Dear Mr Bissett,

Thank you for the input on the Fether
(Green) Bissett family which arrived 26 MAR 1994.
I have incorporated the information you supplied
with the Master Outline sheet a copy of which
is provided herewith.

If you hear of any individual who wants
to correspond about this family I would be
happy to hear from them. In fact, I have
a great deal of information on many of
the old line families in the Zebulon-
Pilot Area and would be glad to correspond
with anyone in the area who has an
interest in family history. We could probably
help each other.

Thank you again for your response.

Sincerely yours

Dear Mr Bissette,

Your name and address were given to me by Mayie Bissette of Zebulon, Nc. She and I have been in contact regarding our mutual interest in family history records. She thought you might be able to help me on the details for the family of Lettie Green who married Mack Delphus Bissette. Lettie Green was the daughter of Elza Penina Upchurch of the Richard Upchurch, III / Barbely Upchurch Subclan. As you will see from the enclosed materials I am keenly interested in the entire extended Upchurch family.

Enclosed is my master outline sheet for the family of Lettie (Green) Bissette. You will note there are many missing details. I would be most grateful for any information

- - 2 -

you could supply on this family. I collect full names (full maiden name of females), dates of birth, marriage and death and place of birth, marriage, death and burial.

I would also be grateful for any other information you have on Upchurch or their descendants. My ancestor Richard Upchurch, II arrived in the area of southern Franklin Co, NC and his descendants are still there. His descendants intermarried with all the other families in the area.

Please let me know if I can answer any questions for you or if there is any way I can help you.

Sincerely yours
Phil Upchurch
