Dear Mrs Taylor

As you will see from the enclosed sheets I am keenly interested in the entire extended Uphurds Family: Recently I have been working on the descendants of Marjod Corrie (Uphurds) Dulaney. Julia Uphurds Morgan thought you might be willing to provide some missing details. Here are my questions:

- 1) For Marjod Corrie (Uphurds) Dulaney
  - a) I show she had just six children including an infant girl who died at birth. Is this correct?
  - b) I am guessing the infant girl was born between Marjod Carolyn Dulaney (b. 1 APR 1922) and Thomas Mayfield Dulaney Sr (b. 15 MAY 1934). Is that correct? When and where was this infant born, when and where did and where buried? Was it given a name?
- 2) For yourself
  - a) What is your full maiden name?
  - b) Did you have just one child?
  - c) Do you have just two grandchildren?

1) For yourself - combined

- a) where did you see Mary?
- b) what is the full name of Charlotte Presley and where was she born?
- c) Are either of your granddaddies married? If so, details?

2) For Mary Elizabeth Dalaney

- a) where and where did she marry?
- b) what is the full name of Raymond Held and where was he born and where did he die?
- c) Did she have just four children?

3) For Mayfred Carolyn Dalaney

- a) where did she marry?
- b) Did she have just two children?

4) For Thomas Mayfield Dalaney, Sr

- a) where did he marry the 1st and 2nd times?
- b) Did he have just one child?

5) For John Bonds Dalaney, Jr

- a) where was he married?
- b) Did he have just two children?

Any of the above that you have or can get will really be appreciated.

I'll be glad to send you a sketch of your line and name back to Michael U, I showing how we are related if you so desire. Let me know if you have any questions.

Sincerely yours  
 Phil Yelovich

Dear Cousin John,

Thank you very much for your letter of 18 JUN 2001 and for all the family details you and your sisters have provided. Perhaps by now you have correctly concluded that I am sort of nuts on this family stuff - but there are worse things.

All of the information provided has been extracted and added to the various profiles and to the master outline. We have made wonderful progress in documenting the Abel U, S, clan to which you belong. There is always more to learn about the earlier generations and the current family members keep changing their status.

Sallaine and I had a wonderful visit with Bill & Ruth in MS in March and it is really nice they are helping pull more

records together; I<sup>2</sup> had no idea he was  
called "Phillip". (2)

I don't know what "Phillip" has sent  
so may risk some duplication in what  
is enclosed. Provided herewith is a copy  
of the master outline for the Robert Burton  
Co, Sr Family. This includes R B Co, Sr and his  
children & grandchildren. The descendants (if  
any / if known) of grandchildren are included  
in continuation sections as indicated on the  
left hand side of the page. I have included  
22-26 of those (after the pink sheet) and  
can provide the others if you so desire.  
Feel free to share this with others - or  
I can make copies & send to you for  
transmittal or I can send directly to  
anyone you suggest.

There are missing items and perhaps  
corrections which need to be dealt with.  
You can see I collect full name (full  
maiden name of females) dates of births/  
marriage/death and place of birth/marriage/

death/ burial. For place I like to include name of town/county/state and name of cemetery where available.

I am not making a request that you obtain the missing details. However anything provided will be appreciated.

I do wonder about the children of Mary Elizabeth (Dulany) Held. Are there really 3 or 4? See continuation section 23

After meeting with Bill & Ruth I prepared the enclosed "Footprints" article about the Abel U, Sr. Class & the movements of the members thereof. I might publish this in the Upchurch Bulletin.

The enclosed "SPRING 2001 SAGA" will bring you up to date on what we have been doing recently.

Deb is pushing herself to the limit at Pharmacia. you & I are lucky to be out of the rat race. Let's get together & compare notes.

Sincerely yours  
Phil Upchurch

Dear Phil,

Our cousin William (we call him Phillip) asked me to provide you with any information I can about our branch of the Upchurch family. I have written answers to your questions on the enclosed sheets you provided. We (my sisters and I) couldn't come up with some answers, but have done the best we can.

△ { Some of the more significant info we have provided is related to our brother Thomas Mayfield (Tommy). Apparently Phillip was not aware that Tommy had drowned in a hot tub in his backyard in 1992. Also some scant info is provided about his 3rd and 4th wives with whom we have no current contact.

△ { Incidentally, I notice that my mother's (Maifred Carrie) date of death was incorrectly specified as 15 Mar 1972. This is actually the date of my father's death. Maifred Carrie's was actually 12 Aug 1980. I suspect that was probably a transcription problem on your list. The identifying reference numbers are VII, 10 with an XID of 3816.

I first heard of you from my cousin Fred at my mother's funeral in 1980. He then provided me a copy of his work on our branch of the Upchurch family along with a copy of your newsletter. You have certainly have done a lot of work on this important project. I think Fred may have corresponded with you a bit at that time. Unfortunately he has since passed on as I'm sure you are aware.

A few years after that, I became aware that your daughter Deb and I were working in the same department at Monsanto. Our relationship became a topic of conversation for us at the time. You worked out some information for us revealing that we (Deb and I) are 6th cousins. I still have a copy of your worksheet. I retired from Monsanto 8/31/95.

I hope this little bit of information will be helpful to you. You can get me at 636-394-5942 (and /or the above address) if there are more questions I may be able to answer.

John

Dear Mr Dolaney,

As you will see from the enclosed materials I am keenly interested in the entire extended Upchurch Family. Recently I have been working on the Mayfield (and Upchurch) Delaney Family and would writing to ask your assistance. Here are my questions:

1) For Mayfield (and Upchurch) Delaney

a) I show she had just five children including an infant girl who died at birth. Is this correct?

b) I am guessing the infant girl was born between Mayfield Carolyn Dolaney (b 1 APR 1922) and Thomas Mayfield Dolaney, Sr (b 15 MAY 1934). Is that correct? When and where was this infant born when and where died, where buried? Was it given a name?

2) For yourself

a) where were you married?

b) Did you have just two children?

c) Is John Bonds Dolaney, III still single?

d) Do you have any grandchildren?

For yourself - continued

e) where was Cheryl Denise Bulaway named?

f) what is the full name of Michael Guillette and where in NC was he born?

Any of the above details you can supply will be greatly appreciated.

If you so desire I'd be glad to send you a sketch of your line and mine back to Michael Upchurch, I showing how we are related.

Please let me know if you have any questions about your Upchurch Heritage.

Sincerely yours
