Gathering their materials from Germany, Spain, England, South America, Florida, Tennessee, Virginia and the Great West, the Caraleigh Phosphate and Fertilizer Works manufacture every grade of fertilizers demanded by the North Carolina trade. Their business is very successful, due largely to the fact that its management is composed of such energetic and reliable men as J. R. Chamberlain, Ashley Horne, S. R. Horne, E. C. Smith, F. O. Moring, J. W. Barber and A. L. Chamberlain. They have a large up-to-date plant, and the fact that a mile of side-track is required around their factory to handle heavy shipments, indicates somewhat the enormous business done. Raleigh is justly proud of this large industry. The success of this North Carolina enterprise is largely due to the eminent ability and intelligent management of the business of the company by its president, Prof. J. R. Chamberlain, who has been ably assisted by Mr. A. L. Chamberlain, the secretary and treasurer. Few manufacturing enterprises have been more ably managed in all its departments than the Caraleigh Phosphate Works, of Raleigh.

Resolutions of respect passed at the annual meeting of Caraleigh Phosphate and Fertilizer Works, held June 9th, 1896:

WHEREAS, It has pleased Almighty God to remove, by death, since our last annual meeting, Mr. W. G. Upchurch, and

Simultaneous with the opening of the Caraleigh Cotton Mills in 1892 came that of the nearby Caraleigh Phosphate and Fertilizer Works, maker of chemical fertilizers. Both organized in 1891, the two companies were backed by many of the same men, such as Ashley Horne of Clayton and Raleigh's J. J. Thomas, Joseph R. Chamberlain, W. H. Pace, F. B. Dancy, and W. G. Upchurch. Chamberlain left his position as professor of agriculture at the A & M College to become superintendent of the phosphate plant in 1892. Only days after the plant opened, a fire destroyed the "acid department" building where pyrite was burned to make sulfuric acid, but the loss was covered by insurance. By 1911 the company had 100 employees and by 1916 reported capital stock of some \$300,000, making it Wake's largest single enterprise. Farmers Guano Company, incorporated in 1902, was the distribution arm of Caraleigh Phosphate.⁷⁵

① 30 JAN 2009 - C.D.C.T. = wife of the late Frank Samuel Crosscut - called N.A.U. to thank him for the letter of condolence written 17 DEC 2008. Also, she wants to list me as a reference for a job. I said OK. she will email me her resume. we had a nice chat. she seems in good spirits. Her phone no = (520) 463-0140

There is one aspect of the life of Dr Frank Crosswilt that I would like to lift up. It concerns his role with the magazine Desert Plants. I came up with the idea for such a publication. There was a crying need for it and because I knew that such a project would fit like a glove on a hand with the talents and interests of Frank. He readily agreed to the endeavor and he and I, working together, convinced the Ashcroft Board and The University of Arizona to sponsor the effort. Frank poured his heart and soul into this magazine. A quick look at the issues he produced, much of which he wrote himself, demonstrates his exceptional talents as a botanist and an historian. His articles were and are truly remarkable. It seems fair to state that his work on Desert Plants serves as a monument testifying to his talents and his service to the human race.

May He Rest in Peace and may you and the Family be comforted by those close to you as you grieve and yet celebrate the life of Frank.

D.W. Chaney, textile scientist

He led textile school at NCSU

BY LOVEMORE MASAKADZA

David Webb Chaney's lifetime of textile research helped create parachute cords, AstroTurf and fiber for sweaters and carpets. He led the N.C. State University College of Textiles for 14 years. But family and friends remembered Chaney, who died at the age of 88 Sunday, as a gentleman with a sense of humor.

Chaney died of a cerebral hemorrhage at Rex Healthcare after a short illness, his wife, Anne Perry Chaney, said Tuesday.

"I will remember him for his love, tenderness and ability to listen to other people," she said.

Chaney was born in Cleveland in 1915 and received his bachelor's de-

gree in chemistry from Swarthmore College in 1938. He got his doctorate in organic chemistry from the University of Pennsylvania in 1942.

Chaney worked for American Viscose from 1942

to 1946 and helped develop nylon for parachute cords during World War II. From 1947 to 1967, he worked for Chemstrand. He led the research team that developed an artificial grass, later known worldwide as AstroTurf, and fiber used to make sweaters and carpets.

Chaney was instrumental in bringing Chemstrand's research center to what was then a new

development, Research Triangle Park, in 1960. He moved to Raleigh in 1962 and took over the leadership of NCSU's textile school in 1967.

Chaney remained a modest man, said his son, Steve Chaney, 60, a biochemist and professor at UNC-Chapel Hill.

"If it wasn't me telling other people, many people would not have known about his accomplishments," his son said. "He was an inspiration to me because of his accomplishments. He didn't brag about them."

Steve Chaney said that when his father retired from NCSU in 1981, he continued to follow Wolfpack games and academic affairs, and he also worked as a volunteer at the N.C. Museum of Art.

Steve Chaney said his father also liked gardening, sailing and photography.

Rutherford Thompson met

Chaney while both worked at Chemstrand in 1952. They became lifelong friends.

"He was a gentleman, very smart, and had high principles," said Thompson, 84, a retired chemist.

He said Chaney and his colleagues played an important role in developing a doctorate in fiber and polymer science at the university.

In addition to his wife and son, Chaney is survived by a sister, Elizabeth Ferguson; three stepchildren, Betsy Newton of Chapel Hill, John Stephenson of Myrtle Beach, S.C., and Johnny McCann of Raleigh; and six grandchildren.

A memorial service will be held at Christ Episcopal Church in Raleigh at 2:30 p.m. today.

i know you are doing the way back stuff, but i am trying to get some kind of link to get back there. since i did read some i know that, as we are white, we have to be in the Michael Upchurch group.

in searching for information on my husband's grandad (who he knew nothing about really) we have found that he was george lincoln upchurch, born in AK (from wwii record) in 1917, ended up in covington county AL and married Lorena Ballard, then died in 1948 (not sure where), then buried in xenia, clay county, IL. there is also a charles and bertha upchurch in the same cemetery (odd fellows) who look to me to be his parents...beyond that i am stumped. but that is more than we knew before... wonder if you have any ideas. thanks so much,
:)

Hi Heather---

Delighted to have your message. I have spent about two hours trying to place your husbands group in the Upchurch family. I have made notes and have several leads but nothing concrete to report. Let's not give up. Can you give me a few more hints such as:

1. Any more details on the recordings in the cemetery in Clay Co, IL?
2. Names of any siblings of George Lincoln U. ?
3. Names of any of the children of George Lincoln U. ?
4. Anything else you can think of ?

Hi Phil,

I am so glad I have found someone who is knowledgeable about the UpChurch family. When my husband and I met, I was researching my grandparents lines from czechoslovakia and sneedville, TN and I thought I was stuck... I was astounded to find he didn't even know anything about his grandfather! So we have been searching and posting for 4+ years now and thanks to findagrave.com we got our first real lead. I may have a little more information at home so I will get that to you tonight if so. For now this is what I do know. We started out with the name, xenia IL and he died in a car wreck off of a bridge when my husband's (whose name is Phil also) :) dad was really little.

It amazes me of the dearth of free information to be obtained online. Last night I signed up to volunteer to transcribe Census records because of this (for LDS) as the information will be free to researchers.

We don't know if there are, or are not, any siblings as of yet.

The lady that had posted the pictures and info also gave me this information when I contacted her (I haven't called the phone number for Lents yet but I have had no success online). She also said she'd go to the library there for me. The people I have met on here are amazing... I couldn't even get my family members to do what some of them have done for me... and they are complete strangers with no ties to the lines I'm searching at all at all:

1. I asked her what surnames were next to him and she said, in order: "Koontz, Steele, Rowe, Blanton, Woomer, Charles & Bertha Upchurch, G L Upchurch, Wilkinson, Pfortmiller, Beard, Clark"

I haven't searched these names yet... she just sent me this info.

I can get that exact information if you need it.

