I've made a good find to solve the confusion about *Cussell Creek*! If you look at the handwriting where it's written, it actually looks like it could be *Castle* or *Castile*.

Cool!

Wooohoooo... guess what I found!!!!

While searching and looking for information on Michael Upchurch, I, I've run across something pretty interesting. We still need to do more investigating to prove it all, so I thought I'd enlist your keen observation powers!

In the endorsement of Ferrar for the first letter written by Michael in 1650, it is noted that he *lives neere Cussell Creek nor far from Warrisqueke by Mother Bennett's plantation* [Isle of Wight County]. That particular location has not been identified as far as I can tell reading all the *Upchurch Bulletins*. I think though I may have found where he was talking about.

There was a widow Alice Bennett whose plantation was known as Warrascoyack. In April 1644, she bought 150 acres of land between Castle Creek and Cypress Swamp. Another reference is made to her in 1644 as Robert Lawrence buys land located on the *eastermost side of Lawnes creek adjoining the land of widow Bennett*.

Alice, as best I can determine, was the widow of Robert Bennett, son of Edward Bennett. Edward, of London, obtained a patent from the Virginia Company to establish Bennett's Plantation in 1622. There's a plethora of data on these folks!

I pulled a bunch of info on these folks trying to determine if I was on the right track. There are several references of a Castle Creek that appears to meet or merge with Quarter Spring. Both those names are listed in numerous descriptions of land transactions. It looks like this would have been in the northeastern part of Isle of Wight County, near Hog Island in Surry County. Reference is also made to it being near the town of Smithville, Virginia.

Doesn't this sound plausible? I do feel I've made a good find to solve the confusion about *Cussell Creek*! If you look at the handwriting where it's written, it actually looks like it could be *Castle* or *Castile*.

Cool!

GRACE

BENNETT

FROM: COLONIAL GRANVILLE CO, NC - BY: WORTH S. RAY PG 208

GREEN HILL. The marriage bond of Wyatt Wills to Nancy Garner, dated August 4, 1802, was witnessed by GREEN HILL, Clerk of Franklin County, who was a son of the GREEN HILL, born, as Dodds says on page 312 of his "Seventeenth Century Isle of Wight" Nov. 14, 1741 in BUTE COUNTY, N. C. and died in Williamson County, Tennessee in 1826. This is error because the text of the account shows that the 1741 date would apply to EDGECOMBE COUNTY, as even then, GRANVILLE COUNTY had not been set aside and organized. So, this shows, that the GREEN HILL who lived South of Louisburg across the Tar River, where Bishop Coke held the First North Carolina Methodist Conference at his home in 1785, which Bishop Asbury attended, was in Williamson County, Tennessee, in 1812, and it was his son GREEN HILL, who was Clerk of Franklin in 1812. (Green Hill, father of the 1741 Green, married GRACE BENNETT, daughter of WILLIAM BENNETT and was father also of many children, including GREEN and JORDAN HILL, whose name appears on the 1800 census list given in this sketch.) The Green Hill who was Clerk of Franklin in 1812 married Mary Long, who was obviously a daughter of GABRIEL LONG and his wife SUSAN RICHARDSON, of Halifax County. Gabriel Long was the son of COL. NICHOLAS LONG, of Halifax. Nicholas Long, son of Nicholas and brother of Gabriel, appears on the 1800 census in Franklin also, though the Georgia Records show that he was and had become a leading citizen of WILLIAMS COUNTY, GEORGIA, a little after or about this time. The GREEN HILL who was Clerk of Franklin County in 1812, and who married the grand-daughter of COL. NICHOLAS LONG, of Halifax County, probably did not remove to WILLIAMSON COUNTY, Tennessee, with his father, since the father was living in Tennessee in 1808, according to Bishop Asbury (p. 312 Dodds's 17th Century) while his son was still in Franklin County even four years later, holding a county office. However, GREEN HILL the younger afterwards moved to ALABAMA and settled in GREEN County, where his family also went, including a son GABRIEL HILL, born in 1811, evidently in Franklin County, N. C., who married ELIZABETH EPPS MURPHY. The son GABRIEL HILL and his wife ELIZABETH had WILLIAM, RICHARD, GRACE, GABRIEL and ANNE LIZA HILL, the latter becoming the wife of NICHOLAS TURNER SORSBY (b. N. C. 1817), son of ALEXANDER SORSBY, who died in NASH COUNTY, N. C. in 1818. Sorsby and his wife ANNE LIZA HILL were the parents of NUGENIA REBECCA SORSBY (b. 1854) who married ROBERT JAMISON or JAMISON, who was in some way related to the GRACEY FAMILY, of GRANVILLE County, who settled in TUSCALOOSA, ALABAMA.

