

Nancy Bradley**No XIX**

Commentary: Nancy Bradley married James Upchurch in Rutherford, North Carolina on 29 Dec 1804. According to RPU, it seems likely that James was the brother of Joseph and that both were sons of David and grandsons of William IV, head of Upchurch Clan #9.

The three marriages in **(1)** above are reported. The Joseph Upchurch marriage had Abram McKinney as Bondsman. [Note: We still seek the father of the Joseph Upchurch who married 21 Jul 1804 – but it does seem likely he and James Upchurch were brothers and that they married Bradley sisters – RPU – 2 Aug 1999]

Phil here is some information I may have failed to share. James Upchurch m Nancy Bradley on 29 Dec 1804 in Rutherford Co, NC. My Joseph H. U was the bondsman, I suspect Nancy was the sister of Joseph's Martha. If we knew the clan of James it may give me a direction to look for the parents of my Joseph.
