MARIUM
OLLIE
CALHOUN

The day I received your letter I spent a pleasant afternoon going through a great deal of the material I have. This was compiled for me by my Aunt Ollie (Marium Ollie Calhoun McWhorter). who began her search of our ancestry in the early 1930's and has tried diligently to keep it up-to-date. Of course, as we proliferate, that is almost impossible, but I am glad someone is doing it. Aunt Ollie is still living in Lawton, Okla. Her son, Roland McWhorter, is most likely the one who will inherit her records. She may not be thoroughly accurate always as much was gleaned by taking notes from others but the official records should be able to put discrepancies to right.
