Dear Phyllis

I am sorry but I didn't put the cut on Hooper upchurch in with my letter to you. after I get my paper I loan them to my Uncle and some times he for gets to give it back and I lose what I had wanted to keep. I don't like to cut things out and then give the paper to him. Just hoping he will remember and keep the paper for me. I went to get the paper and he had throwed it in the trash. Just lucky he had not took the trash out. So I got it back and here it is.

Nothing else to write about but we had our 1st snow last night 3 in. Streets are clear now so not to bad. family all doing well and hope yours is also.

We are going to have a big crowd for Thanks Giving, about 22 or more. I don't know where we are going to put them all. there will be 9 kids from 10 mos to 7 years. Its going to be loud bunch but lots of fun. Hope your Thanks Giving will be a great one also. Take care and keep in touch. I will also.

Dear Phillip,

Here is another obit I got out of the paper about upchurch. I am not sure about audra Gross. It could be as you said, Groves 1st and Gross 2nd. I think Franklin D. upchurch and Roosevelt upchurch are the same person.

Glad to hear about No. 3 Grand child. as far as we know there won't be any more Grand kids for us, our children have been gone for ten year and in one year they moved back home and 45 mis. away. The peace and quiet we once knew has gone away. we love all six grand kids but it has been a trying year for us. We are now sitting where when they all come we are not pulling our hair out.

We have had a really nice fall. The weather as been just great. The past two days has been cold. cant wait for Indian Summer. Our 36th anniversary is the 31st of Oct. and we are going with the kids & Grand kids to break or treat. Then down to little Nashville for the week-end. Little Nashville is down by Bloomington, IN.

Well Phillip I will close for now. Will keep on looking for any upchurch information. Will stay in touch. Take care

Next week we will drive up to Minneapolis to visit our son & his wife & their 2 kids (& dog). They are expecting child #3 next May. This will be our 8th grandchild & probably our last. We will stop in Madison, Wisconsin to see my wife's brother.

We are now in the midst of harvest season and the weather for it is great. I'll go out tomorrow to check on progress.

Phyllis - I really appreciate your ongoing input to update our family history records. Having a lot of good cooperators makes the job more productive.

Sincerely yours
 ☺ Phil Upchurch

Dear Phillip,

Will try to give you a little more information on some Upchurchs. ³⁰⁶⁴³ Kevin Doyle ²⁵⁷⁷⁹ Kadinger son of Dennis and Barbara Upchurch ²⁸⁷⁷¹ Kadinger was married to Suzanne Carol Johnson on Aug. 16, 1997. She is the daughter of Norman and Carol Johnson. Kevin Kadinger has a son Kirk Kadinger and a daughter Kara Kadinger by a 1st wife, name unknown. also Carol Upchurch Russell Conway. She was born 6-9-1924 in TN. She was the daughter of Robert + Rannie Frogge Upchurch. She had a daughter Jane Paris. Two grandsons, Joseph Russell Paris and Clinton Gabriel Paris, six sisters: Thelma Grueschow and Neva Jane Delk, ^{↳ GROVES? - RPA} Andrea Gross, Mamma Gilliatte, Jean Paris and Bobbie Calahan. Four brothers ^{↳ FRANKLIN D. U. ? - RPA} Shirley Upchurch, Shelton Upchurch and Skelly Upchurch and Roosevelt Upchurch. Carol died 2-11-1996 Knoxville, TN

I know what you mean about the grand-kids. I broke my ankle in July and still have trouble with it. The 8 month old Duncan Koons is into every thing and I am on my feet all the time getting up and down with him. at the end of the day my ankle is swelled. We enjoy them, but can't wait till he isn't so much trouble.

Hope this Upchurch information is of help to you. Will keep in touch. Take care

Phyllis

full time to keep up with them. One gets up early (6 AM) and the other one stays up late. You can't win. We enjoy our grandkids but prefer to take them in small doses.

Enclosed is a change of address sheet. We no longer use the Wentzville PO Box.

