Dear Cousin Maxine,

Thank you for your renewal on the U^B
and Englandia for 1998 and for your continued support
of Englandia as an underwriter. All support and
encouragement is deeply appreciated.

Our Upchurch family history effort seems
to be going quite well. There is always more
to be done. Among many projects I am
anxious to visit Brunswick Co, VA where there
was so much Upchurch history in the 1700's -

I trust Jessie continues her interest in
family history - once you become interested
it keeps you out of all other trouble.

Sincerely yours

Dear Cousin Maxine,

Thanks for your letter of 24 APR 94. I have now changed my records to show clearly that Christie is a girl.

As you have requested I provide herewith a copy of all of the biopiles I have on members of the COX family. The ones that have XID number in the upper right hand corner are for individuals that are descended from an Upchurch or who married such a descendant. The others are individuals who may or may not belong to the Upchurch family but who had some association even if it was only living in the same community where a lot of Upchurches lived.

I enclose also an excerpt from a book on surnames listed in the 1790 census.

you can see there were a lot of COX (COXE, COXS) households even that early and that they were spread all over the colonies.

The Upchurch name was much more rare and thus easier to track. Also, all Upchurches descend from Michael U, I who came over from England in 1649.

I am pleased to know that Jessie has developed a keen interest in family history. Many, as I do, find it fascinating.

It is great that you will have a look at the questions I sent. We just have to keep working on the list and get others to make inputs.

Sincerely yours
Phil Upchurch

Dear Phil,

Re: Your letter of April 9, 1994

△ Thank you for your letter of April 9. Christie Michael Johnson is our granddaughter, and, of course, is a girl. Christie and I both would appreciate you changing your records. At this age, Christie doesn't want anything to do with boys. She will, I am sure, change in due time but for now, NO BOYS.

Today I recieved your letter of April 17. I have not had a chance to think about it as Lindsey is having her piano recital today and I must get ready to attend. I will answer this letter as soon as possible. I am so glad that we have started this dialog and I hope that over the coming months we will be able to discuss many family members that I have been unable to secure any information on up until now. Just think, all that information out there and just waiting for someone to ask for it.

I must tell you that Jessie is very interested in the Upchurch and Breedlove information as well as Cox. He has been working on his Cox ancestry for several years and got interested in Upchurch's after Mother died and we found the back copies of the UPCHURCH BULLETIN. This has opened a new avenue of interest for him and he is enjoying it very much. I would appreciate very much you sending anything that you have on "Cox" as he and I both feel that we will find other common ancestors as we probe deeper into our heritage.

Your Cousin,

Maxine

Dear cousin Maxine,

Your two letters dated 11 APR 1994 arrived yesterday and I want to thank you for them. They probably crossed in the mail with mine of 9 APR 94 to you. All the details provided have now been properly recorded.

With regard to E. E. Upchurch I would feel better if we had more reference on the order of his names and on the spelling. The 1880 census shows him as Edgar E. U. A letter 22 APR 1987 from Ann (Samford) U allowed me to deduce that his middle name was spelled EARLE. This is based on her representation that her husband Samuel E. U, Sr changed his middle name from EARLE to EARL. The Obit of John U. who d 7 JUL 1906 shows he had a son EARLE U. I am sure there must be some more reference around somewhere.

I have provided herewith a fresh copy of the complete Master outline for the Edgar Earle U Family along with a single page listing all the missing items.

2-

Also provided is a complete updated ⁽²¹⁾ copy of the entire Master outline for the John Stephen & Family along with a complete list of missing details.

I don't know how you are situated with regard to having some of the answers or with regard to having contacts that might supply some of the answers. Don't let all of this get to be a bother. I just like to keep trying for more complete information.

Feel free to provide any of the attached to relatives who may be interested.

It is interesting that you have found Jesse linked into the family. I enclose a sheet on a Samuel Latham - probably different than the one you refer to.

All the Best!

