BURLINGTON, NC 27215

Dear Burgess,

Your query in the JAN 1990 issue of the  
Watauga Co, NC Genealogical Society Newsletter caught  
my eye because it mentioned the Wake/Chatham  
line. My GGF Walter Upchurch, I settled  
in Greens Bend in Watauga Co, NC about 1802.  
There is near the Wake/Chatham line. His  
brother Moses Upchurch settled just across the  
line in Chatham Co about 3 miles southeast  
of Farmers Store. These two men raised large  
families and their descendants intermarried  
with other families in the area and continue  
to do so to this time.

Some of the family names you list are quite  
familiar to me. I have had a quick look  
at my files and did not see anything  
that was striking. However, I would be  
surprised if some of your lines and mine  
did not cross. Maybe we can help each  
other. Could you send me a sketch of your  
lines back into the early 1800's or they

able to the white / black borders. I'll then  
re-write my file more completely and also enter  
all your names in my biopic system  
so that future discoverer can be made.  
I have files on several hundred thousand  
individuals. As you will see from the  
enclosed literature I cover the entire  
extended Upshunks Family. So far I have  
identified and published on 24,000 members  
of the extended Upshunks Family. My lifetime  
goal is 50,000 members.

I don't know if we can help each  
other or not but it seems worth to  
try.

Sincerely yours

Phil Upshunks