Phil's father is still living but he doesn't have anything to do with the family and doesn't even know most of what we've found out. He lives in Knoxville TN. We see or hear from him once or twice a year.

I hope this helps...if you need anything else, let me know and I will see what I can find out.

Hi Heather ---

I have continued to work on your husband's line and think I have made some progress. Yesterday I called William Lents at the number you provided and had a nice chat with his wife in the background helping. She is an Upchurch descendant. Both are interested in family history. I have prepared a packet to send to them and would like to send you a copy if you will let me have your mailing address. After you get my packet you will probably have some questions. As usual, there is more digging that needs to be done.

I like your name Heather as one of our eight grandchildren has that name. At 26 she is the oldest and is married and lives in Washington State. I have assumed your full maiden name is Heather Anne Cheney. Am I correct? I file by maiden name for females.

All Best Wishes!

Hi Phil,

That is awesome news! Please pass on my contact information to the Lents'. Are they connected to our George as I had hoped? Thank you so much for all of your hard work! I love to dig, so that isn't a problem. I am researching like 5 or 6 different lines and I love it. Maybe I eventually I will be able to actually help you. In the meantime, if you need any Graphic Design/Art/Restoration work, I would be *honored* to oblige... please don't hesitate to ask.

My full name is Heather Ann Chaney for your records.

Hi Phil...

We have received your packet and I am so excited to get started helping you clear up some of these things. I think I may have something that might help with your death date conflict. I have a picture of the Charles and Bertha U. Xenia, Clay Co. IL headstone. I will send it tomorrow. Thought you would like to see it at least even if it didn't necessarily help. I have found lots of info on lots of Upchurch's but didn't know how to tie it all in, so I think with some names to go on we may really be able to get somewhere. We can't help in a lot of ways, but we can help you search all you'd like. Do you have any of lines and other info in word documents or gedcoms or anything? It is kinda of getting confusing and that is about the only way I can keep up with it, especially doing all of the lines I'm doing.

As a side note, I think it is funny that one of the lines I am researching is my Negray, Supina, Potsick, Ricketson, etc. line....and in that line I have found 7 I believe that all died in the Moweaqua mine disaster and I saw an Upchurch (Harry maybe) that lived there as well. Most of my grandmother's line lived in Moweaqua... it is/was a very small town, right? Just seemed odd.

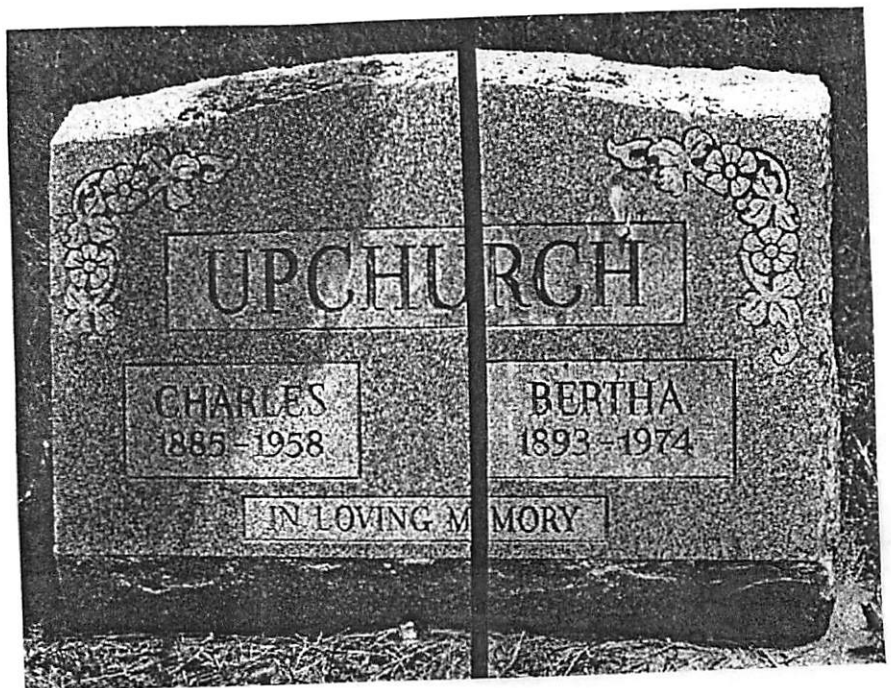

Well, let me know your thoughts and if there is any info in particular I can search for us.

Thanks so much Phil... we are really looking forward to working with you on this!

:)

Hi Phil,

I have found out a little more info that kinda puts us on a different path. Here goes.

Charles and Bertha can't be George Lincoln Upchurch's parents, as we just found out the death year is wrong. The death year and name of G.L. Upchurch's dad is George ? Upchurch died 1943-1945. Don't know if this helps you any.

I located another George L. Upchurch buried in OK in 1973 which is also wrong death date.

There is the Geoge Bluford that seems to fit but I can't find out anything about him to know for sure.

George Lincoln had a sister named Naomi Donahue or Upchurch as well as a brother named William Henninger ? don't know what that deal is. Phil's mother also said she thought he had more brothers.

Also Bill sent me an email and he knew facts about G.L.'s wreck near Flora/Iuka that we'd never heard. I asked him how he knew but haven't received a reply as of yet.

Thanks so much for all of your help!
:)

UPCHURCH DIES OF Wreck Injuries; Lawrence Serious

George Upchurch, 21, of Juba, died shortly before noon in St. Anthony's hospital at Effingham of burns suffered when the truck in which he was riding crashed over the approach to the overhead bridge east of Flora and caught fire in a early morning for today.

Thomas A. Lawrence, 21, also of Juba, the other occupant in the truck is in St. Anthony's hospital with burns. Hospital attendants said his condition was serious.

Headed west at the time of the accident, the two men are said to have been attempting to pass another car, also traveling west, when they saw the tracks of an approaching car, going east, and pulled off to the south side of the approach to avoid a head-on collision. Several feet of the guard fence on the highway were torn down, as the car crossed off the road, to the southeast side of the bridge approach.

Several patients at the East End Cafe and Service Station who saw the accident, rushed to the aid of the injured men and pulled them from the flaming wreckage of the truck. The Flora Fire Department also was called, but was unable to save the truck, which was completely demolished by the fire.

The injured men were removed by an ambulance to the office of Dr. E. D. Poe for first-aid treatment. Later, they were taken to St. Anthony's Hospital in Effingham, where Upchurch died today.

Officials today reported a delay of several minutes last night, when Edwin McCawley, manager of the East End Cafe, attempted to get an ambulance and the fire Department, and further difficulty when police officers tried to place a call to find out exactly where the ambulance was to go, when they are at stake, as in the case last night, a matter of minutes is of the utmost importance and it further evidence that improvements are needed in Flora's telephone service.

CANDIDATES FOR GOVERNOR AWAIT VOTER'S DECISION

Green, a Veteran of Politics, and McCremon, a Newcomer, Have Squared the Franchise

SPRINGFIELD, Ill., Oct. 25--(UPI)--A veteran and a newcomer to Illinois political ring waited for the voters' decision one week from today in their bare-knuckle campaign for governorship of the nation's third most populous state.

Despite Gov. Dwight D. Green and his Democratic opponent, Adlai E. Stevenson, have pulled few punches in their bids for voters' charges of "political greed, corruption and waste" have flown from the Democratic corner.

Green's counter-punches have labeled the Democrats as "reckless promoters, treasury robbers and bureaucratic New Dealers."

Illinois' 81-year-old governor is trying something no other governor has done--election to three straight terms as the states Chief Executive. His rival is also out to set a mark. This is Stevenson's first try at an elective office.

Green has campaigned his eight-year record of "honest and efficient state government." That record has been challenged by Stevenson from Chicago to Cairo.

Stevenson has made the most of recent charges of widespread gambling in Illinois and has stumped the state letting voters that gamblers have contributed funds to Green's election campaign.

Green labeled the charges as "malicious falsehoods" and "damnable lies." He said gambling must be cleaned up by local authorities unless there are requests for help by the state.

In addition to laying the Green administration as a "vicious state machine, Stevenson has laid out a 15-point program running up his platform.

