Dear Cousin Lois,

When I returned from Europe on 5 JUN 89 your letter with details was waiting. I have just finished processing it and find others that came from different descendants of James David Uplund, I. I really appreciate the details you have supplied. We are really making great progress on the James David U, I Family and I hope we can continue. A copy of the Master outline for James David U, I and his children is enclosed along with a list of questions that still need to be answered. Any help you can give on these will be appreciated.

The job your Grandmother did in raising 12 children alone seems quite spectacular. I have learned bits and pieces about this here and there. At some point I hope to make reference to it in the U B.

Here are some questions on your more immediate family:

1) For Patricia Ann Durscher

a) when and where did she marry?

b) what was the full name of her husband and when and where was he born?

2) For Marilyn Elizabeth Durscher

a) when and where did she marry?

b) what is the full name of her husband and when and where was he born?

If you have these details they would be most helpful.

Someone sent me a newspaper clipping reporting on the 1950 bloodsuckers reunion in Arkansas. Your mother was shown on the upper borders and you and your family were there. The article referred to "Patty" and "Marilyn". There was reference to a picture of the group being made by a professional photographer. I would love to have a copy.

With lots of thanks for your help.

Sincerely yours
