Dear Dick,

In answer to your letter regarding birth-
dates for Michael and Patrick Duffy -- Mike's
birthday is April 6, 1972 - he is unmarried
and just recently graduated from Wyo Tech as
a Diesel technician, now employed with Inter-
state Detroit Diesel in Des Moines; Pat's
birthday is October 3, 1976, he will sixteen
and starts his sophomore year at Garwin in
just a few days. Right now he's working very
hard towards that first football game Sept.
4th. He stands 6ft. 4in. and weighs 215 lbs.
He had major shoulder surgery last fall so
the football season could be a little tense.
He loves football and baseball, what a disap-
pointment it will be if shoulder can't take
the rough game of football.

Still have my hands in the tourism business,
however it's very slow, think due to the half
fare by air that was offered. Did have a group
to Minneapolis for baseball and visited the Mall
of America the day after the opening - it's
a great mall for all ages.

If you need anymore information that I can be
of help with just let me know.

Best Wishes,
Shirley