It calls for increased school expenditures; redistribution of some of the state bonded reserves tax money to local governments; a "clean up" of state civil service; removal of the state mine inspection from political interference; revision of the state constitution; restoration of the Illinois road system; increased aid to the blind and needy, and

Obituary

George Lincoln Upchurch was born April 26, 1917, and departed this life Oct. 28, 1948, at the age of 31 years and six months, his death resulting from injuries received in an accident the night before.

He spent his boyhood days on a farm north of Xenia. At the age of 19, he confessed his faith in Christ, and joined the Congregational Methodist church.

In 1940, he joined the United States Army, serving five years in the States and three years in Germany. Since receiving his honorable discharge, he has been at the home of his parents, not being able to have steady employment, as he had sacrificed his health in the service of his country. He received several medals of honor, among which is the Good Conduct medal.

He leaves to mourn his passing his parents, Mr. and Mrs. Charles A. Upchurch of Juba; one sister, Mrs. Gerald Wilkinson of Flora; two half-brothers, Frank (Husband) of Effingham, Ill., and Bill (Husband) of Chicago; one half-sister, Patricia Upchurch of Baton Rouge, La., and a host of relatives and friends.

Though sadness croak our pathway, And darkness fills the sky, Beyond the dawn is breaking, And the clouds will soon pass by: For in God's hand eternal, Our dear one is at peace; Secure within His keeping, His love that will not cease.

Card of Thanks
We wish to express our deep thanks and appreciation for the acts of kindness, sympathy and help extended to us in our bereavement in the loss of our son and brother, George L. Upchurch. Hi Heather--
 This is a progress report -sort of. I have been doing a lot of digging on your Upchurch interests and have made a lot of progress. At the same time I have elected to update my IL Upchurch census files. At the same time we have had grandchildren duty for three days ending today. Tomorrow a cousin from NC visits all day. Sorry to tease you this way but I'll mail you a packet in the next few days. Am anxious to have your response. In the meantime do keep sending me stuff. I have not heard from Bill Lents.

Hi Phil,

I just wanted to let you know that we did receive your packet :) and have found a little more info for you as well.

1. I have attached an obit for Naomi Upchurch (George L.'s brother) as well as her 2nd and 3rd husband's obits (her 1st husband being Gerald Wilkinson- found in one of the other obits/George L.'s maybe). I have someone photographing and getting cemetery records. She said the dates didn't match for Naomi, so when we get that info, I will forward it to you. *→ COPY PLACED IN RPU WAK RECORDS FILE IN BIOFILE OF GEO. LINCOLN U - RPU*
2. Here is a link to George L. U.'s Electronic Army File: <http://aad.archives.gov/aad/record-detail.jsp?dt=893&mtch=3&cat=WR26&tf=F&q=GEORGE+L+UPCHURCH&bc=sl,sd&rpp=10&pg=1&rid=1214754&rlst=1214754>
3. Saw you had included "my" Phil and his brother John (Texas births) on this one... so we thought you'd like to know that Daniel Alexander (b. 1973) and Timothy Wayne (b. 1975) were both born at Ellsworth Air Force Base/Rapid City, SD to George D. and Mary E. Green Upchurch. George D. was a photographer and officer in Vietnam. Would love to find any records or his photographs. Phil remembers a few pics from his childhood and would recognize them if he was to see them. If you have any ideas please let us know. *457785, 4787400*
4. Also at some point before George D. married Mary E. Green he was married to an unknown lady. Someone once found the divorce or marriage certificate but noone remembers as noone knew he was even married before her until that point in time. This unknown lady supposedly divorced him while he was in the Air Force? noone knows for sure. Would love to find out any of this and if were any children.
5. Bertha's middle name is Mae and I have just received more info on her family if you'd like me to forward it.

Hope this helps, if you need more please let me know. Thank you so much for all you are doing. It means so much to his/our family.

:)

Hello again,

I forgot to tell you that I found on someone else's family tree that Bertha was possibly married to two different upchurch men or the same one twice. one before heninger and one after. some of the info seems a little odd, so it may be all wrong... but it would explain how they wound up together in odd fellows. Just thought I'd throw that one out there just in case. :) *THE RECORD FOUND BY HEATHER PLACED IN BIOFILE OF BERTHA MAE RUSH - RPU*

this is the link but it says george... ? this is all very confusing, huh? this seems like it may be a lot of misinformation. tried to contact the poster without success.

there may wind up being a little truth to it.... since a family rumor is that charles and bertha split up and got back together. i hope this helps instead of hurts. :)

HI Heather---

Thanks for the two emails of yesterday. I have been able to print both out along with the links for all of which thanks. I'll put this with my stack on your part of the family to study in more detail after I have completed organization of my IL census records. It looks like we are making progress. I have not heard from the Lents folks. They probably have organized records of interest to us. It seems you must think my summary makes sense.

From the info we do know, it does seem that everything fits snugly together and we (by "we" :) I mean you mostly) are making quite a bit of progress. More than I had even hoped for. :)

You should be getting a link to our "myheritage" site. If you see that we entered anything in incorrectly please let me know, as you are more familiar with what is going on than we are. If you have any questions, let me know.

Hi Heather---

I have been out of touch so will try to catch up.

I got your posting today of your website and was able to negotiate it fairly well. However I am a klutz on these things and don't get all of the good out of them. Is there a short way I can get to the site?

Over the last week or so I have concentrated on getting my IL Upchurch records up to date. I finished that job last night. This could help as we study your part of the family.

Now I have returned to your part of the family. Also have an email from Bill Lents which is friendly. I will probably email or call him but wanted to put a key question to you first. We seem to be settled on the idea that the father of George Lincoln U is a Charles U. The question is which Charles. We seemed to have jumped to the conclusion that his father was Charles Andrew U 1885-1953 who was the son of Enoch S U. However, Bill Lents seems to think that this Charles is not the father of your George. From some of the records I tend to think Bill is right. We have another Charles to consider and he is Charles A U 1892-1958. Can you let me know your thoughts about the two individuals named Charles and the two sets of dates? My impression is that this matter is made more difficult to sort out because both individuals are shown with a connection to Clay County, IL. After I have heard from you I'll dig in my records some more.

Hi Robert,

The dates on the headstone are 1885-1958. So it looks like the b and d dates of these two may possibly be switched up. Which lines up with Enoch and Missoua and son Charlie on the census as far as the birth date. Let me know what you think and if we need to look for something in particular that would help.

maybe this link to the site will help... if not let me know and i will work on it.

Hi Phil,

We received your packet today!!! I have been all over ancestry.com and I can't seem to find anything on our Charles. I did see in your papers that you needed to know the name of the cemetery Charles, Bertha and George are in. It is Odd Fellows Cemetery in Xenia. The lady told me it was Charles and Bertha and George right beside them and then Eileen Wilkinson (one of Naomi's infant dau) buried beside them, per Naomi's dau Karen Rice.

I did find this about the other one...

Upchurch, Charles A; Times-Leader, 23 Jul 1953: born 27 Mar 1885 in Hamilton County, IL; died 15 May 1953 in Mt Vernon; son of Enoch & Missouri Snyder Upchurch; 1 of 12 children. Married Nancy Tittle, 1916; 1 son died in infancy. Leaves 1 brother: Harry Upchurch of Mowequa; 2 sister: Mrs Mollie Harrison of Flora, Mrs C F Hinman of Mt Vernon. Interred at New Hope.

I just can't believe with him being a big part of the community AND his wife still being alive that the stone could have gotten the wrong date. I am going to try and find out who put the stone there. I can't find an obit or anything.

If I can look for anything for you or help in any way, please let me know. I will surely let you know if I find anything else.

Do you think if I can find a way to get the marriage certificate for CAU and Julia Kyle from Butler County, MO it would tell us who his parents are? I found the license on ancestry.com that says they were married on Dec. 6th, 1919 but of course it doesn't have any of the other information. I am trying to find someone in clay county that will lookup the obit for him because that would tell us much, but I haven't found anyone there yet who will do it. I did get someone to find the other CAU's obit in Hamilton Co. I have pasted it below.

