Hi Nikki---

We have good news about the Benjamin Upchurch Family to which you belong. It has been distributed to about 800 contacts we have for our Upchurch and Allied Families Association. This was done by way of the Omnibus newsletter here forwarded. You should have gotten a copy on the 11th.

However, I am writing to you as one of only six contacts we have for descendants of Benjamin Upchurch. Now that we are in a position to create an Active Tree on Ancestry for the Benjamin Upchurch Family we need one or more Tree Masters to help improve the Active Tree. I hope several of the six will volunteer as Tree Masters or to help with other tasks to continue our momentum on this family.

Please let me know if you can help or if you know of other descendants of Benjamin who might join with us.

Hoping to hear from you~

Phil Upchurch, Founder, Allied Families

PS--I tried to send with the Newsletter attached but no luck. Hope you got it on the 11th.

UAFA Founder Reaches Out to Family History Contacts

Since 1950 Belle Lewter West, Olive A. Morgan, Mae Cox, myself and others have researched and compiled the history of Upchurch and other families that are native to central North Carolina. Today our Upchurch and Allied Families Association is making great strides towards getting our family history records on line. There are several projects to relate, but here I report on a special

Having the Benjamin Upchurch tree on line is a huge step forward. As mentioned before, over 2000 names appear on the tree. I recently spent several hours validating the data on line with the material from my notebooks. In the process, I noted many names of people who collaborated with me going back to 1970. Many are now deceased, but I have fond memories of them as we became good friends.

The progress we show in improving the Benjamin Upchurch Living Tree in the next few months will show the power of having our records on line. This will serve as an example for the other Upchurch clans. It will bring us greater momentum and success. The future looks bright indeed!

The take home message is this – Volunteer to help if this is possible for you!

Hi Cindy---

You show real family spirit in offering to be an interim Tree Master for the Active Tree for the Benjamin Upchurch Family we will shortly have on Ancestry. One other person has also volunteered. Let me hold your offer in reserve until we see if any of the six Benjamin Upchurch descendants will volunteer. I will forward you an example of the email I am sending to the six.

After the Benjamin issue is resolved we will be in touch with you about your serving more robustly on the Team we are building to augment the Richard Upchurch, III Family to which you belong. Our urgent need is to complete the Legacy Tree for this family. That is where we will likely need help first. I understand you are already on the volunteer list for Richard,III

We have some very bright spots for this Family including:

1. Sarah Watson a descendant is actively working in our Cary, NC Facility.
2. Jack Upchurch a descendant in SC is a new member of our Board and is a volunteer.
3. We have quite a few descendants in our contact list ---need for more to be active.

These are just off the top of my head. There are more.

In Appreciation~

Phil Upchurch, Founder, Allied Families.
