DETAILS RE CO "I"

BLALOCK, F. J., Private

Enlisted in Yadkin County at age 18, 15 September
1862, for the war. Died in Winchester, Virginia, 16
November 1862, of disease.

The company, known as "Cedar Forks Rifles," was from Wake and Chatham Counties and enlisted in Wake County on 28 May 1861. It went into the camp of instruction near Company Shops (Burlington), Alamance County, 1 June 1861, and was assigned to this regiment [Sixth Regiment] as Company I. After joining the regiment, the company functioned as a part of the regiment, and its history for the war period is recorded as a part of the regimental history.

The information contained in the following roster of the company was compiled principally from company muster rolls for 20 June 1861, through February 1864, and 15 September through December 1864. No company muster rolls were found for the period prior to 20 June 1861; for March through 14 September 1864; or for the period after December 1864. In addition to the company muster rolls, Roll of Honor records, receipt rolls, hospital records, prisoner of war records, and other primary records, supplemented by state pension applications, United Daughters of the Confederacy records, and postwar rosters and histories, all provided useful information.

○ LIVING STONES History of Inwood Bapt Church 2000 WAKE CO, NC

PG 64

Following the five-and-a-half year tenure of Dr. A. S. Putnam (1923-1929), C. H. Norris served from January 30, 1930, through February 28, 1932. According to the agreement, he preached one Sunday morning and another Sunday evening each month. It was he who asked the church, in September, 1931, to make a decision about when regular business meetings were to be held. The church decided that they would be held "after church on 4th Sundays - if there is no 'rule' against it."

Following Norris' departure, J. G. Blalock agreed to preach twice a month until a new pastor was called. Harold Wilson chaired the committee to search for a pastor. The committee consisted of all the deacons, two other men, and two women. It was not until July 7, 1932, that the committee reported that "they had found three men, Bro. Blalock, Bro. McCarter and Br. Andrews either of which would serve as pastor." Blalock was already well-known to the congregation because he had been serving the church as "interim" preacher.

Jesse McCarter was invited to preach on the third Sunday of that month, July 21st. Following that service, the church met in conference, with N. G. Duncan as moderator *pro tem*. All three of the above-named ministers were put before the congregation, and Duncan was nominated as well! McCarter was elected on the first ballot and agreed to conduct services on the first and third Sundays of each month. It was during McCarter's pastorate that the church building was burned and the new building erected. Within a year after services were begun in the new building, the relationship between McCarter and the congregation soured. The minutes for the conference of June 14, 1936, report that

The Board of Deacons had previously held a meeting and at this time the chairman reported that they recommended that the pastor be asked to resign for lack of cooperation and criticism. Mr. John Bennett amended the report by asking that appreciation be expressed for the pastor's efforts. Clerk of church to notify pastor. The Board of Deacons were appointed to recommend some one else for pastor.

Dear Cousin Virginia

Our mutual cousin Troy N. Upchurch informs me that you are a descendant of Tempie Elizabeth Upchurch and that you would be interested to learn more about the Upchurch Bulletin. Details are enclosed along with Vol 1 No 2 (APR 1980) since it was when I first introduced the Harmony Upchurch Clan to which you belong. I would welcome you as a subscriber to the UB and/or as a correspondent. I have nothing on the descendants of Tempie Elizabeth U but such as her ancestors. The UB continues to be published and now contains documentation on over 30,000 members of our extended family. Enclosed also is a copy of "The Michael Enterprises Family History System".

Could you send me anything you already have organized on the descendants of Tempie Elizabeth U including especially your line and your full maiden name. If you so desire I will be happy to send you a sketch of your line and mine back to Michael U, I showing how we are related.

Over the years I have made a great deal of progress in documenting the Harmon Upchurch Clan. Over time I can share that progress with you either through copies of the UB or otherwise. Of course much remains to be done as always seems to be the case in family history.

On a more personal note - I was born and raised in Wake Co, NC and attended W. C. State University (1944-1949) and was a professor there (1953-1965). One of my classmates and colleagues during those years was a T. Carlton Blalock. Thought I would mention this name just in case it would "ring a bell".

I incidentally, Trux is a wonderful person and he & I have long corresponded. He has visited in my home here in Tucson. He is a very careful researcher. He is descended from a James U whom I believe to be a brother of your ancestor Howell U. I think Trux is 80% convinced of this linkage. Evidence is circumstantial and Trux continues to search for more details.

Sincerely yours
Phil Upchurch

Arthur, Philip, Stephen and John. Some of the intermarriages between these Pearce & Upchurch have been well defined and in some cases their descendants well established. Others remain to be clarified. If your "Pearce" interest traces back to any of the four listed Pearce brothers I would be happy to see if we could figure out what information to exchange that would be helpful.

There are also a number of Blalock/Upchurch intermarriages. As an example, I enclose a copy of my 2-Page, 3-Item Biopic on Albert Blalock. He married Elizabeth Upchurch. I would like to know more about this couple and their descendants.

Could you send me a copy of any already organized information you have showing how your line traces back to Franklin Co, NC. This could serve as a starter on us exchanging useful information. I have several million Biopics based on Upchurch & related families. It'd be glad to cross-check some of your names with my files to see what turns up.

Dear Phil,

Enclosed is what I have on record for Albert and Elizabeth Upchurch Blalock and their family. Also, my listing of the Old Barnett Blalock Cemetery. I was not aware that Albert Blalock married in Franklin Co., NC. Another Blalock married there too.

I have not looked into the Pearce family in Franklin County, NC. Seems my Obadiah Pearce was an only son, with seven sisters, according to information we have. We believe he came from King and Queen Co., VA. His father, William Pearce, served in the Revolutionary War. Obadiah alternated terms with his father at least once. William died in the Battle of Camden, in South Carolina in 1780.

I have not been able to find any proof of the seven daughters of William Pearce. William married Judith Moore in Amherst Co. VA. We think Obadiah was still in Amherst in 1786. He came to Person County, NC and married Salley Moore in 1794. Sally Moore and Judith Moore were relatives.

Your line of the Pearce family might very well be the same family as William Pearce. I don't have anything to compare.

Health problems prevent me from doing research or traveling now. It's impossible to keep up with all the letters I get. I try to share anything I already have when I can.

Sincerely,

Ernest

Enclosed are copies of 22 Blalock Profiles which I am sending on the offhand chance that they may be of some interest to you. There are 8 of these who belong to the extended Upchurch family by marriage or descent as indicated by the XID number in the upper right hand corner. One of the 22 is Hosten Blalock who was present when Elizabeth H. Upchurch married Albert Blalock in Franklin Co, NC in 1854. Hosten at some point married Martha - -. I had hoped that this Martha was nee Upchurch but so far no evidence to support that has been found.

In the 1940's I was enrolled at N.C. State College (now University) and one of my colleagues was Carlton Blalock. Enclosed is a copy of his entry in the 1948 AGROMECK (yearbook). He and I were not close but the name has stuck with me all these years and I have noted the evolution of his career in Alumni Reports over the years. He was active in N.C. Agriculture over many years and was quite successful.

Ernest, I really appreciate the help you have given me. There is nothing in this letter which requires action on your part or even an answer. However, should you have questions please let me know. I always stand ready to improve the documentation on the extended Upchurch family. It is a great challenge but something I enjoy.

With Appreciation.

Sincerely yours

Phil Upchurch