Probate Abstract from Legacy of Kin
Upchurch, Charles A; Times-Leader, 23 Jul 1953: born 27 Mar 1885 in Hamilton County, IL; died 15 May 1953 in Mt Vernon; son of Enoch & Missouri Snyder Upchurch; 1 of 12 children. Married Nancy Tittle, 1916; 1 son died in infancy. Leaves 1 brother: Harry Upchurch of Mowequa; 2 sister: Mrs Mollie Harrison of Flora, Mrs C F Hinman of Mt Vernon. Interred at New Hope.

I also wondered if this could be him below... as I don't think I know for sure what his initial "A" stands for. This was interesting because of the birth date and initials... as well as the father being George. We were told before by Phil's Dad George Dwayne that George was a family name and that someone had it besides his dad, and since CAU doesn't have it maybe his dad did. Anyway, this may not be him at all, but I thought the George link may help us make another connection.

That is all I really have for now... will forward new info whenever I run across it. I am going to call Bill Heninger this afternoon and see if he has any info to share. If you need anything let me know.

Thanks much,

Hi Heather---

Thanks for your email of earlier today. The Arlie C U to whom you refer is not a prospect to be your Charles 1892. This "Arlie" is actually Orlie C Upchurch and I have enough records on him to know he is not your Charles. I give you A for effort. Keep trying.

It would be good to have the marriage certificate if you can get it without to much trouble. Somewhere there is a clue for us. There must be some records in Clay Co., IL or even some who would have personal memories of their own or of information told to them by older people.

Oh, I see... I figured you would know if it was worth investigating or not. I am going to order the marriage certificate as soon as I have the money to do so. Do Bill and Linda live in Clay County? If so I wonder if we could get them to look for CAU's obit... or other information? He is the one who gave me the wreck article on George Lincoln. I will keep digging... :) Heather

Hi Heather---

After other things I am now back to reviewing all the exchanges you and I had. In due course I will give you a summary of what I conclude. I did get something about our exchanges in the UB that was issued earlier this month. In the meantime please let me know if you have come upon any new facts we can add to the mix. Perhaps you have heard from Bill Lents again. This is all part of getting my desk clean so I can start the New Year with a clean slate.

Have a joyful and safe New Year celebration.

Hi Phil,

Hope you had a great Holiday! And secretly glad you are back to work. :)

I have hit a brick wall I did speak with Naomi's daughter Karen Rice who gave me the telephone number for George Lincoln U's half brother. Thought he may have some info on the U's. He is the only one still living that might have some answers but I feel awkward about calling so I haven't done so yet. My husband feels awkward about calling as well and his father doesn't care enough about it to call. I know that's very sad, but I suppose it's understandable.

This is the last I heard from the Lents. Odd though because I think he had family in Missouri (maybe another family). I think I've gotten so mixed up I will have to start all over. I do need to the bulletin. I will have to do that asap. Let me know what I can do to help.

NOTE: There was attached a sentence from Bill Lents but it would not print and I lost it - RPU

Hi Heather---

Thanks for your email of yesterday. Could you send it again using a different format? It came to my desktop in a form that ran off the screen and only the left hand side would print portrait. Then I tried land scape and it did print but so small it is hard to read and also a pain to file in my biofile system. I suspect there is a way I could change it at my end but I am not savvy enough. Tried sending it to a folder to trick it but it still printed out the same way. Also the note about Bill Lents would not print at all and now I have lost it. In any case I could not tell when he sent this to you. In the next hour or so I hope to complete my review of our interactions.

If you want to give me the name and phone number for the half brother I'll be glad to call him if you want me to. I can just say I am stumped on the Clay County, IL Upchurches and see what he says. At the start that would leave you and your husband out of the loop.

Phil,

Oh wonderful! I will forward the email to you here in a few minutes and when I get home tonight I will send the contact info for the Heninger half brother. Thanks so much, you are a dear! i thought if nothing else maybe he'd remember our Charles A. UpChurch's dads name... that would be plenty to get us started again... even a hint/guess would be helpful at this point. The Karen Rice I spoke of (Naomi's dau) said she had talked to him and he said he would talk about what he did know... but she didn't know how much he would actually know. Even if he could explain the dates being wrong on the headstone that would be a little help as well. Keep in touch! :) Heather

Heather,
I think the mystery is partly solved. The stone was probably placed after 1970. Whoever placed it did so in memory of Charles and Bertha. I will see what I can find out about them, as they could explain the relationship to George. I found the information about the wreck on microfilm of the Flora Daily News-Record. I will make a copy and send it to you next time I am in the library.

Hey Bill,

-CONTINUED

I found someone to go and look for me...they took these pictures and then at my request went back and gave me the whole row of people so I could look for more possibilities with the other surnames.

These are at Odd Fellows Cemetary, Xenia, IL.

Charles b. 1885 d. 1958, Bertha b. 1893 d. 1974

This is the follow up email:

"OK, in an order before and after him:

Koontz, Steele, Rowe, Blanton, Woomer, Charles & Bertha Upchurch,
George L Upchurch, Wilkinson, Pfortmiller, Beard, Clark

Do any of those surnames help you? It is a fact that Charles & Bertha are next to him tho."

She is also the same person who gave me your name address and phone number. She said she subscribed to some kind of state/county genealogy thing and your name was on it as researching upchurches so she sent it to me. Does that help you in any way?

how did you get the wreck info? do you know anything else about him? i have since found out his dad's name was almost assuredly george also and died somewhere around 1943. if you can help at all i would be so appreciative. i searched for 5 years about the wreck and never could find it. would love to know how you found it?

thanks so much,
:)

Where did you get the info about Charles and Bertha being buried next to George? I haven't been to the cemetery lately but John Tanner's book doesn't give any other Upchurches in the cemetery. He compiled the info in 1969-70. I guess I should look myself. Maybe they died after his compilation.

Hi Bill,

I was so excited to find your email... how did you find this information about the wreck? I will try and find someone there to get obituary for us. We didn't even know any information about the wreck except he might have driven off an overpass.... or he might still be living. This is the only definite information besides the name and burial that we have. There is also a Charles and Bertha UpChurch who were the right age to be his parents buried right next to him... but I just found out that the death date is not correct for this to be so... so i don't know now who these upchurch's are. I literally just found out and haven't even told Phil yet. Please let me know your thoughts and any other info you may have.

Thanks so much, Heather

Hi Phil,

Sorry for the delay in getting you this number. Hope you had a Happy New Year!!! :)
Here it is...

Bill Heninger
618-662-2408

Karen (Rice) said the best time to call is after 6pm and to let it ring a while because it takes him a minute to get to the phone.

I thought maybe he could help us with the following...

The birth and death dates being wrong on the headstone.

Who placed the headstone? and when?

The obituary, if he has it... or maybe if he knows where he died so we can find it.

Charles's middle name... is it Andrew like the other guy we keep getting him mixed up with or possibly some other "A" name?

An idea or guess even of Charles A.'s parents (father particularly), so we have an idea of where to search from here.

A picture of Charles A maybe? We've never seen him... and we only have one picture of phil's grandad George Lincoln (an old military photo)

A picture of Bertha, Naomi, he and frank?

I am sure you can think of more, but this is what I'd like to ask him for sure.

I do wish he had email access. I don't feel so weird doing it that way, or writing. If I can do anything else to help, please don't hesitate.

Thanks again Phil, you are a dear! :) Heather

I was wondering if this could be our Charles A.'s dad? It would make him about 16 or so when he had him and he was born in IL as the census of our Charles A. said his father was. Just wondering if you had any thoughts. Did you ever get to talk to Mr. Heninger? No rush... but this was a new find on Ancestry and I wanted to get it to you and hear your thoughts. Thanks so much! It's good to hear from you. I have been engaged in revising and updating my entire record system for about six weeks and thus have gotten behind on various family history projects.

