Phil, I am so sorry that it has taken me so long to get back to you. I have so many emails in my box and am now reading them. Gary was the greatest guy. He was my sole mate and it is so weird not having him by my side. It is very interesting how he and Dick met. They were both walking one day and Dick had seen Garys name on the pre registration and asked who Gary was. Then we became such good friends and walking buddies. Garys Fathers name was Richard L. Upchurch. He would have been around the same age as Dick that we walk with. It has been so enjoyable to get to know Dick and share so many great stories.

Where do you live? If you need anything don't hesitate to ask and I will do the best I can to answer any questions you might have. Thanks for your help. Michele Upchurch

Hi Michele---

It was very nice to hear from you and to know that you are coping with life after the loss of your beloved husband, Gary. I appreciate you willingness to help fill in the blanks and I will get back to you on that early in the new year. At some point in the future, if not now, your children will wish to know of their Upchurch Heritage and a rich heritage it is. They, and you by marriage, belong to The George Upchurch Clan. George moved his family from NC to Wayne County, KY about 1810 and there are tons of descendants there today. I visited there in 1999 and gave an Upchurch Lecture. It is beautiful country.

Your Upchurch contact, Dick Upchurch, is one of the most faithful supporters of Upchurch history. He and I have grown close over the years. We have visited in each others homes. We have a married granddaughter who lives in Moses Lake , WA. A couple of years ago we went out to celebrate the wedding. At that time we visited Dick and Nancy and they gave us a grand tour of the area.

You asked where I live. Since retirement in 1995 we have lived in Missouri. My wife and I were born and raised and married in NC but we have lived in AZ, CA, and FL as well. You might like to take a look at my website www.upchurchstory.com. If you want to know more about me just Google Robert Phillip Upchurch and look at the interview by George Ware.

A Merry Christmas to One and All!

Phil Upchurch