I can appreciate that you are sometimes able to do more on family history than at other times. I too, am involved in things other than family history - but I keep coming back to give a lot of attention to the family stuff. Sometimes you make a lot of progress just by getting lucky. That has surely happened to you. I'd be happy to work together with you as the opportunity is presented. You are in the midst of a lot of grandchildren

happenings in Minnie or so many
 Upchurch descendants moved there. If at
 anytime you see a newspaper item about
 an Upchurch descendant, I would very
 much like to have a copy.

Keep us in mind if you do get to
 come to St Louis. I have several ideas about
 some travel but no definite plans yet.
 We really need to get back to NC to see
 close relatives. Right now I am sticking close
 to the farming situation.

It is always good to hear from you.

☺ sincerely yours

Dear Phillip,

well ans your letter I got almost a year ago. All my kids have moved back to muncie and close by and have been very busy with the 6 grandkids I have now. The latest one is Duncan Garrett Koors - 1-11-1997 - South Bend, IN son of Kregg & Terry Koors. My daughter almost died with Duncan, so I don't think that there will be any more from her. If that is to be the case then 6 will be all that we will have. My son will not have any more unless he was to remarry and have children by her. witch doesn't look like this will happen, but you never know what lays ahead for them.

I am sorry to say that I haven't heard of any more information of the upchurch family. My research is going very slow now, what with the grandkids being over all the time. I have to keep my papers put up all the time to keep the busy hands out of them. I have also been off prodigy for a few months. My modom was broke and had to wait till I could get the money to get a new one. I am back on now but nothing going on with the upchurch line.

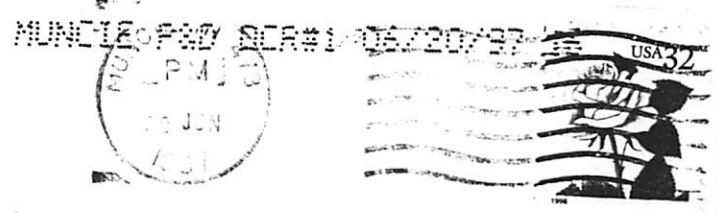

I don't know when I will be able to get to mo. I just last week got to go to Fla. to see my cousin who was raised with me. She has been very sick with 4 blood clots to her lungs and could die at any time.

The doctors say she is a walking time bomb. My be some day I will get your way to see you. If you are every in TN myle we can get together. I dont know if there is going to be a upchurch reunion this year or not. My Aunt says no one wants to come so she might just stop having them.

When I do come up with any upchurch information, I will get back with you. Hope to hear from you. Please keep in touch.

Dear Phillip,

Not much news on the upchurchs,
 but I did run across this when I was
 at the Fort Wayne Library. In Vol 5 ^{No 1} ¹⁹⁷⁵,
 Jan. 1984 page 12 you have ⁽⁹⁷⁷⁶⁾ Ronne Tressell Sr.,
⁽⁹⁷⁷⁷⁾ Ronne Tressell JR., ⁽⁹⁷⁷⁷⁾ Share Edward Tressell and on
 Vol 12 ^{No 4} ¹⁹⁹¹ page 160 you have ⁽³⁸⁷⁹⁶⁾ Ron Tressell
 Sr., ⁽³⁸⁷⁹⁷⁾ Ron Tressell JR., ⁽³⁸⁷⁹⁸⁾ Share Tressell. These are the same
 people. Some one else must have sent you
 information on this family also. I had them as
 the ^{step} ⁽³⁸⁷⁸⁷⁾ son of Patsy Tressell's Husband of Patsy Tressell
 and the other person had them as Husband of
⁽⁹⁷⁶¹⁾ Sharon Lynn Crabtree and sons of Sharon Lynn
 Crabtree. I thought that you would want
 to know about this. I don't know who the
 person was that sent this information to
 you. If I run across any thing else I
 will get back to you.

