Dear Cousin Nadine,

Thank you for your renewal on the UB for 1995 and for your letter. As every day goes by we are more and more settled in our new home. However, I am amazed at how many things there are to do when you move.

Thanks for reminding me about Charles W. Smith. I had written to him in 1989 just before you and Marion and I had our delightful visit at the coffee shop in Tucson. Charles did not respond to my 1989 letter. I have now written him again (copy enclosed) and hope to hear from him.

I am most pleased that you plan to do some work on family history in 1995 and it will be a pleasure to work with you.

All the best for the New Year!

☺ sincerely yours,
Phil Upchurch

Dear Mr Greer,

This is in response to your query in the FEB 89 issue of the Wake Co, NC Genealogical Society Newsletter. I do not have answers for you but perhaps we can still help each other. I published the Upchurch Bulletin an which details are enclosed.

My ancestor Richard Upchurch, II owned in the Marsh Creek area of central NC about 1755. This is now in the southern tip of Franklin Co, NC but fell in Harnett County in earlier years. This ancestor raised a large family and many descendants are still there or in nearby communities today. One of the sons was Nathan Upchurch, I, my GGGF. He was raised in the area and moved there but migrated to western Wake Co, NC about 1802 and there owned 1000 acres and the Green Level crossroads.

I constantly create new Profile cards for members of the Upchurch family and related people whether related by blood, marriage or circumstance. One can never tell when these Profiles will be of use. There are 6 Group Profiles and copies of them are enclosed for your use. The Benjamin

Upchurch referred to in the Josiah Crudup (3) file as a natural son of Richard Upchurch, II.

There are four Battle Chapter endorsed for your use.

Also included is a two-page Chapter on Josiah Crudup Upchurch. He is a son of Jubal Upchurch, a grandson of Burtis Upchurch and a ggs of William Upchurch, I. I can't figure out how he got the name Josiah Crudup but one is naturally tempted to speculate that there was a tie to the Crudup Family somehow. Can you shed any light on this.

Since your ancestors and mine lived in close proximity in central NC it is quite likely that some of the relatives intermarried. Do you have any such records?

Could you send me any charts or lists of the descendants of Josiah Crudup. I would plan to scan these to see if I could identify any relationships that existed since Upchurch descendants. Of course some of these descendants would be from the female side and would no longer bear the Upchurch name.

Please let me know if you have questions.

Sincerely yours

Phil Upchurch

[ROBERT PHILLIP UPCHURCH]

P.S. - Could I have your full maiden name. I file that way

Dear Mr. Upchurch,

Thank you for your letter of 5 March and the information enclosed.

How wonderful to have a repositary and clearing house for your family research.

Enclosed are my Crudup and Battle family group sheets. My information is pretty sketchy, but perhaps they will be of some help.

I am stuck on my husband's g grandfather Dr. William Greer, and on my 4th g grandfather John West, and I have enclosed these sheets also just in case you have anything on those surnames.

I would bet that your Josiah Crudup Upchurch goes back to our Josiah Crudup — maybe through George Crudup's son

Thanks again for writing.

DOROTHY WEST ELLISON (11)

26 MAR 1959

DOROTHY E. GREEN
306 GREENSBORO RD
STARKVILLE, MS 39759

Dear Mrs Green

Thank you for your very nice letter of 11 MAR 1959 and for all the enclosures. I have just spent about an hour sorting biofiles for some of the names you provided. Those biofiles are filed alphabetically and keyed back to your letter. If anything turns up on these various families that would seem to be of mutual interest I'll be in touch with you. Would you please do the same for me.

Although our exchange did not "hit the jackpot" I feel that our ancestors were in some of the same communities and some kind of interaction is likely to show up sooner or later. Some likely spots are Wake Co, NC, Henry Co, TN, Greenville, SC and Gallatin Co, IL - just to mention a few.

Good Hunting!

Sincerely yours
Phil Uphurch
