DETAILS RE CO "I"

CATES, W. Mebane, Private

Enlisted in Wake County in October 1864, for the
war. Deserted at Midway Station, between Richmond,
Virginia, and Petersburg, Virginia, 9 December 1864.

The company, known as "Cedar Forks Rifles," was
from Wake and Chatham Counties and enlisted in
Wake County on 28 May 1861. It went into the camp
of instruction near Company Shops (Burlington),
Alamance County, 1 June 1861, and was assigned to
this regiment [Sixth Regiment] as Company I.
After joining the regiment, the company functioned as
a part of the regiment, and its history for the war
period is recorded as a part of the regimental history.

The information contained in the following roster of
the company was compiled principally from company
muster rolls for 20 June 1861, through February 1864,
and 15 September through December 1864. No
company muster rolls were found for the period prior
to 20 June 1861; for March through 14 September
1864; or for the period after December 1864. In
addition to the company muster rolls, Roll of Honor
records, receipt rolls, hospital records, prisoner of war
records, and other primary records, supplemented by
state pension applications, United Daughters of the
Confederacy records, and postwar rosters and
histories, all provided useful information.
