[PHOTO FILE 95-11]

Please find attached picture of William Henry Upchurch and his wife Lydia. They are both buried in the Alvarado Cemetery as I have seen both their headstones. His son was Anderson Brace Upchurch who is buried in the Falls Creek Cemetery in Hood County. Steve Bullard, from whom I obtained these photos, has been to that cemetery and has seen the headstone of Anderson Brace Upchurch.

He had the original photograph and had copies made from the original and they added a tint of yellow to make it look older. Steve gave me most of the information I sent you in the family group sheets. He would like very much to make a swap for his lineage back from William Henry Upchurch. He gave me a name of a person he thought was the father of William Henry Upchurch and I put it on his family group sheet but in your conversation by phone you stated the it was not correct. I mentioned this to Steve and he agreed that your information was probably correct as he was giving me the information from memory.
