Dear Cousin Mary,

I am tremendously pleased to have your letter of 7 FEB 1981 with all the wonderful details provided. This is all new information to me and it will be published in Upchurch Bulletin in due course. I am particularly impressed with the completeness of the information you supplied. Someone has kept careful records. Was it you?

As a next step I am anxious to have any information you have about the brothers and sisters of David Harmon Upchurch. I understand there were 10 in the family. Did you know any of them personally? I have fairly complete information on brother Strickland Ashury U and his 10 children one of whom ~~is~~ <sup>in</sup> Alma Inez (Upchurch) Butler. She is a good correspondent. She was your Husband's 1st cousin. Did you know her? I have a little bit of information on brother Charles W. U. There were ~~children with~~ <sup>was</sup> a brother

and there were four sisters about whom I know essentially nothing. Anything you can provide about these 10 children of Patrick Bogan Upchurch would be most welcome. You can skip Stuckland A slury and David Harmon as I know have a good list on them. Any dates and places, full names, etc would be helpful.

As soon as I have organized all of the information on the Patrick Bogan U family I will drop a copy and send it to you for your personal use

Please express appreciation for your daughters help in writing the letter. Many future Upchurch generations will be grateful for your contribution.

Looking forward to hearing from you,

Sincerely yours
