

- A Paper Trail for a 1960's Researcher trying to help with Upchurch Research.

On 30 SEP 2002 APH received a packet of documents which had been held under the name Robert E. Lee II, a considerable portion of which included Roy NMN White, Jr. Two items (letters) dated 30 NOV 1967 & 28 JAN 1968 were written by AGNES M. CARTEE (Mrs J. B. Carter, Jr) of Hyattsville, MD. Agnes is not an Upchurch descendant but an earlier generation member in her family married to Upchurch. Agnes was willing to share a lot of Upchurch material she had collected. Most of this was related to the James A. III / Burnell A Subdan. The letters themselves are placed in the profile of Roy NMN White, Jr since they were mailed to him and he has been the prime researcher on the Subdan named. However, most if not all of the data in the letters is not new to RPH files. CROSS REFERENCE:
