REC'D  
15 OCT 1999

Dear Phillip;

It has been some time since we have corresponded, Hope all is well you you and your family. Our family is well and busy. Charles and I have been traveling some the last couple of years so we are in and out. I have been re-searching in between trips.

- +□ I have been researching several of my lines that all run together both mine
  - and Charles. In some of my re-search I have come across three of the Upchurch
  - +□ girls. Who have Married Cantrell men. I have not been able to connect
  - +□ them unless they belong to Joseph and Martha Bradley Upchurch. so decided to
    - send to you with the hope that maybe you will know. Maybe they will be
    - +□ helpful to some one else. Time frame is around 1810-1840's Charles and I both
      - have Cantrell lines and all from same area in Spartanburg SC and NC. They
      - worked their way into Tennessee around 1810-1814 mostly from Spartanburg
      - Ccounty, South Caroline. They have all inter married. With deeds I have
      - traced them, from Spartanburg to White, Warren, and DeKalb Counties. Also
      - some wills, & Admix.
    - Now I will get to the names.
- b. 1774 d. 1845<sup>+</sup>
- △+△ Abraham Cantrell and wife Sarah Durham Several Children Namely:
  - △+△ George Cantrell Married Mary Blair.
  - △+△ Anna Cantrell Married Felix Upchurch (I think this is the one in DeKalb
    - county, TN
  - △+△ Joseph Cantrell married Cynthia McDowell
  - △+□ Mary Cantrell Married a Mr. Bradley
  - △+△+△ Chester Cantrell<sup>6/8/23</sup> married Rhonda Upchurch 2nd Sarah Blair,
  - △+△ Maliase Cantrell married William Fuston
  - △+△ Charity Cantrell Married William Neal
  - △+△ John Cantrell married Matilda Cantrell

- Δ+Δ Felix Cantrell married Anna Upchurch
- Δ+Δ Archillies Durham Cantrell married Samatha .E. Rogers
- Δ+Δ Benjamin Cantrell married R. Pitte
- Δ+Δ Berry<sup>1825</sup> Cantrell married Sally Upchurch.
- Δ Berry was and Exe of his fathers will.

Most of the records are from DeKalb County TN. (which was part of White & Warren County TN before DeKalb was formed.) after 1814 and before that they are from Spartenburg. I am making progress with some of my lines and mostly now its a matter of luck such as this of running into something while researching some one else. I really don't mind have the lucky brakes sure do need them to keep going some times. Don't have any marriage dates on these. They were on some records. The area of DeKalb would point to these being the

☐ girls of Joseph but unless I have a will or land transfers I can not prove them. Hope they will be helpful to you and also to someone else.

Sincerely

☐ Joyce Martin

Dear Cousin Joyce

I was delighted to learn from your letter of 7 OCT 1999 that your interest in family history continues along with the travel that you and Charles undertake. Thanks for the details in your letter which have now been processed. Enclosed are sheets [A] to [E] which will help with our interaction on the material you sent.

[A] This is an extract I made of your letter. Copies have been made for the profile of each of the 30 or so names listed and now reside in my huge profile system

[B], [C], [D] - Details I found in my profile system that match with details in your letter - re Abraham Cantrell, Anna Cantrell & Felix G. Cantrell

(2)

[E] A copy of my master outline sheet for Joseph U b1775 as pertaining to his 5 unknown/unnamed daughters. One presumed dau on another page in Rachel U.

[E] Page 6 of Joseph U b1775 Biopls. Not Entry 12. This reveals the presence of several daughters - It would be easy for Rhonda, Ann & Sally to fill three of these slots.

I have Biopls on several hundred Cantrell's who were somehow involved with the Upchurch Family (not all relatives). A lot of them are in NW North Carolina, Fentress Co, TN, Wayne Co, KY and in IL. If you have an easily reproduced list of the Cantrell batches that belong to you & whether you could send me, I'll be glad to spot check it to see if I can match up anything.

Your letter comes at a very opportune time. Our cousin John Lead U, a descendant of Joseph U b1775 has now hired a professional genealogist in Salt Lake City, UT

with the objective of learning the father  
 of Joseph U. b. 1775. I have sent John a  
 copy of my base material on Joseph  
 U. so his researcher does not have to  
 reinvent the wheel. We hope for a report  
 in the next several weeks.

The names of Rhonda, Anna & Sally were  
 new to me. It seems to me almost a  
 certainty they were daughters of Joseph U. b. 1775.  
 However, it would be quite nice to have  
 some more details so we could become  
 more & more certain. Somewhere there ought  
 to be a census, court record, etc that would  
 be helpful in this regard.

I'll look forward to our continued  
 exchanges.

D. S. Sallaire & I &  
 our childrens other  
 families are doing  
 great. We stay  
 busy, busy!

Sincerely yours

1) Joyce reports  
these three

of Joseph  
U b 1775

We still don't know the parents of Joseph U b 1775 (VA) but I live in hope. There may be details in Brunswick Co, VA that would help me. On my next trip to NC I plan to spend a day in Brunswick Co, VA to get oriented as to the status of information there. In a recent U B I detailed the great importance of this County to all living Upchurch.

One thing that unsettled me about the huge collection of details about the descendants of Joseph U b 1775 (VA) is that they did not fit into my plan of keeping records. With quite an investment of time I have now developed an interim system for the family that helps me. This system involves assuming that Joseph U b 1775 is a member of the 5th generation of the Upchurch family in America (There are 22 such known individuals)

I operate on the basis that he made a GROUP (as opposed to a CLAN). Thus I can talk in terms of the Joseph U / Ambrose F. U Subgroup to which you and Charles belong. I am not yet willing to assign XID number as this should, if possible, wait until we have identified the parents of Joseph U b 1775.

For Joseph U b 5 DEC 1775 (VA) we know he mtd 21 JUL 1804 (Rutherford CO NC) Martha "Patsy" Godley b 12 JAN 1789 (NC) and that she died about 1865. They had sons Ambrose F. U, Wilson U, Felix George U, and Enock S. U + daughters Rachel U + 5 other daughters not yet named.

Enclosed is a copy of my Master Outline for the Joseph U / Ambrose F. U Subgroup. This covers Ambrose F. U, his children, grandchildren, and ggrandchildren. The descendants (if any) if known) of the ggrandchildren are covered in Continuation Sections as shown by number on the left hand side of the page. I also include all the Continuation Sections that apply (19-27)

you will note & collect and place on the master outline full names (full maiden name of females), dates of birth, marriage & death and place of birth, marriage, death & burial. For place I like to include city/town and county / state where available. For cemeteries I like to include the name of the cemetery + town / county / state if available. Of course we'll never get all this "stuff" - but we can try.

Please let me know if you spot any errors or if you can add to what has been collected. Perhaps you have a printout that is updated and I could compare your records with mine & incorporate new details. Where our records do not agree I'll be glad to compare notes with you on a case by case basis. I am sure we have much work to do.

Enclosed in the 2-Item Profile on Jerry Frank & me discussed over the phone. I still cannot spot Monroe & as a father of this family - but we are getting closer.

If you are interested in the Master Outline for the other children of Joseph U b 1775 (VA) please let me know.

As we continue to exchange letters I am sure we will get into more specifics. My Uphurch (& related) records are very extensive and continue to expand. Still, having the opportunity to cooperate with others having a similar interest opens up wonderful opportunities for improving our knowledge of the extended Uphurch Family.

All my best to you & Charles & your family.

Sincerely yours  
☺ Phil Uphurch

RPU called to thank Joyce for her letter of 24 FEB 1994 and for previous letters about the descendants of Joseph U circa 1775. Expressed regret that I had not been able to process her letters & letters from others concerning the Joseph U family. Thanked her for her detailed research. Explained publication schedule for U.B.. Mentioned the Rogers book by Maurice Rogers & its content is U's in middle TN. She will pursue. Joyce was very cordial.

② 16 AUG 1998 - called BJM and reestablished contact. She is still interested in Upchurch Family history. She grew up in McMinnville, TN. I will send her a packet. I apologized for not processing her letters but have now done so.

Dear Phillip:

I have been going thru court house records, land transfers, Wills, and All census records funneral home records marriages records for the county of Warren and surrounding Counties. I have been sending you bits and pieces as I found them, thinking I would lose them or miss place them. I have sat down and been putting it all together in my computer. I have a pretty good amount of information on my line.

I re-read my correspondance from you as I keep all mail. You asked which line of Upchurches we were from in one of your letters. I was not sure myself then, now I can state we are from Missing Link 13. Joseph and Martha (patsy) Bradley Upchurch. Thru Ambrose F. and Charity Purser thru their Seven child. Joseph B. and Paralee Boren. thru their seven child Lena Mae upchurch and Wiley Edward Durham. I am sending you a copy of what I have put together. But I am retaining the right to use all this in a book I hope to put together for my grandchildren . I am hoping to complete an America genealogy for all my grandchildren. *b. of them.*

Some of the children in your bulletin vol 9 #4 pg 149-151 Oct 1988 issue does not correspond with what I have. Maybe we can iron it out together. If you will check this vol *9 #4* and the pages 149 thru 153 . If you have any questions please let me know.

On Page 151 of vol 9 #4 Oct 1988 under four (John W) #f Joseph Ambrose Married Sarah Jane Ruthledge. If I am not mistaken and I am still trying to verify this from a grandson. I believe one of Joseph Ambrose's daughter Margaret Isabelle Upchurch b. 23 Feb. 1898 d. 27 Dec 1960 Warren co Tn Married Comer Charles Martin b. 17 Apr 1896 d. 16 Oct 1985. Comer was a brother to my father in Law James Thurman Ray Martin. Also a Brother to Willie Corbin Martin who was married to MARY Ann Keathley b. 28 Jul 1903 d. 4 Nov 1967 the Daughter of Mary Elizabeth Upchurch who married Isaac Hershel Keathley.

Phillip I sent a check on the tenth of Oct for 27.00 for my 1994 subscription of the quarterly also for four back issues. I received the back issues and the Oct 1993 issue but have not received my Jan 1994 issue yet. I hope all is well

with you. I look forward to each issue. Keep up the good work.

I sent you a picture of Joseph B. and Paralee Boren Upchurch which was my mother in laws grandparents. He was the son of Ambrose F and Charity Purser Upchurch.

P.S. All the information I have sent in this letter is accurate. From marriage records of Warren Co. From some records for deaths & next of kin. O.B. in the paper. From Census records and from Land records. and from some wills.

I am still trying to get the best of this time from children & grand children born after 1950.

Sincerely  
Jasper M. Martin

Dear Phillip:

It has been a while since we have corresponded. Much has been happening at our home. Charles has retired (Dec 1991). We have been looking forward to this for a while. Although we have not had a chance to enjoy the retirement as yet.

I became ill in Oct of 1990 with a fungal infection in my right lung. The fungal infection was resistant to all medication resulting in the removal of my right lung in Feb 1991. It has taken a while to overcome but I am fine now with the exception of some limitation.

B. 9. 92

JAMES THURMAN RAY MARTIN

We moved in June 1992 as you will see by New Address. By the time I was on my feet from surgery my father in law became ill with cancer, we lost him the 8th of July 1992 at the age of 92.

I am back working my genealogy once again and trying to get caught up on my correspondence, of which I am very far behind. I have been working in Warren Co. Tn on the Upchurch's with the leads you gave me with good results. I am sending you a copy of Ambrose F.s Will. listing all his children. I also went thru the Marriage record book of Warren County I am sending you also the Marriages of the children in the will. That I have found I have not found Joseph B. and Parlee Boren as yet. According to the 1900 census they Married sometime in 1865? where I have not found as yet. I am still

[1845]

looking. In the 1900 census Joseph B. was b. June 1945 and his wife was born Aug. 1847 she died 2 Jan 1904 he died 8 Jul 1916. both in Warren Co. Tn. [WIF = PARALEE BOREN]

Phillip in one of your Quarterlies you gave information about the descendants of Joseph Upchurch and wife Martha Bradley?? At least that was the understanding I had. I would like to get a copy of these Quarterlies if that is correct.??

The notes I took are as follows Vol 2 #2 (Apr 1981) Re William U. 1V John U. Sub Can.  
Vol 4 #3 Jul 1983 Re Rutherford Co. N.C.  
Vol 6 #1 Jan 1985 Re William U 1V Family 160  
Vol 7 #4 Oct 1986 Re William U 1V David 160/2064 U Subclan.  
If these apply to the Joseph U. of Rutherford I would Like a copy.

+ U. 13, 12, 1992  
all sent 10-19-92

I would also like to renew my subscription for the Quarterly starting with the April issue of 1992.

I would like to request the Upchurches from Micheal U 1 thru 6 Generations. Do these have the Xid numbers??

Question do you have the Joseph Upchurch Wife Martha

Bradley will?? I believe I can get one but if you have it didn't want to duplicate it. When I get a chance I will send you the family group sheets on the Upchurches I have.

Two of the brothers of my father in law were married to Upchurches

→ [vs comes Charles Martin?] → [AMBROSE ?]

Charles Comer Martin Married Mararget Isbelle Upchurch daughter of Joseph [Armous] Christopher Upchurch married Sarah [Hudgens] where he fits I do not know as yet. This upchurch went to Ok or Tx They were the parents of two children a daughter Aline twenttwo years older than her Brother Charles - Reid I will send a family group on these when I have them - put in the computer.

The other brother was married to Mary Ann Keathley the grand daughter of Joseph B. Parless Boren. They had two sons Willie Ray and James Edward (Call John all his life.)

I will close and get this in the mail. am looking forward to receiving the Quarterlies.

I am enclosing a check for 15.00 and 12.00 = 27.00 for the 1992 and 4 Quarterlies I have requested. You will let me know if I owe any more.

Dear Phillip:

It is indeed exciting to hear from and to talk to a kindred spirit in genealogy.

Please forgive the delay in getting back to you but we were out of town when your letter arrived. Hence the delay.

JOSEPH B.  
U, S/D  
AMBROSE  
F. U

I need to go to the library before I commit myself on the two Joseph's you were referring to in the 1880 census.

And there are really two of them. I believe my Joseph was in White County at that time. ??? And the one you are referring to is probably the cousin of mine. Their fathers were

JOSEPH  
AMBROSE  
U, S/D JOHN  
W. U & G/S/D  
AMBROSE U

brothers according to my mother-in-law, who is the Grand daughter of Joseph and Parlee Boren Upchurch. Parlee was

living after the 1900 census and was dead before the 1910 census. Believed to have died around 1908/9 and is buried at

Bybees Chapel in a unmarked grave along with her husband. And her sons are also buried there, one in an unmarked grave

(Crockett). D.K. the Joseph\* you are referring to I believe is also related to us thru the Martin side. His daughter was

Married to the brother of my father-in-law. I will send you a family group sheet as soon as I can. This Joseph has a sister

?? RPH

who married a McDowel her first name is Margaret Upchurch McDowel. Joseph named one daughter ~~ast~~ (Margaret Isbell

Upchurch Martin) born 21 Feb. 1898 married 21 July 1920 to

Comer Charles Martin brother to James Thurman Ray Martin (My father-in-law). The Daughter of Mary E. Upchurch (Mary Ann

Keathley) also married a brother to James Thurman Ray Martin (Willie Corbin Martin). So as usual the families are inter-

Married. I will send family group sheets on these families and would like to get a family group sheet on the Joseph

b. 1775 etc. D.K. and if you have one on Ambrose also. wife Charity,

I am sending some census' of Upchurch's in Counties other than Warren. Some Marriages in The State of Tennessee

and some Land Grant Application (1824 thru 1901) on Warren Co Upchurch's. I have other info on census but is not in

computer at this time due to have motor go out on computer and having to re- in- put. I am getting it all back in soon.

The Joseph of 1880 warren Co I believe went to Texas or Okl. and I think was Okl. around late 80's early 1900's I

dont' believe he came back and none of his family except Margaret with her family. She has two Children with 22 years

between them and no more. one Daughter and one Son whom I know from Martin side of family. I am not sure who ~~was~~

Joseph' father was other then he was a brother to Ambrose. This information comes from my Mother-in-law who is 84 yrs of

age and has agood clear mind. Infact both my mother and father in laws have good minds for their ages 84 and 90. They are still able to live and take care of them selves. At 90 he is still cutting his grass.

see  
A CLAP  
SHEET

I am on a limited budget for genealogy but I do want to get the bulletin for 1990 and 1989. I will enclose a check for the amount 15.00 and 12.00. I would like to get all of them in time but it will have to be a little all along.

*total of  
\$27.00*

I too have started a newsletter for the Maynards the first of this year with the hope of generating a flow of information. If you know of any Extending Maynards that would be interested let them know.

Well I must close and get this in the mail. If you are like me you can hardly wait for answers.

Sincerely

*Jaye*

*P.S.*

*The censuses are for a County and listed are the only exp Church's for that County for that year.*

 Joyce is dau-in-law of Mattie Lee Busham who fits into U Family as follows:

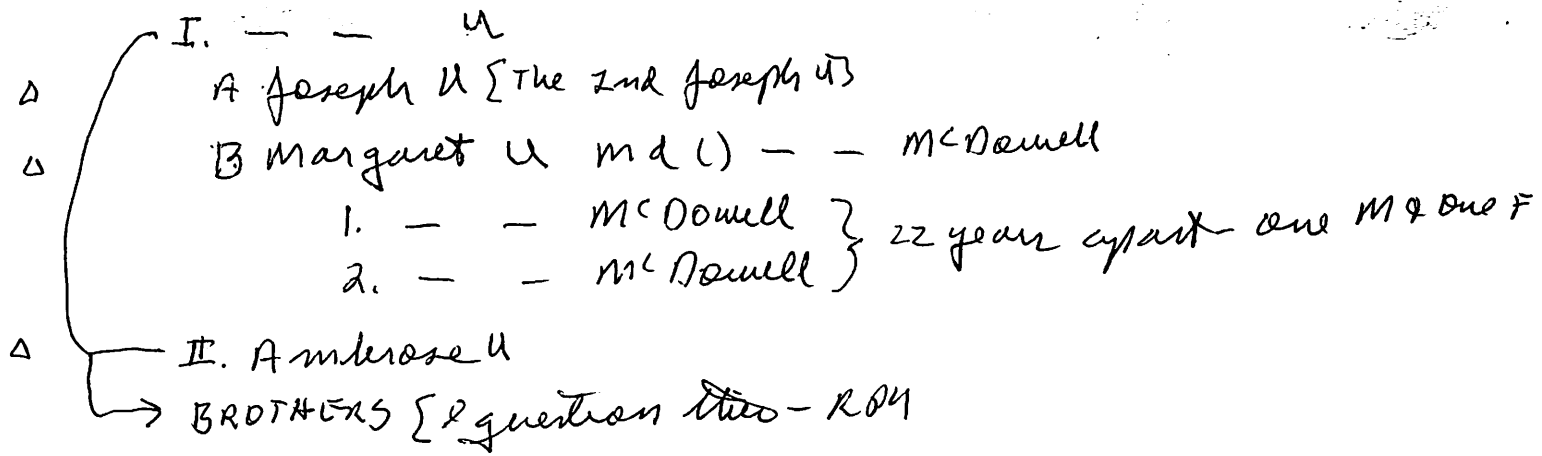

- I Joseph U b about 1775 (VA) - Head of Group
  - A. Ambrose F. U
    - Δ 1. Joseph B U
      - a. Lena Mae U
        - i. Mattie Lee Busham and James Thurman Ray Martin.

The information below from Joyce concerns the proposition that there was a 2nd Joseph U in addition to the Joseph B. U listed above - both in Warren Co, TN  
 About the 2nd Joseph U she reports:

The Joseph of 1880 Warren Co I believe went to Texas or Okl. and I think was Okl. around late 80's early 1900's I don't believe he came back and none of his family except Margaret with her family. She has two children with 22 years between them and no more. one Daughter and one Son whom I know from Martin side of family. I am not sure who ~~was~~ Joseph' father was other than he was a brother to Ambrose. This information comes from my Mother-in-law who is 84 yrs of age and has a good clear mind. Infact both my mother and father in laws have good minds for their ages 84 and 90. They are still able to live and take care of them selves. At 90 he is still cutting his grass.

Dear Phil:

It was exciting to hear from you but disappointing that I have not heard again. I was hoping to recieve the Upchurch bulletin by now as I sent in a check for the 1989 and 1990. The check has been cashed and returned and still no bulletin

I have made several trips to the Library to run through the 1880 census of warren county so far I have been unable to get the machine. But will still not give up. I am sure wanting to see who the Joseph Upchurch is with the extra wife. I know my Joseph was only married one time. Did not Enoch have a son named Joseph?

Sure was hoping to hear from you by now. The Check was deposited on Aug. 20 into the account #107814161 Micheal Enterprise. For 27.00 dollars.

Sincerely

*Joyce Martin*

JOYCE MAYNARD MARTIN  
405 HAROLD DR  
MONTSVILLE, AL 35806-1932

Dear Joyce,

It was very exciting to talk to you last night and to discover another kind soul in genealogy. Details on the Upshur Bulletin are enclosed. I have now identified and published an over 25,000 members of the extended Upshur Family. Without question your husband and I are cousins.

For several years I have been accumulating information on the family of a Joseph Upshur b. 5 DEC 1776 (VA) and have been seeking the name of his father. He was in Guilford Co, NC ca 1790-1810 and later in TN. He had five children - Ambrose F. U., Wilson U., Rachel U., Felix U. and Sarah S. U. You and I agreed by phone that the Joseph U. b. 1847 (father of Jenn Mae U. b. 4 JUN 1881) is the son of Ambrose F. U. (and not the son of Sarah S. U. as proposed on your sheet A - copy enclosed. You and I have much to share but let us first deal with the Joe U age 39 on the 1880

entries for Warren Co, TN. I propose <sup>(2)</sup> that  
 this Joe U on the 1880 census is Joseph B. U and  
 that he is one and the same as your Joseph  
 U father of Lena Mae. Now in your sheet A  
 and the 1880 census listings compare.

1880 listing	YOUR LISTING SHEET A	F.P.U. COMMENTS
1. Joe U - sturdy WM 34 b TN [bca 1346]	a. Joseph U b 1347	JOSEPH B. U
2. Marty U 33 FD WIF b TN [1347]	b. Lafayette	
3. S. L. U 13 SON b TN [bca 1347]	b. Lafayette U b 1367	
4. M. E. U 12 SON b TN	c. Mary Motherless a	
5. J. A. U or I. A. U 7 SON b TN		
6. W. A. U 6 DAU b TN	d. Nettie U	
7. James U 5 SON b TN [bca 1345]	e. James U b 23 OCT 1878	
8. D. C. U 1 SON b TN	f. Crockett U	

So your listings a, b, c, d, e, f fit into the 1880  
 Census listing well except that a - female and 4 = male.  
 We are left with two other complications - you have  
 no counterpart to '5'. This son could have died young  
 and thus not have made your list. The other compli-  
 cation is that you show Paralee Browning <sup>b 1354</sup> as the wife  
 of Joseph whereas the 1880 listing shows Marty b 1347.  
 Could it be that Paralee died and Joseph and 2nd  
 Marty? your g. h. and i were born after the 1880 census  
 and thus do not fit into the above comparison  
 your further analysis and comment would be appreciated.

I hope we can get the comparisons sorted out so that I can place the information you have generated on to my Master outline for Joseph U b 1775. I input has been received from many individuals and sound over the last several years and this Master outline is getting quite long. I am certainly willing to supply you parts or all of this outline and other material that I have as well. I hope we can cooperate on the search for the father of Joseph U b 1775

If you have other Upchurch records you would be willing to send now or later I would be happy to have them

I collect and publish full names (full maiden names for females), dates of birth, marriage and death and places of birth, marriage, death, and burial. Also I like to have any other interesting facts about family members. Sometimes these facts (stories) are published and sometimes not.

My regards to your husband. Cousin Charles.

Sincerely yours  
Phil Upchurch

JOYCE M. MARTIN

2600 MASTIN LAKE RD.

HUNTSVILLE, AL 35810

Dear Cousin Joyce,

It was good to get your letter yesterday after some months of being out of contact. You have certainly had your share of troubles to bear and I am happy to learn that brighter days have arrived. I hope you will continue to improve and that you and Charles will increasingly enjoy retired life. It is especially nice to have you back at work on family history.

