Phil,

Always nice to find a distant cousin with a shared interest in family research. I usually receive tidbits of new information or rehashed data, but holy smokes, your pile of data is a case of information overload! I am most appreciative of everything you have shared and will be dropping a check into the mail for the issues of the bulletin. I am going to have to take some time to carefully glean through the data.

I would like to point out that in regards to Simeon Upchurch Carpenter in Greene Co., AL, there were in fact two separate individuals of the Simeon Carpenter name present there. Several Carpenter researchers have merged these two, despite the facts that demonstrate their difference. I will use your XID numbers for clarification.

John Carpenter (15712) and Elizabeth Upchurch Carpenter (15111) were the parents/adoptive parents of Simeon Upchurch Carpenter as known by the 1803 legislative action regarding the change in surnames of the five Upchurch children and the 25APR1836 Green Co., AL Orphan's Court record [Orphans Ct., Bk D, p205] naming Simeon as a heir of John Carpenter (15712). The age of Simeon Carpenter can be extrapolated by him being a witness to a 24OCT1809 Franklin Co., NC deed from Benjamin Upchurch (163) to John Carpenter (15712) [Deed Bk 15, p73]. Simeon being at least of legal age of 21 in 1809 would have him born circa 1788.

Buried in Sardis Cemetery in Greene Co., AL is a Simeon Carpenter [22MAY1800/5AUG1860] and his wife Mary M. Carpenter [2OCT1808/20AUG1881]. Recorded in Greene Co., AL is a marriage record between Simeon Carpenter and Polly M. Cherry on 1827. Other court records demonstrate that she was the daughter of Samuel T. Cherry, also buried at the Sardis Cemetery. Based on the dates from the tombstone, it can be shown that the Simeon Carpenter enumerated on the 1830, 1840, 1850, and 1860 censuses is in fact this Simeon Carpenter and not Simeon Upchurch Carpenter. On page 784/394B of the 1830 census he is enumerated on line #5, which is within several lines of other Carpenter associated families, namely Lawrence Williams [line #2] and James B. Tutt [line #6], both husbands of two of John Carpenter's (15712) daughters. Although this would suggest a family association with John Carpenter, I have not found him noted on other records with any known John Carpenter direct family or associated family members. This Simeon Carpenter is also not named as a heir of Simeon Upchurch Carpenter in the 9APR1838 settlement of John Carpenter's (15712) estate [Greene Co., AL Orphan's Ct, Bk D, p390].

Elizabeth Pierce Carpenter is buried at Pleasant Hill Cumberland Presbyterian Cemetery in Green Co., AL. Her tombstone notes: "In Memory of Elizabeth wife of Simeon Carpenter Sen. who was born Jan 29, 1789 departed this life March 21, 1855 aged about 66 years. She was an affectionate mother leaving six children to mourn her loss." The "Simeon Carpenter Sen. [Senior]" from the tombstone is an interesting reference, but not to the Simeon Carpenter born in 1800, as Elizabeth would have been only 11 years old and Simeon Upchurch Carpenter only 12 years old (assuming the age extrapolation) when this Simeon Carpenter was born. A biological possibility, but highly unlikely from a social and cultural standpoint. This "Senior" reference could have been made only to differentiate the deceased Simeon Upchurch Carpenter from the other Simeon Upchurch still living at the time of Elizabeth Pierce Carpenter's death. It also could mean that one of Simeon Upchurch Carpenter's sons was a Simeon, although no record has been demonstrated to have used this name in association with one of the sons. Furney Lee Carpenter, son of Simeon Upchurch Carpenter, is documented with two proper names, where as the other sons seem to only be documented with one proper name. The possibility exists and will require further research. Trying to sort this out and who this other Simeon Carpenter is and his connection to the John Carpenter (15712) family is not the focus of your Upchurch family research, but I just wanted to point him out.

Good luck with the tax work, my wife is a tax accountant and she is swamped at work.

Regards, Richard Holt

Hi Richard—

Our appointment with our Tax Accountant was postponed until this Friday. I finally have everything ready so can begin to focus on family history again. I have reread our exchanges and will spend some more time matching the details in your email of 20FEB08 with my files. Hopefully, you will be doing the same and I will hear from you in due course. It will be nice to have someone to help think things through. Do you know of anyone else who is working on the Upchurch-Carpenter puzzle?

It is well to remember that John and Elizabeth (Upchurch) Carpenter were not the only families to move from Franklin County, NC to Greene County, AL. Abel U., Sr moved his family as well. He was an Uncle of Elizabeth. There is some possibility he could be the father of the puzzle children. Also, consider that some of the Carpenters stopped in Stanly County, NC. This was the basis for Lucille Carpenter Curlee's interest in the Puzzle.

These are just a couple of thoughts. We have our work cut out for us.

Look forward to hearing from you.

Phil Upchurch

LEGAL NAME CHANGES BY ACT OF NORTH CAROLINA ASSEMBLY
(1800-1804)

(Compiler- B. Ransom McBride)
1113 SEABROOK AVE., CARY, N.C. 27511

The names of the following persons were officially changed by act of the North Carolina Assembly from 1800-1804. Names were changed for various reasons, including the legitimization of the names of natural born (or illegitimate) children, altering the names of adopted children or personal desires to incorporate the name of a close friend or relative. Both original and altered names are shown below in double entry. If additional information of genealogical interest was noted in the act, it is included following the name changes below. The page number and year of enactment as found in the N.C. state-sponsored series, Laws of North Carolina, is shown in parentheses for each name change. Information found in this series varies widely as to the full identification of the persons concerned and their counties of residence.