Dear Carolyn Phyllis,

Thank for your letter of 15 JAN 1996 which arrived today. I have prepared the letter, arranged XID's, etc (trying to stay current!). Copyrightation on the new grammar. We have now 7 grammarians and counting. They are all wonderful creatures (Don't tell my wife I called them creatures!). What a terrific time that you should write about a marriage in Jamaica. Just last Sunday we returned from a cruise with a dog in Ocho Rios, Jamaica. I am pleased that you plan to collect details on the family in 1996. I should be able to catch up and work with you more closely. My trip to Fentons Co, TN last June was great and provided much insight into the George W. Bush H. W. Bush's situation & which you belong. In addition I have spent quite a bit of time arranging the Fentons Co, TN Heritage Book in a way that supports our family history

work. Also, I have a number of collaborators in addition to you that are interested in the Subclan. We have advanced our knowledge of this Subclan greatly in the last couple of years and we should continue to make a lot of progress. It is nice to have collaborators like you who have an abiding interest and who are willing to collect and share information.

Perhaps you will be traveling to the St Louis Area in 1996 and can pay us a visit. I'll keep my fingers crossed and hope that we can meet.

Sincerely yours

Dear Phil,

I have gone over my information on ^(XID 520) Serenas children and I am sending you copies of the information that Ellen Barton Russell sent to me. She is the one that had the write up on the Jane Crouch who married Joseph Upchurch in the Fentress Co. History Book. She is in her 80's and had fell last summer and had a back fall & winter. Not doing much on family history for now. This is all that she has on the Upchurch. Her sister was married to Perry Upchurch. Every one is getting up in years and don't remember like they used to. The younger people don't care about family history. Such a shame. I hope this will ans. your question on Serena Upchurch's children.

I am glad that your moved is all done and went well, and that you will be near the Grand Kids. Glad to

(2)

hear that you are having another grand child in July. We are also going to have another grand child hopefully on my Birthday Sept 9, 1995. Don't know yet what it will be, but if it is a girl I think that will be the end of any more Grand kids for us. That will make us 5 and with the cost of cloths and toys that is just about all that we can handle. We don't get to see them much with them all living away from home.

I have not found any more on my side of the upchurch family. I tried to get information from Sara upchurch who was the daughter of arthur upchurch. But she is now in a depression state and doesn't remember hardly any things. I still haven't heard from Hazel upchurch, daughter of arthur upchurch either. Heard that she had been sick and didn't make

it home for the upchurch reunion. I
haven't been able to go to the reunions
because they have them the same
time that we go to wis. to see the
Grand Kids. Hope fully they will change
the dates so I can go to them. I send
out Group Shuts to people but they
never send them back.

Dear Cousin Phyllis,

Our move to Missouri is now complete and I am trying to handle the backlog of accumulated genealogical letters resulting from the last 6-8 months of our being "unsettled". Enclosed is a copy of our "freedom" document which explains some of our wanderings.

Thanks for your letter of 28 Nov 1994 and for the details about your Uncle Johnny. I was sorry to learn of his passing.

I have to apologize for my handwriting. Sometimes I get in too much of a hurry and sometimes I am tired when writing. I can write OK if I try but the plain fact is it is not very good. I must try to do better and hope you will ask me for clarification where necessary.

You could not make out my questions about page ③ of your earlier letter so I am enclosing a copy of that page. The middle of the page concerns the family of Serena Ann (Uplunch) Jennings. Enclosed also are the two pages of my Master outline which cover Serena Ann and her children. I can fit everything from your page ③ onto my Master outline except for the two parts circled in red. I assume these two parts are for two of the children of Serena Ann. Is this so? If so, is your HARRIOT JENNINGS the same as the one I have listed as HASAM I. JENNINGS (DAU) b. 1880 (XIN-2002) — and is the HARRISON JENNINGS you have listed proper to fill the slot "h" I have under Serena Ann which I show only as "son"? If you can clarify this I will be most grateful.

It is nice to learn from your letter that you will continue to collect information on the Uplunch Family. Your input has

been extremely helpful. The George W. Joseph U
Soliman is a large and complex one
but we seem to be making good progress
on it thanks to you and other sources.

Our plans now are to make a
two week driving trip the last of each
May and the first part of November. This
fits in with the farming operations in
Missouri. This May we plan to do TN
and NC. For TN we will make several
brief spots. If possible I want to pass
through Fentress Co, TN. There is a lot
of Upchurch history there.