HISTORY OF SWIFT CREEK TSP - WAKECO, NC

28 JUN 2006 (WED) Injunct to RPA & Monk Perry by Hope (Shearon) Fernweyhouse in a unit in her home 3:15 - 4:45 PM by prior arrangement. When Monk wife Nancy called Hope she said she would not see us if we wanted to by land - must come after 3 PM - not at supper time

Hope tells the story of Ramcat which her mother told her. The British and French had trouble with the Regulators at Hillsboro. A troop was sent west from Newbern to quell the uprising. They arrived at the present day intersection of Tryon Rd & HWY 401 & camped - from which they departed for Hillsboro. Some of the troops were from Ramsgate England - hence the name albeit vulgar.

I told Hope how much I and others respected her mother.

Hope's husband was cutting grass when we first arrived. Hope came out. We waited in the yard. I finally suggested we sit down. She asked us to go in & we all did. Strangely she stood up the whole time. She struggled with memory but managed to the conversation and in the end had a big smile. I was struck by her facial hair which was most distracting. She went to High Wesson my 2nd year there.

○ Excerpt from a letter written 8 OCT 1991 by Jacqueline
Shearson & the pastor of Inwood Church in Wake
Co, NC expressing her joy of having lived in the Community

Going 'way back once more, I think of Mr. Dave Smith, who used to have the store up at the corner. He would always have his pockets filled with Hershey's Kisses (we called them Silver Tips at the time). And after church he would see to it that all the children had some. He had a big bushy moustache and such a gentle spirit. My daddy used to take me for a walk through the woods, and it always amazed me how he could find the Smith's home, or Mr. and Mrs. Shearson's, who we also loved to visit. Mrs. Smith was always bedridden, but Mr. Dave and Miss Mimmie, their daughter who lived with them, were always so tender, loving and caring for her. She always had a smile on her face, and my little finite mind couldn't comprehend how she could always be smiling when she had to be in bed all the time. Her other daughter, Hilda, was my aunt, married to my mother's brother, Uncle Fab Johnson. To this day she is my favorite person in the world. □

○ From notes of RPH & Willy Albert Perry visit to shop of Samuel Alburn Johnson, III (AKA SR & SAM) on Lake Wheeler Rd in Wake Co, NC - EXCERPTS BELOW RE LOCAL EVENTS

Sam, Sr. in 1924 Greenville, NC & lived there 6 years
 In 1940 at 16 he took over driving the school bus to Cary with a drop off in SC Elementary. He took over from "Walter Jones" - In the interim until Sam could reach 16 "Harold Price" drove for a couple of months thinking he would get the job but
 R. S. Burnham "POP" was in charge of Bus & picked Sam

James Young (3/4 Carl Young) drove the bus after Sam
 Apparently Sam drove the bus at Cary High only 1 year - He went to Good Hope 1/2 year & to Hugh Mason - He picked up 2 of Victoria Morris' children and the Pully children on Walnut Hill

Sam recalls Harriet Bennett Shearer vividly - Says she wanted the road named Khamkalle but Sam's father opposed her - otherwise got along OK. - He remembers George Ford running the store with Dave Smith as assistant

Remembers John Bennett running the store & that Daylon Woodall cut hair in the store

Sam went to Sundry School at Lmusood where R. L. Bennett was his teacher (3/4 TATE?)