I do not think the Charles A. U born about 1870 per the 1880 Census is of much help as regards your Charles A U b 1892. I have good records on C A U b 1871. He married in 1895 and had three children the first being born in 1895. I have good records on all of them and beyond. Of course C A U b 1871 could have had an earlier marriage and produced a son C A U b 1892 but we have zero evidence or even a hint that this happened. But keep digging There is a solution somewhere.

I have not contacted Mr Heninger yet. I was waiting for you to comment on the two page Master Outline I sent you with my letter of 31 DEC 2008. I want to have your full input on that Outline so that it will represent our best thinking when I talk to Mr Heninger.

Hi Heather---

You are on my contact list as regards the heritage of the Joseph Upchurch. He is Head of an unnumbered Upchurch Clan. He was born in 1775 in North Carolina but spent much of his adult life in Tennessee. Much about him has been written in the Upchurch Bulletins 1980-2015. Details may be searched on our website www.upchurchstory.com password 2013upchurch. Additionally, we have made great progress in preparing to enroll this Joseph Upchurch family, including his descendants, on our newer website www.alliedfamilies.com password 2014allied#. What we have done so far is just a start. Note, for example, our work on Biofiles and cemeteries. As an example of an enrolled family see Nathan Upchurch, I.

We have spent a huge amount of time and money in an attempt to locate the parents of Joseph but so far with out success. It is our plan to use Allied Families to renew the search with vigor

If we are to make progress on the Joseph Upchurch family we will need participation from his descendants such as yourself. We need time, expertise, data and money. Perhaps you are in a position to volunteer. If so, just let me know.

A 2016 Allied Families membership form is attached. I hope you will join with us and be as supportive as your circumstances permit. Success in our venture will avoid loosing what we have worked so hard to accumulate and will allow us to share and preserve the Joseph Upchurch family records far into the future. Please join and encourage others to do so as well. We have about 2,000 descendants organized in our manually kept records.

It would be a pleasure to hear from you and to learn if your interest in your Upchurch heritage continues. Your questions will be welcomed

Sending All Best Wishes~

Phil Upchurch, President, Allied Families

Hi! Glad you are well!!! You know, I was thinking of the wrong date still.... the one on the headstone 1885... because I had just looked at the census of he and Nancy and it has his birth as around 1886.... but it is 1892? Boy this is confusing... Everything on the outline looked correct to the best of my knowledge. You have a better idea of what is going on and who's who than I do at this point. Hoping maybe he could shed some light. :) I am so stuck with no idea of a direction to search. I'd really like to know maybe how his date was put on the headstone wrong and if he has any idea (guess even) as to what Charles's dads name was so at least I have a path to start following to look for clues. Thanks so much! :) Heather

Hi Heather---

Thanks for your two emails of the 5th. I am well acquainted with the two you mentioned and neither fits with C. A. U.

Laura is a daughter of John Abner U.,I of the Richard U.,III/Claburn U.,I Subclan. I have been to the Turner Cemetery where she is buried.

Absalom is Absalom Moses U. of Shadrack T U. of the George U/Moses U Sub Clan. I have never been to this site but many of my Cooperators have.

Let me encourage you to call Mr Henninger. I am positive you would have a nice chat. He seems lonesome and would enjoy a talk about the family. I broke the ice now it's your turn. You will not be disappointed.

i know you are doing the way back stuff, but i am trying to get some kind of link to get back there. since i did read some i know that, as we are white, we have to be in the Michael Upchurch group.

in searching for information on my husband's grandad (who he knew nothing about really) we have found that he was george lincoln upchurch, born in AK (from wwii record) in 1917, ended up in covington county AL and married Lorena Ballard, then died in 1948 (not sure where), then buried in xenia, clay county, IL. there is also a charles and berth a upchurch in the same cemetery (odd fellows) who look to me to be his parents...beyond that i am stumped. but that is more than we knew before... wonder if you have any ideas. thanks so much,

Hi Heather---

Delighted to have your message. I have spent about two hours trying to place your husbands group in the Upchurch family. I have made notes and have several leads but nothing concrete to report. Let's not give up. Can you give me a few more hints such as:

1. Any more details on the recordings in the cemetery in Clay Co, IL?
2. Names of any siblings of George Lincoln U. ?
3. Names of any of the children of George Lincoln U. ?
4. Anything else you can think of ?

Hi Phil,

I am so glad I have found someone who is knowledgeable about the UpChurch family. When my husband and I met, I was researching my grandparents lines from czechoslovakia and sneedville, TN and I thought I was stuck... I was astounded to find he didn't even know anything about his grandfather! So we have been searching and posting for 4+ years now and thanks to findagrave.com we got our first real lead. I may have a little more information at home so I will get that to you tonight if so. For now this is what I do know. We started out with the name, xenia IL and he died in a car wreck off of a bridge when my husband's (whose name is Phil also) :) dad was really little.

It amazes me of the dearth of free information to be obtained online. Last night I signed up to volunteer to transcribe Census records because of this (for LDS) as the information will be free to researchers.

Birth: 1893
Death: 1974

Shares a stone with:

Charles Upchurch

Birth: 1885
Death: 1958

Next to: George L. Upchurch

Birth: Apr. 26, 1917
Death: Oct. 26, 1948

Note: Ill. Tec. 4 614 Base Engr. Equip. Co. WWII

And we did find his wwii enlistment record for free, I have the link to that at home if you'd like.

We don't know if there are, or are not, any siblings as of yet.

The lady that had posted the pictures and info also gave me this information when I contacted her (I haven't called the phone number for Lents yet but I have had no success online). She also said she'd go to the library there for me. The people I have met on here are amazing... I couldn't even get my family members to do what some of them have done for me... and they are complete strangers with no ties to the lines I'm searching at all at all:

1. I asked her what surnames were next to him and she said, in order: "Koontz, Steele, Rowe, Blanton, Woomer, Charles & Bertha Upchurch, G L Upchurch, Wilkinson, Pfortmiller, Beard, Clark"

I haven't searched these names yet... she just sent me this info.

2. "I just had another idea. I take a publication done by the Clay County Genealogy Society and in checking the index I found someone who is also doing UPchurch family research. I have no idea what he has if anything but here is the address from the quarterly.

George L. Upchurch m. Lorena Ballard

1 son b. 1944 - George D-Wayne Upchurch in Andalusia, AL (supposedly he put the big C in UpChurch when he went into the air force. He was an Officer and Photographer in Vietnam (and Chaplin too I believe).

Lorena married again and George has a half sister, Norma in FL, who he doesn't talk to either. I can get more info on her but I didn't think it would help.

George D. UpChurch m. Mary Evelyn Green, in AL (my husband's parents) and had, in order:

George Philip "Phil" UpChurch b. 1970 in Texas

Daniel UpChurch

Timothy UpChurch

John M. UpChurch b. 1981 i think

I can get that exact information if you need it.

Lived in AL alot of their lives then wound up in TN when their father took a teaching job at Carson Newman College in TN.

Phil's father is still living but he doesn't have anything to do with the family and doesn't even know most of what we've found out. He lives in Knoxville TN. We see or hear from him once or twice a year.

I hope this helps...if you need anything else, let me know and I will see what I can find out.

Thanks so much for your help. You are yet another amazing person I have met in my search.

Harrison H / James H, VI Sublan arrived about 1850 and many Ypslunch descendants are still there and in nearby counties today. I have looked at my Master outline to see if I could spot a CAH to 1892 but could not. I would say 90% of the Ypslunches in SEMO are of the Harrison H / James H, VI Sublan. Upon reflection I am inclined to guess that CAH to 1892 is in the 10% not of the aforementioned Sublan - I say this because of when he and his parents were born (assuming the 1920 census is correct re birthplace).

My suggestion is that you study all of this and do some checking on Internet Records to followup on any thoughts that come to mind. If you come up with some good clues send me an email & I will respond. Then I suggest you call Bill and try to get more from him. Maybe he can remember the SEMO town where Laura lived or could you prompt some other clue. I am sure he would welcome a call from you. After you have called please give me an update.