If you get over to the St Louis
area please pay us a visit.

With All Best Wishes.

☺ Sincerely yours
Phil Upchurch

Dear Phil,

Sorry I have took so long to get back to you, but have not had much luck in researching the upchurch family. I didn't quite understand what you was asking me about page 3. Some times I have a hard time making out some of your words.

my computer is down for now, I haven't been able to use it to get any information at all on the upchurch's. The lady that I got the upchurch information has been in the hospital and is not well, so she hasn't been able to do any research either. She is in her 80.

□ + Δ My uncle Johnny Scroggins died 6-20-1994 in Tampa, Fla. he is buried in Beach Grove cemetery in ¹¹²⁶⁰ Muncie, IN. he was the son of William and Delpha - upchurch Scroggins.

Will keep on searching the upchurch family and will get back to you if I find any thing out. Keep in touch.

Dear Cousin Phyllis,

Your excellent letter of 13 FEB 1994 arrived on 25 MAR 1994 and I have spent all of my spare time (about 20 hours) for the last week processing your letter and reuniting the Master outline for the James Calvin U line in the George U/Joseph U. Subclan. Your input added to others has made an outstanding improvement of this outline. A copy showing James Calvin U & his children (11) and his grandchildren (84) is enclosed. Your GM is one of the 84 grandchildren. I am sure we will find more grandchildren.

Please have a look at this Master outline and let me have any additions or corrections you have. Do you have sources to further improve this outline? Are there individuals I should write to ask for help?

On Page 3 of the letter you provided details on the family of Serena Ann (Upchurch) Jennings. Most of this I could fit into the

Outline. However, I could not make the items highlighted on the enclosed copy of page 3 fit into the outline. Could you look at the outline and advise me as to how the highlighted items fit into the outline. Maybe the person I have listed as HASAM I. jennuypla (daughter) is the same as Hamist or Hausen on your page 3. My list shows an unnamed son. Maybe that unnamed son is the Hausen on your list.

On the Master outline enclosed you will note some numbers on the left hand side of the page (37A, 35A etc) which indicate that I have continuation sections for these grandchildren. Let me know if you want copies of any of these continuation sections.

I am really pleased at the progress we are making. Please let me know if you have any suggestions on how we should proceed from this point.

Sincerely yours
Phil Edmunds

Can't find out anything about John Fox U. and Foyx Fount U. Some family members think John Fox died as a child. If so it would be Foyx Fount U who married Delpha O. Crabtree.

Dear Cousin Phyllis,

Thank for your letter of 19 OCT 1993 and for all the details. I have just finished extracting the information and placing it in the paper Biopiler and on the Master outline. Congratulations on the new grand daughter. We had a new one born 14 OCT 93 and are expecting another in January which will make 6 for us.

I have received portions of the Continuation Section for Delpha Jane U (Section 19) and a copy is provided for your files. It is now more paper long. You can see what is missing. Any additional details you can supply will be appreciated.

You report on the 8 month old child in the Christopher Columbus U household on the 1920 census. I am using the spelling CARMAN M. Uphunch. Is that correct. I show that

there was a Maxine U (XFD-28745) born 7 JUN 1918
between Holland Arnold U and Corman M. U.
Maxine is said to have died at an early age
and I presume she died before the 1920 Census.

I do show two children of Christopher Columbus
U born after Corman M. U. They are Amor
Deyle U and Gorman Danell U. This should
be on the Master outline of the James
Calvin U line I sent to you earlier. Let
me know if I have errors in the outline.

You asked about details needed on
the Peng U family. More details are needed.
Enclosed in continuation section 36 for him. You
can see quite a bit more is needed.

We continue to make excellent progress
on the George U clan thanks to the
input you and others have made over
the year. Although there is more that
needs to be done we can all be proud
of the progress we have made.

☺ Sincerely yours
Phil Upchurch

Dear Phillip,

I'm sorry to say that I haven't found out more about the Upchurchs. It has been a very busy summer and time has just gotten away from me. What I do have to offer you is that my son William Kelly Garrett JR and his wife Lisa Ann Bauer Garrett had a little girl Stephanie Ann Garrett - Born Sept. 22nd 1993 21 6oz 19 3/4 long. in Eau-claire, Wis.

The spelling of Delpha Greer is Corrett, also Miles is the correct spelling for Miles Harvey. You have Danny William Harvey as being buried in Elm Ridge Cem. Ft. Wayne, IN. That should be Muncie IN. Kenny Joe Kadingers wife is Norma J. P. 2nd wife is Judy P. Kenny Joe and Norma's son Kenny P. Kadinger died March 1993 in Indianapolis, IN. Kenny P. Kadinger's other sister and brother are Shawna J. Arnett - Charles J. Arnett. These must be children from Norma J. marriage to a Arnett. Kristopher Kadinger, Keith Kadinger children of Kenny J. and Judy P. Kadinger. Norma J. Kadinger must have married at least 3 times and is planning to marry a John Smith, on the 1920 Census they have listed in the Christopher Upchurch

Hi Phil, Well I tried to get more information for you but I have not had any luck. James Calvin Upchurch's granddaughters, Sarah the one that I spoke to is now in a depression state of mind and can't think of any thing about the family. Couldn't get any thing out of her. I know nothing about her family or where they are at. The Depression seems to run in the family. Her sister Delta or Edna had the same thing wrong with her. Hazel the other sister is the youngest. She is doing research on the Upchurch family. She lives in I think Salt Lake City, Utah. No one knows her address. Her married name is Hazel Waters. She was here last year for the Upchurch reunion. But I was out of town at that time with the birth of my grandson. I didn't get to see her. I don't know when she will be back. If at all. I am sorry I couldn't help you more on this family.

any updates that you have on the James Calvin Upchurch clan I would love to have if not too much trouble.

Dear Cousin Phyllis,

I have just finished processing your letter of 25 OCT 1992 and want to thank you for all the details. They help improve the master outline. Please let me know if and when you need an updated copy of the master outline for your section of the family. It is easy for me to make copies. I think you are aware of the missing details and I hope you will send me new information as you collect it. Let me know if you want me to list questions about what is missing.

Based on the census records you sent the 11 children of James Calvin U seem to fit neatly under the two known wives of his. It is certainly possible that Sarah Book could have been the mother of his son Christopher Columbus U. However, the strange part is that this son would appear in the home of the father. Such sons normally appear with the mother. With regard

As to the prospect that James Calvin U. married a Crowder I think this quite possible. There is a slight chance she could have been his 1st wife (with a short lived marriage) but more likely she would have been his 3rd wife as James Calvin U. would have been about 58 when his second wife died in 1882.

Do we know if James Calvin U. had any children by - - Crowder. Possibly she was too old to have children if & when she and James Calvin U. married.

I am anxious to know more about the families of the grandchildren of James Calvin U. I show four daughters of Arthur U. who would be granddaughters of James Calvin U. You indicate you spoke with one of these daughters. I have their names - Delta, Edna, Sara & Hazel but nothing more. Perhaps you have a few more details.

It is always good to hear from you and you will continue to collect and share information on the family. I must now turn to the job of preparing Upchurch Bulletin Vol 13 No 4. It will take a day or so.

☺ Sincerely yours

Dear Cousin Phyllis,

Your letter of 7 AUG 92 is at hand and I want
to thank you for all the information you provided.
I spent all of yesterday extracting the details from
your letter and placing them on the Master
Outline and in the various Biopiles. We now
have an excellent Master Outline for the family
of Delpha Jane Upchurch the six pages of which
are provided herewith for your information
and use. Feel free to share this with anyone
who might have an interest. Also I would
be willing to correspond with any member
of this group. As matters stand I believe you
are the only contact I have with this
group.

Enclosed is a full set of questions about
the remaining missing details on the
family of Delpha Jane U. It is not essential
that we have any of these details, but I

-2-

do like to try for completeness insofar as possible. Any of these details you have or can get will be greatly appreciated.

you mention that you have been working with an Aunt. Can you tell me which Aunt. Her desire to leave family history unrecorded is not unusual. All family sections contain some facts that are slightly different. In spite of this situation we still need to discover all we can about our family history - good, bad and in between. I do find many ways to soften the negative things and to emphasize the positive things.

