Hi Phil:

I hope your health is good. Yes, the error I alluded to was in the John III newsletter. Last fall, You & I both agreed that: The original Upchurch author did not see an earlier Mary Thompson marriage in Saline co Illinois to Martin Mathis, nor Census records showing all children as Mathis', nor her obituary. Very common name: Mary Thompson in 19th century & so 2 different women. I did send you proof with all the Above. I'll be glad to resend if anyone has further questions. I appreciate all the work done on both the trees & newsletters.

Hi Deborah---

I can give you a report on the situation with the error re Mary Ellen Thompson. I assume the error is on one of the Upchurch Bulletin excerpts presented as a part of the John Upchurch,III narrative but you did not state which one. When you consider all 37 years of the Upchurch Bulletin it is certain new information surfaced showing a conflict with earlier data. We sometimes add a Commentary to show the earlier information was wrong. However, we place a higher priority on getting our Family trees correct as these are the presentations we stand behind. We downloaded these trees at a certain point (But additions to the Trees keep being made) and they are shown on the website as Descendants Reports. I have checked the one for John Upchurch,III and find that the correct information is listed for Mary Ellen Thompson.

Our collection of information on Upchurch and allied families has been compiled since 1950 and kept manually. We are now making a big effort to put more of this huge collection on our website but we must have the active participation of descendants to be successful . Please let me know if there is any way you can help.

Notes: My educational background is history; with specialty in European history. I taught English as 2nd language at local colleges & worked as a period actress. My late sister had much interest in our mother's family history. We did know about Michael Upchurch, prior to her death, & she was highly impressed with his literacy in such an early era. I have traveled in England but not to the Upchurch's area. It would be well worth a trip.

I began genealogy, largely, because of our mother. My grandmother Florence passed when my mom was only four. For that reason, my late mother asked me to find out as much as we could about her maternal side, as well as, the truth of what happened to my sister's father at Laufenburg Castle, in 1944. My late mother was an enthusiastic genealogist, in her own right. My mother did remember her great grandmother, Mary Ellen Mathis, with fondness.

Currently, my sister's descendants and mine are all busy with their own careers & lives. I have questioned my continued interest in family matters, as all of our forebears are deceased. But, I enjoy the "scavenger hunt." My plans are to leave family history in repositories in Southern Illinois. Plus, with a granddaughter born last spring---one never knows who might have interest one day.

I do appreciate your research & documentation of this allied line of my mother's family.

Hi Deborah---

Thanks for your six emails of earlier today. Our records agree down to Mary E. Thompson born 1841 (IL). I show her as one of six named siblings and have a few details on each but no descendants so what you included about your descendancy from Mary is new to me. However, I show her as married 6 MAR 1862 to William A. Jennings whereas you show her as married to Martin V. Mathias for which you show proof. Can you confirm whether this Jennings actually fits into the picture and if so was it a first or second marriage for Mary?

I have had many cooperators on the John U. III/ Samuel U SubClan and have myself been to Saline County, IL. My published inputs on this group are scattered throughout the Upchur4ch Bulletin issues. We are now making an effort to extract those related to John U.,III and to place them with the enrolled John U.,III family. With effort I think you can benefit greatly form our many years of work on the John U.,III family I will await your posture regarding how to proceed. Much of my material is unpublished.

Best Wishes~

Hi Deborah---

Re the marriage of Mary E. Thompson --- I have now had a chance to visit my Valley Office and to look up my records there. The 1862 marriage to which I referred involving Jennings came from the Olive Morgan Book "Upchurch Family" on page 244. There is more on this source I can supply if you want to pursue. I realize you do not feel that is valid an I suspect your information is more correct. However, I will keep the Jennings record as a footnote hoping someone will one day find more definitive information.

How sad. But in family history work we just have to take the records as they are. We all have some items like this to live with. The names supplied are of interest. The Bramlets's and Upchurches intermarried and I have great Bramlett records. Thanks for you input . Will add to my records.