And now back to working on my Taxes - ugg -

4. Do more research on learning the identity of Joseph U b 1775 (NC)

After we get caught up to date on sharing information about readily available facts on the descendants of Enock S. U (for which the hints can be immensely helpful) I hope we can work over Joseph U b 1775 one again. Our late cousin John Reed U worked hard on this and hired a professional researcher. We need to avoid wasting time on uncovering what has already been discovered about Joseph. However, with the internet we now have better tools. And with your taking a fresh look maybe we can make a breakthrough.

You will already have learned that I have divided the American Upland Family up into "CLANS" each headed by a member of the 5th Generation of the Family in America. So far there are 22 Clans established. I can trace about 95% of present day Upland Family Members to one or the other of these 22 Clans. Joseph U b 1775 (NC) is about the right age to be a member of the 5th Generation of the Family - so I say he heads a GROUP rather than a CLAN. This allows me to keep his descendants organized in a Network just as I do the Clans.

I have a lot of questions to ask you but need first to use what you have given and what I hope the Lents will provide to upgrade the Market Outline for the Epoch 5.4 part of the Felix George's market outline. It has been quite a while since I attended to this matter. Now with a stimulus of new interest from you and the Lents and perhaps others we should be able to move ahead rapidly.

With All Best Wishes to you and to your husband Phil - He has a great name!

Phil Upchurch

EFFORTS TO PLACE CHARLES A. UPCHURCH
b 1885 (IL) and CHARLES UPCHURCH
b 1892 (IL) IN THE OVERALL UPCHURCH
FAMILY TREE REFERRED TO AS
"CHARLES 1885" and "CHARLES 1892" = BY ROBERT
PHILIP UPCHURCH 25 OCT 2008. "RPU"

I. BACKGROUND - On 16 SEP 2008 Mrs George Philip Upchurch
"GPU" nee Heather Ann Chaney "Heather" contacted RPU
for help in sorting out the Upchurch heritage of
her husband "GPU". She provided information
showing that GPU traces back to a Charles U (CU I).
She also reported an input from William Troy "BILL"
Jents of Flora, Clay Co, IL, whose wife, nee
Linda Kay Hinman "Linda", has a Greatgrandmother
Mary Jane U who had a brother Charles U (CU II)

Considerable confusion has arisen over whether
or not CU I and CU II are the same or different
and whether or not GPU and Linda have a
common ancestor or not.

Bill, Heather and RPU have generously exchanged
information but a clear resolution of the issues
has not appeared. This article will review
the evidence that has surfaced.

II. STARTING POINT - WWI DRAFT REGISTRATION

WWI Draft Registrations - In His 28 JAN 2009 Charles John
Peterson, Jr to RPU

Name	Birth Date	Race	Birthplace	Registration Place (City, County, State)
Chas A Upchurch	04 Aug 1892	Caucasian	Illinois	Not Stated, Clay, IL
Charles Andrew Upchurch	19 Apr 1885	White		Chicago, Cook, IL

These entries clearly establish CHARLES 1892 who has
a connection to Clay Co, IL having registered there and
CHARLES 1885 who registered in Chicago, IL. Other
information will also show that CHARLES 1885
had a connection with Clay Co, IL

III. DOCUMENTATION FOR THE UPCHURCH HERITAGE OF LINDA KAY (HINMAN) LENTS AND THE BROTHER OF HER GREATGRANDMOTHER - CHARLES II.

See Attachment [A]. The line of LINDA and Charles II is highlighted. The 1860 - 1920 census records to support this Family Outline all shown on Attachment [A] (Earlier I had the 1920 census displayed elsewhere but it obviously belongs here - RPA)

Bill has provided a master outline for the ENOCH SHERKAD U Family which includes the following entry for this Charles II clearly shown here and on the Census Records as Charles 1885

vii. CHARLES A. UPCHURCH, b. 15 May 1885, Hamilton County Il.; d. 15 May 1953, Mt. Vernon, Il.; m. NANCY TITTLE, 6 Sep 1916, Hamilton Co., Il.; b. 4 Aug 1893, White Co., Il.; d. 24 Nov 1928, St. Louis, Mo. Buried Bunker Cem., Near Flora, Il.

Note that wife "Nancy" is consistent with the 1920 census on Attachment [A]

The following input was received by RPA in 1999

Item in It's 22 MAR 1999 Isa NMN Royer D RPA - From C.E. Brehm Library and Courthouse in Mt. Vernon, IL

Published in The Register News, Mt Vernon, IL 15 May 1953 p 2:

Charles Upchurch, 68 years and 26 days, was found dead in his bed at his home at 1010 1/2 Tolle Road by Calvin Kirk this morning. He was born 19 April 1885 in Hamilton County and was a retired carpenter.

Surviving are two sisters, Mrs Golden Potter of Chicago, IL and Mrs Mary Harrison of Flora, IL and one brother Harry Upchurch of Mowequa, IL. Mr Upchurch was an uncle of Mrs Daisy Hinman of Mt Vernon, IL.

Funeral was held at New Hope Primitive Baptist Church. Burial was in New Hope Cem, Hamilton Co, IL.

These entries are consistent with the deceased being Charles II; Charles 1885 and with the deceased being a son of Enoch Sherard U. Note that the deceased was buried in Hamilton Co, IL.

(If age 68 in 1953 the deceased was born about 1885) No wife was listed (she died 1928) + no children listed.

I have been unable to locate Charles U b 1885 on the 1930 census record nor have I been able to locate a death certificate for him or his wife Nancy. It seems reasonable to list him as CHARLES ANDREW U (based on WWI Registration) b 1885 - d 1953.

III DOCUMENTATION FOR THE UPCHURCH HERITAGE OF GEORGE PHILIP U "GPU"

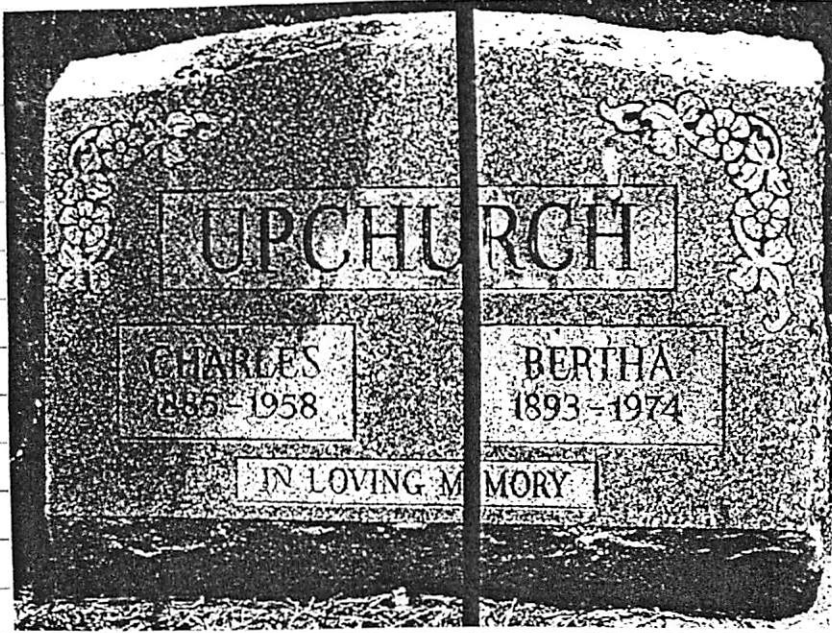

The initial ancestry of George Philip U is shown in Attachment [B]. This leads back to Charles U whom we call Charles U, I in the Background on Page 1. In view of our ongoing study about CU I and CU II I have placed a question mark on the dates b 1885 d 1958 as shown for Charles in [B]. Otherwise the Outline in [B] seems solid.

Attachment [C] picks up with George Lincoln U (GF of George Philip U) and shows his siblings and their father Charles A. U (CU I). This sheet I created on 27 SEP 2008 after some research and it was provided to Heather and Bill. I am now prepared to question and/or delete certain parts of Attachment [C] as shown in pink. It is my belief that the Census Records 1910, 1920, 1930 correctly show the Bertha who was the wife of CU I and the mother of George Lincoln U.