Congratulations on the new grandson!

I assume James Clayton Barney was a son of William Edison Barney by a female other than Delpha Jane U.

The information about the parents of Christopher Columbus U is of much interest. I presently show only two wives for James Calvin U whereas your relatives think he married 4 or 5 times. Was Sarah Bush supposed to be one of his wives.

I show James Calvin U b 27 APR 1824 & 6 JAN 1893

Sarah Catherine U b 1859

John T. U b 1851

Manned 2nd Jane Una Frogge & 1882 - by whom
he had six children:

Christopher Columbus U b 1870

Margaret (Magdalene) U b 1871

Mary Belle U b 1872

James U b 1875

Nancy Rebecca U b ?

Arthur U b 1879

As far as ages are concerned James Calvin U could
have had more wives (and more children?) either
legal or common-law. He would have been about
23 years old when L. Vanda Jones was born - and
~~there~~ could have been married earlier. There is
also a gap between Sarah Catherine U b 1859 and
Christopher Columbus U b 1870 (of 11 years) during
which he could have been married to someone
other than his two wives listed above. Also
there were 11 years between the death of Jane Una
Frogge & James Calvin U. He could have married
again during that period. If we had a more
complete set of dates on all the people involved
we could do a better job of reconstructing the
prospects. I am sure there are records somewhere
that would help. However, your Aunt may have
knowledge handed down that would be hard to
gather from the records.

Phyllis - don't feel pained to follow through on
Upchurch history. However, to the extent that you do
I will be a very interested participant. 😊
Sincerely yours
Phil Upchurch

DEAR PHILLIP,

Sorry I have taken so long to ans. you. I gave the papers to my aunt and she tried to get ahold of as many people as she could, AS I have said before I have no contact with these Upchurch. My aunt says this was all that she could get from the ones she could get ahold of.

There was a Upchurch reunion the 28 of June, I didn't get to go because my grandson was born on that day in Eau-Clair Wis. Kyle Joseph Garrett, but my aunt said that the older lads were talking and they say that James Upchurch his wife Jane Frogge is not the mother of Christopher Columbus Upchurch. His mother is supposes to be Sarah Buck but can not confirm this. It seems that James Upchurch was married 4 or 5 times. My motom on my computer is down for the time being, but will try to check this out and get back with you.

James Clayton Harvey son of William E. Harvey died 1-17-1992 in Marretta Ga. was buried at Frogge Chapel, Pall Mall, Tn.

Danny William Harvey son of William Harold Harvey. his wife is Lois Ann Kreimbihl.

I hope this information will be a help to you. My aunt don't want to know about the family, there are alot of secrects they don;t want out. And she is afaried i might find them.

If I can be of any more help to you just let me know. take care

Dear Cousin Phyllis

All my spare time this past week has been spent on upgrading the George W/ Joseph A. U Subdan to which you belong and especially in processing the details of your letter of 5 DEC 91 (Rec'd 8 JAN 92). Sorry it takes me a while to get to things but your input is very important and much appreciated.

For your information and files I am enclosing herewith copies of my Biopiles on your GGF (Christopher Columbus U - XFD-524), your GGGF (James Calvin U - XFD-498), and your GGGGF (Joseph A. U - XFD-144). Please let me know if you have questions, additions, corrections. My basis for using the middle initial "A" for Joseph U (XFD-144) is the entry for the 1850 census. Do you have any reason to disagree with this decision. It is somewhat unusual for us to have a middle initial for a person born as early as 1800.

Here is how you and I are related:

Michael U, I (XFO-146) [b. 1620 England]

↓
Richard U, I (149) [b. ca 1658 VA]

↓
James U, I (151)

Michael U, III (159) ← BROTHERS → Richard U, II (152)

George U (137) ← 1ST COUSINS → Nathan U, I (78)

Joseph H. U (144) ← 2ND " → Gilbert U (82)

James Calvin U (498) ← 3RD " → Bartley Jefferson U

Christopher Columbus U (524) ← 4TH " → Robert Jefferson U

Delpha Jane U (11260) ← 5TH " → Robert Phillip U → ME

William Harold Harvey (28783) ← 6TH " → My Children (3)

YOO ← Carolyn Phyllis Harvey (28786) ← 7TH " → My Grandchildren (4)

So, your GM and I are 5th cousin, you and my grandchildren are 7th cousin while you and I are 5th cousins twice removed!

