DeFratus killed in one car wreck

Mark DeFratus, 17-year-old senior at Pottsboro High School, was killed in a one-vehicle accident on Keefer Road around 6:15 p.m. Thursday.

His body was not found until approximately 6:20 p.m. Friday after an extensive search.

According to authorities, his parents, David and Jayne DeFratus, reported him missing after he failed to return home Thursday night. Friends, volunteers and authorities conducted an all night search and continued looking all day Friday.

DeFratus and his car were not found until Donald Pace made one last trip down Keefer Road and discovered the tragedy.

With the assistance of ham radio operators, the authorities were summoned.

Justice of the Peace Bob Umphress said that the road had been searched several times but the car had dropped into a 10-foot-deep creek, making it impossible to see from the

DAVID MARK DEFRAATUS roadway.

Umphress said DeFratus had been visiting with Pace and left about 6:10 p.m. to return home, about a six min-

ute drive.

Texas Highway Patrol Troopers Ted Smith and Y.Q. Tilery conducted the investigation. Umphress pronounced him dead at the scene from accidental injuries, possibly a broken neck.

Trooper Smith said the vehicle was southbound on Keefer Road, 1.3 miles south of FM 996. After topping a hill, the driver apparently lost control, possibly from a steering defect.

The auto crossed the roadway, went into a broadside skid for some 200 feet before hitting a tree at the driver's door. The vehicle then spun around the tree and dropped into the ravine.

Umphress said he believes DeFratus was killed instantly.

DeFratus played trumpet in the Pottsboro High School Band and was a member of the Volkswagon Club. He was also a member of the Pottsboro Church of Christ.

Memorials may be made to the Pottsboro High School Band.

you will see on the last page that our daughter, Karen Elayne (De Fratus) Armor lost her husband 11 Oct, 1999. Her husband, Gary Armor, was killed instantly in a head-on-collision caused by a young man passing another vehicle and hitting our son-in-law's car. The young man was going about 120 MPH. He pled guilty and in March of this year was given the maximum sentence he could receive. Our daughter, Karen, has handled this situation and loss marvelously. She forgave the young man and comforted him and his family. She credits prayer and God's help in achieving this compassion. They had no issue