At Lmusood Sam remembers the Jones brothers Ainge & Mr Victor David as Preacher - (He had a sister at Green Hope School)

The Holly Spring Road was worked in 1940 and paved in 1941

Lake Wheeler Rd was called Khamkalle until 1960

Sam remembers no race issues. Says OLIVIA HINDON, AF. AM from the Peach Orchard called for her family - she attended family wedding

At Carolina Pines there were walkathons
 Sam remembers picnic at Yater Mill Pond

○ From notes of RPH & Willy Albert Perry visit to shop of Samuel Alburn Johnson, III (AKA SR & SAM) on Lake Wheeler Rd in Wake Co, NC - EXCERPTS BELOW RE LOCAL EVENTS

Sam, Sr. b. 1924 Greenville, NC & lived there 6 years. In 1940 at 16 he took over driving the school bus to Cary with a drop off in SC Elementary. He took over from Walter Jones - In the interim until Sam could reach 16⁺ Harold Price drove for a couple of months thinking he would get the job but R. S. Burnham "POP" was in charge of Bus & picked Sam

James Young (3/4 Carl Young) drove the bus after Sam. Apparently Sam drove the bus/mgmt at Cary High only 1 year - He went to Good Hope 1/2 year & to Hugh Mason - He picked up 2 of Victor's Mom's children and the Pully children on Walnut Hill

Sam recalls Harriet Bennett Shearer vividly - Says she wanted the road named Khamkath but Sam's father opposed her - otherwise got along OK. - He remembers George Ford running the store with Dave Smith as assistant

Remembers John Bennett running the store & that Daylan Woodall cut hair in the store

Sam went to Sundry School at Inwood where R. L. Bennett was his teacher (3/4 TATE?)

At Inwood Sam remembers the Jones brothers being in Mr. Victor Dowd as Preacher - (He had a sister at Green Hope School)

The Holly Spruce Road was worked in 1940 and paved in 1941

Lake Wheeler Rd was called Khamkath until 1960

Sam remembers no race issues. Says OLIVIA HENRY, AF-AM from the Peach Orchard called for her family - she attended family wedding

At Carolina Pines there were walkathons. Sam remembers playing at Yates Mill Pond

○ LIVING STONES History of Inwood Bapt Church 2000 WAKE CO, NC

PG 64

Following the five-and-a-half year tenure of Dr. A. S. Putnam (1923-1929), C. H. Norris served from January 30, 1930, through February 28, 1932. According to the agreement, he preached one Sunday morning and another Sunday evening each month. It was he who asked the church, in September, 1931, to make a decision about when regular business meetings were to be held. The church decided that they would be held "after church on 4th Sundays - if there is no 'rule' against it."

Following Norris' departure, J. G. Blalock agreed to preach twice a month until a new pastor was called. Harold Wilson chaired the committee to search for a pastor. The committee consisted of all the deacons, two other men, and two women. It was not until July 7, 1932, that the committee reported that "they had found three men, Bro. Blalock, Bro. McCarter and Br. Andrews either of which would serve as pastor." Blalock was already well-known to the congregation because he had been serving the church as "interim" preacher.

Jesse McCarter was invited to preach on the third Sunday of that month, July 21st. Following that service, the church met in conference, with N. G. Duncan as moderator *pro tem*. All three of the above-named ministers were put before the congregation, and Duncan was nominated as well! McCarter was elected on the first ballot and agreed to conduct services on the first and third Sundays of each month. It was during McCarter's pastorate that the church building was burned and the new building erected. Within a year after services were begun in the new building, the relationship between McCarter and the congregation soured. The minutes for the conference of June 14, 1936, report that

The Board of Deacons had previously held a meeting and at this time the chairman reported that they recommended that the pastor be asked to resign for lack of cooperation and criticism. Mr. John Bennett amended the report by asking that appreciation be expressed for the pastor's efforts. Clerk of church to notify pastor. The Board of Deacons were appointed to recommend some one else for pastor.

HISTORY OF SWIFT CREEK TSP - WAKECO, NC

28 JUN 2006 (WED) Inpt to RPA & Monk Perry by Hope (Shearon) Fernweyhouse in a unit in her home 3:15 - 4:45 PM by prior arrangement. When Monk's wife Nancy called Hope she said she would not see us if we wanted to by land - must come after 3 PM - not at supper time

Hope tells the story of Ramcat which her mother told her. The British and mounted had trouble with the Regulators at Hillsboro. A troop was sent west from Newbern to quell the uprising. They arrived at the present day intersection of Tryon Rd & HWY 401 & camped - from which they departed for Hillsboro. Some of the troops were from Ramsgate England - hence the name albeit vulgar.

I told Hope how much I and others respected her mother.

Strangely she stood up the whole time. She struggled with memory but warmed to the conversation and in the end had a big smile. I was struck by her facial hair which was most distracting. She went to High Mason my 2nd year there.