As a next step I have enclosed a complete set of questions on the entire family of Delpha Jane U. I will be grateful for any of their answers you have or can get. At some point we can return to the earlier generations. Please let me know if you have any questions.

Sincerely yours
Phil & Churchy

Dear Cousin Phyllis,

I have just spent about 12 hours in the last two days extracting your letter of 27 OCT 1991 and upgrading the Master outline for George W/ Joseph A. U Subclass and the narrow Biopiler. We are making great progress on this subclass and I am indebted to you for your substantial help. I'll send you a copy of the updated outline in due course but for now the one you have is probably adequate for us to exchange ideas.

Enclosed are three lists of questions for different aspects of the George W/ Joseph A. U Subclass. I will appreciate any answers you have or can get or any insights you have.

Phyllis, I am impressed with your knowledge of your part of the Upchurch family. I hope we can continue to exchange information and to be helpful to each other. Let me hear from you soon!

Have a Happy Holiday!

Sincerely yours
Phil Upchurch

QUESTIONS ABOUT THE FAMILY
OF JOSEPH A. UPCHURCH (XID-144)

301000
1991

- 1) For Margaret (Magdalene) "Mag" U [Daughter of James Calvin U]
- Can we settle on Margaret or Magdalene?
 - Combining your list and mine I now show her with a total of seven children:

- Samuel Cornelius Evans, Sr
- Mary Evans
- James Evans
- Nancy Evans
- Della Evans
- Timothy Evans
- Bennie Evans

Do these seem correct and do you have any more details on them.

- 2) For Lucinda Jane U (XID-499)

a) Do we know of any children for her?

- 3) For Joseph U (XID-534) [son of William Hamilton U]

a) I show 11 children & you show 10. Nine of your names match with mine but your CHUCK (Charles?) does not match. I have Noble Cashier U & Joseph Frederick U - could either of these two be your "Chuck"?

- 4) You show "Tode" U as a son of William Hamilton U (XID-500) I assume ~~that~~ is ~~the~~ one I call George Thomas U as ~~the~~ ~~two~~ children you list for Tode are the same as ~~the~~ ~~two~~ I list for William Hamilton U. OK?

- 5) For children of William Hamilton U you list 3: Tode U, Marion U & Joseph U. I have now added Marion U to my list and now show William Hamilton U with seven children: Mary Jane U, Louisa U, Margaret U, John Floyd U, Joseph U, George Thomas U, and Marion U - OK?

- 6) You show Marion U (XFD-29106) [son of William Hamilton U] as md to Polly Ann Green, I show Polly Ann Green as married to George Thomas U [XFD-535], did she marry them both or is one of these a mistake?
- 7) For James U [XFD-541] [son of Thomas Washington U] you list seven children with the last name GILBERT. The mother was Ebb Gilbert. Should their last name be Uphurch or was it really Gilbert?
- 8) You show Louisa U [XFD-503] [Daughter of Joseph A. U] as married to John Jackson b 1838 d 1864. I show her as married to Jefferson Rule - Note that Louisa U had a brother John Jackson U b 1838 d 1864. Should we delete John Jackson as the husband of Louisa U in preference to Jefferson Rule?
- 9) Re Mertie U [XFD-11266] and Sarah Hill - Are you saying that Mertie U is the daughter of Sarah Hill or that Sarah Hill is the daughter of Mertie U?
- 10) Enclosed are two Biographies - one on Edna Blewitt and one on Harriet Blewitt. Are the two Edna Blewitt shown in these accounts one and the same, related, unrelated, or what? Maybe just a coincidence. Reference 29 in Morgan's Book.
- 11) Re Elizabeth U [XFD-497] [Daughter of Joseph A. U] - Do I assume correctly she was once a sister to Hardin Williams & that it was her daughter Vannie Williams who was 1st wife of John Fowler and 2nd wife of Hershey Bragg?