Note Charles A. U age 36 on the 1930 census - Attachment [C]. This would make him born about 1894. In fact I believe him the Charles A. U who registered for the WWI Draft and gave his age as 4 AUG 1892 and as born in Eng Co, IL.

My best interpretation now is that Charles A. U b 1892 md (1st) Bertha Rush, had two children and divorced before 1920. After 1920 Bertha md (2nd) - - Hennings and had two children. Her 2nd husband died before 1930. After 1920 Charles U b 1892 md (2nd) Julia - - and had one child. Julia died after 1930 whenupon Charles b 1892 and Bertha married for a 2nd time (Heather noted that was thought to be true)

IV. SUPPLEMENTARY INFORMATION ABOUT GEORGE LINCOLN U & His parents
A. Cemetery monuments:

The dates of 1885-1958 for Charles deserve more comment see later.

These two stones are presumed to be in the same cemetery in Clay Co, IL. Perhaps Bill can name the cemetery and give the location.

Upchurch Dies of Wreck Injuries; Lawrence Serious

George Upchurch, 31, of Iuka, died shortly before noon in St. Anthony's hospital at Effingham of burns suffered when the truck in which he was riding crashed over the approach to the overhead bridge east of Flora and caught fire in an early morning fog today.

Thomas A. Lawrence, 28, also of Iuka, the other occupant in the truck is in St. Anthony's hospital with burns. Hospital attendants said his condition was serious.

Headed west at the time of the accident, the two men are said to have been attempting to pass another car, also traveling west, when they saw the lights of an approaching car, going east, and pulled off to the south side of the pavement to avoid a head-on collision. Several feet of the guard fence on the highway were torn down, as the car careened off the road, to the southwest side of the bridge approach.

Several patrons at the East End Cafe and Service Station who saw the accident, rushed to the aid of the injured men and pulled them from the flaming wreckage of the truck. The Flora Fire Department also was called, but was unable to save the truck, which was completely demolished by the fire.

The injured men were removed by Branson ambulance to the office of Dr. E. D. Poss for first-aid treatment. Later, they were taken to St. Anthony's Hospital in Effingham, where Upchurch died today.

Officials today reported a delay of several minutes last night, when Edwin McCawley, manager of the East End Cafe, attempted to get a telephone operator to call for an ambulance and the Fire Department, and further difficulty when police officers tried to place a call to find out exactly where the ambulance was to go. When lives are at stake, as in the case last night, a matter of minutes is of the utmost importance and is further evidence that improvements are needed in Flora's telephone service.

Obituary

George Lincoln Upchurch was born April 28, 1917 and departed this life Oct. 28, 1948, at the age of 31 years and six months, his death resulting from injuries received in an accident the night before.

He spent his boyhood days on a farm north of Xenia. At the age of 19, he confessed his faith in Christ, and joined the Conner's Chapel Methodist church.

In 1940, he joined the United States Army, serving five years in the States and three years in Germany. Since receiving his honorable discharge, he has been at the home of his parents, not being able to have steady employment, as he had sacrificed his health in the service of his country. He received

several medals of honor, among which is the Good Conduct medal.

He leaves to mourn his passing his parents, Mr. and Mrs. Charles A. Upchurch of Iuka; one sister, Mrs. Gerald Wilkinson of Flora; two half-brothers, Frank Heninger of Enfield, Ill., and Bill Heninger of Chicago; one half-sister, Patricia Upchurch of Baton Rouge, La., and a host of relatives and friends. Though shadows cross our pathway, And darkness fills the sky, Beyond the dawn is breaking, And the clouds will soon pass by. For in God's land eternal, Our dear one is at peace; Secure within His keeping, His love that will not cease.

Card of Thanks

We wish to express our deep thanks and appreciation for the notes of kindness, sympathy and help extended to us in our bereavement in the loss of our son and brother, George L. Upchurch. For the flowers and to all who assisted in any way we are grateful. Especially Rev. J. Rue Reid and the Branson Funeral Home.

V. ADDITIONAL SEARCH FOR RECORDS BY RPO

- Charles U b 1885 - Not found on 1930 Census
- Charles U b 1892 - Not found on 1900, 1910, 1920 CENSUS
He is on 1930 Census in MI
- Death Certificate not found for Charles U 1885 or Charles U 1892
- Death Certificate not found for Nancy (Tittle) U who died 24 NOV 1928 Wife of Charles U 1885.

IV. TENTATIVE CONCLUSIONS (RPU)

A. RE CHARLES U 1885 and CHARLES U 1892

The outline presented in Attachment [A] for Charles U 1885 is believed correct and essentially all available data supports the outline

The outline presented in Attachments [C] and [B] are believed to be for CHARLES U 1892 and the 1885 birth dates on both Attachments should be changed to 1892. This error originates from what must be a mistake on the monument for Charles & Bertha (see IV A above). The dates for Bertha are correct and the death date of 1958 for Charles is presumed correct. However, the birth date of 1885 appears to have been entered by mistake possibly because the stone mason had had information.

B. RE ANCESTORS OF CHARLES U 1885 and CHARLES U 1892

We have adequate evidence that Charles U 1885 traces back to Joseph U to 1775 (VA)

We have zero evidence at this point for the ancestors of Charles U 1892. Whether these two individuals are closely or only distantly related is unclear. The fact that they both had a connection with Clay Co, IL temp one to say they were close. However, it could be just a coincidence that both have a Clay Co, IL connection.

Given that Charles A. U to 1892 had a substantial involvement in Clay Co, IL it is likely that records there will provide the lead we need to learn the ancestors of Charles U to 1892

- [8] Census Record for Family of Felix George U
 Note Charles U b APR 1855 on 1900 Census
 & born 1885 on 1910 Census
- [9] Note Charles Andrew U b 19 APR 1885 - I presume
 this is same as Charles U in [8] above.
 Note another Charles A. U b 4 AVE 1892
 and who registered in CLAY CO, IL. who
 is he ??

[10] Here I tried to match several records to
 show marriage & children for Charles Andrew U
 b 1885. It seems to make sense in the fashion I
 will now explain - but for complications see
~~[11]~~ [12]. First re [10]. See the 1910 listing for the
 RUSH Family (I incorrectly listed as PUGH). I propose
 that Bertha Rush age 16 in the home in 1910 soon
 married Charles Andrew U and had 2 children by
 him before 1920. On the 1920 Census she has returned
 to her fathers home with her two upchurch children
 and has resumed her maiden name (if we are
 to believe the census taker). Meanwhile Charles
 has acquired a new wife NANCY and appears on
 the 1920 Census with her.

Then by 1930 Bertha has married a Mr
 Henninger and has produced 2 Henninger children
 by him Frank & William. However Mr Henninger
 appears to have died before the 1930. Note that
 in 1930 Bertha styles her two upchurch children

as having the last name Hensung (Nema/ Nema + George). However this does not stick as they later appear with the last name Upchurch.

In the meantime Charles has also been busy. He appears on the 1930 Census with yet a 3rd wife Julia by whom he now has a daughter Patricia.

My outline on the left hand side of [10] follows the above scheme.

- [11] The obituary you provided for George Lincoln U appears consistent with [10]. Reference is made to Mr Gerald Upchurch as a sister of George. I conclude by deduction this has to be Nema/Nema.
- [12] Social Security Death Record for Bertha M. Upchurch. If this is the same Bertha who gave birth to Nema + George in 1915 + 1917 and who married Hensung + gave birth to two of his children can she possibly reappear with her Upchurch name as of 1974? It is all possible but I hope you will walk through this with me. I note that Charles + Bertha appear on the same tombstone with the appropriate dates.

It is entirely possible that William and Linda Jents are the only living people who can help us understand this complexity. I am therefore sending them a copy of this letter with all the attachments and hope they will lend us a hand.

While this is being sorted out I will continue to work on my Upchurch Illinois Census Records which are coming along nicely.