Lemuel Dorsey Bennett was indeed a child of Sarah E. Upchurch and Wilkie E. Bennett. He apparently had not married by 1945 when he was still living with his father. His occupation in 1935 was "invalid", but by 1945 was a ship fitter. Amazing recovery. (Wilkie died 1946 in Florida. I have not been able to determine where he is buried. I surely would have thought it to be Jones Cemetery in Callahan).

HISTORY OF SWIFT CREEK TSP - WAKECO, NC

28 JUN 2006 (WED) Input to RPA & Monk Perry by Hope (Shearon) Fernweyhouse in a unit in her home 3:15 - 4:45 PM by prior arrangement. When Monk's wife Nancy called Hope she said she would not see us if we wanted to by land - must come after 3 PM - not at supper time

Hope tells the story of Ramcat subduing her mother told her. The British and mounted had trouble with the Regulators at Hillsboro. A troop was sent west from Newbern to quell the uprising. They arrived at the present day intersection of Tryon Rd & HWY 401 & camped - from which they departed for Hillsboro. Some of the troops were from Ramsgate England - hence the name albeit mispronounced.

I told Hope how much I and others respected her mother.

Strangely she stood up the whole time. She struggled with memory but managed to the conversation and in the end had a big smile. I was struck by her facial hair which was most distracting. She went to High Mason my 2nd year there.

Floyd was expelled from Cary High in 10th Grade over a School Bus Incident involving Eva Warner, also involved Jack Truelove, R. L. Bennett, Billy Anley, Floyd + Stanley Anley [* = Expelled]. The argument was over saving seats. One of those involved boned Floyd's trunk. Floyd went to Haeferd, NC to school 1 year - but then back to Cary - but dropped out.

Note: At the Cary High Reunion on 4 MAY 2007 I mentioned the above to Eva Warner. She did not seem to recall it. David Martin overheard the conversation and said he thought Floyd was expelled for fighting with him. Perhaps this was Floyd's second "event" - RPA

— Yesterday Mr. William G. Upchurch sold from his stock farm, to Mr. J. T. Brendon, a prominent and progressive farmer of Bennettsville, S. C., a number of fine cattle from his herd of Jerseys. There was a bull, "Duke of Norfolk," five years old, and three cows, aged nine, seven and two years, each with a calf by her side, the price paid for the lot being \$735. The cattle are all thoroughbreds. We regret to see such splendid stock leave the State.

Woohoooo... guess what I found!!!!

While searching and looking for information on Michael Upchurch, I, I've run across something pretty interesting. We still need to do more investigating to prove it all, so I thought I'd enlist your keen observation powers!

In the endorsement of Ferrar for the first letter written by Michael in 1650, it is noted that he *lives neere Cussell Creek nor far from Warrisqueke by Mother Bennett's plantation* [Isle of Wight County]. That particular location has not been identified as far as I can tell reading all the *Upchurch Bulletins*. I think though I may have found where he was talking about.

There was a widow Alice Bennett whose plantation was known as Warrascoyack. In April 1644, she bought 150 acres of land between Castle Creek and Cypress Swamp. Another reference is made to her in 1644 as Robert Lawrence buys land located on the *eastermost side of Lawnes creek adjoining the land of widow Bennett*.

Alice, as best I can determine, was the widow of Robert Bennett, son of Edward Bennett. Edward, of London, obtained a patent from the Virginia Company to establish Bennett's Plantation in 1622. There's a plethora of data on these folks!

I pulled a bunch of info on these folks trying to determine if I was on the right track. There are several references of a Castle Creek that appears to meet or merge with Quarter Spring. Both those names are listed in numerous descriptions of land transactions. It looks like this would have been in the northeastern part of Isle of Wight County, near Hog Island in Surry County. Reference is also made to it being near the town of Smithville, Virginia.

Doesn't this sound plausible? I do feel I've made a good find to solve the confusion about *Cussell Creek*! If you look at the handwriting where it's written, it actually looks like it could be *Castle* or *Castile*.

Cool!

Of course there were others who served in leadership positions—long-time members and newcomers. Marie Taylor Dixon, Carol Medlin Hardee, Idalia Bennett, Mrs. G. C. Strother, and Elizabeth Lassiter served as organists and pianists. Dozens of others participated in the music program of the church. Seventeen persons other than those named served as deacons. Scores were on committees, and scores taught in the Sunday School, worked in the Training Union, participated in the activities of the W.M.U. And there were untold numbers who participated without holding office.