☺ sincerely yours
Phil Upchurch

Dear Phil,

Re: Your letter of February 5, 1994

I have been unable to determine which is correct-

You have Edgar Erle Upchurch
I have Earl E. Upchurch

I do not know Rhoda Latham's full name, but she is
+ the daughter of Samuel Alexander Latham and Mary
Ann "Molly" Wooley. Rhoda was born July 7, 1877
+ in Bibb County Alabama. She married Earl Upchurch
April 16, 1903. Rhoda died in February, 1966 in
Clanton, Al. She was buried in Clanton.

My records indicate that Samuel Earl Upchurch, Sr.
- had three children:

Virginia Samford Upchurch
Katherine SAMford Upchurch
SAMuel Earl Upchurch, Jr.

You have indicated that Virginia and Katherine have
3 children each. I do not have this information
and would appreciate you suppling it to me.

I do not have any information on Samuel Earl
Upchurch, Jr. except his birthdate of January 29,
1951. I would appreciate any information that
you could send on this family.

You asked about Mary Hanson Upchurch. My records
indicate that she was born in Clanton, Al. and
as of July, 1991, living in Springfield, Tn.
She had two children"

Mary Ann Bentley
Walter Louis BENTley, Jr.

△ +△ Mary Ann Bentley married Charles Foster Parrish
- September 8, 1948 in St. Louis, Mo. I do not
□ have any information on Walter Louis BENTley, Jr.

△ My records indicate that Mary Hanson Upchurch's
△ husband was Walter Louis BENTley, Sr. I have
△ no information as to where or when he was born,
△ but in the 1960's, Walter was engaged in the chain
- store business and had six Ben Franklin stores
- with headquarters in Springfield, Tn.

△ I show Walter Louis Bentley, Jr. as being born in
- Nashville, Tn. I cannot confirm this as that,
△ might be his place of residence instead of his
- place of birth.

□ Maxine

Dear Phil,

- An interesting fact has come out of our research in
□ + △ the Earl E. Upchurch family. It seems that both Jessie
□ and I are related to this family. I, of course, am
△ related through the Upchurch side and Jessie through
△ the Lathams. Rhoda Latham's father was the son of

△ + △ Jessie is the 1st great grand nephew of Nancy Cox.

I believe that we will find other relationships as
we gather more information about both families.

Dear Cousin Maxine,

Thank you for your letter of 24 JAN 1994 and for your order of certain back issues of the U_B. They are being sent under separate cover. Thanks also for your subscription for the U_B for 1994. It seems you are serious about this family heritage matter and I am delighted to have such cooperation.

The Earl E. U. [Edgar Erie U.] family you are researching is a part of the John U. line in the Abel U. / Bartley U. subline. I enclose herewith a copy of my Master outline for the John U. line covering his children and grandchildren. At present my records show descendants for only two of his grandchildren and the continuation sections (10 A; 11 A) for them are enclosed. Fortunately, they are the ones you are searching. Two pages of questions about missing details on the Edgar Erie U. family are enclosed. I will be grateful for any details you have or can obtain.

Your own family is in the Robert Burton U, S1
 line of the Abel U, S1/ John U Subclass. I have
 enclosed that portion of the Robert Burton U, S1
 line which covers his son John Stephen U
 & the children of John Stephen U. Continuation
 section 4A which covers your mother's family
 is also enclosed. Provided herewith are
 questions about missing details on your
 mother's family. I will be grateful for any
 answers you have or can get.

There are additional materials we can
 exchange over time and I will look
 forward to working with you on
 our shared interest in family history.

Thanks for the invitation to come
 by. We will be returning from the University
 in 1994 and moving to Missouri. After
 we are settled at our new location, I
 should be able to travel some - and
 even get to AL. It would be most
 interesting.

☺ Sincerely yours

Dear Phil,

Thank you for your rapid response to my inquiry about the Upchurch Bulletin. Enclosed please find my check in the amount of \$135.00 for current subscription and the 10 back volumes marked.

I will be happy to correspond with you about any Upchurch information and would welcome your inquiry.