Addendum: Galatia il library says David Upchurch was an excellent furniture maker-- (at least 1 piece was still in the family ca 1980)as well as having a law background & ran a tavern, as well. Tobacco was a prime crop & he seemed involved some way with that. Busy man!

Just for the record, my mom's Thompson lines are unrelated. Her dad's from Tn & Elizabeth Upchurch's "scoundrel" husband's were from Pa. Hope this helps!

I have photos of Elizabeth & her mom Mrs Samuel U's tombstones but they are unreadable except in person. Deborah

Dr. Spendorin:
re: allied site

Is it possible to make corrections on Mary Ellen Thompson Mathis' family?
There is no Jennings spouse. I believe I have emailed all the supporting documents as to her sole marriage to Martin Mathis that is required? Am I correct?

Also: her twin brothers David & Jonathon were born 30 June 1850 in Saline Co il
And, lastly, her brother Henderson J. Thompson married first Maria L. 4 July 1865 Saline Co. she claimed desertion without cause in Sept 1865 divorce granted J file no. 68 April 1870 Saline Co. Il. So to be totally accurate, he had 2 marriages.
Once again, I appreciate your facts with this evolving story. As we learn more, we sometimes have to change locations, dates, names, etc. Corrections were accomplished very well in Englandia; as you acquired more knowledge. I appreciated that--so many "facts" on Ancestry are, sadly, bogus.

Cousin:

I did see where you fit in our family. It could be likely that my Elizabeth was named for your Elizabeth, her aunt; which is lovely. Not to bore you, as a different line from your's; but a quick story: Mack Mathis (a great grandson of Samuel's & bro to Lizzie) & his wife Hilda were adored by my mom & sis. The couple traveled by camper in early 1950s, being retired & childless. Their goal was to see all 48 states & as many relatives as they could. Apparently, their goal was not a common thing in the '50s. My mom, as a great niece, was thrilled they spent days with us. As a couple they were full of adventure stories & much laughter; they visited us more than once--much to our family's delight. Uncle Mack, also, knew much family lineage but, alas, I was too tiny to ask him. Hoping you enjoy the holidays! I will anticipate connecting with my clan.

Hi Deborah---

Nice inputs. My comments:

1. Michael U., I was known to have married Frances _____. Early speculation was that she was nee Delke. The UB issues show clearly it was not nee Delke.

2. We have no solid information as to where Michael U., I was buried except it is reasonable to believe it was in Surry Co., VA.

Hello cousins:

I have been enjoying learning more about the John Upchurch III/Samuel clan. And, I am happy to meet all of you, here, in the cyber world.

I descend from Samuel's youngest daughter Elizabeth Upchurch Thompson b 30 Nov 1814 Wilson co Tn d 11 June 1874 Saline co Ill & then through her daughter, Mary Ellen Thompson Mathis. – A namesake for her grandmother, Mary Ellen Simmons Upchurch. Mary Ellen (II) b 23 Aug 1841 Raleigh, Ill died 7 May 1939 LaSalle co Ill.

As corrections go: the major one is that in some places it gives my Mary Ellen Thompson as marrying a Wm. Jennings in 1862 in Saline Co Ill. This is not the case. My Mary Ellen married Martin VanBuren Mathis in Saline Co. Illinois on 13 October 1859. This was her only marriage. The 1862 marriage record is a, completely, different Mary Thompson that does not connect to our Upchurch's. I do have Mary Ellen II's death certificate, obituary, grave photo and record of all of her children. And, will be glad to send any pedigree information.

I do have questions: I have never seen parents for Mary Ellen Simmons Upchurch/Samuel, but I found an ancestry.com entry that gives Peter Simmons 1748-1798 Brunswick Co Va, as her father. Has anyone been able to document that?

2nd, I saw several entries giving our immigrant Michael's wife as Frances Delkie. I was under the impression that her last name has been disproven from the Upchurch Bulletins.