Apex

Historical Raleigh (enlarged and revised edition)
With Sketches of Wake County (from 1771)
And Its Important Towns
Descriptive, Biographical, Educational, Industrial, Religious, Illustrated
By Moses N. Amis - 1913

△ The town of Apex had its beginning with the close of the Civil War. Among its first settlers were J. McC. Ellington, H. C. Olive, Q. I. Hudson, W. F. Utley, W. H. Harward, Brinkley Olive, A. N. Betts and others, who contributed to its life in the beginning and afterwards. It was incorporated by the Legislature of 1871-'72, with the late Hon. H. C. Olive as its first mayor. It derived its name from being the highest point on the survey of the Raleigh & Augusta Air Line Railroad.

Until 1905 it was but a small town, where the standard of virtue, intelligence and patriotism was high, but where little progress in material things had been made. In that year, beginning with the organization of a bank and the establishment of a tobacco market, began a new life for the town and surrounding community. Fire later destroying a number of unsightly frame buildings, the first brick structure was soon erected. Again, in June, 1911, nearly all the remaining old frame buildings in the business section were also consumed by fire. Now the principal street of the town (Salem) is lined with handsome pressed-brick-front stores. Business houses have continued to increase in number, until now nearly everything to complete a small city is here represented. This metropolis of western Wake is one of the busiest, most attractive and substantially built towns of its size in North Carolina. Its streets are well laid out and splendidly shaded in the residential sections, while the business part of the town is marked with buildings of beautiful architectural designs and substantial construction.

Apex has a population of about one thousand, and, being located in the centre of one of the best agricultural sections of the State, has a large rural territory from which to draw life and sustenance. It is in the limited "Old Belt" tobacco lands of North Carolina and Virginia, which produce the finest yellow-wrapper tobacco. The tobacco market at Apex is one of its chief industries. It is equipped with two splendid warehouses, three large prizehouses², markets about two million pounds of tobacco annually, and enjoys the distinction of making the highest average price per pound of any market in the State. It is the centre of a fine cotton-production section, the receipts of this staple being from three to five thousand bales of cotton per year.

Public education in Wake County has always found some of its most potent advocates and influences at Apex. Notable among those who have wielded an influence throughout the county in this respect are the late Hon. H. C. Olive, State Senator and for many years chairman of the Wake County Board of Education; Hon. L. J. Sears, at present, and for many years past, chairman of the same board, and Hon. Percy J. Olive, an ex-representative and a public man who has taken an especial interest in the schools. That these gentlemen are and were but the exponents of the sentiment around them is witnessed by the fact that Apex has one of the finest and best-equipped schools in the county, and that every school in White Oak Township levies a local tax to supplement the general education fund.

Few communities in the State have had more additions to their population within the past five years than has that of which Apex is the centre. Those seeking desirable homes have found here a happy combination of advantages—fine lands, intelligent, virtuous and hospitable neighbors, good markets, good roads, good schools and good churches. No fictitious values have been placed upon the lands; for, with the true idea of progress, the efforts of those who have done most for the community's upbuilding have been directed to keeping the real estate at its true value. Contributing mostly to this and at present forming the most valuable of its citizenship, without disparagement to others, may be mentioned Messrs. W. F. Utley, W. H. Harward, A. B. Hunter, L. S. Olive, Percy J. Olive, Dr. W. Wade Olive, S. W. Stone, J. B. Mason, J. W. Lassiter, W. B. Upchurch, J. H. Sears, A. V. Baucom, A. C. Hughes, C. P. Sellars, W. B. Johnson, A. D. Upchurch, Samuel Watkins, Jr., A. T. Seymour, C. R. Weaver, S. T. Bennett, B. H. Pate, J. R. Cunningham, S. V. Hudson, S. S. Rogers, J. R. Norris, G. C. Norris, R. J. Bolling, Dr. R. W. Stephens, Dr. R. W. Johnson, Dr. C. B. Wilkerson, J. F. Mills, S. A. Branch, W. H. F. Branch, L. J. Sears, M. G. Upchurch, G. E. Upchurch, H. B. Harward, J. R. Harward, R. L. Bagley, J. C. Burns, Q. After 78 years of business downtown Bennetts to close clothing store,

A downtown family business which ranks as the second-oldest in Apex will close its doors at the end of this year.