Phil Upchurch

RPU NOTES:

- #1. There seems to be no reason to connect the Upchurch listing on the 1930 Census for Covington Co, AL with the George Demayne U who was born in this County in 1944
- #2 As of 18 SEP 2008 I am unable to locate the father of William S. U b 1874 (NC)
- #3 Geneva & Covington Counties in GA adjoin and are on the FL border. Neither County has much UPCHURCH activity.

○ NOTES OF RPU CALL TO WILLIAM LENTS 18 SEP 2008

His contact information had been furnished by Heather Ann Chaney. Mrs. Lents (nee LINDA HANSEN) answered the phone but turned it over to her husband William as I had asked for him. It turns out both are interested in Family History. She is actually an Upchurch Descendant. We had a nice 15 minute chat with Linda contributing from the background. They have their records on computer and are willing to cooperate going forward. Her line:

Upchurch Dies of Wreck Injuries; Lawrence Serious

George Upchurch, 31, of Iuka, died shortly before noon in St. Anthony's hospital at Effingham of burns suffered when the truck in which he was riding crashed over the approach to the overhead bridge east of Flora and caught fire in an early morning fog today.

Thomas A. Lawrence, 28, also of Iuka, the other occupant in the truck is in St. Anthony's hospital with burns. Hospital attendants said his condition was serious.

Headed west at the time of the accident, the two men are said to have been attempting to pass another car, also traveling west, when they saw the lights of an approaching car, going east, and pulled off to the south side of the pavement to avoid a head-on collision. Several feet of the guard fence on the highway were torn down, as the car careened off the road, to the southwest side of the bridge approach.

Several patrons at the East End Cafe and Service Station who saw the accident, rushed to the aid of the injured men and pulled them from the flaming wreckage of the truck. The Flora Fire Department also was called, but was unable to save the truck, which was completely demolished by the fire.

The injured men were removed by Branson ambulance to the office of Dr. E. D. Foss for first-aid treatment. Later, they were taken to St. Anthony's Hospital in Effingham, where Upchurch died today.

Officials today reported a delay of several minutes last night, when Edwin McCawley, manager of the East End Cafe, attempted to get a telephone operator to call for an ambulance and the Fire Department, and further difficulty when police officers tried to place a call to find out exactly where the ambulance was to go. When lives are at stake, as in the case last night, a matter of minutes is of the utmost importance and is further evidence that improvements are needed in Flora's telephone service.

Obituary

George Lincoln Upchurch was born April 26, 1917 and departed this life Oct. 26, 1948, at the age of 31 years and six months, his death resulting from injuries received in an accident the night before.

He spent his boyhood days on a farm north of Xenia. At the age of 19, he confessed his faith in Christ, and joined the Conner's Chapel Methodist church.

In 1940, he joined the United States Army, serving five years in the States and three years in Germany. Since receiving his honorable discharge, he has been at the home of his parents, not being able to have steady employment, as he had sacrificed his health in the service of his country. He received

several medals of honor, among which is the Good Conduct medal.

He leaves to mourn his passing his parents, Mr. and Mrs. Charles A. Upchurch of Iuka; one sister, Mrs. Gerald Wilkinson of Flora; two half-brothers, Frank Heninger of Enfield, Ill., and Bill Heninger of Chicago; one half-sister, Patricia Upchurch of Baton Rouge, La., and a host of relatives and friends.

Though shadows cross our pathway, And darkness fills the sky, Beyond the dawn is breaking,

And the clouds will soon pass by. For in God's land eternal,

Our dear one is at peace; Secure within His keeping, His love that will not cease.

Card of Thanks

We wish to express our deep thanks and appreciation for the notes of kindness, sympathy and help extended to us in our bereavement in the loss of our son and brother, George L. Upchurch. For the flowers and to all who assisted in any way we are grateful. Especially Rev. J. Rue Reid and the Branson Funeral Home.

Robert (Robin) Chamblee

Little River District, Bertie and Wake Counties, North Carolina

Robert was probably born ca. 1738. His first land transaction was in 1759 in Bertie Co, Nc. Robert most likely married Esther Warren, daughter of Benjamin Warren, Sr.. of Bertie County, NC. There is one single reference to Robert and Hester (Esther) Chamblee together in court records. Esther Chamblee is listed as a member of the Poplar Springs Baptist Church in Franklin Co, NC. In 1744, Bertie Co, NC, Benjamin Warren proved his rights and listed his wife, Esther and others: James, Benjamin, Margaret, Mary Patience, William and Esther Warren.

References:

ROBERT'S CHILDREN: (Order as listed in his will) Millie, Winnie, Elizabeth, Sarah, Benjamin W., James, Rachel, John, Jarred, Ruthy, Mary/Pollu, William [he was specified as "youngest son"]

CHAPELL, Robert, Private

Enlisted in Wake County at age 18, 8 March 1862, for the war as a substitute. Admitted to hospital at Richmond, Virginia, 12 May 1862, with "chron[ic] bronchitis" and died 22 June 1862.

CHAPELL, Samuel W., Private

Born in Wake County where he resided as a mechanic prior to enlisting in Wake County at age 21, 28 May 1861, for the war. Wounded at Sharpsburg, Maryland, 17 September 1862. Present or accounted for until captured at Rappahannock Station, Virginia, 7 November 1863. Confined at Point Lookout, Maryland, until released after joining the U.S. Army on 5 February 1864. Assigned to Company G, 1st Regiment U.S. Volunteer Infantry.

The company, known as "Cedar Forks Rifles," was from Wake and Chatham Counties and enlisted in Wake County on 28 May 1861. It went into the camp of instruction near Company Shops (Burlington), Alamance County, 1 June 1861, and was assigned to this regiment [Sixth Regiment] as Company I. After joining the regiment, the company functioned as a part of the regiment, and its history for the war period is recorded as a part of the regimental history.

The information contained in the following roster of the company was compiled principally from company muster rolls for 20 June 1861, through February 1864, and 15 September through December 1864. No company muster rolls were found for the period prior to 20 June 1861; for March through 14 September 1864; or for the period after December 1864. In addition to the company muster rolls, Roll of Honor records, receipt rolls, hospital records, prisoner of war records, and other primary records, supplemented by state pension applications, United Daughters of the Confederacy records, and postwar rosters and histories, all provided useful information.

It appears that even before his Granville grant, he purchased some land. There is a deed showing a John RENCH in Johnston County in 1755 ^{box} William Speight, Johnston Co., sold land to John RENCH.

His early grants include John appearing to have bought a different piece of land in Swift Creek Township ^{box}.

Subsequently, William Speight Snr deeds the land to his son, and this transaction mentions the above sale from John RENCH. So, these select entries tell us something of the history of John RENCH's land, though since he appeared to acquire his land via purchase, we know nothing more of his ancestry ^{box}.

 Subject: Info for you

Charles,

Saw your entry on WorldConnect and have some info for you to add. Your Draper Upchurch was married to Henry Mack Hodges who was b. 1885. Both Draper and Henry Mack were born in Choctaw County, MS. Draper was 21 in 1914, at which time they had two children who lived, one of which was Lucille, b. 9/24/1914. I don't know the other one. Other children were born to them in 1913, one on 5/15/1918 and 1920. One child, Daisy Lee Hodges died at 8 months and 23 days on 5/14/1913, so it appears she was born in September 9, 1912. She too is buried at the Drew Cemetery, Drew, MS. When the child was born in 1918, there were three living. (I live in Drew) Several of these children died at birth.

The reason I have this Hodges info is because my grandmother was Myrtle Hodges who married Ozie John Downs.

Just wanted to try to help. Hope it does.

JOHN CRAVENS

① Prior to 1808, John Craven, a free black opened a secondary school in Raleigh, NC which taught white & black children together for some time. Craven was probably born in Granville Co, NC ca 1763 but some docs show him to be in West Indies or unknown. He probably attended Washington Academy (later Washington & Fee Union) and may have attended Princeton Univ. On 26 APR 1808 Craven announced in the Register that his school would be segregated - whites by day & blacks by night. The school continued intermittently until 1838. (37, Pg 25)
