Dear Cousin Diane,

Thank you for sending me the obituary of your mother. I was sorry to learn she had passed away and know this is a blow to the entire family. I never knew her but she and I had many exchanges of letters and I grew to know of her keen interest in family history. I have just looked over the file of letters written by her. She helped out a great deal in documenting the family and she always wanted to learn more. She had wonderful penmanship.

I am pleased to note that your own interest in family history may develop. Enclosed are details on the Upchurch publications in case you or others are interested. I would gladly cooperate with anyone. There is always more to learn.

MERRY CHRISTMAS !!

Sincerely yours