Charles Bennett, Sr., and his wife Marguerite recently announced they will close their clothing and shoes business on N. Salem Street at the end of December.

When the store closes, one of the last remaining links with Apex's early days will be no more.

The Bennetts has sold their building and the one next door to Bill Johnson, head of Apex Development and Realty.

Bennett said his only reason for closing the business is that it is time. "I kind of hate to do so," said Bennett.

There are only a few businesses in the downtown area that have been around since the early days. Apex Printing Company traces its roots back to the last century, and then the next

oldest business downtown is Bennett's Clothing and Shoes.

Samuel T. Bennett, Charles Sr.'s father started the store in Apex when he was sent here by two Louisburg men to open a store for them. Two years later in 1908 Bennett bought out the stock of the business and began operating it under the Bennett name.

For a brief period Bennett had a partner, but acquired all of the business for the second time in the early 1930's. The store reopened under the name S.T. Bennett and Sons at its present location in 1937, and has been operated by the Bennett family since.

"I'm just getting out of the business. I figure at 77 I'm old enough to retire," said Bennett. His father was 83 when he retired from the business.

Charles Sr. joined the business in 1937, and in the time that he has been on main street he has

seen many changes, and many businesses come and go.

He remembers when N. Salem Street wasn't paved and they used to have horse races down main street on July 4.

He also recalls when there used to be a movie theatre and a cafe downtown. He and his father used to keep the store open until nine o'clock at night to be able to sell merchandise to the departing movie goers.

In Bennett's opinion the Apex downtown area basically is the same. "Except for the canopies they added a few years ago, and the time everyone painted their store fronts," said Bennett.

The Bennetts remember when there were two alley ways downtown, one which was beside where Horton's Hardware now is located, which used to lead from main street to the blacksmith shop behind main street.

Bennett has seen the hey days when N. Salem Street was part of U.S.1 which was the major highway from New York to Florida up until the by-pass was built back in the early 1960's. He can remember when traffic was always lined up downtown, much of it passing trucks.

"Sometimes they'd stop and buy, and other times they'd just stop for curiosity. He remembers when a man from up north commented on the nature of the store, saying that there aren't many like Bennett's left.

Bennett's clothing is not a fancy place, although the intricately detailed metal ceiling is reminiscent of ornate Roman architecture.

The merchandise is stored in boxes stacked in rows upon rows on shelves that line the walls. A customer wanting to try on something can either sit down on three chairs that face the shoe boxes on one wall, or

else stand there and try it on.

Bennett's features mostly pants, shirts and shoes-the staples- as Marguerite calls them, leaving the high fashions and designer wear to other stores.

Hats and tailor-made suits used to sell better than they do now, but during a thirty-minute span last Friday afternoon, business at the slightly antiquated but friendly place was remarkably brisk.

The downtown is holding its own, Charles feels. "Eventhough a lot of them are trying to move to 55 (N.C.55, another one of Apex's important commercial districts.

The Bennetts are workaholics, particularly in these days of vanishing 40 hour weeks, and early afternoon golf games. Charles said he's only taken a few real-live vacations, and he and his wife have habitually opened the store six days a week with only Wednesday afternoon's off, for many, many years.

"You learn something new every day," said Charles. "I don't care if you live to be 100 years old."

The Bennetts do take off for the major holidays-Christmas, New Year's, Labor Day and July Fourth- but the rest of the time you'll find them at the store.

"I've just never been one of those types to take a vacation," said Bennett. "I just got into the habit of it."

Bennett is an articulate, good-humored person, who praises his wife for being the backbone of the business. One of the reasons he's quitting after 48 years is because he's having to rely more and more on Marguerite, and it's not fair, he says, to work her to death.

The two don't indicate a whole lot of retirement plans, other than to stay busy. "We've both got plenty to do," said Charles. "We won't be idle all the time."

Johnson said he has purchased one of the buildings, the one that the Bennetts' clothing store is in, and he said he has no specific plans for the use of the building yet.

Johnson said he is in no hurry to move-out the Bennetts, and has told them to take their time in closing the operation of the store.

