Dear Col. Conaway,

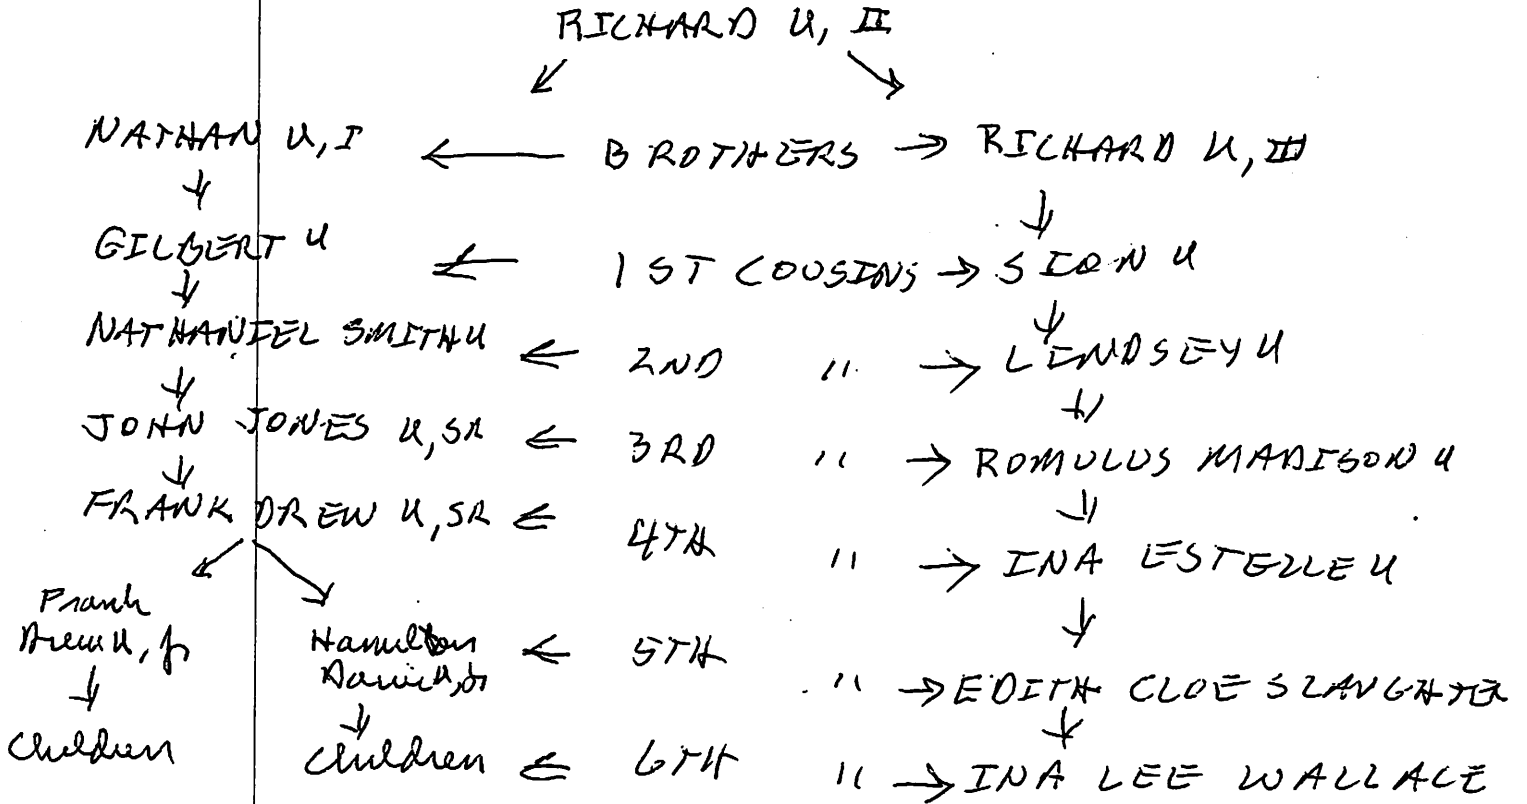

As you will see from the enclosed materials I am quite involved in documenting the history of the Upchurch family. I am writing to thank you for the Upchurch listings in the St Augustine Phone Book which went first to Betty Best then to Lois Pellard and then to me.

Enclosed is a copy of my worksheet on the phone listings as well as a copy of the Master Outline Sheet for the family of Frank Deen U, Sr, to which most if not all of the listings belong. I could not figure out how E. J. U fits into the family.

These and many other prominent Florida Upchurch trace back to Nathaniel Smith U (my great Uncle) who moved to the GA/FL area from NC before the Civil War. Frank Deen U, Sr was a son of John Jones U, I and a grandson of Nathaniel Smith U. John Jones U, I generated a lot of wealth

and this served as a springboard for the family to become prominent on the Florida scene.

Here is how your wife is related to the St Augustine Yulandee.

All of this could quite possibly be more than you or your wife needed to know. However, I do like to show appreciation and to cultivate sparks of interest in the Yulandee family where I can.

Anything you can do to spread the word about our efforts will be appreciated and I am always happy to share/exchange information.

Sincerely yours  
Phil Yulandee
