Dear Cousin Doris

Thank you for your letter of 27 SEP 95 and for the Upchurch clipping about the race track. I have one other clipping on the track and the Upchurch family involved. I have not yet connected them to a branch of the family but if we keep putting details in the file we will figure it out sooner or later. I am really grateful for clippings such as these. They help line up our family records and provide meaningful family connections.

Please stay in touch.

☺ Sincerely yours
Phil Upchurch

Dear Cousin-in law,

I have nothing new to report but I found this article in The Sunday Oklahoman and noticed it involved an Upchurch family in NC. I thought you might find it interesting.

Keep in touch!

Dear Doris

Thanks for your letter of 29JUL95 and for all the details. I have spent several hours poring over your letter with its many valuable items of information.

Enclosed is a copy of the Master outline for Martha (U) Yates and her descendants. Also provided is a list of questions on what is missing for the family of Oria Mann. I will be most grateful for any answers you have or can get. I realize that some of these details may not be available.

I have sent your Mann questions on to my Mann cooperator and hope you will hear from him. I am unable to shed any light on the questions you raise.

Your letter arrived while we on a trip to AZ & NV - passed right through Oklahoma City. We made 865 miles that day - so you see why we did not have time for a visit.

Thank you for your interest.

☺ Sincerely yours
Phil Upchurch

REC'D
3 AUG 1995

Dear Phil,

Thanks for responding so quickly to my latest letter. I definitely needed some diversion from "24 hr a day" "Federal Building Bombing". Its been a

7-29-95

Dear Phil,

The above was the only result of my good intentions to quickly answer your letter/questions regarding my husbands ancestors. Somehow, you must have more hours in your days than most people. You accomplish so much - you're probably much better organized than most of us!

After the bombing I did some volunteer work with Feed the Children. My husband has been an acquaintance of Larry Jones for a long time + I felt like I had to do something that made some sense after the bombing. My son always says "Normal is just a setting on the dryer." Whoever did this evil thing must be so abnormal that his family tree never branched. Sick sick sick.

In June I bowled in the Womens National Tournament in Tucson. I didn't do particularly well but enjoyed Tucson. I'd never been there. My husband hates cold weather. I'll bet he would love to live in Tucson. I'm glad I'm not there this week. Too hot everywhere for me!

After Tucson my daughter & I took our annual trip to Las Vegas. Didn't come home rich but brought more than I took for the total ten days in Tucson & L.V. I always say, "I'll probably never win enough to get my name in the paper but I'll never lose the family farm either".

I've spent a lot of time lately actually working on Genealogy. Found some more of Dan's Hardwicks and my Tinkers. Those Hardwicks were very prolific but only knew 3 boys and 2 girls name for 5 generations with ten families in each generation. I guess people just didn't have time to consider a name, reject it and start over picking one for the coming baby. But, good grief! Didn't they ever get tired of John, William, Thomas, Mary & Sarah?

I love to work logic problems in puzzle books and to me that's what genealogy is mostly. Logic - and a lot of intuition & some luck.

My daughter actually got me to do genealogy for her although I've always been interested in it. My Dad was very much agin it & I've already told you about my husband's attitude. The only reason he tolerates me doing it is because I tell him I'm doing it for Melanie. I'd like to write a book for her incorporating ^{her} ~~the~~ family into the history of the appropriate time. I wish I could find a few more pieces of meat to go put on the family bones (skeletons in the closet) to make the book a little interesting to non family members. I loved the diary of your May/June trip. It was fun to read and I could imagine I was along to meet all the relatives, & friends, eat the good food & visit places never before seen. Last summer we visited historic Vicksburg, Natchez, New Orleans & Biloxi. Don said on our return "I've learned more about the civil war than I ever wanted to know & seen enough old houses to last a lifetime".

Well, Phil, I'm on a roll so I'll close and write 2 more genealogy related letters. Again, I'm sorry it's been so long

Cousin in law (or something)

Doris Mann

P.S. I'm not sure why I wrote this. I have 2 computers and an electric typewriter that knows how to spell.

In my notes I have some names with (?) by them. This is info I've assumed until I could prove or disprove. Can you shed any light on the following? Maybe your Mann researcher could "field" these.

