① About 14 FEB 2011 I was looking up Edwards Records on Ancestry.com and noted entries of interest from CHRISTINA CZYSZ and a mechanism for sending her a message which I did. I did not keep a copy. Her response came on 21 FEB 2011. See below

Mr. Upchurch,

Thanks for your email via Ancestry.com and the link to your website. But I'm not sure how much help I can provide. I've only just recently started working on my family tree. (And I have to say I love genealogy!!)

The only Edwards I have linked to my family is James Thomas Edwards and his descendents. I have his parents were Richard Edwards and Ann Sorrell. I do have a lot of Sorrell's in my family, but so far I can't find a link for Ann Sorrell). James Thomas Edwards married my 3rd great grand aunt (Mary Elizabeth Finch). Mary Elizabeth Finch is the daughter of William G. Finch, who is also the father of Martha Hellon Finch (my 3rd great grandmother). Martha Hellon Finch is the mother of James William Pollard, who is the father of Alma Williette Pollard, who is the mother of Ruby Mae Slater, who is the mother of Alma Marie Dillard, who is my mom.

I'm more than willing to share any information I have that could help you!! Again, thanks for contacting me and let me know if I can help you in any way!!

Thanks,
Christina Sealey Czynsz

Hi Christina---

So good to hear from you. I'll provide some information from my side as an aide to us learning how much mutual interest we might have. Be it a lot or little I appreciate your interaction.

My Upchurches got to Southern Franklin Co., NC about 1755 and some of them are still there. My GGGF Nathan U., I married there and had my GGF Gilbert U born there in 1792. Nathan and his brother Moses moved their young families to the Wake/Chatham border about 1802. Nathan owned about 1000 acres Including Green Level when he died in 1835. My GF Bartley Jefferson U was born there in 1841. He left to go to the Civil War and upon return moved to Northern Wake (Barton's Creek TWP) where he married in 1869 my GM Aurora O. Ray. This couple moved in 1870 to Swift Creek TWP just south of Raleigh where my father Robert Jefferson U. was born in 1880 and where I was born in 1928. I left home in 1944 to attend N. C. State College but have maintained connections with my birth community. I was on the N. C. State faculty 1943-1965, with Monsanto in St Louis 1965-1975, with The University of Arizona 1975-1994 and since 1994 have lived in retirement in MO.

③ 22 FEB 2011 - CONTINUED

If you want to learn more about me just google Robert Phillip Upchurch and click on the oral interview taken by George Ware in 1994.

Setting aside the Edwards family for the moment I think it is quite possible you and I might have common interests growing out of my roots in Western Wake and possibly in Northern Wake. I have quite a few Biofiles on members of the Finch and Sorrell families and some Upchurch intermarriages with them.

My Upchurches interacted/intermarried with Edwards family members and we can explore that. A separate interest of mine is to understand my Edwards heritage which is based in House Creek TWP in Wake. I have notes from my relatives taken in the 1970's but they make only partial sense. In the 1900's I had a cooperative Edwards effort with a great Cooperator Robert Oliver Edwards of Smithfield (he traces back to Western Wake). However, he died about 1999 terminating our effort to link all Edwards listings on the 1850 Wake Census. I have recently been using Ancestry.com to create extract sheets to link Edwards family members in Wake in hopes of understanding better my own Edwards heritage. If you will provide me your mailing address I will send you a set of these extract sheets and perhaps they will serve as a basis for us deciding how much to interact on the Edwards family.

If you can tell me a little about where in Wake your ancestors lived this would help me focus on what to look for that might be of help to you or of mutual interest. It would also be helpful to know how well acquainted you are with these areas. I visit N. C. about twice a year and have Cooperators in all parts of the County and in Franklin Co. If you are willing to share with me your full maiden name it would be helpful as I like to file that way.

My apologies for such a lengthy message. Hopefully, it will provide a basis for such interaction as we may chose to undertake.

With All Best Wishes!
Phil Upchurch