And, lastly, some entries had Bacon's Castle as a burial site for Michael, which I questioned; but I have not done on-site research in Surry County.

Thanks for the welcome!

The 1862 marriage record is a, completely, different Mary Thompson that does not connect to our Upchurch's. I do have Mary Ellen II's death certificate, obituary, grave photo and record of all of her children. And, will be glad to send any pedigree information.

I do have questions: I have never seen parents for Mary Ellen Simmons Upchurch/Samuel, but I found an ancestry.com entry that gives Peter Simmons 1748-1798 Brunswick Co Va, as her father. Has anyone been able to document that?

2nd, I saw several entries giving our immigrant Michael's wife as Frances Delkie. I was under the impression that her last name has been disproven from the Upchurch Bulletins.

And, lastly, some entries had Bacon's Castle as a burial site for Michael, which I questioned; but I have not done on-site research in Surry County.

Thanks for the welcome!

One Hundred-Forty Years Of His

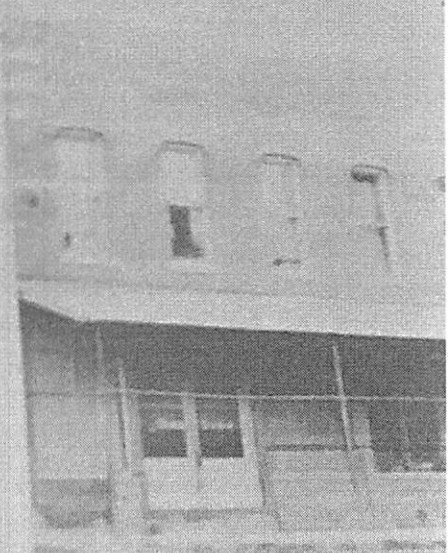

Galatia's Early History

3

The quaint and picturesque old town of Galatia, situated in the northwest part of Saline County, has a history of its own. Perhaps few villages of its size are so well known. There are but few states in the union but what have been represented by one or more of its citizens as guests of Galatia either on business or as pleasure seekers.

Galatia has passed its three score years. David Upchurch conceived the idea of locating a town in the year 1835. He had moved to this county and settled on section 12 township 8, range 12, he associated himself with William J. Gatewood and they laid out 20 acres in eighty lots, divided by streets and alleys. The principle streets were named Main-cross, Main, Locust, Hickory, and Church. After they completed their work they named the town Galatia, as far as known there was no other place in the United States with this name.

At the time Galatia was surveyed, this county was a part of Gallatin, but in 1847, Feb. 25, this county was organized and called Saline. Raleigh was the county capital. Galatia was slow in its growth, as late as 1860 there were only about fifty houses. Its principle growth has been in the past fifteen years. A Mr. Upchurch was the first Postmaster here in Galatia. The government must have established an office here between the year 1835-1840.

The Doc Ramsey Store, Bill Doley's Barber Shop photo taken sometime

A black and white photograph of a book cover. At the top, there is a rectangular label with a landscape illustration and the name 'SAMUEL UPCHURCH' printed in bold, capital letters. Below the label, the cover is covered in handwritten text in cursive script. The text is somewhat faded and difficult to read, but appears to include '1850', '1851', and '1852'. The book is placed on a dark, textured surface.

I found at least 3 court appearances by Elizabeth Upchurch Thompson. I suspect her brother David Upchurch with a law background helped her. Sadly, Charles Thompson left his family just after Elizabeth gave birth to twin sons. At the old Bethel cemetery I was touched by Elizabeth being buried closely to her parents, Samuel & Mary Ellen U. Her children have had put on her stone " wife of Charles Thompson". I believe they didn't know their dad's whereabouts. My gg grandma, as a result, was a hired girl at age 9. Her brother Henderson, also, abandons his wife in Saline Co. following his dad's example.