M +Δ 1. Is Ocia the son of William A and
 Δ+□ grandson of Daniel + Susannah both
 A - born about 1814? On the ¹⁸⁵⁰⁻ 1860 Census
 Δ+□ Daniel + Susannah have ^{six-} eight children
 N Δ listed including William age ¹⁰⁺ 20. on
 N Δ the 1870 the William A who is
 Δ listed as the husband of Augustin
 - (Gustan) is age 23 or 29 (unable to
 Δ read). In 1880 William is listed as
 Δ+Δ+Δ age 34, husband of Augustin + father
 Δ+Δ+Δ of Lorenza(?), Ocia + Oscar.

→ [WILLIAM ?? - RPA]

2. If the "Williams" (discussed in question one, are all the) same person whose age became more questionable as he aged then is Daniel the son of another Daniel whose wife was Charlotte Stephens? I'm unable to find where I got this hint. (Probably something at the L D S Family History Center)

first six generations of Upchurch in America.
I have highlighted your line. I am descended
from Nathan U, I and his son Gilbert U
(circled in red).

My 4 item **Biopic sheet on Martha U** is
enclosed. Until you came along you can see
we knew very little about her. A great deal
is known about the Yates family who
lived side-by-side with Upchurch in
Wake & Chatham Counties, NC. However, I
have not been able to show the relationship
of Simon Yates to the other Yates family
members in the area. Likewise, I cannot
connect William A. Mann to other members
of the well known Mann family in the
area. I do have an active Mann researcher
with whom I collaborate and if you are
interested I can put you in touch with
him. I don't have an active Yates cooperator
but would like to have one.

After Michael U, I settled in Surry Co, VA
in 1638 the succeeding generations moved
south until by 1790 all known Upchurch
heads of households were in NC. Richard U, II

arrived in the Moccasin Creek Area of present day Franklin Co, NC about 1755 and there raised the eleven children you see listed on the 11" x 17" chart. I continue to work on identifying the exact land this group owned. There are still descendants in the area. I will give an Upchurch lecture in Zebulon, which is near to the Upchurch area on 28 MAY 95. About 1802 Nathan U, I and Mose U (brothers) left the Moccasin Creek Area and moved west to the border of Chatham and Wake Counties. Mose settled just across the line in Chatham & Nathan settled just inside Wake at Green Level. We have identified the 1000 acre that Nathan owned. My Grandfather Bartley Jefferson U was born at Green Level & left there to serve in the Civil War. Afterwards he settled in Southern Wake Co, NC where my father and I were born. I have revisited the Green Level Area many times, most recently last September and I will go back again this May.

What I have mentioned herein is explained in much more detail in past issues of the U.B.

Enclosed is a list of questions. I'll be grateful for any answers you have or can get. If you have something already organized you can just send a copy of whatever you have. I hope we can continue to exchange information. I have a great deal of material and am more than happy to share when I find an active cooperator.

Over time I will be pleased to learn how you are approaching family history so that I can be of more help. In the meantime, thank you for your kind remarks.

Thanks for the order for the 1995 U.B. Issue 1 is enclosed. Issues appear in MARCH, JUNE, SEPT and DEC - when we are on schedule - which we usually are.

P.S. - Master outline for Martha U enclosed.

Sincerely yours
Phil Upchurch

Dear Phil,

Phil sounds much friendlier than Robert Phillip although that is a nice name for a Professor, Attorney or CEO. I enjoyed your "Freedom Document" so much that I hope to be able to claim you as a relative if only by marriage.

Actually, Upchurch seems to be ancestors on my husband's fathers paternal side. His father abandoned his mother with a three year old and unborn twins in the middle of the Depression and my husband and brothers grew up and remain very bitter and my husband tells me to "leave his tree alone". I justify my disobedience of this order by remembering that his ancestors belong to our children and I do geneology because of my daughter's interest in family history. }

I'm sending a Pedigree Chart back to the Upchurch connection. This info came from a record at the LDS Library. Also, please enter my subscription to the UPCHURCH BULLETIN. I'm sure I will enjoy it and look forward to my first issue and any info you may have regarding 2nd Great Grandma Martha.

Sincerely,

Doris M Mann

Dear Editor,

Please send me information about the Upchurch Bulletin. My husband's ancestral line includes some Upchurchs and we would like to learn more about this family.

I'm enclosing a SASE for your initial reply.

Sincerely,
