Dear Mrs Rush,

As you can see from the enclosed sheets I am greatly interested in the entire Upchurch Family. Recently I have been searching on the New Ann (Upchurch) side and how to which you belong. You Aunt Gene (Miller) brought you me your address and thought you might be willing to supply some missing details on your line. My questions are presented on an enclosed sheet. I would be most grateful for any information you have or can get.

I note that your five sons graduated from Auburn. Were any of them an agronomist (my field). I am a product of N. C. State University. A good friend of mine Hanley Funderbush, was President of Auburn for a time. I have had many other good friends on the faculty there including Dr Don Jones and Dr Gale Buchanan.

Please let me know if you have any questions on your Upchurch heritage. It would be a pleasure to send a sketch of your line and more showing how we are related if you desire.

Sincerely yours
Phil Upchurch

DETAILS RE CO "I"

CANNADY, M. Private

Enlisted in Orange County at age 24, 2 February
1862, for the war. Died at Ashland, Virginia, 18 April
1862, of disease.

The company, known as "Cedar Forks Rifles," was from Wake and Chatham Counties and enlisted in Wake County on 28 May 1861. It went into the camp of instruction near Company Shops (Burlington), Alamance County, 1 June 1861, and was assigned to this regiment [Sixth Regiment] as Company I. After joining the regiment, the company functioned as a part of the regiment, and its history for the war period is recorded as a part of the regimental history.

The information contained in the following roster of the company was compiled principally from company muster rolls for 20 June 1861, through February 1864, and 15 September through December 1864. No company muster rolls were found for the period prior to 20 June 1861; for March through 14 September 1864; or for the period after December 1864. In addition to the company muster rolls, Roll of Honor records, receipt rolls, hospital records, prisoner of war records, and other primary records, supplemented by state pension applications, United Daughters of the Confederacy records, and postwar rosters and histories, all provided useful information.