Mrs. Jane Wesley Bruce, of Charlotte, died Saturday, April 19, 2003, one day before her 74th birthday. Mrs. Bruce was born in Rome, GA the first daughter of Rossie Upchurch and Charles Wesley Quaseybarth. Also an avid and talented golfer, she was a five time winner of the annual Women's Club Championship golf tournament at Pine Lake County Club where she was a member for 45 years. She had especially fond memories of the Saturday morning "Cat Fights", a weekly ladies golf match. Jane was the first woman elected to the Pine Lake Board of Directors. HISTORY OF SWIFT CREEK TSP - WAKECO, NC

28 JUN 2006 (WED) Input to RPA & Monks Perry by Hope (Shearon) Furneyhoughs in a unit in her home 3:15 - 4:45 PM by prior arrangement. When Monks wife Nancy called Hope she said she would not see us if we wanted to by land - must come after 3 PM - not at supper time

Hope tells the story of Ramcat which her mother told her. The Brits and the Regulators had trouble with the Regulators at Hillsboro. A troop was sent west from Newbern to quell the uprising. They arrived at the present day intersection of Tryon Rd & Hwy 401 & camped - from which they departed for Hillsboro. Some of the troops were from Ramsgate England - hence the name albeit vulgar.

I told Hope how much I and others respected her mother.

Hope's husband was cutting grass when we first arrived. Hope came out. We waited in the yard. I finally suggested we sit down. She asked us to go in & we all did. Strangely she stood up the whole time. She struggled with memory but managed to the conversation and in the end had a big smile. I was struck by her facial hair which was most distracting. She went to High Mason my 2nd year there.

GREEN HILL. The marriage bond of Wyatt Wills to Nancy Garner, dated August 4, 1802, was witnessed by GREEN HILL, Clerk of Franklin County, who was a son of the GREEN HILL, born, as Roddick says on page 312 of his "Seventeenth Century Isle of Wight" Nov. 14, 1741 in BUTE COUNTY, N. C. and died in Williamson County, Tennessee in 1826. This is error because the text of the account shows that the 1741 date would apply to EDGEWATER COUNTY, as even then, GRANVILLE COUNTY had not been set aside and organized. So, this shows, that the GREEN HILL who lived South of Louisville across the Tar River, where Bishop Coke held the First North Carolina Methodist Conference at his home in 1785, which Bishop Asbury attended, was in Williamson County, Tennessee, in 1812, and it was his son GREEN HILL, who was Clerk of Franklin in 1812. (Green Hill, father of the 1741 Green, married GRACE BERRY, daughter of WILLIAM BERRY and was father also of many children, including GREEN and JORDAN HILL, whose name appears on the 1800 census list given in this sketch.) The Green Hill who was Clerk of Franklin in 1812 married Mary Long, who was obviously a daughter of GABRIEL LONG and his wife SUSAN RICHARDSON, of Halifax County. Gabriel Long was the son of COL. NICHOLAS LONG, of Halifax. Nicholas Long, son of Nicholas and brother of Gabriel, appears on the 1800 census in Franklin also, though the Georgia Records show that he was and had become a leading citizen of WILKES COUNTY, GEORGIA, a little after or about this time. The GREEN HILL who was Clerk of Franklin County in 1812, and who married the grand-daughter of COL. NICHOLAS LONG, of Halifax County, probably did not remove to WILLIAMSON COUNTY, Tennessee, with his father, since the father was living in Tennessee in 1808, according to Bishop Asbury (p. 312 Roddick's 17th Century) while his son was still in Franklin County even four years later, holding a county office. However, GREEN HILL the younger afterwards moved to ALABAMA and settled in GREEN County, where his family also went, including a son GABRIEL HILL, born in 1811, evidently in Franklin County, N. C., who married ELIZABETH EPPS MURPHY. The son GABRIEL HILL and his wife ELIZABETH had WILLIAM, RICHARD, GRACE, GABRIEL and ANNE LIZA HILL, the latter becoming the wife of NICHOLAS TURNER SORSBY (b. N. C. 1817), son of ALEXANDER SORSBY, who died in WAKE COUNTY, N. C. in 1818, believed to have been the son of SAMUEL SORSBY who died in Nash County in 1791. Nicholas Turner Sorsby and his wife ANNE LIZA HILL were the parents of NUGENIA REBECCA SORSBY (b. 1854) who married ROBERT JAMISON or JAMISON, who was in some way related to the SORSBY FAMILY, of GRANVILLE County, who settled in TUSCALOOSA, ALABAMA.