Dear Cousin Phyllis

Your packet of 23 SEP 1991 makes a wonderful addition to our Upchurch history project and I thank you for it. I have spent quite a few hours processing the information and everything is now properly recorded on the Master outline and in the name Profiles.

Enclosed is a copy of the 21 page Master outline for Joseph A. Upchurch (XIV-144) which goes down through the 9th generation. I will appreciate any improvement you can make in this outline.

A list of questions on your particular line is enclosed. I will appreciate anything you have or can get on these questions.

I especially appreciate the photo of James Calvin Upchurch. This photo is a good candidate for publication in the Upchurch Bulletin. I could reprint from the copy you have sent but

it would be better to have an original.
Do you know if it would be possible for
me to borrow the original? I assume
this has been published somewhere. Can
you tell me if it has been published and
if so, where?

We have been making great progress on
the George W/ Joseph A. Upchurch Subclass to which
you belong and I hope you and I can
continue to work together to make more
progress.

I look forward to hearing from you
and to our continued cooperation

Sincerely yours
Phil Upchurch

Dear Cousin Phyllis,

I am most pleased to have your letter of 12 AUG 1991 and to learn of your interest in your Upchurch heritage. Details and the Upchurch Bulletin are enclosed. I will be happy to fill your order.

I can confirm that your ancestor Delpha Upchurch (XFD-11260) is a daughter of Christopher Columbus U, a gd of James Cairn U, a ggd of Joseph H. U & a gggd of George U (Head of Clan). You thus belong to the George Upchurch / Joseph Upchurch Subclan. We have a great deal of information on this Subclan - much of it published in the U B. However, there is much yet to be done. I hope you and I can work together to upgrade the master outline and especially as regards

2-

Christopher Columbus II and his descendants.
I collect full names (full maiden name
of females), dates of births, marriage and
death and place of births, marriage,
death and burial. However, I will
gladly welcome whatever outline you
already have prepared. We can deal with
specific missing items later.

The Bible you mentioned sounds
interesting. I would be pleased to have
a photocopy of the pages with family
details and/or an extract of the details.

I'll hope to hear from you soon
and look forward to working with
you.

Sincerely yours
Philip G. Gurney

Dear Mr. Robert Upchurch

I am of the Michael Upchurch¹⁴⁶ 1st Gen. of America. My cousin Mike Upchurch¹¹²⁶¹ loan me some of the books that you have out. I found them to be very interesting. He had only about 8 of them and when I was in Fort Wayne Ind. Library I found some more of your books. My Grandma & Great Grandma was in it. I am from Delpha¹¹²⁶⁰ Upchurch side of the family. I don't know how much you have on my side but if you are interested I will send you what I have.

I need more information on how to get your books and what they cost. I have just started the Upchurch side. I have a copy from the family Bible but it has it that Michael¹⁴⁶ Upchurch Dad was a Michael Upchurch with a wife Joan. not Richard. My aunt has the Bible. I will check it when I go see her this week. My name is Phyllis Garrett I live in Muncie, Ind. My address is 2320 S. Perdieu Rd, Muncie, Ind. 47302
would appreciate any information you can give me.

Thank you

Phyllis Garrett

Dear Michael

Sorry I have been so long in ans. your letter. But I have been trying to get ahold of my aunt, I finally got ahold of her and got to see the family bible. She was wrong in how she was telling me about Michael. It did not come from the Family Bible like she said. What you have is right, who every told her went another way and got side tracked.

I am sending you what I have on the upchurch family from Columbus upchurch. I don't know if you have any of this or not. Mybe something will be of use to you.

I am sending you a copy of James Calvin upchurch B. 1824 D. 1892 picture. I would like to get your books. But right now I am unable to do so. Hopefully later on I will be able to. If I find out any more on the upchurchs + names + dates I will let you know.

I have enjoyed writing to you and hopefully we will do more of. Thank you

Your cousin

Phyllis