At present, I am researching the Earl E. Upchurch family of Bibb County, Alabama. He was married to Rhoda Latham on July 7, 1877, according to my information, and had two children; Mary Hanson Upchurch who married Walter Louis Bentley and Samuel Earl Upchurch who married Ann Samford. It is my understanding that Samuel was a successful plastic surgeon in Birmingham, Alabama before his death.

I would appreciate any information that you could offer in this regard and I will be happy to help you in any that I can.

Perhaps your travels will bring you through this area someday. If so, I would like to meet and discuss our common ancestry.

Your cousin,

Maxine

Hi Bonnie--

The Wilson book has arrived and I have enjoyed it. Thanks. If it is not to much of an imposition I have two more requests. Do you have a source for the book "Franklin County Sketchbook" ? Also, do you know how arrangements could be made to visit Casine Plantation? I have a Cousin whose Grandfather Miley Perry was born in the area and was descended from one of the seven Perry brothers. I will be visiting NC 22Apr-6May and Cousin Monk and I may drive over to visit Casine. I live in Mo. My Upchurch ancestors came to Southern Franklin Co about 1755 so if you have need for input on some of the old families in that area let me know and I will search my records. They are very extensive.
In Appreciation! Phil Upchurch

Phil, honestly I've never heard of Casine Plantation but I've sent out a query to some people who might have. As for the book, I've asked them that too. I'll let you know what I find out.

Wish us luck,
Bonnie

Hi.

I have a query from a man in Missouri who will be visiting the area the latter part of the month and wants to possibly visit Casine Plantation. Honestly, I never heard of Casine Plantation. But I assume it's in Franklin County? If it helps any, he has a cousin whose grandfather Miley Perry was born in the area and was descended from one of the seven Perry brothers.

He's also looking for a source for the book "Franklin County Sketchbook". He may want to buy a copy if possible. Do you know where he might find this book?

Can any of you help me out? I'd really appreciate it.

I just received this. It should help you.

Bonnie

Casine Plantation, in Franklin County, is owned by Bennet H. Perry, Jr., a lawyer in Henderson. I am sure he would be a excellent contact.

Phil, this doesn't tell you how to make arrangements to visit Casine but it does give an approximate location which you may already know.

From Leonard Dean:

I do not know a lot about Casine; however, I do mention it in my Gazetteer. I hope this helps. Yours, Len

Casine: The colonial homestead of Bennett H. Perry and others of the Perry family of Granville County. This place was named the Jerimah Perry's Home on the Buck's Map. This early home, built about 1750, stands 4 miles south of Louisburg and became the center of an early plantation dating before Bute County was separated from Granville. This homestead has been in continuous possession of the Perry family and is a well preserved historic landmark of Franklin County. Perry's Mill was located nearby on Cedar Creek. {Watkins, LFD, Buck}

From Fann Montague, head of the genealogy department, Granville County Library:

Bonnie,

Casine Plantation is in Franklin County. I have a family history of the Perry family mentioning Casine. "Franklin County Sketchbook" was published in 1982 so I have no idea if any are still available. He will need to investigate in Franklin County unless someone knows where he may purchase one.

Fann

I hope some of this helps. If I find anymore information, I'll pass it on.

Bonnie

I know where Casine Plantation is. It's off 401 going from Louisburg toward Raleigh. There's a sign on 401. Bennett Perry (lawyer in Henderson) owns it. There's a cemetery - can see it from the road. Not familiar with the book. Jess

Hi Bonnie---

In about a week I must create UPCHURCH BULLETIN Volume 28 No. 2. If you have any snippet of family information such as births, marriages, deaths, comments, questions or whatever that I might consider including please send me an email or a letter. A number of individuals are being sent this request to see if the electronic world can be used to augment our joint efforts to tell the story of the descendants of Michael Upchurch in America. I hope to place any inputs in the "From The Clans" Section in the Bulletin. It may be necessary to augment, and/or edit inputs for clarity or due to space constraints.

It would be a pleasure to hear from you whether you have anything to include or not.
All Best Wishes!

Phil Upchurch