Under separate cover we are sending the copies of the UB you ordered. For 1992 we prefer to start with the first issue in the year to make our book-keeping systems easier. I am also sending the six generations chart. Sorry it is cluttered. One of my many intended projects is to recopy this in a more organized fashion. However, the basic information is there. Ancestors of Joseph U have to be on this chart.

Now let me share with you a frustration. For several years I have pursued the Joseph U family history - both looking for his father and documenting his descendants. The former has pretty well been presented in the various issues of the U B as information and ideas have surfaced. The documentation on descendants has taken the form of an ever increasing master outline of Joseph & his descendants. In the process I have corresponded with a number of descendants of Joseph U and continue to do so. You are one of the more active ones and especially as related to your interest in and knowledge of the situation in Warren Co, TN.

The frustration is that I cycle to various parts of the Uphurch family in my family history work. The result is that great progress is made in one part while the other part is in a holding pattern. The Joseph U family has been in a holding pattern for several months. In the meantime my <sup>incoming</sup> letters <sup>waiting</sup> to be processed on the Joseph U family continue to accumulate. I'll

cycle back to this stage eventually but it is hard to say when. To add pain to my dilemma I have misplaced my Master outline on the descendants of Joseph U. I have just spent 15 minutes looking for it without success (and I am an "organized" person). It's here in the room somewhere and I'll find it in due course.

I am still spending 10-15 hours/week on Uphurch Family history but other factors have come to bear. My University work has always been a challenge but was made more complex on 15/2/92 when I took on another major responsibility without giving up anything. This means juggling a lot of priorities and time allocations. In spite of this we continue to make excellent progress on various aspects of the Uphurch history project. My priority has to be getting out the U B

Joyce I hope the above does not convey negative thoughts. I am delighted to have you back in an active status and feel that we will continue to make progress on the Joseph U Family. Eventually, we will

develop more of a basis for linking him to earlier generations and we can certainly amplify the Master's outline on his descendants. Please keep up your part of the work and don't give up on me.

You mentioned the Joseph U. wife Martha Bradley will. I cannot find that I have a copy. If you can get a copy for me I would appreciate it.

Thanks again for the details provided in your letter. I will appreciate copies of the other family group sheets when you have them ready. A letter from you from time-to-time will encourage me not to let the Joseph U family languish.

With all best wishes,

Sincerely yours  
Phil Upchurch

- A. Note rec'd from Glenda Jo Blockburn dated 17 JUL 1990 included a packet dealing with Joseph U b 1775 (VA) descendants. Packet prepared by Billye Joyce Maynard (Mrs Charles Harris Martin) of Huntsville, AL. It is her husband who is a descendant of Joseph U b 1775 (VA)
- B. Called Information - Huntsville, AL. Phone no for BJM is 205-895-9174
- C. Called and talked to BJM "Joyce". She is a very active researcher and may wish to subscribe to UB. She agrees with me that the father of Joseph U (who is FAT of Senna Mae U b 4 JUN 1881) is Ambrose F. U and not Enoch S. U. I told her briefly about Joseph U, b 1775 (VA) and his five children and about his presence in Rutherford Co, NC ca 1790-1810. She wants to search this. As a key point we need to confirm that Joseph U b 1847 (FAT of Senna Mae U) is one and the same as Joe U on the 1880 census of Macon Co, TN. I will write her on that BJM says the wife of Ambrose F. U was Chantey Purser. BJM says she knew many of the family of Joseph U (FAT of Senna Mae U)

Dear Joyce,

Thanks for your renewal on the 4 B for  
1993 which arrived recently.

Joyce, I am very embarrassed that  
I cannot find your file in my Profile  
System. It is possible that I have you  
filed under a name that does not come  
to mind - so the file may be there and  
I cannot locate it. I usually have adequate  
cross reference so this problem does not  
occur - but in this case my system has  
failed me.

Could you drop me a note giving  
me your full maiden name and also a  
sketch of your linkage to the Upchurch

& provide a basis for our continued  
interests.

☺ Sincerely yours
